In re: Low Power Application of:
MY TOWN TV INC.
KTWN-LP, SEARCY, AR
BLDTL-20070521AAM
Facility ID: 12929

Dear :

According to Section 73.3564 of the Commission's Rules, applications found to meet minimum filing requirements but that contain deficiencies in tender and/or acceptance information shall be given an opportunity for corrective amendment pursuant to Section 73.3522. This process allows applicants to submit a **MINOR** amendment pursuant to Section 73.3572 to correct the DEFECTIVE APPLICATION.

The information on your application does not match that of the construction permit on file. The instant application is listed for channel 17, but the existing construction permit (BDISDTA-20060717AAW) is for channel 18.

You are required to amend your application by providing the information as listed above within (30) days of the date of this letter. If not so amended, your application will be CONSIDERED INCOMPLETE AND SUBSEQUENTLY DISMISSED.

Sincerely,

Hossein Hashemzadeh
Supervisory Engineer
