

EXHIBIT 2

This Form 316 application is being filed for Commission consent to the *pro forma* assignment of Station WHLG(FM), Port St. Lucie, Florida, FCC Facility ID No. 27674, from the current licensee, Horizon Broadcasting Company, LLC (“HBC”) to WHLG FM, LLC, a newly-formed, 100 percent subsidiary of HBC. As an assignment of license from an entity to its wholly-owned subsidiary, this proposed transfer of control is *pro forma* and qualifies for submission on FCC Form 316.

Following Commission consent as requested by this application, HBC shall assign, transfer and convey to WHLG FM, LLC the FCC authorizations for Station WHLG(FM), and all other assets, tangible or intangible, real or personal, used or held for use in connection with the operation, ownership and maintenance of Station WHLG(FM). The consideration in return will be the issuance to HBC of 100 percent of the membership interests in WHLG FM, LLC. Consequently, HBC will be the sole member and owner of WHLG FM, LLC.

WHLG FM, LLC has two Managers: Vernon D. Smith and Christopher D. Smith, who are father and son, respectively. These two individuals are also the two Managers of HBC. The ownership of HBC will not be affected by this restructuring. The documentation evidencing the assignment of the Station WHLG(FM) authorizations and assets in exchange for the membership interest in WHLG FM, LLC will be generated before the closing.
