(c) Disputes.

(i) Subject to clause (ii) of this Section 2.7(c), the Statement of Closing Working Capital delivered by Buyer to Sellers shall be final, binding and conclusive on the parties hereto.

(ii) Sellers may dispute any amounts reflected on the Statement of Closing Working Capital; provided, however, that Sellers shall have notified Buyer in writing of each disputed item, specifying the estimated amount thereof in dispute, if known or determinable, and setting forth, in reasonable detail, the basis for such dispute within twenty (20) business days of Buyer's delivery of the Statement of Closing Working Capital to Sellers. In the event of such a dispute, Buyer and Sellers shall attempt to reconcile their differences, and any resolution by them as to any disputed amounts shall be final, binding and conclusive on the parties hereto. If Buyer and Sellers are unable to reach a resolution with such effect within twenty (20) business days after the receipt by Buyer of Sellers' written notice of dispute, either Buyer, on the one hand, or Sellers, on the other hand, may submit the items remaining in dispute for resolution to the Arbitrating Firm, which shall, within twenty (20) business days after such submission, determine and report to Buyer and Sellers upon such remaining disputed items, and such report shall be final, binding and conclusive on Buyer and Sellers. In making its final determination, the Arbitrating Firm shall make such determination in accordance with the relevant provisions of this Agreement and shall not award an amount more favorable to Buyer than the amount claimed by Buyer on the Statement of Closing Working Capital or more favorable to Sellers than the amount claimed by Sellers in its notice of dispute. The fees and disbursements of the Arbitrating Firm shall be allocated equally between Buyer, on the one hand, and Sellers, on the other hand.

(iii) In acting under this Agreement, the Arbitrating Firm shall be entitled to the privileges and immunities of arbitrators.

(d) Purchase Price Adjustment. The Statement of Closing Working Capital shall be deemed final for the purposes of this Section 2.7 upon the earliest of (i) the failure of Sellers to notify Buyer of a dispute within twenty (20) business days of Buyer's delivery of the Statement of Closing Working Capital to Sellers, (ii) the written resolution of all disputes, pursuant to Section 2.7(c)(ii), by Buyer and Sellers, and (iii) the written resolution of all disputes, pursuant to Section 2.7(c)(ii), by the Arbitrating Firm. Within three (3) business days of the Statement of Closing Working Capital being deemed final, an adjustment for purposes of the Purchase Price shall be made as follows:

(i) in the event that the Closing Working Capital Amount (after giving effect to the application of Section 2.7(e)) is less than the Estimated Closing Working Capital Amount reflected in the Purchase Price Notice, then Sellers shall, within three (3) business days of such determination, pay the amount of such difference to Buyer by wire transfer in immediately available funds;

(ii) in the event that the Closing Working Capital Amount (after giving effect to the application of Section 2.7(e)) exceeds the Estimated Closing Working Capital Amount reflected in the Purchase Price Notice, then Buyer shall, within three (3) business days of such determination, pay the amount of such difference to Sellers by wire transfer in immediately available funds; and

(iii) in the event that the Closing Working Capital Amount (after giving effect to the application of Section 2.7(e)) equals the Estimated Closing Working Capital Amount reflected in the Purchase Price Notice, then no adjustment shall be made.

(e) For purposes of determining the Purchase Price, the Closing Payment, and any amount payable by the parties under Section 2.7(d), (i) if the Estimated Closing Working Capital Amount, as determined before giving effect to this provision, exceeds Fifteen Million Dollars (\$15,000,000), then the Estimated Closing Working Capital Amount shall be deemed to be Fifteen Million Dollars (\$15,000,000) and such amount shall be set forth as the Estimated Closing Working Capital Amount in the Purchase Price Notice; and (ii) if the Closing Working Capital Amount, as determined before giving effect to this provision, exceeds Fifteen Million Dollars (\$15,000,000), then the Closing Working Capital Amount shall be deemed to be Fifteen Million Dollars (\$15,000,000) for purposes of the adjustment provided in Section 2.7(d). This provision only affects the calculation of the Closing Payment and the amount, if any, to be paid by Sellers on the one hand, or Buyer on the other hand, under Section 2.7(d) and does not affect Buyer's right to acquire all of the working capital assets included in the Purchased Assets or the Company Assets in accordance with the other provisions of this Agreement.

(f) Schedule 2.7(f) sets forth the calculation of Working Capital, as determined in accordance with the provisions of this Agreement, assuming the Closing Date were December 31, 2005. Amounts included in the Working Capital calculation on Schedule 2.7(f) were extracted from financial statements that were produced in accordance with GAAP. The parties agree that for purposes of preparing the Working Capital Balance Sheet, the Statement of Closing Working Capital and the Estimated Closing Working Capital Amount (as set forth on the Purchase Price Notice), (i) Working Capital shall be determined in accordance with GAAP (subject to the omission of footnotes and standard year-end adjustments which are not material), except with respect to the determination of the following (which shall not be determined in accordance with GAAP): (A) bad debt reserve and liabilities with respect to lease obligations, which shall be determined in accordance with the principles and methodologies historically used by NBCU in determining such amounts and (B) liabilities with respect to accrued vacation, which shall be deemed to be equal to the Accrued Vacation Liability and (ii) such statements shall be presented using the same accounts and line items as set forth on Schedule 2.7(f).

