Lakota Communications Inc. ("LCI"), licensee of Noncommercial Educational Station KILI(FM-NCE), Porcupine, South Dakota, is a non-stock, non-profit entity. LCI is filing this application to obtain Commission consent to new members of its Board of Directors.

The selection of LCI's new Board of Directors took place pursuant to its Articles of Incorporation and By-Laws. The resulting transfer of control occurred gradually, over time, through routine changes in board membership.

This application is intended to bring the station into compliance with the requirement to obtain FCC approval of the board after 50% of the members of the board of directors have changed. The FCC first approved the board of LCI in FCC File No. BPED-19810119AC, which was renewed on July 17, 1998, in BRED-19970417YC. The Board Members since the last renewal application was filed are set forth biennially in the chart below. The chart reflects that the board changed gradually over time.

No consideration or thing of value is being given in exchange for the interests being transferred. All Board Members are U.S. citizens. Each Board Member has one vote. None have any interests in any mass media other than KILI.
