Seller will retain and will hereafter pay, satisfy, discharge, perform and fulfill all obligations other than the Assumed Liabilities (the “**Excluded Liabilities**”), as they become due, without any charge or cost to Buyer. 2.4 [Reserved].

2.5 Purchase Price, Payment, and Allocation.

(a) Purchase Price. Subject to offset as provided under Section 11.7, the aggregate purchase price to be paid for the Assets will be \$1,000,000, as adjusted by Section 2.6 (the “**Purchase Price**”).

(b) Payment. The Purchase Price will be paid by Buyer at Closing by wire transfer pursuant to the instructions of Seller, which instructions will be delivered to Buyer at least two (2) Business Days before the Closing Date; provided that Buyer may elect to wire any portion of the Purchase Price directly to creditors of Seller for satisfaction by Seller of its Required Payoff Liabilities (“**Seller Creditor Wires**”) and any such Seller Creditor Wires shall be deemed received by and paid to Seller for purposes of this Agreement.

(c) Allocation of Purchase Price. Prior to Closing, Buyer and Seller shall jointly prepare, and agree upon, an allocation schedule which shall allocate the Purchase Price among the FCC Authorizations and other Assets for Tax Purposes (the “**Allocation**”). Seller and Buyer agree (i) to jointly complete IRS Form 8594 in the manner required by Section 1060 of the Code, the regulations thereunder and the Allocation, and to separately file such IRS Form 8594 with its federal income tax return for the tax year in which the Closing occurs and (ii) that neither Seller nor Buyer will take a position on any tax return inconsistent with the Allocation without the written consent of the other Party; provided, however, that nothing contained in this Agreement will prevent Buyer or Seller from settling any proposed deficiency or adjustment by any taxing authority based on or arising out of the Allocation, and neither Buyer nor Seller will be required to litigate before any court, any proposed deficiency or adjustment by any taxing authority challenging such Allocation. Notwithstanding anything to the contrary in this Agreement, the provisions of this Section 2.5(c) will survive the Closing.

2.6 Adjustments.

(a) General Rule. The operation of each Station and the income and normal operating expenses attributable thereto, through 11:59:59 p.m. (Central Time) at the end of the Closing Date (the “**Effective Time**”) will be for the account of Seller and thereafter for the account of Buyer and, if any income or expense is properly allocable or credited, then it will be allocated, charged or prorated accordingly. Real property Taxes, expenses for goods or services received both before and after the Effective Time, power and utilities charges, frequency discounts, insurance premiums for any insurance policies being assigned to Buyer, prepaid cash, time sales agreements, commissions, wages, vacation or sick days, payroll taxes and rents, deposits and similar prepaid and deferred items (including, without limitation, accruals and deferrals under Contracts, Program License Agreements and Network Affiliation Agreements) will be prorated between Seller and Buyer as of the Effective Time, in accordance with the

principles of the immediately preceding sentence. At Closing, the Parties will make all known prorations and estimate any remaining prorations.

(b) Adjustment Schedule. Buyer will prepare and deliver to Seller within ninety (90) days after the Closing Date a report computing the details of the determination, in accordance with the provisions of Section 2.6(a), of the final prorations as compared to the estimated prorations made at Closing. Within thirty (30) days after receiving the report, Seller will provide Buyer with any objections to the computations. If Seller has no objections, the Party obligated to make payment under the report will do so within five (5) Business Days after the expiration of the 30-day period. Any disagreement that cannot be resolved by the Parties within thirty (30) days will be resolved by Seller and Buyer each selecting their own reasonably agreeable certified public accountant knowledgeable in the broadcast industry (the “**Accountant**”) to resolve the dispute; provided, however, that the Parties will use Commercially Reasonable Efforts to mutually agree on one Accountant (in which case the cost will be shared equally by the Parties) and if, and only if, the Parties are unable to so agree, then each Party will utilize their own Accountant. If these two Accountants cannot resolve the dispute within thirty (30) days after submission to them, then the two Accountants will select a third Accountant and the agreement of two of the three Accountants will be binding on the Parties and subject to judicial enforcement. Each Party will bear the costs of its own Accountant and one-half of the cost of the third Accountant.

2.7 Closing. The consummation of the Transactions provided for in this Agreement (the “**Closing**”) will take place at the offices of Akin Gump Strauss Hauer and Feld, LLP, 1700 Pacific Avenue, Suite 4100, Dallas, Texas 75201 at 11:00 a.m., or such other time and place (including by facsimile or electronic exchange) as Buyer and Seller may agree to, on the last Business Day of the first month during which all conditions to the obligations of the Parties set forth in Article 8 and Article 9 (other than such conditions as may, by their terms, be satisfied only at the Closing or on the Closing Date) are satisfied or to the extent permitted by applicable Law, waived. The date on which the Closing is to occur is referred to in this Agreement as the “**Closing Date**.”

2.8 Compliance with Bulk Sales. The Parties hereto hereby waive compliance with bulk sales Laws.

ARTICLE 3 REPRESENTATIONS AND WARRANTIES OF SELLER

Seller represents and warrants to Buyer that the statements contained in this Article 3 are correct and complete as of the Effective Date and will be correct and complete as of the Closing Date, as though made then and as though the Closing Date were substituted for the Effective Date throughout this Article 3, except as set forth in any applicable section in the disclosure schedules delivered by Seller to Buyer on the Effective Date. Such disclosure schedules will be arranged in sections corresponding to the lettered and numbered sections contained in this Article 3.

3.1 Company Status. Seller is a Texas corporation duly organized and validly existing under the Laws of the State of Texas, and is duly qualified to transact business in Texas and every state in which the failure to be qualified would have a Material Adverse Effect on any Station or the Assets. Seller has the requisite power and authority to carry on its business as it is now being conducted and to own and operate the Stations and Seller has no business other than the operation of the Stations. Seller has delivered to Buyer correct and complete copies of Seller’s Organizational Documents, as amended to date.

3.2 No Options. No Affiliate of Seller or any other Person has an interest in, or option to acquire, any of the Assets or any property used in the operation of each Station.

3.3 Entity Action. Seller has the relevant entity power and authority necessary to execute and deliver this Agreement and to perform and consummate the Transactions. All actions and proceedings necessary to be taken by or on the part of Seller in connection with the performance, execution and delivery of this Agreement and the completion of the Transactions through Closing Date have been duly and validly taken, have not been rescinded and are in full force and effect, and this Agreement has been duly and validly authorized, executed, and delivered by Seller and constitutes the legal, valid and binding obligation of Seller enforceable against Seller in accordance with and subject to its terms.

3.4 No Defaults. Neither the execution, delivery, or performance by Seller of this Agreement nor the consummation by Seller of the transactions contemplated hereby, is an event that, of itself or with the giving of notice or the passage of time or both, will: (a) violate or conflict with any provision of the Organizational Documents of Seller; (b) assuming that the consents (i) required in connection with any assignment to Buyer of the Contracts listed on the Assumed Contract Schedules, or (ii) otherwise contemplated by this Agreement are obtained, constitute a violation of, conflict with or result in any breach of or any default under, result in any termination or modification of, or cause any acceleration of any obligation of Seller under any Contract to which Seller is party or by which it is, or the Assets are, bound, which violation, conflict, breach or default would have a Material Adverse Effect on Seller, any Station, the Assets or the ability of Seller to enter into this Agreement or consummate the transactions contemplated hereby or result in the creation of any Lien on the Assets; (c) violate any judgment, decree, order, statute, Law, rule or regulation of any court, arbitrator or government or regulatory body applicable to Seller, any Station or the Assets; or (d) result in the creation or imposition of any Lien against any Station or the Assets.

3.5 Contracts.

(a) The Assumed Contract Schedules list each Material Contract. No party to such Material Contract has repudiated any provision of the Material Contract.

(b) Except as set forth on the Assumed Contract Schedules, Seller is not a party to any:

(i) Material Contract for the employment of any officer, individual employee or other Person on a full-time, part-time, consulting or other basis;

(ii) Material Contract relating to the operation of any Station, including, but not limited to, any Contract for (A) the purchase or sale of merchandise, programming or software or for the rendition of services or (B) the sale of any assets, properties or rights other than, with respect to the items in this clause (B), the sale of services or products in the Ordinary Course of Business at historical profit margins and other than this Agreement;

(iii) Material Contract with respect to the lending or investing of funds other than customer advances and trade or customer accounts receivable;

(iv) Material Contract with respect to any Intellectual Property, other than customer or vendor contracts entered into in the Ordinary Course of Business;

(v) Material Contract or group of related Contracts with the same party for the purchase or sale of products or services under which the undelivered balance of such products and services has a selling price in excess of \$25,000;

(vi) material partnership agreement, limited liability company agreement or joint venture agreement or any agreement governing the ownership or disposal of any Equity Interests of any Person (including Seller);

(vii) Material Contract with a term of greater than twelve (12) months that cannot be terminated by Seller with less than sixty (60) days' notice; or

(viii) any other Material Contract.

(c) Seller is not a party to any Contract with respect to any Intellectual Property, other than customer or vendor contracts entered into in the Ordinary Course of Business.