(g) For purposes of entering into this Agreement, the portion of the Stated Amount based on the aggregate Retiree Medical & Life Expense and Holiday/Vacation Expense (as defined in Employee Matters) has been assumed to be \$5,736,563. However, the parties agree that the Retiree Medical & Life Expense and Holiday/Vacation Expense shall be finally determined in accordance with accurate current and historical data regarding the Transferred Employees, their spouses and dependents and reasonable actuarial methodologies and assumptions. As soon as practicable after the Closing, Sellers and Buyer shall cooperate with each other in finally determining the Retiree Medical & Life Expense and Holiday/Vacation Expense and shall afford each other reasonable access to information reasonably required by them to make such determination.

(i) If Buyer and Sellers are unable to reach a resolution by the time they have finally determined the Closing Working Capital Amount, either Buyer, on the one hand, or Sellers, on the other hand, may submit the items remaining in dispute for resolution to the Actuarial Firm, which shall, within twenty (20) business days after such submission, determine and report to Buyer and Sellers upon such remaining disputed items, and such report shall be final, binding and conclusive on Buyer and Sellers. The fees and disbursements of the Actuarial Firm shall be allocated equally between Buyer, on the one hand, and Sellers, on the other hand. In acting under this Agreement, the Actuarial Firm shall be entitled to the privileges and immunities of arbitrators.

(ii) If the amount of the Retiree Medical & Life Expense and Holiday/Vacation Expense as finally determined pursuant to the foregoing provisions of this Section 2.7(g):

(A) is less than \$5,736,563, then Buyer shall, within three (3) business days of such determination, pay the amount of such difference to Sellers by wire transfer in immediately available funds;

(B) exceeds \$5,736,563, then Sellers shall, within three (3) business days of such determination, pay the amount of such difference to Buyer by wire transfer in immediately available funds; and

(C) equals \$5,736,563, then no adjustment shall be made.

(h) Group A Closing; WVTM Closing. In the event of the Group A Closing as provided in Section 2.9, the provisions of this Section 2.7 and the defined terms used in this Section 2.7 shall apply with respect to the Group A Stations in connection with the Group A Closing. In the event of the WVTM Closing as provided in Section 2.9, the provisions of this Section 2.7 and the defined terms used in this Section 2.7 shall apply with respect to WVTM in connection with the WVTM Closing.

2.8 Closing.

(a) Subject to the satisfaction or waiver of the conditions set forth in Article 6 and Article 7, the consummation of the sale and purchase of the Purchased Assets and Stock provided for in this Agreement (the “Closing”) shall take place at 10:00 a.m., local time, at the offices of Shearman & Sterling LLP, 599 Lexington Avenue, New York, New York 10022, on the fifth (5th) business day after the date of the FCC Consent pursuant to the FCC’s initial order (or on such other day after such consent as Buyer and Sellers may mutually agree).

(b) Notwithstanding anything contained in Section 2.8(a), if on the date on which the Closing would otherwise be required to take place pursuant to Section 2.8(a), any act of terrorism or war or Act of God has occurred or is occurring, the result of which is that Buyer is unable to obtain funds for the Purchase Price on such date, then either Sellers or Buyer may, at their option, postpone the date on which the Closing is required to take place for up to fifteen (15) days by providing prompt written notice to the other party, and the new date for the Closing shall be set by Buyer and Sellers on at least two

(2) business days' written notice to Sellers of when funds are available. If the new date would extend the date for the Closing beyond the Upset Date, then the Upset Date shall be extended to the day after such fifteenth (15th) day or other date agreed to for the Closing, as applicable. The Closing may be postponed pursuant to the provisions of this Section 2.8(b) only once (or, if there is to be a Group A Closing, once with respect to the Group A Closing and once with respect to the WVTM Closing). If Buyer or Sellers elect to postpone the date for the Closing pursuant to this Section 2.8(b), the condition to Closing set forth in Section 7.6 (No Seller Material Adverse Effect) shall be deemed waived as to all matters occurring or arising after the original date scheduled for the Closing; provided, that nothing herein shall be deemed to waive any party's rights prior to such election (and, if the election is made with respect to a Group A Closing, it shall be deemed waived only with respect to the Group A Stations and not with respect to WVTM).

(c) Notwithstanding anything contained in Section 2.8(a), if on the date on which the Closing would otherwise be required to take place pursuant to Section 2.8(a), the regular broadcast transmissions of any Station is operating at a power level of less than eighty percent (80%) of its maximum authorized facilities (other than reduced-power operation of the digital facilities of any Station pursuant to special temporary authorization issued by the FCC) (an "Interruption"), then the Closing shall be postponed until such Station returns to the air and is operating at a power level of at least 80% of its maximum authorized facilities and the new date for the Closing shall be a date as Buyer and Sellers may mutually agree but not later than the fifth (5th) business day thereafter.

