EXHIBIT NO. 2

The following lists the educational components of St. Mary Catholic Parish:

- 1) Bible Study
- 2) Christian Adult Faith Formation
- 3) Christian Catholic Moral Teachings
- 4) Christian Catholic Social Teachings
- 5) Character and Religious Formation for the Youth

St. Mary Church also serves as the campus for the St. Mary School which is certified and accredited.

I envision the radio station as a means of disseminating the various educational programs to a wider population.

I envision the radio station could offer an additional platform for the education of our students through courses presented over the air.