The Assumed Contract Schedules contain a true, correct and complete list of all material amendments and supplements to the items listed thereon. All items listed on the Assumed Contract Schedules are in full force and effect, constitute legal, valid and binding obligations of the respective parties thereto and are Enforceable in accordance with their respective terms; provided that any statements made with respect to the Enforceability of any contract against a third party are made to the Knowledge of Seller. Seller has furnished to Buyer true, correct and complete copies of all items listed in the Assumed Contract Schedules (and all amendments, modifications, extensions and renewals thereof) and complete written descriptions of all material terms of any oral Contracts described thereon.

(d) Attached as Schedule 3.5(d) is a true and correct list, as of the date hereof, of the aggregate amount payable by Seller or the amount of advertising time or other products or services to be provided by Seller, as applicable, under the Contracts listed on the Assumed Contract Schedules on a monthly basis and over the remaining term of such Contracts.

3.6 Breach. Except as set forth on Schedule 3.6, Seller is not in violation or breach of any of the terms, conditions or provisions of its Organizational Documents, any Program License Agreements, the Network Affiliation Agreements, or any other Contract or any indenture, mortgage or deed of trust or other instrument, court order, judgment, arbitration award or decree relating to or affecting any Station or the Assets to which Seller is a party or by which it is bound. Except as set forth on Schedule 3.6, all accrued and currently payable amounts due from Seller under the Contracts have been paid. No other party thereto is in default or breach under any of the Contracts.

3.7 Financial Information. Attached to this Agreement as Schedule 3.7 are the following financial statements (the "**Financial Statements**") for the Stations: (a) the unaudited balance sheets as of the end of the fiscal years ended December 31, 2009 and December 31, 2010 and (b) the unaudited balance sheet as of December 31, 2011 (the "**Balance Sheet**") and the related unaudited statements of income for the respective fiscal years then ended. The Financial Statements have been prepared in accordance with GAAP applied on a consistent basis in all material respects except in the unaudited statements, for the absence of footnote disclosures and for the absence of normal year-end audit adjustments which are not material in the aggregate (without giving effect to materiality under GAAP) throughout the periods covered thereby, present fairly the financial condition of Seller as of such dates and the results of operations of Seller for such periods, are correct and complete in all material respects (without giving effect to materiality under GAAP), and are consistent in all material respects (without giving effect to materiality under GAAP) with the books and records of Seller. Since December 31, 2011 (the "**Latest Balance Sheet Date**"), Seller has not effected any change in any method of accounting or accounting practice, except for any such change required because of a concurrent change in GAAP.

3.8 Liabilities. There are no Liabilities or obligations of Seller, whether arising under Contracts, related to tax or non-tax matters, known or unknown, due or not yet due, liquidated or

unliquidated, fixed, contingent or otherwise, including penalty, acceleration or forfeiture clauses in any Contract, except for (a) Liabilities disclosed in this Agreement or the Schedules hereto, or quantified on the face of the Balance Sheet (rather than in any notes thereto) and not heretofore paid or discharged, and (b) Liabilities that have arisen after the Latest Balance Sheet Date in the Ordinary Course of Business that, individually or in the aggregate, are not material and are of the same character and nature as the Liabilities quantified on the face of the Financial Statements (rather than any notes thereto), none of which results from or relates to any breach of Contract, breach of warranty, tort, infringement, or breach of Law or arose out of any Action or Order. Except as set forth on Schedule 3.8, Seller has no Funded Indebtedness. The list of Required Payoff Liabilities delivered to Buyer by Seller pursuant to Section 10.1(j) shall be true, correct and complete.

3.9 Taxes. Except as set forth on Schedule 3.9,

(a) All Tax Returns required to have been filed with any jurisdiction with respect to Seller and the operation of each Station have been duly and timely filed by Seller and each such Tax Return correctly reflects the amount of Taxes required to be reported and paid. Seller has paid all Taxes due and payable that it is required to pay or accrue before the Effective Date, except to the extent that such amounts are reserved for in the Balance Sheet. There are no Taxes that are past due. No consent extending the applicable statute of limitations has been filed by or with respect to Seller with respect to any of such Taxes for any years. There is no action, suit, proceeding, audit, investigation or claim now pending, or threatened, regarding any Taxes or any Tax Return of Seller. All of such returns, reports and estimates are true and complete in all respects, and were prepared in compliance with all applicable Laws and regulations.

(b) Seller has withheld and paid all Taxes required to have been withheld and paid in connection with any amounts paid or owing to any employee and all Forms W-2 required with respect thereto have been properly completed and timely filed.

(c) There are no Tax deficiencies (including penalties and interest) of any kind assessed against or relating to either Seller or the Assets with respect to any Taxable periods ending on or before, or including, the Effective Date of a character or nature that would result in Liens or claims on any of the Assets or on Buyer's title or use of the Assets or that would result in any claim against Buyer.

(d) Seller is not currently the beneficiary of any extension of time within which to file any Tax Return.

(e) Seller is not a party to any Tax allocation or sharing agreement. Seller has no Liability for the Taxes of any Person as a transferee or successor, by contract or otherwise.

3.10 Licenses. Seller validly holds all licenses, permits, franchises, authorizations and approvals, including associated broadcast auxiliary authorizations, antenna structure registrations, or authorizations of any governmental or quasi-governmental authority required for the operation of each Station in the manner operated as of the Effective Date, including, without limitation, all amendments and all applications therefor, together with any renewals, extensions or modifications thereof and additions thereto (collectively, the "**Authorizations**") and all of such authorizations are listed on Schedule 3.10. Except as set forth on Schedule 3.10, the Authorizations constitute all of the licenses and authorizations required under the Communications Act for the operation of each Station in the manner operated as of the Effective Date. Except as set forth on Schedule 3.10, the Authorizations are in full force and effect and have not been revoked, suspended, canceled, rescinded or terminated and have not expired and are not subject to any conditions (other than conditions appearing on the face of the Authorization or generally

imposed on television broadcast licenses) and there is no pending or threatened action by or before the FCC to revoke, suspend, cancel, rescind or modify any of the Authorizations (other than proceedings to amend the FCC Rules of general applicability) and there is not now issued or outstanding, or pending or threatened by or before the FCC, any order to show cause, notice of violation, notice of apparent Liability, or notice of forfeiture or complaint against Seller or any Station. Each of the Stations is operating in all material respects in compliance with the Authorizations, the Communications Act and the FCC Rules and all other applicable federal, state, county and local ordinances, rules, regulations and policies. Other than the Authorizations, there are no licenses, permits or authorizations of any governmental or quasi-governmental authority required to operate each Station.

3.11 Additional Regulatory Matters.

(a) Reports. All reports and filings required to be filed with the FCC and any Government Agency by Seller have been timely filed. All such reports and filings are accurate and complete and from the Effective Date to the Effective Time will be filed on a timely basis. Seller maintains appropriate public files at the Stations as required by the FCC Rules. With respect to the Authorizations of Seller issued by the FCC, Seller is operating only those facilities for which appropriate Authorizations have been obtained from the FCC and are in full force and effect and Seller is in material compliance with the terms and conditions of such Authorizations.

(b) No Notices. Except as disclosed on Schedule 3.11(b), Seller has not received written or oral notice or other communication indicating that it is not in compliance with all requirements of (i) the FCC or any other Government Agency or the Communications Act or (ii) applicable federal, state and local statutes, regulations and ordinances. Seller has no Knowledge that, and has not received any written or oral notice or communication, formal or informal, indicating that, the FCC or any other Government Agency is considering revoking, suspending, modifying, canceling, rescinding or terminating any Authorization.

(c) RF Radiation. The operation of the Stations does not cause or result in exposure of workers or the general public to levels of radio frequency radiation in violation of FCC rule Section 1.310 or FCC OST/OET Bulletin Number 65. Renewal of the Authorizations issued by the FCC would not have a “significant impact on the quality of the human environment” within the meaning of Section 1.1301, *et seq.*, of the FCC’s Rules.

(d) Network Affiliation Agreements. The Network Affiliation Agreements are in full force and effect, and Seller has not received any written or oral notice of any intent or desire to change the terms of, terminate or not renew such Network Affiliation Agreements.

(e) No Grandfathered Operations. None of the individual or collective operations of each Station as conducted as of the Effective Date violate in any material respect the Communications Act, the FCC Rules, or any Law binding on Seller that would require any waiver of any FCC Rule for Buyer to continue such operation or operations after the Closing.

(f) MVPD Matters. Each Station’s signal is carried on the MVPDs listed on Schedule 3.11(f) serving each of the Station’s Designated Market Area (“*DMA*”) (as such term is defined in Section 76.55(e)(2) of the FCC’s Rules) pursuant to the retransmission consent agreements that are listed on Schedule 3.11(f), and Seller is not in default under or in respect of their performance of each Station’s Retransmission Consent Agreements, including, without limitation, copyright royalties. Each Retransmission Consent Agreement set forth on Schedule 3.11(f) is in full force and effect. delivered to each MVPD in each Station's DMA, meets the "good quality" technical standard set forth in 47 C.F.R. 76.55(c)(3) (or any successor provision thereto). Seller has no Knowledge of any reason that a MVPD might terminate carriage during the current term of each Station's right to carriage by such MVPD (whether pursuant to must carry rights or retransmission consent) and no MVPD has notified Seller or any Station in writing of any signal quality deficiency or copyright indemnity or other prerequisite to carriage of any or all of each Station's signals, and no MVPD has declined or threatened to decline such carriage or failed to respond to a request for carriage or sought any form of relief from carriage at the FCC. Schedule 3.11(f) contains a true and complete list, including channel positions, of all MVPDs with at least 5,000 subscribers in each Station's DMA on which such Station's signal is presently carried and indicates the format(s) in which such MVPD carries such Station's signal (e.g., standard-definition digital, high-definition digital, etc.).