2.9 Group A Closing; WVTM Closing. Notwithstanding anything in this Agreement to the contrary:

(a) The FCC Application shall consist of separate applications (each, a "Partial Application") for each Station, and the transactions contemplated by this Agreement shall be consummated as follows: (i) if the Partial Applications are granted concurrently, a single Closing shall be held pursuant to Section 2.8 or (ii) if the Partial Applications are not granted concurrently, then subject to, and upon the granting of the FCC Consent with respect to all of the Partial Applications for the Group A Stations, a closing of the sale and purchase of the Purchased Assets with respect to the Group A Stations shall be held with respect to the Group A Stations pursuant to Section 2.9(b) (the "Group A Closing") and if the Partial Application for WVTM has not then been granted, upon the subsequent granting of the FCC Consent with respect to the Partial Application for WVTM, a closing of the sale and purchase of the Stock and Purchased Assets with respect to WVTM shall be held with respect to WVTM pursuant to Section 2.9(b) (the "WVTM Closing").

(b) The Group A Closing and the WVTM Closing shall each take place at 10:00 a.m., local time, at the offices of Shearman & Sterling LLP, 599 Lexington Avenue, New York, New York 10022, on the fifth (5th) business day after the date that the last FCC Consent with respect to the Group A Stations or WVTM, as the case may be, is granted (or on such other earlier or later day after such consent as Buyer and Sellers may mutually agree), subject to the satisfaction or waiver of the conditions set forth in Article 6 and Article 7, provided, however, that, after the Group A Closing has occurred,

the WVTM Closing shall be subject to the satisfaction or waiver of the conditions set forth in Article 6 and Article 7, which will automatically be deemed modified appropriately to apply only to WVTM, and for this purpose the condition to Closing set forth in Section 7.6 (No Seller Material Adverse Effect) shall be applied with respect to WVTM individually and not the Stations taken as a whole.

(i) At the Group A Closing, Buyer shall pay Sellers the portion of the Base Price set forth in Section 2.6 for the Group A Stations, as such amount is increased by, if positive, or decreased by, if negative, the Estimated Closing Working Capital Adjustment, decreased by the portion of the Stated Amount set forth in Section 2.6 for the Group A Stations. For purposes of applying the provisions of Section 2.7 to the Group A Closing, Working Capital shall be determined with respect to the Group A Stations only, the limitation with respect to Working Capital set forth in Section 2.7(e) shall be \$12,845,259 instead of \$15,000,000, and the portion of the Stated Amount based on the Retiree Medical & Life Expense and Holiday/Vacation Expense shall be (A) increased if the amount of the Retiree Medical & Life Expense and Holiday/Vacation Expense attributable to the Group A Stations has been finally determined and exceeds \$4,759,477 by the amount of such excess and (B) decreased if the amount of the Retiree Medical & Life Expense and Holiday/Vacation Expense attributable to the Group A Stations has been finally determined and is less than \$4,759,477 by the amount of such difference.

(ii) At the WVTM Closing, Buyer shall pay Sellers the portion of the Base Price set forth in Section 2.6 for WVTM, as such amount is increased by, if positive, or decreased by, if negative, the Estimated Closing Working Capital Adjustment, decreased by the portion of the Stated Amount set forth in Section 2.6 for WVTM. For purposes of applying the provisions of Section 2.7 to the WVTM Closing, Working Capital shall be determined with respect to WVTM only and (i) if the Group A Working Capital Carryover is a positive amount, then Working Capital with respect to WVTM shall be increased by the amount of such Group A Working Capital Carryover and the limitation with respect to Working Capital set forth in Section 2.7(e) shall be \$2,154,741 instead of \$15,000,000 and (ii) if the Group A Working Capital Carryover is a negative amount, the limitation with respect to Working Capital set forth in Section 2.7(e) shall be an amount equal to the sum of (A) \$2,154,741 and (B) the absolute value of such amount of negative Group A Working Capital Carryover instead of \$15,000,000; provided that under no circumstances shall Buyer pay more than \$15,000,000 in the aggregate with respect to Working Capital at the Closing with respect to the Group A Stations and the Closing with respect to WVTM; and the portion of the Stated Amount based on the Retiree Medical & Life Expense and Holiday/Vacation Expense shall be (A) increased if the amount of the Retiree Medical & Life Expense and Holiday/Vacation Expense attributable to WVTM has been finally determined and exceeds \$977,086 by the amount of such excess and (B) decreased if the amount of the Retiree Medical & Life Expense and Holiday/Vacation Expense attributable to WVTM has been finally determined and is less than \$977,086 by the amount of such difference.

