Facility Id: 197133

Call Sign: KUPV-LP

License File Number: BLL-20161011ABA

This license covers permit no.: BNPL-20131

Subject to the provisions of the Communications Act, and all regulations hereunder, this Commission, and further subject to the terms and conditions of this license, the licensee is hereby authorized to operate the transmitting apparatus herein described.

This license is issued on the licensee's representations and statements contained in licensee's application and the licensee's undertakings therein contained so far as they may be carried out in good faith. The licensee shall, in the exercise of this license, render such broadcasting service in the public interest, convenience, or necessity to the extent herein conferred.

This license shall not vest in the licensee any right in the use of the frequency assigned to the licensee beyond the term hereof, nor in any other right herein. Neither the license nor the right to use the frequency assigned or otherwise transferred in violation of 1934. This license is subject to the regulations of the Government of the United States conferred by the Communications Act of 1934.
