

EXHIBIT 16

MULTIPLE OWNERSHIP

The station involved in the proposed transaction is in the Arbitron-defined St. Louis, Missouri Metro. As shown in the attached report from the BIA Media Access Pro™ database, there are 70 full-power commercial and non-commercial radio stations included in the St. Louis Metro.

Section 73.3555(a)(1)(i) of the Commission's Rules establishes an ownership limit in a "radio market with 45 or more full-power, commercial and non-commercial radio stations, [of] not more than 8 commercial radio stations in total and not more than 4 commercial stations in the same service (AM or FM)." An application for consent to assign the license for KFNS (AM), Wood River, Illinois (Facility ID No. 13505) to Grand Slam Sports, LLC is pending before the Commission. FCC File No. BAL-20100614ACJ. KFNS (AM) is also included by Arbitron in the St. Louis Metro and is geographically located in that Metro.

Grant of that application and the current application would result in Grand Slam Sports, LLC holding attributable interests in two AM stations in the St. Louis Metro. Grand Slam Sports, LLC does not have an attributable interest in any other broadcast station or daily newspaper. This transaction, therefore, fully complies with the Commission's multiple ownership rules.