Seller owns or possesses adequate licenses or other rights to use all copyrights, trademarks, service marks, trade names, logotypes and other intangible rights used to operate each Station. There are no facts that would render any of the Intangible Property invalid or unenforceable. The use of the Intangible Property by Seller does not infringe on the rights of any third party.

Except as set forth on Schedule 3.27, since the Latest Balance Sheet Date, Seller has operated in the Ordinary Course of Business, and, between the Latest Balance Sheet Date and the Effective Date, there have been no events, series of events or the lack of occurrence of any events or series of events that were reasonably anticipated that, singularly or in the aggregate, could reasonably be expected to be material. Buyer understands that the financial information will be provided by Seller to Buyer as an accommodation only, without representation or warranty of any kind, except as may otherwise be expressly provided in Article 3, and that the closing of the Transactions in accordance with this Agreement is not in any way contingent upon the approval by Buyer or Buyer's lender of the financial information.

(m) In any manner take or cause to be taken any action that is designed, intended or might reasonably be anticipated to have the effect of discouraging customers, employees, suppliers, lessors and other associates of Seller from maintaining the same business relationships with Buyer and its Subsidiaries after the Effective Date as were maintained with Seller prior to the Effective Date;

(n) Make or change any Tax election, file any amended Tax Return, or take any other similar action relating to the filing of any Tax Return or the payment of any Tax;

(r) Change the call letters of any Station;

(s) Enter into, modify, amend or extend a Retransmission Consent Agreement to the extent such Retransmission Consent Agreement covers any Station if such new agreement, modification, amendment or extension would not terminate with respect to any such Stations on or before the Closing or enter into any new Retransmission Consent Agreement or similar agreement;

(t) Amend any Debt Document (provided that Buyer's consent to any such amendment shall not be unreasonably withheld); or

(u) Authorize any of the foregoing or enter into any agreement to do any of the foregoing.

5.3 Notice of Adverse Changes. Pending the Closing Date, Seller will give Buyer prompt written notice of the occurrence of any of the following:

(a) an Event of Loss in excess of \$25,000;

(b) the commencement of any proceeding or litigation at Law or in equity or before the FCC or any other commission, agency or administrative or regulatory body or authority involving any of the Authorizations or that could have a Material Adverse Effect, other than proceedings or litigation of general applicability to the television broadcasting industry that do not have a materially disproportionate impact on any Station;

(c) any labor grievance, controversy, strike or dispute materially affecting the business or operation of any Station and the scheduling of any bargaining discussions with the certified bargaining unit;

(g) all correspondence, or summaries of any oral, discussions with respect to the Network Affiliation Agreements.

Buyer's receipt of information pursuant to this Section 5.3 shall not operate as a waiver or otherwise affect any representation, warranty or agreement given or made by Seller in this Agreement (including Section 11.2(a) and Section 12.1) and shall not be deemed to amend or supplement the Schedules hereto.

5.4 Access to Facilities, Files and Records. At the reasonable request of Buyer and on reasonable advance notice, Seller will, from time to time, promptly give or cause to be given to the officers, employees, accountants, counsel, agents, consultants and representatives of Buyer access during normal business hours to: (a) all facilities, properties, personnel, accounts, books, records, deeds, title papers, insurance policies, agreements, contracts, commitments, records and files of every character, including, without limitation, equipment, machinery, fixtures, furniture, vehicles, notes, accounts payable and receivable, and all financial, operating and other data relating to each Station; and (b) all such other information concerning each Station and the Assets as Buyer may reasonably request. All access and inspections will be coordinated through the General Managers of each Station, and will be subject to such reasonable restrictions as may be mutually agreed by the General Managers of each Station and Buyer for the purposes of minimizing disruption with the conduct of the business of the Stations and minimizing

unnecessary speculation and rumors among employees and personnel of the Stations. Any investigation or examination by Buyer in connection with the foregoing will not in any way diminish or obviate any representations or warranties of Seller made in this Agreement, the Exhibits, the Schedules and documents delivered pursuant to this Agreement. Seller will cause its accountants and any of their agents in possession of Seller's books and records to cooperate with Buyer's requests for information pursuant to this Agreement.

5.5 Representations and Warranties. Seller will give detailed written notice to Buyer promptly on learning of the occurrence of any event that would cause or constitute a breach of any of Seller's representations or warranties contained in this Agreement.

5.6 Consents. Seller will use Commercially Reasonable Efforts to obtain the consent or approval of any third Person required under any Contract listed on the Assumed Contract Schedules to assign any such Contract from Seller to Buyer, including providing adequate notice of the assignment where applicable. Buyer has designated certain of these consents as material to the operations of each Station as noted on Schedule 5.6 (with each, being in a form reasonably satisfactory to Buyer, a "**Material Consent**," and each Contract that is subject to a Material Consent a "**Material Consent Contract**"). Buyer will not be obligated to accept the assignment of any Material Consent Contract or any Liability under such Material Consent Contract if the Material Consent for such Material Consent Contract is not obtained and, if such consent is obtained after the Closing, Buyer will assume such Material Consent Contract only when such Material Consent is obtained and only if Buyer is placed in the position it would have been in if the Material Consent had been obtained before the Closing.

5.7 Notice of Proceedings. Seller will promptly notify Buyer in writing upon: (a) receiving written or oral notice of any order or decree or any complaint praying for an order or decree restraining or enjoining the consummation of this Agreement or the transactions contemplated hereunder; (b) receiving any written or oral notice from any governmental department, court, agency or commission of its intention (i) to institute an investigation into, or institute a suit or proceeding to restrain or enjoin, the consummation of this Agreement or such transactions, or (ii) to nullify or render ineffective this Agreement or such transactions if consummated; or (c) the commencement of any proceeding or litigation at Law or in equity or before the FCC or any other commission, agency or administrative or regulatory body or authority involving any of the Authorizations, other than proceedings or litigation of general applicability to the television broadcasting industry that do not have a materially disproportionate impact on any Station.

5.8 Consummation of Agreement. Subject to the provisions of Section 12.1 of this Agreement, Seller will fulfill and perform all obligations on its part to be fulfilled and performed under this Agreement and use its Commercially Reasonable Efforts to cause the transactions contemplated by this Agreement to be fully carried out through Closing.

5.9 Applications for FCC Consents. As promptly as practicable after the Effective Date, and in no event later than ten (10) Business Days after the execution of this Agreement, Seller and Buyer will cause to be filed applications with the FCC requesting the FCC Order. Buyer and Seller will promptly provide to each other and the FCC all documents, information, and materials as may be reasonably required in connection with the filing of the applications with the FCC. Seller shall enter into a tolling agreement as may be required by the FCC to the extent reasonably necessary to facilitate the grant of the FCC Order and Seller shall consult with Buyer before entering into any such tolling agreement. Seller and Buyer will use their Commercially Reasonable Efforts to take all steps that are proper, necessary or desirable to expedite the preparation of such applications and their prosecution to a favorable conclusion. Each Party will promptly provide the other with a copy of any material pleading, order or other document served on such Party or filed or served by such Party relating to such

applications. Seller and Buyer will furnish all information required by the FCC in connection with the applications. If required by the FCC, Seller will enter into an escrow agreement to the extent reasonably necessary to facilitate the grant of the FCC Order, and Seller will consult with Buyer before entering any such escrow agreement. Seller and Buyer will use their respective commercially reasonable efforts to oppose any petitions to deny or other objections that may be filed with respect to the FCC application and any requests for reconsideration or review of the FCC Order, provided, however, that neither Buyer nor Seller will have any obligation to participate in any evidentiary hearing on any FCC application. Neither Seller nor Buyer nor any Affiliate of either Party nor any station in which either Party has an attributable interest (as defined by the FCC Rules) will take any action that it knows or reasonably should know would adversely affect or delay the grant of FCC Order, or adversely affect or delay the FCC Order becoming Final. If Closing occurs hereunder before the FCC Order becoming Final, then the Parties' obligations under this Section 5.9 will survive the Closing until the FCC Order and all such consents and extensions in connection therewith become Final. Each Party will bear one-half of the cost of application filing fees relating to the assignment of the Authorizations to Buyer. Seller will make payment of the filing fee directly to the FCC concurrently with the submission of the applications to the FCC; Buyer will reimburse Seller for Buyer's one-half share of these fees as an adjustment at Closing in accordance with Section 2.6.

5.10 FCC Reports/FCC Compliance. From and after the Effective Date and until the Closing, within ten (10) days after each such report has been filed, Seller will furnish Buyer with a copy of any of Seller's reports filed with the FCC with respect to each Station. After the Closing Date, to the extent not already provided under this Agreement, Seller will furnish to Buyer or to the FCC all information required by the FCC relating to the operation of each Station prior to the Closing Date.

