\* The FCC has authorized subsidiaries of Raycom to hold television duopolies in the Hawaii DMA (KHNL, Honolulu, including its satellites, and KFVE, Honolulu) and in the Cleveland DMA (WOIO, Shaker Heights and WUAB, Lorain).

\*\* KHBC-TV and KOGG operate as satellites of KHNL; and WTOM-TV operates as a satellite of WPBN-TV.

As noted in Exhibit 4, through pending applications, Raycom has requested FCC consent to acquire 15 television stations owned by licensee subsidiaries of The Liberty Corporation. Because four of the 15 stations operate in “overlap” markets in which Raycom already owns a television station, Raycom has requested a brief six-month temporary duopoly waiver period to effectuate the multi-station merger with Liberty, while locating and contracting with qualified buyers in four of Liberty’s 14 markets. The instant application involves the proposed assignment of one of the two stations in the Wilmington, North Carolina, overlap market.