(c) With respect to the Group A Closing:

(i) the terms “Closing”, “Closing Date”, “FCC Application” and “FCC Consent” shall mean the Group A Closing, the date on which such Group A Closing occurs (or is to occur), the Partial Applications applicable to the Group A Stations, and the FCC Consent with respect to such Partial Applications, respectively, each as the context requires;

(ii) the provisions of this Agreement that apply before, at or after the Closing shall apply before, at or after the Group A Closing with respect to the Group A Stations;

(iii) in the event the Closing is not effected with respect to WVTM, for purposes of Section 8.2(b)(ii) and Section 8.2(b)(iii), the amount of the Purchase Price shall be deemed to be equal to the amount of the payment made at the Group A Closing, as such payment may be subsequently adjusted pursuant to Section 2.7;

(iv) any termination of this Agreement prior to the Group A Closing shall constitute a termination of this Agreement in its entirety (subject to the provisions of Section 9.3), but, after the Group A Closing, any termination of this Agreement shall constitute a termination only with respect to the purchase of the Stock and Purchased Assets with respect to WVTM, the Group A Closing and the payment made at the Group A Closing (as such payment may be subsequently adjusted pursuant to Section 2.7) being final and irrevocable; and

(v) the time periods set forth in Section 2.7 shall apply with respect to the date of the Group A Closing.

(d) With respect to the WVTM Closing:

(i) the terms “Closing”, “Closing Date”, “FCC Application” and “FCC Consent” shall mean the WVTM Closing, the date on which such WVTM Closing occurs (or is to occur), the Partial Application applicable to WVTM, and the FCC Consent with respect to such Partial Application, respectively, each as the context requires;

(ii) the provisions of this Agreement that apply before, at or after the Closing shall apply before, at or after the WVTM Closing with respect to the WVTM Stations; and

(iii) the time periods set forth in Section 2.7 shall apply with respect to the date of the WVTM Closing.

2.10 Bulk Sales Laws. Buyer hereby waives compliance by Sellers and their Affiliates with the requirements and provisions of any “bulk-transfer” laws of any jurisdiction that may otherwise be applicable with respect to the sale of any or all of the Purchased Assets to Buyer.

2.11 Accounts Receivable.

(a) For a period of one hundred twenty (120) days after the Closing Date (the “Collection Period”), Sellers will, without charge to Buyer, use their usual and customary procedures (which may include referral to a collection agency) to collect all Accounts Receivable owing from NBCU national customers in respect of which Sellers received credit in the determination of Working Capital pursuant to Section 2.7; provided that (i) Sellers shall not be required to commence litigation, employ legal counsel or make any other extraordinary collection efforts and (ii) Sellers’ obligation to use their procedures to collect shall terminate upon expiration of the Collection Period. Buyer shall be responsible for the collection of all other Accounts Receivable owing from any other debtor (including each Station’s local customers) in respect of which Sellers received credit in the determination of Working Capital pursuant to Section 2.7 (provided that Sellers shall promptly remit to Buyer any payments received by Sellers or their Affiliates in respect of any other Accounts Receivable). For the purpose of determining amounts collected by Sellers with respect to the Accounts Receivable, each payment by an account debtor shall be applied to the older or oldest accounts receivable of such account debtor unless the account debtor in writing (a copy of which Sellers shall provide to Buyer) identifies such an account as being in dispute and directs that a particular payment be applied to a specific newer Account Receivable.

(b) Every two (2) weeks during the Collection Period, Sellers shall pay by wire transfer in immediately available funds an amount equal to the collections of the Accounts Receivable and shall provide Buyer with statements detailing account activity every two (2) weeks during the Collection Period (and within fifteen (15) days after the end of the Collection Period).

ARTICLE 3
SELLERS’ REPRESENTATIONS AND WARRANTIES

Except as specifically set forth on Sellers’ disclosure schedule (the “Seller Disclosure Schedule”) delivered to Buyer by Sellers in connection with the execution of this Agreement and provided that (i) disclosure in any section of such Seller Disclosure Schedule shall be deemed to be disclosed with respect to any other Section of this Agreement to the extent that it is reasonably apparent from the face of such disclosure that such disclosure is applicable to such other Section and (ii) the inclusion of an item in such Seller Disclosure Schedule as an exception to a representation or warranty shall not be deemed an admission that such item represents a material exception or material fact, event or circumstance or that such item has had or would have a Seller Material Adverse Effect, Sellers hereby represent and warrant to Buyer as of the date of this Agreement and as of the Closing Date as follows:

3.1 Organization. Each Seller and each Company is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or formation, as the case may be, and each Seller and each Company is duly authorized, qualified or licensed to do business, and is in good standing, under the laws of each jurisdiction in which the character of its properties owned, operated or leased, or the nature of its activities, makes such qualification necessary, except in those jurisdictions where the failure to be so qualified or in good standing would not, individually or in the aggregate, have a Seller Material Adverse Effect.

