Dear Ms. Dortch,

Beaver Radio is a nonprofit corporation and licensee of KEZB-FM in Beaver, UT. We are in the process of uploading our public file to the new online system but we have been having difficulties due to resource limitations. We have fewer than five full-time employees (we are volunteer run without any full-time employees) and have had limited financial, technical, and human resources for the project, especially as we are in the middle of a transmitter site move ([BPED-20171026AAC](#)). We would request to be included in the Commission's most gracious dispensation of 60 day extensions as adopted April 24, 2018 by DA 18-412.

Sincerely,

*Mark Dupont*