5.11 Publicity. Seller will publish and broadcast a public notice concerning the filing of the application for assignment of the Authorizations in accordance with the requirements of Section 73.3580 of the FCC Rules. Prior to Closing, neither Seller, nor Buyer, nor any of their respective Affiliates will issue or cause the publication of any other announcement or press release or any other public statement or any correspondence or other communication with respect to the execution of this Agreement without the prior written consent of the other Party. Buyer and Seller will use Commercially Reasonable Efforts to coordinate the announcement of the transactions contemplated by this Agreement.

5.12 Exclusivity. Seller will not (a) solicit, initiate or encourage the submission of any proposal or offer from any Person relating to the acquisition of any of the voting securities, or any interest in any portion of the assets of Seller outside the Ordinary Course of Business (including any acquisition structured as a merger, consolidation, or share exchange), or (b) participate, without limitation, in any discussions or negotiations regarding, furnish any information with respect to, assist or participate in, or facilitate in any other manner any effort or attempt by any Person to do or seek any of the foregoing.

5.13 Confidentiality. Any and all confidential information, disclosures, knowledge or facts regarding Buyer and its operations derived from or resulting from Seller's acts or conduct (including, without limitation, acts or conduct of Seller's managers, partners, officers, employees, accountants, counsel, agents, consultants or representatives, or any of them (collectively, "**Representatives**")) obtained by Seller (or their Representatives) pursuant to or in connection with this Agreement, will not be divulged, disclosed or communicated to any other Person, except as required by Law and to Seller's Representatives and their respective attorneys for the purpose of consummating the transactions contemplated by this Agreement and Seller will be responsible for any breach of confidentiality by any such Person. If this Agreement terminates before Closing, Seller will return promptly any confidential information obtained regarding Buyer and Seller will instruct its Representatives also to return any such information.

5.14 Charges, Fees, and Prepayment Obligations. Seller will, prior to the Closing, use Commercially Reasonable Efforts to ensure that no sums are owed or payable by Buyer to any Person in the nature of a transfer charge or processing fee with respect to any Contracts of Seller as a result of the Transactions.

5.15 Financing Support. Seller will afford Buyer and its potential financing sources and their respective representatives and agents (including accountants, consultants and attorneys): (a) reasonable access to the assets, business, properties, books, records (including Tax Returns filed and those in preparation) and executive personnel of Seller in order to provide Buyer and its potential financing sources with a full opportunity to make such investigation of Seller and any Station as they reasonably desire; (b) upon reasonable notice and at times and in accordance with procedures to be mutually agreed by Seller and Buyer, permit Buyer, its potential financing sources and their respective representatives to make such reasonable inspections of Seller and its operations as they reasonably require; and (c) the opportunity to review such financial and operating data and other information with respect to any Station as they may from time to time reasonably request; provided that the activities in clauses (a) through (c) will be conducted in such a way so as not to unreasonably interfere with the operation of the Stations, and all such access and inspections will be coordinated through the General Managers of each Station, and will be subject to such reasonable restrictions as may be mutually agreed by the General Managers of each Station and Buyer for the purposes of minimizing disruption with the conduct of the business of each Station. Buyer understands that this access to financial and other information is being provided by Seller to Buyer as an accommodation only, without representation or warranty of any kind except to the extent as may otherwise be expressly provided for in Article 3, and that the closing of the Transactions in accordance with this Agreement is not in any way contingent upon the approval by Buyer or Buyer's lender of the financial and other information described in this Section 5.15.

5.16 Cooperation with Lender. Seller will use Commercially Reasonable Efforts to assist Buyer by providing factual information with respect to each Station and by taking such further action as reasonably requested by Buyer in order to assist Buyer in obtaining financing for use in connection with the Transactions contemplated by this Agreement from its financing sources.

5.17 Conveyance Free and Clear of Liens. Except for Permitted Liens, at or prior to the Closing, Seller will obtain the release of all Liens disclosed in the Schedules hereto and any other Liens on the Assets, and will duly file releases of all such Liens in each Government Agency or office in which any such Lien or evidence thereof will have been previously filed, and Seller will transfer and convey, or cause to be transferred and conveyed, to Buyer at Closing good, indefeasible and marketable title (but in the case of Leased Real Property, a valid leasehold interest) to all of the Assets free and clear of all Liens, except for Permitted Liens.

5.18 Control Prior to Closing. Between the Effective Date and the Closing Date, Buyer will not directly or indirectly control, supervise or direct, or attempt to control, supervise or direct, the operation of any Station. Such operation, including complete control and supervision of all programs, employees and policies, will be the sole responsibility of Seller. Neither title nor right to possession will pass to Buyer until the Closing, but Buyer will, however, be entitled to reasonable inspection of each Station and the Assets (upon reasonable prior notice and approval of Sellers, which will not be unreasonably withheld) during normal business hours with the purpose that an uninterrupted and efficient transfer of the Assets and business of each Station may be accomplished. After the Closing Date, Seller will have no right to control any Station and Seller will have no reversionary rights in any Station.

ARTICLE 6

COVENANTS OF BUYER PENDING THE CLOSING

Buyer covenants and agrees that from the Effective Date until the completion of the Closing:

6.1 Consummation of Agreement. Subject to the provisions of Section 12.1 of this Agreement, Buyer will use Commercially Reasonable Efforts to fulfill and perform all conditions and obligations on its part to be fulfilled and performed under this Agreement.

6.2 Notice of Proceedings. Buyer will promptly notify Seller in writing upon: (a) becoming aware of any order or decree or any complaint praying for an order or decree restraining or enjoining the consummation of this Agreement or the transactions contemplated hereunder; or (b) receiving any notice from any governmental department, court, agency or commission of its intention (i) to institute an investigation into, or institute a suit or proceeding to restrain or enjoin, the consummation of this Agreement or such transactions, or (ii) to nullify or render ineffective this Agreement or such transactions if consummated.

6.3 Additional Contracts to be Assumed. Any new Contracts entered into by Seller after the Effective Date that are approved by Buyer pursuant to Section 5.2 will be added to the Assumed Contract Schedules to this Agreement and will be assigned to and assumed by Buyer at Closing. From time to time following the Effective Date, Seller may request that Buyer permit additional Contracts to be added to the Assumed Contract Schedules to this Agreement and to be assigned to and assumed by Buyer at the Closing (i.e., Contracts that were not existing on the Effective Date, and were not otherwise approved by Buyer pursuant to Section 5.2). These Contracts may be accepted or rejected by Buyer at Buyer's sole discretion. If Buyer accepts these Contracts, the Contracts will be added to the Assumed Contract Schedules to this Agreement and will be assigned to and assumed by Buyer at Closing.

6.4 Confidentiality. Any and all information, disclosures, knowledge or facts regarding Seller, the Assets and the Stations, and their operations derived from or resulting from Buyer's acts or conduct (including, without limitation, acts or conduct of Buyer's Representatives) obtained by Buyer (or its Representatives) pursuant to or in connection with this Agreement, will, except after Closing to the extent related solely to the Stations or the Assets, be confidential and will not be divulged, disclosed or communicated to any other Person, except as required by Law and to Buyer's Representatives and their respective attorneys for the purpose of consummating the transactions contemplated by this Agreement and Buyer will be responsible for any breach of confidentiality by any such Person. If this Agreement terminates before Closing, Buyer will return promptly any confidential information obtained regarding Seller, the Stations or the Assets and Buyer will instruct its Representatives also to return any such information.

6.5 Representations and Warranties. Buyer will give detailed written notice to Seller promptly on learning of the occurrence of any event that would cause or constitute a breach of any of Buyer's representations or warranties contained in this Agreement.

ARTICLE 7

POST-CLOSING COVENANTS

7.1 Litigation Support. So long as any Party is actively contesting or defending against any Action in connection with (a) the Transactions (other than Actions amongst the Parties) or (b) any fact, situation, circumstance, status, condition, activity, practice, plan, occurrence, event, incident, action, failure to act, or transaction on or prior to the Closing Date involving any of the Stations, each

other Party will cooperate, at the requesting Party's expense, with such requesting Party and such Party's counsel in the contest or defense, make available its personnel, and provide such testimony and access to its books and records as will be reasonably necessary in connection with the contest or defense, at the sole cost and expense of the contesting or defending Party (unless the contesting or defending Party or one of its Affiliates is entitled to indemnification therefor under Article 11).

7.2 Transition. For a period of five (5) years after the Closing Date, and except as required by Law or with respect to statements of facts within the public record, Seller will not Knowingly make any false, misleading or intentionally disparaging representations or statements with regard to any other Party or any Station.

7.3 Taxes.

(a) Seller will not permit to exist any Tax deficiencies (including penalties and interest) of any kind assessed against or relating to Seller with respect to any Taxable periods ending on or before, or including, the Closing Date of a character or nature that could reasonably be expected to result in Liens (other than Permitted Liens) or claims on any of the Assets or on Buyer's title or use of the Assets following the Closing or that would reasonably be expected to result in any claim against Buyer.

(b) Any sales Tax, use Tax, real property transfer Tax, documentary stamp Tax, registration Tax, conveyance fee, recording charge, or similar fees, charges, or Tax attributable to the sale or transfer of the Assets will be paid 100% by Seller and Seller will bear 100% of the Tax, penalties or interest recognized on the gains from such sale or transfer. Seller will, at its own expense, file all necessary Tax Returns and other documentation with respect to all such Taxes, fees and charges, and, if required by applicable Law, the Parties will, and will cause its Affiliates to, join in the execution of any such Tax Returns and other documentation.