3.2 Authorization. Each Seller has the requisite power and authority to execute and deliver this Agreement and the Seller Ancillary Agreements to which it is to be a party, to perform its obligations hereunder and thereunder, and to consummate the transactions contemplated hereby and thereby. Each of Sellers' Affiliates has the requisite power and authority to execute and deliver the Seller Ancillary Agreements to which it is to be a party, to perform its obligations thereunder, and to consummate the transactions contemplated thereby. The execution and delivery by each Seller of this Agreement and the Seller Ancillary Agreements to which it is to be a party, the performance by each Seller of its obligations hereunder and thereunder, and the consummation by each Seller of the transactions contemplated hereby and thereby, have been duly authorized and approved by all necessary action of each Seller and do not require any further authorization or consent of any Seller. The execution and delivery of the Seller Ancillary Agreements to which it is to be a party by each of Sellers' Affiliates, the performance by each of Sellers' Affiliates of its obligations thereunder, and the consummation by each of Sellers' Affiliates of the transactions contemplated thereby, will have been duly authorized and approved by all necessary action of such Affiliate when such Seller Ancillary Agreements are executed and delivered and will not require any further authorization or consent of any such Affiliate. This Agreement has been duly executed and delivered by each Seller and, assuming the due authorization, execution and delivery of this Agreement by Buyer, this Agreement constitutes a legal, valid and binding agreement of each Seller, enforceable against each Seller in accordance with its terms, except in each case as such enforceability may be limited by bankruptcy, moratorium, insolvency, reorganization or other similar laws affecting or limiting the enforcement of creditors' rights generally and except as such enforceability is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law). Upon the execution and delivery of the Seller Ancillary Agreements to which it is a party by each Seller or each Seller Affiliate at the Closing and, assuming the due authorization, execution and delivery of the Ancillary Agreements by the other parties thereto, each of the Seller Ancillary Agreements will constitute a legal, valid and binding obligation of Sellers or such Affiliates, enforceable against Sellers or such Seller Affiliates in accordance with its respective terms, except in each case as such enforceability may be limited by bankruptcy, moratorium, insolvency, reorganization or other similar laws affecting or limiting the enforcement of creditors' rights generally and except as such enforceability is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

3.3 No Conflicts. Except for the Governmental Consents and consents to assign or the transfer of control of the Station Contracts listed in Section 3.3 of the Seller Disclosure Schedule, the execution and delivery by each Seller of this Agreement and the Seller Ancillary Agreements to which it is a party, the performance by each Seller of its obligations hereunder and thereunder, and the consummation by each Seller of the transactions contemplated hereby and thereby, (a) do not conflict with or violate in any material respect, constitute a material default (or event which with the giving of notice or lapse of time, or both, would become a material default) under, give rise to any right of termination, amendment, modification, acceleration or cancellation of any material obligation or loss of any material benefit under, result in the creation of any Lien other than a Permitted Lien on any of the Purchased Assets or the Company Assets, pursuant to, or require Sellers to obtain any consent as a result of, or under, the terms or provisions of (i) the Organizational Documents of Sellers or the Companies, (ii) any Material Station Contract, (iii) any Employment Agreement, Independent Contractor Agreement, Restrictive Covenant or Business License, or (iv) any Legal Requirement or Governmental Order

applicable to Sellers or the Companies, or any of the Purchased Assets or the Company Assets or (b) require the consent or approval of, or a filing by any Seller or any Company with, any Governmental Authority, except, in the case of Sections 3.3(a)(iii), (a)(iv) and (b), as would not have a Seller Material Adverse Effect.

3.4 Stock/Interests.

(a) Outlet owns all of the shares of the Stock, beneficially and of record, free and clear of Liens. The Stock is duly authorized, validly issued, fully paid and non-assessable, and there are no outstanding subscriptions, options, warrants, rights, calls, commitments, conversion rights, rights of exchange, plans or other agreements of any character providing for the purchase, issuance or sale of any interest in Birmingham Assets. There are no voting trusts, proxies or other agreements or understandings with respect to the voting or transfer of the Stock.

(b) Birmingham Assets owns all of the Interests free and clear of Liens. Except as set forth on Section 3.5(a) of the Seller Disclosure Schedule, neither any Seller nor any Company has received any written notice from any third party regarding any actual, alleged or potential violation of any such Legal Requirement. All material unclaimed property reports required to be filed by or with respect to the Companies have been timely filed with the applicable Governmental Authority and all corresponding unclaimed property has been timely remitted to the applicable Governmental Authority.

Except as set forth in Section 3.5(c) of the Seller Disclosure Schedule, Sellers have no Knowledge of any reason to believe that the FCC Licenses will not be renewed in the ordinary course. The FCC Licenses listed on Schedule 1.70 include all of the licenses, permits and authorizations used in or required for the operation of the Stations under the Communications Act.

