Section II, Eligibility Exhibit, FCC Form 318: Description of KIDS-4 Educational Programming

The Friends of KIDS-4 is an organization listed under the Sun Prairie Community Foundation that supports Sun Prairie Media Center. The mission of Sun Prairie Media Center is to provide service to the community of Sun Prairie in the form of original local programming on our cable channels, KSUN and KIDS-4. KIDS-4 is dedicated to providing continued media literacy education to the Sun Prairie youth through KIDS-4 crews and programming. KSUN is the designated Public, Education and Government (PEG) channel. It encourages community involvement in, and provides information about, city government, local schools, service groups and area churches.

The LPFM radio station requested in this application will be used to teach KIDS-4 crews about the process of radio production. Kids will have the opportunity to explore different types of radio programming and learn the technical terms and skills needed in radio production. Air time will also be used for various community programming. Programming on this station will include high school sporting events, city meetings, live call-in programs, talk radio, radio plays, live local music, and pre-recorded local concerts from the Sun Prairie, WI area.

The Sun Prairie Community Foundation (the umbrella foundation of which Friends of KIDS-4 is a part) is a non-stock, non-profit corporation whose articles of incorporation were filed in Dane County, Wisconsin on June 29th, 1970. These articles are included for review in Exhibit 2.