7.4 Employees and Station Benefit Plans.

(a) Salaries and Benefits.

(i) Seller will be responsible for: (A) the payment of all wages and other remuneration due to employees listed on Schedule 3.22(b) ("**Active Employees**") with respect to their services as employees of Seller, including pro rata bonus payments; (B) the payment of any termination or severance payments and the provision of health plan continuation coverage to any "M&A qualified beneficiaries" (within the meaning of Section 54.4980B-9, Q&A-4 of the Treasury Regulations) in accordance with the requirements of Sections 601 through 608 of ERISA and Sections 54.4980B-1 through -10 of the Treasury Regulations; and (C) any and all payments to employees required under the WARN Act for termination of employees.

(ii) The Station Benefit Plans will be responsible for any health claims required to be provided to participants and their beneficiaries pursuant to the terms of the Station Benefit Plans that are made or incurred, without regard to whether such claims are submitted to the Station Benefit Plan before or after Closing. For purposes of the immediately preceding sentence, and except as provided by the terms of the relevant Station Benefit Plan, a charge will be deemed to be incurred, in the case of hospital, medical or dental benefits, when the services that are subject of the charge are performed and, in the case of other benefits (such disability or life insurance), when an event has occurred or when a condition has been diagnosed that entitles the employee to the benefit pursuant to the terms of the Station Benefit Plan. Seller will retain sole responsibility for benefits attributable to claims made by the Active Employees

(or their dependents) through the time that the Active Employees cease to be participants under the Station Benefit Plans.

(b) Collective Bargaining Matters. Buyer will set its own initial terms and conditions of employment for employees and others it may hire, including work rules, benefits and salary and wage structure, all as permitted by Law, which will differ from those provided by Seller. Any Active Employees that are hired by Buyer will commence their employment with Buyer effective immediately upon the Closing; provided that Buyer will determine in its own discretion which Active Employees, if any, to whom to offer employment. Buyer is not obligated to and will not assume any collective bargaining agreements under this Agreement. Seller will be solely liable for any severance payment required to be made to its employees due to the Transactions.

(c) General Employee Provisions.

(i) Buyer will not have any Liability or obligation, whether to Active Employees, former employees, their beneficiaries or any other Person, with respect to any Station Benefit Plans, practices, programs or arrangements (including the establishment, operation or termination thereof and the notification and provision of COBRA continuation coverage) maintained by Seller.

(ii) In addition to the limitations of Section 13.9, the covenants set forth in this Section 7.4 and Section 12.10 are for the sole benefit of the Parties and no rights, compensation or benefits are conferred by this Section 7.4 on any other Person. This Agreement does not amend, nor may it be deemed to amend, any Station Benefit Plan or any benefit plan maintained by Buyer.

ARTICLE 11 SURVIVAL; INDEMNIFICATION

11.1 Survival. All representations and warranties contained in this Agreement, or in any certificate delivered hereunder or thereunder, will survive the Closing, any investigation conducted by any Party hereto and any information that any Party may receive, until the expiration of twenty-one (21) months following the Closing Date (the "***General Survival Period***") whereupon all such representations, warranties, and indemnities with respect thereto, will expire and terminate and will be of no further force or effect; provided, however, that representations and warranties and indemnities with respect to entity action, title of assets, intentional misrepresentation, income and other taxes, environmental matters, and employee and employee benefit matters (collectively, "***Superior Claims***") may be asserted at any time on or before the expiration of the limitations period under applicable Law in the case of representations and warranties with respect to income and other taxes, environmental matters and employee and employee benefit matters and may be asserted at any time in the case of representations and warranties with respect to entity action, title to assets and intentional misrepresentation. If a Deficiency is asserted by either Party, before the expiration of the survival or limitations period, such asserted Deficiency will survive until the existence of such Deficiency has been finally established and the Deficiency is resolved as provided in this Agreement.

11.2 Basic Provision.

(a) Buyer Indemnitees. Subject to the provisions set forth in Section 11.6, Seller (an "***Indemnifying Party***") hereby agrees to indemnify and hold harmless Buyer, its members, managers, directors, officers, agents, representatives and employees and all persons that directly or indirectly, through one or more intermediaries, control, are controlled by, or are under common control with Buyer, and its successors and assigns (collectively, the "***Buyer Indemnitees***") from, against and in respect of, and to reimburse Buyer Indemnitees for the amount of any and all Deficiencies.

(b) Seller Indemnitees. Subject to the provisions set forth in Section 11.6, Buyer (an "***Indemnifying Party***"), hereby agrees to indemnify and hold harmless Seller and its directors, officers, shareholders, agents, representatives, employees and all persons that directly or indirectly, through one or more intermediaries, control, are controlled by, or are under common control with Seller, and its respective successors and assigns (collectively, the "***Seller Indemnitees***") from, against and in respect of, and to reimburse Seller Indemnitees for the amount of any and all Deficiencies.

11.3 Definition of "Deficiencies".

(a) Deficiencies for Buyer. As used in this Article 11, the term "***Deficiencies***" when asserted by Buyer Indemnitees or arising out of a third party claim against Buyer Indemnitees will mean any and all losses, fines, damages, costs, expenses, and claims sustained by Buyer Indemnitees (whether or not resulting from third party claims), directly or indirectly and arising out of, caused by, based on or resulting from:

(i) Any breach by Seller of a representation or warranty of Seller as set forth in this Agreement or the closing certificate (subject to Section 11.1), or any failure of Seller to perform any covenant, obligation or agreement on the part of Seller contained in or

made in this Agreement or in an Exhibit, Schedule, certificate, agreement or statement delivered pursuant to this Agreement;

(ii) Any failure by Seller to pay or discharge any of the Excluded Liabilities, or any other Liability of Seller and Seller Indemnitees that is not expressly assumed by Buyer pursuant to the provisions of this Agreement;

(iii) Any litigation, proceeding or claim by any third party to the extent relating to the business or operations of Seller, the Assets or any Station before the Effective Time except to the extent related to obligations of Buyer to be performed after the Effective Time;

(iv) Any severance pay or other payment required to be paid by Seller with respect to any employee or consultant of Seller terminated by Seller;

(v) With the exception of the Assumed Liabilities, Seller's operation of the Stations or the ownership of the Assets before the Effective Time (including, but not limited to, any and all claims, liabilities (as defined under applicable common law) and obligations arising before the Effective Time or required to be performed by Seller before the Effective Time under any Contract or under this Agreement);

(vi) Except for the Assumed Liabilities and any other obligations or Liabilities expressly assumed by Buyer in this Agreement, any transaction entered into by Seller or arising in connection with any Station or the operation of its business or any of the Assets before the Effective Time;

(vii) Any fees, costs, expenses or other Liability related to periods before the Effective Time under any music license agreement, including with BMI, ASCAP or SESAC, entered into by Seller;

(viii) Any fines, damages, liabilities (as defined under applicable common law), assessments and claims arising out of any investigation, order to show cause, notice of violation, notice of apparent liability (as defined under applicable common law), or notice of forfeiture or complaint to the extent relating to periods prior to the Effective Time with regard to Seller, the Authorizations, or the each Station's operations;

(ix) Any breach by HP Seller of a representation or warranty set forth in the HP Asset Purchase Agreement or the closing certificate (subject to Section 11.1), or any failure of HP Seller to perform any covenant, obligation, or agreement on the part of HP Seller contained in or made in the HP Asset Purchase Agreement or in an Exhibit, Schedule, certificate, agreement, or statement delivered pursuant to the HP Asset Purchase Agreement;

(x) Any Debt Documents;

(xi) Any Trade Accounts; or

(xii) Any and all suits, proceedings, demands, assessments and judgments and all reasonable fees, costs and expenses of any kind, reasonably arising or incurred in connection with any of the foregoing (including, without limitation, any and all Legal Expenses), subject to compliance with Section 11.4.

(b) Deficiencies for Seller. As used in this Article 11, the term “*Deficiencies*” when asserted by Seller Indemnitees or arising out of a third party claim against Seller Indemnitees will mean any and all losses, fines, damages, costs, expenses, and claims sustained by Seller Indemnitees (whether or not resulting from third party claims) directly or indirectly and arising out of, caused by, based on or resulting from:

(i) Any breach by Buyer of any representation or warranty of Buyer as set forth in this Agreement or any closing certificate (subject to Section 11.1), or any failure of Buyer to perform any covenant, obligation or agreement on the part of Buyer contained in or made in this Agreement or in an Exhibit, Schedule, certificate, statement or agreement delivered pursuant to this Agreement; or

(ii) Any and all suits, proceedings, demands, assessments and judgments and all fees, costs and expenses of any kind, reasonably arising or incurred in connection with any of the foregoing (including, without limitation, any and all Legal Expenses), subject to compliance with Section 11.4.