3.6 Taxes. Except as set forth in Section 3.6 of the Seller Disclosure Schedule,

4.2 Authorization. Buyer has the requisite power and authority to execute and deliver this Agreement and the Buyer Ancillary Agreements to which it is to be a party, to perform its obligations hereunder and thereunder, and to consummate the transactions contemplated hereby and thereby. Each of Buyer's Affiliates has the requisite power and authority to execute and deliver the Buyer Ancillary Agreements to which it is to be a party, to perform its obligations thereunder, and to consummate the transactions contemplated thereby. Upon the execution and delivery of the Buyer Ancillary Agreements to which it is a party by Buyer or each Buyer Affiliate at the Closing and, assuming the due authorization, execution and delivery of the Ancillary Agreements by the other parties thereto, each of the Buyer Ancillary Agreements will constitute a legal, valid and binding obligation of Buyer or such Affiliates, enforceable against Buyer or such Buyer Affiliate in accordance with its respective terms, except in each case as such enforceability may be limited by bankruptcy, moratorium, insolvency, reorganization or other similar laws affecting or limiting the enforcement of creditors' rights generally and except as such enforceability is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

4.3 No Conflicts. Except for the Governmental Consents, the execution and delivery by Buyer of this Agreement and the Buyer Ancillary Agreements to which it is to be a party, the performance by Buyer of its obligations hereunder and thereunder, and the consummation by Buyer of any of the transactions contemplated hereby and thereby, (a) do not conflict with or violate in any material respect, constitute a material default (or event which with the giving of notice or lapse of time, or both, would become a material default) under, give rise to any right of termination, amendment, modification, acceleration or cancellation of any material obligation or loss of any material benefit under, result in the creation of any Lien other than a Permitted Lien on any of the assets or properties of Buyer, pursuant to, or require Buyer to obtain any consent as

4.5 Qualification.

(a) Buyer is legally, financially and otherwise qualified to be the licensee of, and to acquire, own and operate, the Stations under the Communications Laws as in effect on the date of this Agreement, including but not limited to the provisions relating to media ownership and attribution, foreign ownership and control, and character qualifications. There are no facts that would, under existing law and the existing FCC Rules, disqualify Buyer as an assignee of any of the FCC Licenses or as the owner and operator of the Stations. No waiver of or exemption, whether temporary or permanent, from any provision of the Communications Laws as in effect on the date of this Agreement is necessary for the FCC Consent to be obtained, and there are no matters related to Buyer or Buyer's FCC qualifications which might be expected to result in the FCC's denial or delay in approving the FCC Application.

(ii) other than with respect to non-material Assets in the ordinary course of business consistent with past practice, sell, lease or dispose of or agree to sell, lease or dispose of any of the Assets unless replaced with similar items of substantially equal or greater value and utility, or create, assume or permit to exist any Liens upon the Assets, except for Permitted Liens;

(iv) except as otherwise permitted under this Agreement, enter into, terminate (other than at the expiration of their respective terms), modify or amend in any material respect, or waive any material provision of, any Station Contract, other than in the ordinary course of business; provided, however, that (A) Sellers and the Companies shall not be permitted to enter into any Shared Contract that is a Material Contract and that would bind any Company or any Station following the Closing if the terms of such Shared Contract would disproportionately affect such Station relative to the other television stations or businesses of Sellers and its Affiliates bound by such Shared Contract; (B) without the consent of Buyer, Sellers and the Companies shall not be permitted to enter into any Shared Contract that is a Program Contract and that would bind any Company or any Station following the Closing and (C) Sellers and the Companies shall not be permitted to enter into any Station Contract with any Affiliate of Sellers that would bind any Company or any Station following the Closing if the terms of such Station Contract are not on an arm's-length basis;

(v) enter into any letter of credit, performance bond, guarantee in lieu of letter of credit or performance bond or other similar obligation, except in the ordinary course of business consistent with past practice (in which case Sellers will notify Buyer so that it can comply with its obligations under Section 5.13);

(vi) sell, transfer or assign (or agree to sell, transfer or assign) the Stock or Interests or any interest therein, and not permit to exist any Lien upon the Stock;

(a) From the date of this Agreement until the Closing Date, upon reasonable prior notice, and except as determined in good faith to be appropriate to ensure compliance with any applicable laws and subject to any applicable privileges (including the attorney-client privilege) and contractual confidentiality obligations (other than contractual confidentiality obligations under Assumed Station Contracts or Shared Contracts for which Shared Contract Station Rights are to be included in the Purchased Assets; provided that Buyer shall be granted access hereunder to such Shared Contracts only to the extent such Shared Contracts relate to the Stations), Sellers shall, and shall cause the Companies to (i) afford Buyer reasonable access, during normal business hours, to the personnel, offices, personnel records, properties, books and records of Sellers and the Companies and (ii) furnish to Buyer such additional financial and operating data and other information regularly prepared by Sellers or the Companies, (iii) afford Buyer reasonable access to the Business Employees and the collective bargaining agents thereof for purposes of communicating Buyer's intentions regarding the terms and conditions of employment following Closing, in the case of clauses (i), (ii) and (iii) regarding the Stations and the Assets, as Buyer may from time to time reasonably request; provided, however, that such requests shall not unreasonably interfere with any of the businesses or operations of NBCU, Sellers or any of their Affiliates; and provided further that the auditors and accountants of NBCU, Sellers or any of their Affiliates shall not be obliged to make any work papers (to the extent extant) available to any Person unless and until such Person has signed a customary agreement relating to such access to work papers in form and substance reasonably acceptable to such auditors or accountants; and provided further, that prior to such access, all such consultants shall execute Sellers' standard insurance and indemnity agreement. Sellers acknowledge that no investigation by Buyer or its representatives or advisors after the date of this Agreement shall limit Sellers' liability with respect to its representations and warranties under this Agreement. Without limiting the generality of the foregoing, from the date hereof until the Closing, Sellers

