Re: K246AM, Jamestown, ND (FIN: 141985)  
Change of Primary Station to KRVX(FM)

Dear Ms. Dortch:

Two Rivers Broadcasting, Inc. (“Two Rivers”), licensee of FM Translator Station K246AM, hereby notifies the Commission of its intention to change the primary input station of K246AM from KQDJ(AM), Jamestown, ND (FIN: 68626) to KRVX(FM), Wimbledon, ND (FIN: 164198) effective upon the initiation of Program Tests and the filing of the application for license to cover the new FM Translator Station proposed for Jamestown, ND (FIN: 200073). KRVX(FM) is also licensed to Two Rivers. To the extent necessary, Two Rivers requests a waiver of 47 CFR § 74.1232(b) to allow for continued service to the Jamestown community on K246AM pending grant and licensing of the new FM Translator (FIN: 20073) on 107.1 MHz. In the event the staff determines that it is necessary to effectuate the primary input station change in order to process and grant the new FM Translator, Two Rivers will do so upon notification from the Commission. A map demonstrating that K246AM is a fill-in translator to KRVX(FM) is attached.

Should you have any questions regarding this matter, please do not hesitate to contact the undersigned counsel.

Very truly yours,

*/s/ Dawn M. Sciarrino*