11.4 Procedures for Establishment of Deficiencies.

(a) Claim Asserted. In the event that any claim (“*Indemnification Claim*”) is asserted by any third party against Buyer Indemnitees or Seller Indemnitees (Buyer Indemnitees or Seller Indemnitees, as the case may be, hereinafter, the “*Indemnitees*”), which, if sustained, would result in a Deficiency, then the Indemnitees promptly will notify the Indemnifying Party in writing of such claim, stating the nature, basis and (to the extent known) amount thereof; provided that, failure to give prompt notice will not jeopardize the right of any Indemnitee to indemnification except to the extent such failure will have materially and irrevocably prejudiced the ability of the Indemnifying Party to defend such claim. The Indemnitees will permit the Indemnifying Party to defend against such claim, at the Indemnifying Party’s sole expense and through legal counsel reasonably acceptable to the Indemnitees; provided that, (i) within fifteen (15) days following the receipt of notice of the Indemnification Claim, the Indemnifying Party notifies the Indemnitee in writing that the Indemnifying Party will indemnify the Indemnitee from and against the entirety of any damages the Indemnitee may suffer resulting from, relating to, arising out of, or attributable to the Indemnification Claim, (ii) the Indemnifying Party will have the financial resources to defend against the Indemnification Claim and pay, in cash, all damages the Indemnitee may suffer resulting from, relating to, arising out of, or attributable to the Indemnification Claim, (iii) the Indemnification Claim involves only money damages and does not seek an injunction or other equitable relief and (iv) the Indemnifying Party conducts the defense of the Indemnification Claim as reasonably necessary to protect the Indemnitees from Deficiencies arising from such Indemnification Claim. The Indemnitees will, at their option and expense, have the right to participate in any defense undertaken by the Indemnifying Party with legal counsel of their own selection and at their expense. The Parties will cooperate fully in any such action and will make available to each other any books or records reasonably necessary to the other party for the defense of such claim. No settlement or compromise of any claim that may result in a Deficiency may be made by the Indemnifying Party without the prior written consent of the Indemnitees (which consent will not be unreasonably withheld or delayed) unless: (x) before such settlement or compromise, the Indemnifying Party acknowledges in writing its obligation to pay in full the amount of the settlement or compromise and all associated expenses, (y) the Indemnitees are furnished with security reasonably satisfactory to the Indemnitees that the Indemnifying Party will in fact pay such amount and expenses or the Indemnifying Party obtains a release of the Indemnitees from all Liability in respect of such claim, and (z) such settlement or compromise will not have a material adverse effect on the Indemnitees.

(b) Notice. In the event that the Indemnitees assert the existence of any Deficiency against the Indemnifying Party, such Indemnitees will give written notice to the Indemnifying Party of the nature and amount of the Deficiency asserted (“**Claim Notice**”). If the Indemnifying Party fails, within a period of thirty (30) days after the receipt of the Claim Notice, to give written notice to the Indemnitees announcing the intent of the Indemnifying Party to contest such assertion of the Indemnitees (such notice by the Indemnifying Party being hereinafter referred to as the “**Contest Notice**”), then the Indemnitees may deliver a second written Claim Notice to the Indemnifying Party. If the Indemnifying Party fails, within a period of fifteen (15) days after the receipt of the second Claim Notice, to deliver the written Contest Notice to the Indemnitees, then such assertion of the Indemnitees will be deemed accepted and the amount of the Deficiency will be deemed established. In the event, however, that a Contest Notice is given to the Indemnitees within such thirty (30) day period after receipt of the Claim Notice or within such fifteen (15) day period after receipt of the second Claim Notice, then the contested assertion of a Deficiency will be resolved through binding arbitration pursuant to Section 12.11.

(c) Agreement. The Indemnitees and the Indemnifying Party may agree in writing, at any time, as to the existence and amount of a Deficiency, and, on the execution of such agreement such Deficiency will be deemed established.

11.5 Payment of Deficiencies. The Indemnifying Party hereby agrees to pay the amount of established Deficiencies within thirty (30) days after the establishment thereof. The amount of established Deficiencies will be paid in cash; provided that at the option of the Indemnitees, the Indemnitees may offset any Deficiency or any portion thereof against any obligation any of the Indemnitees may have to the Indemnifying Party under this Agreement, including pursuant to offset rights under Section 11.7. Any amounts not paid by the Indemnifying Party when due under this Section 11.5 will bear interest from and after the due date thereof until the date paid at a rate equal to the lesser of: (a) ten percent (10%) per annum; and (b) the highest legal rate permitted by applicable Law.

11.6 Limitation on Deficiencies.

(a) No Party will have any obligation to indemnify an Indemnitee from and against any Deficiencies resulting from, arising out of, relating to, in the nature of, or caused by any misrepresentation and/or any breach of any representation or warranty until the sum of Deficiencies suffered by an Indemnitee by reason of all such misrepresentations and breaches suffered by such Party or an Affiliate of such Party under the HP Asset Purchase Agreement, is in excess of \$50,000 (the “**Deductible Amount**”) (at which point such Party will be obligated to indemnify the relevant Indemnitee from and against all further Deficiencies that are in excess of the Deductible Amount).

(b) There will be a \$250,000 aggregate ceiling (the “**Ceiling**”) on the sum of the obligation of a Party under this Agreement to indemnify an Indemnitee from and against Deficiencies resulting from, arising out of, relating to, in the nature of, or caused by any misrepresentation and/or any breach of any warranties or representations by a Party; provided that, notwithstanding the foregoing, the Ceiling will be inapplicable to (i) any Superior Claims related to a breach of a representation or warranty and (ii) any right of offset under Section 11.7 and provided further that, for purposes of clarity, amounts not paid to a Party as a result of the Deductible Amount shall not count toward such Ceiling.

(c) If any Deficiency results from both a misrepresentation or the breach of any representation or warranty and from any other cause, then the Deficiency and the obligation of any party to indemnify an Indemnitee from and against such Deficiency will be subject to the Deductible Amount and the Ceiling as set forth in this Section 11.6; provided that, notwithstanding the foregoing, the Ceiling will be inapplicable to any Superior Claims (as defined in this Agreement and/or in the HP Asset

Purchase Agreement) related to a breach of a representation or warranty. The provisions of this Section 11.6 will also not apply to the Closing pro rations made pursuant to Section 2.6.

11.7 Right of Setoff.

(a) Buyer will have the option of setting off all or any part of any Deficiencies Buyer or its Affiliates suffer by notifying Seller that Buyer is reducing the Purchase Price by the amount of any such Deficiencies (after giving effect to Section 11.6(a)). Buyer's exercise, if in good faith, of its setoff rights will not constitute an event of default under this Agreement or any related documents executed in connection with the Transactions.

(b) Neither the exercise of, nor failure to exercise its rights under, this Section 11.7 will constitute an election of remedies or limit Buyer in any matter in the enforcement of any other remedies available to it.

11.8 Other Indemnification Provisions.

(a) **THE INDEMNIFICATION PROVIDED IN THIS Article 11 WILL BE APPLICABLE WHETHER OR NOT THE SOLE, JOINT, OR CONTRIBUTORY NEGLIGENCE OF THE INDEMNIFIED PARTY IS ALLEGED OR PROVEN. THE PARTIES AGREE THE PRECEDING SENTENCE IS COMMERCIALY CONSPICUOUS.** Each Indemnified Party's rights and remedies set forth in this Agreement will survive the Closing and will not be deemed waived by such Indemnified Party's consummation of the Transactions and will be effective regardless of any inspection or investigation conducted, or the awareness of any matters acquired (or capable or reasonably capable of being acquired), by or on behalf of such Indemnified Party or by its directors, officers, employees, or representatives at any time (regardless of whether notice of such knowledge has been given to Indemnitor), whether before or after the Execution Date or the Closing Date.

(b) A claim for any matter not involving a third party may be asserted by notice to the Party from whom indemnification is sought.

(c) Notwithstanding any provision in this Agreement to the contrary when determining whether a Deficiency exists, the words "material," "Material Adverse Effect," or other words of similar import will be disregarded in connection with determining the existence of a breach of a representation, warranty, or covenant set forth in this Agreement.

**ARTICLE 12
MISCELLANEOUS**

12.1 Termination of Agreement. This Agreement may only be terminated by Buyer or Seller, as applicable, under the following circumstances:

(a) by written notice of Seller to Buyer if Buyer has failed to cure a material breach of its representations, warranties or covenants under this Agreement within thirty (30) calendar days after it receives written notice from Seller of such occurrence;

(b) by the mutual written consent of Seller and Buyer;

(c) by written notice of Buyer to Seller as provided in Sections 12.8 and 12.9(b);

(d) by written notice of either Buyer or Seller (to the other Party) if the FCC Order with respect to all Authorizations issued by the FCC has not been granted, become effective and Final by December 31, 2012 (the “**Final Closing Date**”) (other than through the failure of the terminating Party to comply with its obligations under this Agreement);

(e) by written notice of Buyer to Seller if any of the conditions set forth in Article 9 will become incapable of being satisfied (other than through the failure of Buyer to comply with its obligations under this Agreement);

(f) by written notice of Seller to Buyer if any of the conditions set forth in Article 8 will have become incapable of being satisfied (other than through the failure of Seller to comply with its obligations under this Agreement);

(g) by written notice of Buyer to Seller if Seller has failed to cure a material breach of its representations, warranties or covenants under this Agreement within five (5) calendar days after it receives notice from Buyer of such occurrence;

(h) by written notice of Buyer to Seller if the HP Asset Purchase Agreement has been rightfully terminated;

(i) by written notice of Buyer to Seller if Seller fails to obtain a Material Consent in accordance with Section 5.6 within eighty (80) days after the Effective Date;

(j) by written notice of either Buyer or Seller (to the other Party) in the event the FCC Order with respect to all Authorizations issued by the FCC has been granted, become effective and Final but the Closing has not occurred within forty days (45) following the date such FCC Order has become Final; provided, that a Party (Buyer or Seller) will only have the right to terminate this Agreement under this Section 12.1(j) if (i) the other Party’s (Buyer or Seller, as applicable) closing conditions, as set forth in Article 8 or Article 9, as applicable, have been satisfied, and (ii) it is not in material breach of this Agreement; or

(k) by written notice of either Buyer or Seller (to the other Party) if the Closing has not otherwise occurred by the Final Closing Date (other than through the failure of the terminating Party to comply with its obligations under this Agreement).