shall promptly deliver to Buyer true and complete copies of all monthly and quarterly financial statements and operating reports with respect to the business and operation of the Stations that are prepared in the normal course within thirty (30) days after the end of each such fiscal month or fiscal quarter, as applicable. (b) From and after the Closing Date, in connection with any reasonable purpose relating to the Retained Obligations, the Excluded Assets, the Company Retained Assets or the ownership of the Purchased Assets prior to the Closing or the rights or obligations of Sellers or any of their Affiliates under this Agreement or any of the Ancillary Agreements, upon reasonable prior notice and except as determined in good faith to be appropriate to ensure compliance with any applicable Legal Requirement and subject to any applicable privileges (including the attorney-client privilege) and contractual confidentiality obligations, Buyer shall, and shall cause its Affiliates and its representatives to, (i) afford the representatives of Sellers and their Affiliates reasonable access, during normal business hours, to the offices, properties, books and records of Buyer and its Affiliates in respect of the Stations, the Companies and the Assets, (ii) furnish to the representatives of Sellers and their Affiliates such additional financial and other information regarding the Stations, the Companies and the Assets as Sellers or their representatives may from time to time reasonably request and (iii) make available to the representatives of Sellers and their Affiliates the employees of Buyer and its Affiliates in respect of the Stations, the Companies and the Assets whose assistance, expertise, testimony, notes and recollections or presence is necessary to assist Sellers in connection with Sellers' inquiries for any of the purposes referred to above, including the presence of such individuals as witnesses in hearings or trials for such purposes; provided, however, that such requests shall not unreasonably interfere with the business or operations of Buyer or any of its Affiliates; and provided further that the auditors and accountants of Buyer or its Affiliates shall not be obligated to make any work papers (to the extent extant) available to any Person unless and until such Person has signed a customary agreement relating to such access to work papers in form and substance reasonably acceptable to such auditors or accountants. Sellers shall reimburse Buyer for all reasonable and necessary out-of-pocket expenses incurred in connection with the performance of its obligations under this Section 5.2(b).

(c) Notwithstanding anything in this Agreement to the contrary, Sellers shall not be required, prior to the Closing, to disclose, or cause the disclosure of, to Buyer or its Affiliates or representatives (or provide access to any offices, properties, books or records of Sellers or any of their Affiliates that could result in the disclosure to such Persons or others of) any confidential information relating to trade secrets, proprietary know-how, processes or patent, trademark, trade name, service mark or copyright applications or product development, or pricing and marketing plans, nor shall Sellers be required to permit or cause others to permit Buyer or its Affiliates or representatives to have access to or to copy or remove from the offices or properties of Sellers or any of their Affiliates any documents, drawings or other materials that might reveal any such confidential information.

(d) Notwithstanding anything in this Agreement to the contrary, Buyer shall not be required, after the Closing, to disclose, or cause the disclosure of, to Sellers or

their Affiliates or representatives (or provide access to any offices, properties, books or records of Buyer or any of its Affiliates that could result in the disclosure to such Persons or others of) any confidential information relating to trade secrets, proprietary know-how, processes or patent, trademark, trade name, service mark or copyright applications or product development, or pricing and marketing plans, nor shall Buyer be required to permit or cause others to permit Sellers or their Affiliates or representatives to have access to or to copy or remove from the offices or properties of Buyer or any of its Affiliates any documents, drawings or other materials that might reveal any such confidential information.

(e) Notwithstanding anything to the contrary contained herein, this Section 5.2 shall not apply to Tax matters relating to the Purchased Assets or the Companies.

(f) (i) Sellers shall retain KPMG to provide their audit report to Buyer as soon as practicable, and shall use commercially reasonable efforts to cause KPMG to provide their audit report to Buyer within 40 days following the signing of this Agreement, together with financial statements for the year ended December 31, 2005 for the Stations in a form that is acceptable to the Securities and Exchange Commission (the “SEC”) (collectively, the “Audited Financial Statements”). Sellers shall provide to Buyer as soon as practicable, and shall use commercially reasonable efforts to provide to Buyer within 40 days following the signing of this Agreement, the unaudited balance sheet as of March 31, 2006 and the statement of income and statement of cash flows for the three-month period ending March 31, 2006 for the Stations (collectively, the “Unaudited Interim Period Financial Statements”). However, if the Closing occurs after June 30, 2006, Sellers shall provide appropriate financial statements for the period required by Rule 3-05(b) of Regulation S-X and prepared in accordance with this Section 5.2(f)(i). The Audited Financial Statements shall be audited by KPMG. The Audited Financial Statements shall be presented in accordance with GAAP, consistently applied. Sellers shall use commercially reasonable efforts to cause KPMG to provide, in connection with the Audited Financial Statements, KPMG’s unqualified opinion (and any consents related thereto that may be required by Buyer) on the Audited Financial Statements. The Unaudited Interim Period Financial Statements shall be prepared in accordance with GAAP, consistently applied and shall present fairly, in all material respects, the financial position, results of operations and cash flows of the Stations as of the dates indicated and for the periods presented in conformity with GAAP, except for the absence of footnotes and subject to normal year end adjustments. The delivery to Buyer of the Audited Financial Statements, the Unaudited Interim Period Financial Statements and the opinion of KPMG on the Audited Financial Statements shall not be conditions to the Closing.

