Dear Licensee:

On February 19, 2008, the Video Division, Media Bureau ("Division") issued a Notice of Apparent Liability for Forfeiture¹ to Morris Network of Mississippi, Inc., licensee of Station WXXV-TV, for failure to maintain a public inspection file with all required documents.² This letter is to inform you that the Division does not plan to take further action relating to this matter and considers this proceeding closed. You should not construe the closing of the proceeding as a determination that a violation did not occur. The Division will not hesitate to take action against the Licensee for violations, including those of a similar nature, that occur in the future.

Sincerely,
