Auburn, AL 36832**

**ENGINEER'S DECLARATION**

I, Terry W. Harper, subject to the penalties for perjury, do declare as follows:

1. I am a qualified Broadcast Engineer whose abilities and experience are a matter of record before the Federal Communications Commission.
2. I am a holder of a valid General Radio Telephone Operator's License, Number PG-6-17008, issued for life, and that I was first licensed as a First Class Radio Telephone Operator in 1967.
3. That I have been a member of the Society of Broadcast Engineers since 1990.
4. That I operate a technical consulting firm in Auburn, Alabama that specializes in the installation and maintenance of Broadcast Radio facilities.
5. That I was retained by Alabama Christian Radio, Inc. for the purpose of supervising the installation of transmission facilities for WELL (FM) Waverly, Alabama for which the Construction Permit BPED-20170328AAG was granted by the Commission on April 28, 2017.
6. That I am familiar with the terms and conditions of the WELL (FM) Construction Permit, and;
7. I hereby certify that I have overseen the installation of the WELL (FM) directional antenna and that the installation was complete pursuant to the manufacturer's instructions.

Sworn this 1 st day of December, 2017

Terry W. Harper  
Consulting Engineer
