

TECHNICAL STATEMENT
RADIO MULTIPLE OWNERSHIP ANALYSIS
CC LICENSES, LLC

This statement and the attached figures were prepared on behalf of CC Licenses, LLC. ("CCLL"), a licensee subsidiary of Clear Channel Communications, Inc. ("CCC"). CCLL is the proposed assignee of Station KJDX(FM) and this multiple ownership exhibit accompanies CCLL's application to modify the facilities of KJDX(FM) Pollock Pines, CA.¹ A multiple ownership analysis was prepared considering the following radio stations under present or proposed common ownership, time brokerage or joint sales.²

Table 1: Proposed Commonly Owned, Brokered or Jointly-Sold Stations Studied and Associated Arbitron Metro³ Information

Calls	Fac ID	Band	Community	County	State	Geographic Arbitron Market	Declared Arbitron Market
KJDX	60300	FM	Pollock Pines	El Dorado	CA	Sacramento, CA	Sacramento, CA
KFBK	10145	AM	Sacramento	Sacramento	CA	Sacramento, CA	Sacramento, CA
KGBY	10146	FM	Sacramento	Sacramento	CA	Sacramento, CA	Sacramento, CA
KHYL	10144	FM	Auburn	Placer	CA	Sacramento, CA	Sacramento, CA
KSTE	22883	AM	Rancho Cordova	Sacramento	CA	Sacramento, CA	Sacramento, CA

Since certain of these stations have overlapping principal community contours (5 mV/m for AM stations, 3.16 mV/m for FM stations), or are located in, or home to, the same Arbitron Metro Markets, an ownership study has been prepared in accordance with the Federal Communications Commission's local radio ownership rule.⁴

CCC does not have an attributable interest in any other station with a principal community contour that overlaps or intersects the principal community contour of KJDX(FM) as currently licensed (see Figure 1). However, the proposed community of license of KJDX(FM) is located within the Sacramento, CA Arbitron Metro,⁵ and KJDX(FM) and it is anticipated BIA will reflect this change soon. Contour overlap of the station to be modified, as

¹ KJDX(FM) is currently licensed to Susanville, California, but has been issued a construction permit for Pollock Pines, California. Because Pollock Pines is located in a county in the Sacramento Arbitron Metro, it is anticipated KJDX(FM) will be reported by BIA as being "Home" to the Sacramento Arbitron Metro.

² None of the following stations are attributable by virtue of a time brokerage agreement or joint sales agreement.

³ Arbitron data presented herein is obtained from BIA's "Media Access Pro."

⁴ See 47 C.F.R. § 73.3555(a).

⁵ A station is considered to be "located in an Arbitron Metro" if the station's community of license is located within the boundaries of that Metro, or, the station is listed as "Home" to that Metro by BIA.

depicted in Figure 1, also occurs with commonly-owned stations whose communities of license are located in Sacramento, CA Arbitron Metro market.

Arbitron Market Study

It is anticipated KJDX(FM) will be reported by BIA as being "Home" to the Sacramento, CA Arbitron Metro. This proposal is in compliance with the local radio ownership rules for that Arbitron Metro, as evidenced by Table 2 below:

Table 2 - Stations Considered to be in the
Sacramento, CA Arbitron Metro⁶

Count	Calls	Fac ID	Band	Owner	Status ⁷	Community	County

Interim Contour-Overlap Analysis

Because the principal community of the station to be modified, and the communities of all commonly-owned or attributable stations with overlapping principal contours with the station to be modified, are located inside an Arbitron Metro, an interim contour-overlap analysis is not required.

Conclusions

In the Arbitron Radio Market studied herein, there are at least 47 radio stations, including the subject commonly-owned 2-AM / 3-FM stations, which are home to the Sacramento, CA Metro. This proposal does not affect the existing number of commonly-owned stations in the subject BIA Metro.

Based on the above, it is concluded that the proposed modification complies with Section 73.3555(a) of the FCC Rules.

Respectfully submitted,

Troy G. Langham
FCC Engineering Supervisor