If this Agreement is terminated rightfully pursuant to this Article 12, all further obligations of the Parties hereunder will terminate, except that all obligations for confidentiality under Sections 5.13 and 6.4 will survive such termination for a period of three (3) years. In the event of a termination pursuant to Section 12.1, (i) if such termination occurred pursuant to Section 12.1(a) and Seller is not in material default of its obligations hereunder and/or (ii) Buyer breaches this Agreement and the Closing does not occur (either at the time otherwise required in this Agreement or otherwise), then in both cases an aggregate amount of \$32,500 shall be paid by Buyer to Seller as liquidated damages which will be the sole and exclusive remedy of Seller for any breach of this Agreement by Buyer, and Seller hereby waives any other claims for damages, specific performance or other remedies (other than forfeit of the Earnest Money Escrow Deposit) in the event of any breach by Buyer of this Agreement. Each Party acknowledges that the agreements contained in this Section 12.1 are an integral part of the transactions contemplated by this Agreement, that the damages resulting from termination or breach of this Agreement are uncertain and incapable of accurate calculation, and that the amount payable under this paragraph is not a penalty, but rather constitutes liquidated damages in a reasonable amount, and that without such agreements the Parties would not enter into this Agreement.

12.2 Specific Performance; Liabilities on Termination or Breach. The Parties acknowledge that the operation of each Station is of a special, unique and extraordinary character. On a breach by Seller of its representations, warranties, covenants and agreements under this Agreement that would be material, Buyer will be entitled to an injunction restraining any such breach or threatened breach or to enforcement of this Agreement by a decree or decrees of specific performance requiring Seller to fulfill its obligations under this Agreement.

12.3 Expenses. Each Party hereto will bear all of its expenses incurred in connection with the transactions contemplated by this Agreement including, without limitation, accounting and legal fees incurred in connection herewith; provided, however, (i) Buyer and Seller will each bear one-half (1/2) of the cost of application filing fees relating to the transfer of the FCC licenses (and any related licenses) for each Station and (ii) Seller will bear all usual and customary federal, state and local sales or transfer taxes arising from the conveyance of the Assets to Buyer.

12.4 Remedies Cumulative. The remedies provided in this Agreement will be cumulative and will not preclude the assertion by any Party hereto of any other rights or the seeking of any other remedies against the other Party hereto.

12.5 Preservation of Records. Buyer will preserve and make available (including the right to inspect and copy) to Seller, its attorneys and accountants, for three (3) years after the Closing Date and during normal business hours, such of the books, records, files, correspondence, memoranda and other documents transferred, limited to the preparation of tax reports and returns and the preparation of financial statements, pursuant to this Agreement as Seller may reasonably require in connection with any such legitimate purpose. Subject to Section 6.4, during the three (3) year period, Buyer will not dispose of or destroy any such books, records, files, correspondence, memoranda or other documents without giving thirty (30) days' prior written notice to Seller, to permit Seller, at its expense, to examine, duplicate or take possession of all or part thereof.

12.6 Non-Assignable Contracts. Nothing contained in this Agreement will be construed as an assignment or an attempted assignment of any Contract that is by Law non-assignable without the consent of the other party or parties thereto, unless such consent will be given. Seller will use its Commercially Reasonable Efforts (and Buyer will assist Seller) both after and before the Closing to obtain such consents to the assignment or transfer of Contracts to vest in Buyer all of Seller's right, title and interest in such Contracts, in all cases in which such consent is required for assignment or transfer. If such consent is not obtained, Seller will cooperate with Buyer in any arrangements reasonably necessary or desirable, on commercially reasonable terms, to provide for Buyer to have the benefits and to have Buyer assume the burdens arising after the Closing Date thereunder, including, without limitation, enforcement for the benefit of Buyer, and payment by Buyer of the costs of enforcing, any and all rights of Seller thereunder against the other party thereto arising out of the cancellation thereof by such other party or otherwise.

12.7 Further Assurances. From time to time before, on and after the Closing Date, each Party hereto will execute all such instruments and take all such actions as any other Party, being advised by counsel, will reasonably request, without payment of further consideration, as necessary to carry out and effectuate the intent and purpose hereof and all transactions and things contemplated by this Agreement including, without limitation, the execution and delivery of any and all confirmatory and other instruments in addition to those to be delivered on the Closing Date, and any and all actions that may reasonably be necessary or desirable to complete the transactions contemplated hereby. The Parties will cooperate fully with each other and with their respective counsel and accountants in connection with any steps required to be taken as part of their respective obligations under this Agreement.

12.8 Risk of Loss. The risk of loss, damage or destruction to any of the Assets from fire or other casualty or cause will be borne by Seller at all times before the Effective Time. On any such loss, damage or destruction, the proceeds of any claim for any loss, payable under any insurance policy with respect thereto, will be used to repair, replace or restore any such property to its former condition, subject to the conditions stated below. In the event that there has been any loss, damage or destruction to the Assets, Seller in connection with Closing will have made arrangements in a form reasonably satisfactory to Buyer to pay any insurance proceeds related thereto and to assign rights to any unpaid proceeds related thereto to Buyer. It is expressly understood and agreed that, in the event of any loss or damage to any of the Assets or any Station from fire, casualty or other causes before the Closing, Seller will notify Buyer of same in writing immediately. Such notice will specify with particularity the loss or damage incurred, the cause thereof (if known or reasonably ascertainable) and the insurance coverage. In such event, Seller may, at Seller's option, by written notice to Buyer, elect to extend the Closing Date by a period of time not to exceed forty-five (45) days (provided that such period will be ninety (90) days if related to the Station Equipment) as necessary to complete such repair, replacement, or restoration, and if necessary, Buyer will join Seller in requesting from the FCC any extensions of time in which to consummate the Closing that may be required in order to complete such repair, replacement, or restoration. If the damaged property is not repaired, replaced, or restored in all material respects on or before the Closing Date (as extended by Seller pursuant to this paragraph, if applicable), Buyer at its sole option: (a) may elect to postpone Closing until such time as the property has been completely repaired, replaced or restored (and, if necessary, Seller will join Buyer in requesting from the FCC any extensions of time in which to consummate the Closing that may be required in order to complete such repairs) to the reasonable satisfaction of Buyer if the repair, replacement or restoration can be accomplished before the Final Closing Date; (b) may elect to consummate the Closing and accept the property in its then condition, in which event Seller will pay to Buyer all proceeds of insurance and assign to Buyer the right to any unpaid proceeds; or (c) may elect to terminate this Agreement without Liability to any party, and upon such termination Buyer (or its designee) will be entitled to have the Earnest Money Escrow Deposit, together with all accrued interest, returned to it on or on the Business Day following such termination.

12.9 Broadcast Transmission Interruption.

(a) If, before the Closing, (i) any regular broadcast transmission of any Station is, in the normal and usual manner, interrupted for a period of twenty-four (24) continuous hours or more, (ii) there occurs the cessation or reduction by any Station of its authorized power, or (iii) there is a loss of carriage or change in channel position of any Market MVPD System, Seller will give prompt written notice thereof to Buyer. For notices under clause (i), Buyer will then have the right by giving written notice to Seller, to postpone (and if necessary re-postpone) the Closing to a date that is fifteen (15) Business Days after the end of any such interruption.

(b) If the regular broadcast transmission of any Station is interrupted or the operating power or coverage of any Station is reduced more than twenty percent (20%) below the power and coverage of such Station's facilities as reflected on the Authorizations for each Station ("**Transmission Interruption**"), at any time, and such Transmission Interruption continues for more than seventy-two (72) hours within any two week period, or forty-eight (48) consecutive hours on two (2) occasions, whether or not consecutive, then: (i) Seller will give prompt written notice thereof to Buyer; and (ii) Buyer will have the right, by giving written notice to Seller, to (A) within three (3) Business Days after receiving notice from Seller of such interruption, to terminate this Agreement without Liability to Seller or Buyer, in which event the Earnest Money Escrow Deposit will promptly be returned to Buyer or its designee, together with all accrued interest, or (B) postpone the Closing as provided in this Agreement.

12.10 Employees. Except as provided otherwise in this Section 12.10, Seller will terminate the employment of all employees of each Station effective as of the Effective Time and pay all

termination and severance costs in connection with such termination. Buyer may, in its sole discretion, offer employment to any employees of each Station beginning at the Effective Time under such terms and conditions as Buyer may determine in its sole discretion. Notwithstanding any provision in this Agreement to the contrary, nothing in this Agreement requires Buyer to employ any employees of any Station or offer any such employment.

