

## **Declaration of Clayton D. Hewitt**

Clayton Hewitt hereby declares and says:

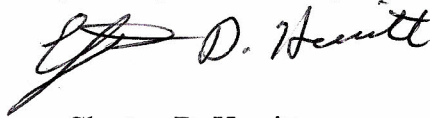

I have been a broadcast engineer since 1987. I have been directly involved with design, development and installation of broadcast antennas and RF transmission systems since 2003. I am also an iNARTE Certified Technician T4-03053 and hold an Advance Class Amateur Radio License KF8UI.

That I supervised the installation of the WTAC directional antenna system and that it has been installed properly in accordance with instructions and specifications.

I also certify that the antenna was installed at the proper height and rotated to a proper azimuth as to comply with FCC requirements (see surveyors statement).

That all the statements contained within this exhibit are true and accurate to the best of my knowledge and belief.

Respectfully submitted by:
