Re: Waiver of Construction Deadline for Construction Permit
BNPFT-20130826AEY

Dear Ms. Dortch:

Missouri River Christian Broadcasting, Inc. ("MRCB") and Caron Broadcasting, Inc. ("CBI") filed an assignment application with the Federal Communications Commission ("FCC") on July 29, 2016, seeking to assign the construction permit for unbuilt FM Translator Station K283CA, Festus, Missouri (Facility ID No. 141946) from MRCB to CBI (File No. BAPFT-20160729AFO).

CBI filed a contingent "250 Mile Modification" application for K283CA on July 29, 2016 (BMPFT-20160729ANE). The purpose of the modification is to allow CBI to rebroadcast KXFN (AM), St. Louis, Missouri, on the translator. After consummation and grant of the modification application, CBI will build the modified translator promptly.

The K283CA Construction Permit is currently scheduled to expire on October 23, 2016. CBI accordingly requests a waiver of the construction deadline for the Construction Permit pursuant to Footnote 36 of the FCC's October 23, 2015 "AM Revitalization" Order, FCC 15-142, for six months from the later of the consummation of the assignment or the FCC grant of the above-referenced modification application.

CBI certifies that it is not subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. Section 862.

Please do not hesitate to contact the undersigned should you have any questions.

Very truly yours,
Fletcher, Heald & Hildreth, PLC

Frank R. Jazzo
Counsel for Caron Broadcasting, Inc.
