\* Wilks Broadcast Manager LLC is intended to provide a vehicle by which principal executive officers of Wilks Broadcast Group LLC and managers of the various station clusters will be able to receive “upside” value in relation to the success of the respective clusters. The percentage participation of this entity in Wilks Broadcast Group Holdings LLC, as well as the identity and participation levels of the members of this LLC, will be determined in the future, but could under certain circumstances be in the aggregate up to a maximum of 25% (subject to possible forfeiture and performance criteria), after return to the investors in Wilks Broadcast Group Holdings LLC of all invested capital plus a preferred return thereon (corresponding to Class A Member LLC interests in Wilks Broadcast Group LLC).

In addition, the persons being granted membership interests in this entity will be expected to make capital contributions to this entity, which will in turn invest such capital contributions in Wilks Broadcast Group Holdings LLC in exchange for a Class A Member LLC interest therein. The aggregate percentage interest in Wilks Broadcast Group Holdings LLC to be represented by such Class A Member LLC interest to be held by Wilks Broadcast Manager LLC will be determined and adjusted from time to time in the future, but is not expected to exceed 3.0% (based on expected capital contributions not exceeding \$305,000), and would proportionately reduce the aggregate percentage interest of other LLC members of Wilks Broadcast Company Holdings LLC holding Class A Member LLC interests therein.

\*\* The equity interest of Jeffrey Wilks in this Wilks Broadcast Manager LLC will be reduced by the aggregate of the interests of all other executives and station cluster managers as described in footnote (\*) above and does not include the equity interests to which investors in Wilks Broadcast Manager LLC would be entitled in respect of capital invested therein which will entitle such investors to an equity interest corresponding to the fraction which such invested capital represents of total invested capital in Wilks Broadcast Group Holdings LLC as noted in footnote (\*) above.

\*\*\* It is anticipated that Marc Berman would acquire an equity interest in Wilks Broadcast Manager LLC corresponding to a capital contribution of up to \$300,000 and a percentage of profits and losses which could correspond in certain circumstances to up to approximately 19.78% (subject to vesting and possible forfeiture and to performance criteria) of the total equity interests in Wilks Broadcast Manager LLC plus a percentage of profits and losses corresponding to a portion of the total equity interests of all investor LLC members of Wilks Broadcast Group Holdings LLC based on the percentage which Mr. Berman’s capital contribution represents of the total invested capital in Wilks Broadcast Group Holdings LLC (expected to be less than 3% of such total invested capital). Mr. Berman would have a 0% voting interest. It is also anticipated that Jody Rosen would acquire an equity interest in Wilks Broadcast Manager LLC corresponding to a \$1,000 capital contribution and a percentage of profits and losses attributable to Wilks Broadcast-Reno LLC which could correspond in certain circumstances to up to 9% (subject to vesting and possible forfeiture and to performance criteria) of the portion of the total equity interests in Wilks Broadcast Manager LLC relating solely to profits and losses for Wilks Broadcast-Reno LLC (net of and after giving effect to equity interests corresponding to invested capital as described above and in the preceding footnotes).
