

DECLARATION OF JOHN McGARRY

John McGarry hereby declares as follows:

1. I am Chairman of the Board of Brown Student Radio (BSR) and the General Manager of BSR's Internet-based radio station. I am a graduate of Brown University.
2. BSR is an organized and established activity of students enrolled at Brown University.
3. Based on records available on the Brown University campus, including an historical study by previous students, SR was established as a student activity in 1997 and has been in continuous operation ever since that time.
4. BSR's headquarters have been in the studio and office space they now occupy at 75 Waterman Street, Providence, RI, which is on the Brown University campus, since August of 2010. They were previously located in other space in the same building but were moved temporarily to another building during university renovations at 75 Waterman St. in the years 2009-2010. However at all times since BSR was founded in 1997, its headquarters have been lodged in some building on the Brown University campus, always within 10 miles of BSR's proposed low power FM transmitter site.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge of belief.

Executed on November 13, 2013.

John McGarry
