

Description of Transaction

This application is one of a series of four individual applications being concurrently filed to request Commission consent to the *pro forma* transfers of control of the following low power television stations (the “Stations”), licensed to the following entities:

<u>Licensee</u>	<u>Station(s)</u>
Media Vista Group, LLC (“MVG”)	WANA-LD (Facility ID No. 67888)
Media Vista SW Florida, LLC (“MV SW Florida”)	WUVF-LD (Facility ID No. 191422) WLZE-LD (Facility ID No. 41376)
Media Vista Minneapolis, LLC (“MV Minneapolis”)	WUMN-LD (Facility ID No. 191416)
Media Vista Kansas City, LLC (“MV KC”)	KUKC-LD (Facility ID No. 191352)

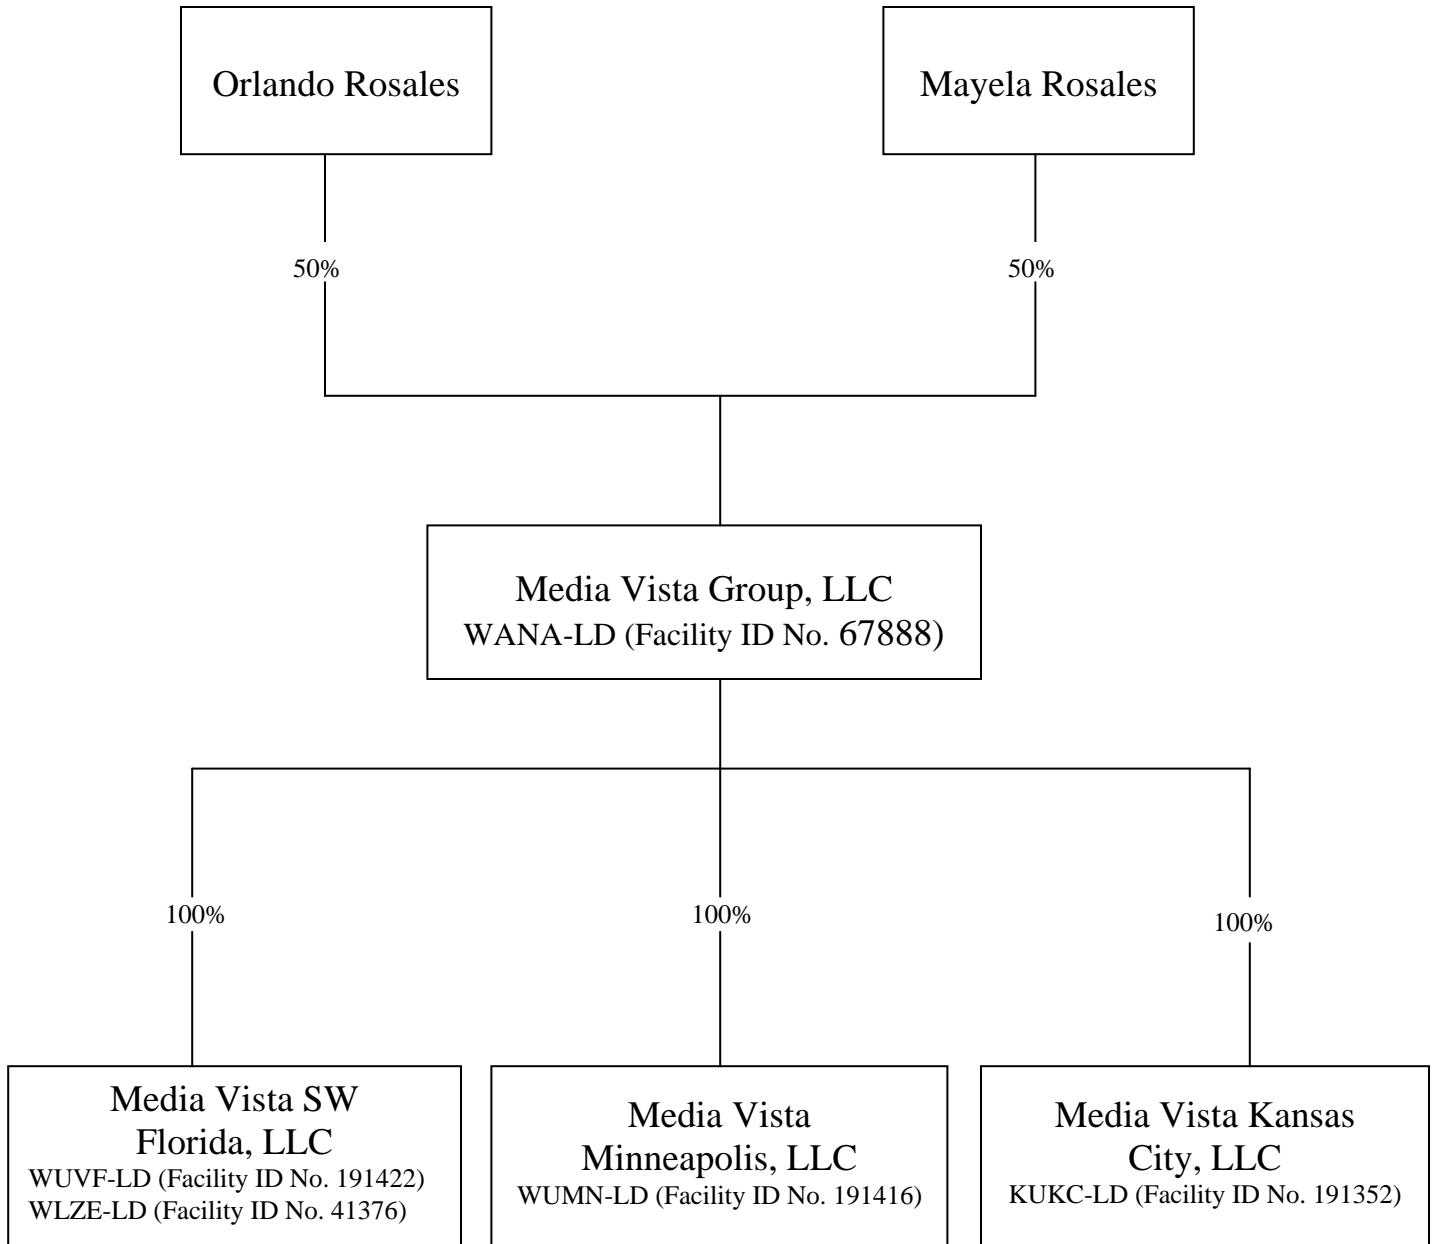

The Stations are ultimately controlled by Orlando Rosales and Mayela Rosales. Currently, Orlando Rosales and Mayela Rosales each hold, in their individual capacity, 50% of the membership interests of MVG, which is the sole member of MV SW Florida, MV Minneapolis, and MV KC. With this transfer of control, various holding companies and trusts will be inserted into the ownership chain of the Stations. Specifically, the membership interests of MVG held by Orlando Rosales will be transferred to OR Family Investment, LLC (“OR Investment”), and the membership interests of MVG held by Mayela Rosales will be transferred to MR Family Investment, LLC (“MR Investment”).

The Orlando J. Rosales Trust, u/a/d February 13, 2014 (the “Orlando Trust”), of which Orlando Rosales is the sole trustee, will hold 99% of the membership interests of OR Investment. The Mayela C. Rosales Trust, u/a/d February 13, 2014 (the “Mayela Trust”), of which Mayela Rosales is the sole trustee, will hold 99% of the membership interests of MR Investment. The remaining 1% of each of OR Investment and MR Investment will be held by an insulated member. Diagrams showing the current ownership and proposed ownership of the Stations are set forth on the pages that follow.

Because Orlando Rosales and Mayela Rosales will continue to have ultimate control of the Stations, as the trustees of the Orlando Trust and the Mayela Trust, respectively, use of a Form 316 is appropriate.

The transactions described herein will involve various organizational, governance and transfer document necessary to effectuate the internal reorganization. These agreements, which will comply with the Commission’s rules and policies, have not yet been executed. Once executed, they will be filed with the Commission to the extent required by Section 73.3613 of the Commission’s rules.
