Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Neely:

This letter concerns the request you filed on January 25, 2018, on behalf of Rocket Radio Corporation (RRC), for extension of Special Temporary Authority (STA) to permit FM Translator Station K256DB to remain silent.

Commission records reflect that RRC stated that Station K256DB went silent on July 6, 2017, for technical reasons. The previous STA was granted on August 3, 2017, and expired on January 30, 2018. RRC requests extension of its STA for continuing technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

RRC's request is granted. Accordingly, Special Temporary Authority is granted to permit Station K256DB to remain silent until July 6, 2018. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station K256DB will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., July 7, 2018.¹**

RRC is required to notify the Commission when broadcast operations resume. If RRC does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.³

Sincerely,

Lisa Scanlan
Deputy Chief, Audio Division
