NOTICE OF LICENSE EXPIRATION

Dear Mr. Sparks:

The license for the above-referenced station expired on February 1, 2013.¹ An application for renewal of this station's license should have been filed by October 22, 2013,² and had not been filed as of the date of this letter. Accordingly, on February 1, 2014, the station's license expired by its own terms. All authority to operate Station KONR-LP has been terminated and the call letters have been deleted from the Commission's database.

Accordingly, all authority to operate KONR-LP, Anchorage, AK, IS TERMINATED and the call letters ARE DELETED as of February 1, 2014. Any operation of this facility after that date is unauthorized.

We note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower be maintained until the tower is dismantled. Therefore, the owner of the tower where the referenced station's transmitting antenna is located must maintain the tower in the manner prescribed by the Commission's rules and the terms of the expired license.³

Sincerely,

Peter H. Doyle