12.11 Arbitration; Choice of Jurisdiction. Subject to Section 11.4(b), if a controversy should arise in the performance, interpretation or application of this Agreement, either Party may, within the applicable time period set forth in Article 11 hereof, serve on the other a written notice stating that such Party desires to have the controversy reviewed by an arbitrator. If the Parties cannot agree within fifteen (15) Business Days after the service of such notice on the selection of such arbitrator, an arbitrator will be selected or designated by the American Arbitration Association. Arbitration of such controversy, disagreement or dispute will be conducted in accordance with the Commercial Arbitration Rules then in force of the American Arbitration Association and the decision and award of the arbitrator so selected will be binding on the Parties. The arbitration will be held in Bexar County, Texas. The cost of any such arbitration will be shared equally by the Parties; provided that, the arbitrator will be authorized to enter as part of the award to any Party an amount equal to such Party's attorney's fees and other costs related to the arbitration. Except as provided by the arbitrator, each Party will pay its own costs incurred as a result of its participation in any such arbitration. The provisions of this paragraph will not affect any Party's right to terminate this Agreement pursuant to the termination rights expressly set forth in this Agreement. Except as specifically provided in this paragraph, any arbitrator will have no authority to award punitive damages or any other damages not measured by the prevailing Party's actual damages, and may not make any ruling, finding or award that does not conform to the terms of this Agreement. Any controversy or claim arising out of or related to this Agreement that the Parties are unable to resolve and that is not requested to be arbitrated as set forth above will be submitted to the state or federal courts located in the State of Texas, which will be the sole forums for the resolution of all disputes hereunder, to the jurisdiction of which both Parties submit.

12.12 Waiver of Jury Trial. THE PARTIES HEREBY AGREE TO WAIVE THEIR RESPECTIVE RIGHTS TO JURY TRIAL OF ANY DISPUTE BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY OTHER AGREEMENTS RELATING HERETO OR ANY DEALINGS AMONG THEM RELATING TO THE TRANSACTIONS. The scope of this waiver is intended to be all encompassing of any and all actions that may be filed in any court and that relate to the subject matter of this Agreement, including, contract claims, tort claims, breach of duty claims, and all other common law and statutory claims. The Parties each acknowledge that this waiver is a material inducement to enter into a business relationship and that they will continue to rely on the waiver in their related future dealings. Each Party further represents and warrants that it has reviewed this waiver with its legal counsel, and that each knowingly and voluntarily waives its jury trial rights following consultation with legal counsel. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED ORALLY OR IN WRITING, AND THE WAIVER WILL APPLY TO ANY AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING HERETO. In the event of an action, this Agreement may be filed as a written consent to trial by a court.

12.13 Joint and Several Liabilities of Seller. GH Broadcasting and Channel 7 will, jointly and severally, be liable for all Liabilities of Seller under this Agreement.

12.14 Schedules. The disclosures in any Schedule, and those in any supplement thereto, relate only to the representations and warranties in the Section or paragraph of this Agreement to which such Schedule expressly relates.

ARTICLE 13

GENERAL PROVISIONS

13.1 Successors and Assigns. Except as otherwise expressly provided herein, this Agreement will be binding on and inure to the benefit of the Parties hereto, and their respective representatives, successors and assigns. Seller may not assign any of their rights or delegate any of their duties hereunder (by operation of law or otherwise) without the prior written consent of Buyer and any assignment without such consent will be null and void. Buyer may freely assign some or all of its rights and obligations hereunder to (i) any entity controlled by or under common control with Buyer so long as Buyer remains fully obligated hereunder or (ii) after Closing, a subsequent purchaser of any Station or of all or substantially all of the Assets, or in connection with a merger of Buyer and/or its Affiliates. With respect to any permitted assignment hereunder, the Parties will reasonably cooperate to take actions necessary to effectuate such assignment, including but not limited to cooperating in any appropriate filings with the FCC or other Governmental Agencies.

13.2 Amendments; Waivers. This Agreement may not be modified or amended orally. The terms, covenants, representations, warranties and conditions of this Agreement may be changed, amended, modified, waived, discharged or terminated only by a written instrument executed by the Parties. The failure of any Party at any time or times to require performance of any provision of this Agreement will in no manner affect the right of such Party at a later date to enforce the same. No waiver by any Party of any condition or the breach of any provision, term, covenant, representation or warranty contained in this Agreement, whether by conduct or otherwise, in any one or more instances will be deemed to be or construed as a further or continuing waiver of any such condition or of the breach of any other provision, term, covenant, representation or warranty of this Agreement, unless otherwise expressly provided.

All notices, requests, demands and other communications required or permitted under this Agreement will be in writing (which will include notice by facsimile transmission if a facsimile number is provided below) and will be deemed to have been duly made and received when personally served, or when delivered by Federal Express or a similar overnight courier service, expenses prepaid, or, if sent by facsimile communications equipment if a facsimile number is provided below, delivered by such equipment, addressed as set forth below:

13.4 Captions. The captions of Articles and Sections of this Agreement are for convenience only and will not control or affect the meaning or interpretation of any of the provisions of this Agreement.

13.5 Governing Law. THIS AGREEMENT, THE TRANSACTIONS, OBLIGATIONS OF THE PARTIES HEREUNDER AND ALL QUESTIONS RELATING TO ITS VALIDITY, INTERPRETATION, PERFORMANCE AND ENFORCEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF TEXAS, WITHOUT GIVING EFFECT TO PRINCIPLES OF CONFLICTS OF LAWS THEREOF.

13.6 Entire Agreement. This Agreement and the Schedules hereto and thereto and the other documents delivered hereunder and thereunder constitute the full and entire understanding and agreement between the Parties with regard to the subjects hereof and thereof, and supersede all prior agreements, understandings, inducements or conditions, express or implied, oral or written, relating to the subject matter set forth in this Agreement. The express terms used in this Agreement control and supersede any course of performance and/or usage of trade inconsistent with any of the terms hereof.

13.7 Execution: Counterparts and Facsimile. This Agreement may be executed in any number of counterparts, each of which will be deemed to be an original as against any Party whose signature appears thereon, and all of which will together constitute one and the same instrument. This Agreement will become binding when one or more counterparts hereof, individually or taken together, will bear the signatures of all of the Parties reflected hereon as the signatories, and each Party has delivered to the other an executed counterpart of this Agreement bearing the signature of such Party. Delivery of an executed counterpart of a signature page to this Agreement by facsimile will be as effective as delivery of a manually executed counterpart of this Agreement.

13.8 Construction. Any reference to any federal, state, local, or foreign Law will be deemed also to refer to Law as amended and all rules and regulations promulgated thereunder, unless the context requires otherwise. The words "include," "includes," and "including" will be deemed to be followed by "without limitation." Pronouns in masculine, feminine, and neuter genders will be construed to include any other gender, and words in the singular form will be construed to include the plural and vice versa, unless the context otherwise requires. The words "this Agreement," "herein," "hereof," "hereby," "hereunder," and words of similar import refer to this Agreement as a whole and not to any

particular subdivision unless expressly so limited. In the event a copy of an agreement or other document is included in a Schedule, such agreement or document shall be deemed to be “listed” and “set forth” in such Schedule. The Parties intend that each representation, warranty, covenant, and condition contained in this Agreement will have independent significance. If any Party has breached any representation, warranty, or covenant contained in this Agreement in any respect, the fact that there exists another representation, warranty or covenant relating to the same or similar subject matter (regardless of the relative levels of specificity) that the Party has not breached will not detract from or mitigate the fact that the Party is in breach of the first representation, warranty, or covenant. The word “or” is used in the inclusive sense of “and/or” unless the context requires otherwise. If any condition to Closing contained in this Agreement has not been satisfied in any respect, the fact that there exists another condition relating to the same or similar subject matter (regardless of the relative levels of specificity) that has been satisfied will not detract from or mitigate the fact that the first condition has not been satisfied.

13.9 Third-Party Beneficiaries. This Agreement is intended to benefit only the Parties to this Agreement, their successors and permitted assigns. No other Person is an intended or incidental beneficiary of this Agreement.

13.10 No Party Deemed Drafter. The parties acknowledge that they have been represented by counsel in connection with this Agreement and the transactions contemplated hereby. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement against the party that drafted it has no application and is expressly waived. Provisions of this Agreement will be interpreted in a reasonable manner to effect the intent of the parties.

13.11 Severability. The provisions of this Agreement will be deemed severable and the invalidity or unenforceability of any provision will not affect the validity or enforceability of the other provisions hereof; provided that if any provision of this Agreement, as applied to any Party or to any circumstance, is adjudged by a Government Agency, arbitrator, or mediator not to be enforceable in accordance with its terms, the Parties agree that the Government Agency, arbitrator, or mediator making such determination will have the power to modify the provision in a manner consistent with its objectives such that it is enforceable, and/or to delete specific words or phrases, and in its reduced form, such provision will then be enforceable and will be enforced.

13.12 Attorneys’ Fees. In the event litigation, mediation, or arbitration is commenced to enforce or construe any of the provisions of this Agreement, to recover damages for breach of any of the provisions of this Agreement, or to obtain declaratory relief in connection with any of the provisions of this Agreement, the prevailing party will be entitled to recover reasonable attorneys’ fees.