(ii) Sellers shall cooperate with Buyer with respect to any reasonable request in connection with the obligations of Buyer to prepare and file with the SEC the financial information required to be included by Buyer in its current and periodic reports filed under the Securities Exchange Act of 1934, as amended, and in registration statements and prospectus supplements filed under the Securities Act of 1933, as amended, by:

(A) providing to Buyer the relevant financial statements and records, documents and information that is available to Sellers, the Companies and their respective Affiliates and making available the employees of the Stations, TVSD and NBCU who have knowledge thereof, in each case as may reasonably be requested by Buyer;

(B) requesting, in conjunction with Buyer, KPMG to provide such customary consents, comfort letters and documents that may be required or reasonably necessary; and

(C) providing to Buyer's employees and independent accountants such access, information and records as they may reasonably request for purposes of the foregoing;

provided that all such cooperation shall be provided by reasonable access, during normal business hours, to the personnel of the Stations, TVSD and NBCU and the documents, information and books and records of Sellers, the Companies and their Affiliates. The auditors and accountants of NBCU (including KPMG), Sellers or any of their Affiliates shall not be obliged to make any work papers (to the extent extant) available to any Person unless and until such Person has signed a customary agreement relating to such access to work papers in form and substance reasonably acceptable to such auditors or accountants; provided that prior to such access, all such Persons shall execute Sellers' standard insurance and indemnity agreement.

(iii) Buyer shall pay all reasonable and necessary out-of-pocket expenses incurred by Sellers and their Affiliates in connection with the performance of their obligations under this Section 5.2(f), including the fees and expenses of KPMG, which shall be subject to Buyer's prior consent (not to be unreasonably withheld). Sellers and their Affiliates shall not be required under this Section 5.2(f) to give any representations, warranties, covenants or indemnities to Buyer.

5.3 Confidentiality. UBS Securities LLC on behalf of NBCU and Buyer are parties to a non-disclosure agreement with respect to NBCU and its television stations (the "NDA"). Without limiting the terms of the NDA, subject to the requirements of applicable law, all non-public information regarding the parties and their Affiliates and their businesses and properties that is disclosed in connection with the negotiation, preparation or performance of this Agreement and the Ancillary Agreements (including without limitation all financial information provided by Sellers to Buyer) shall be confidential and shall not be disclosed to any other Person or entity except in accordance with the terms of the NDA and this Agreement.

5.4 Announcements. The parties shall consult with one another in connection with the initial joint press release to be made with respect to the execution of this Agreement and such press release shall be reasonably acceptable to Sellers and Buyer. Prior to the Closing, no party shall, without the prior written consent of the other, issue any press release or make any other public announcement concerning the transactions contemplated by this Agreement, except to the extent that such party is so obligated by law, in which case such party shall give advance notice to the other.

5.5 Control. Buyer shall not, directly or indirectly, control, supervise or direct the operation of the Stations prior to the Closing. Consistent with the Communications Laws, control, supervision and direction of the operation of each Station prior to the Closing shall remain the responsibility of the respective Station Licensee as the holder of the FCC Licenses for such Station.

5.6 [Intentionally Deleted].

5.7 Consents.

(a) As soon as practicable after the execution of this Agreement, but in any event no later than thirty (30) days after such execution, the parties shall make appropriate requests and shall use commercially reasonable efforts to obtain as expeditiously as possible (i) any third party consents required under any Station Contracts, and (ii) execution of reasonable estoppel certificates by lessors under any Seller Real Property Leases or Company Real Property Leases. Obtaining such consents or estoppel certificates are not conditions to the Closing except for the receipt of the consents listed on Schedule 5.7(a) (the “Required Consents”). Buyer, on the one hand, and Sellers, on the other hand, shall each be responsible for and pay one-half of all administrative or processing fees imposed by a Person pursuant to the terms of the relevant Station Contract, Seller Real Property Lease or Company Real Property Lease as a condition to processing any consent or estoppel certificate request. Seller and Buyer shall cooperate in connection with the preparation of the forms of consent and estoppel certificate and shall keep each other reasonably informed as to the status of obtaining any such consents and estoppel certificates. Buyer will not be required to accept or agree or accede to any condition to transfer any Station Contract, or any modifications or amendments to such Station Contract that would make, or are reasonably likely to make, the underlying Station Contract materially more onerous in the aggregate or that would materially reduce, or are reasonably likely to materially reduce, the benefits available under the Station Contract in respect of which the consent or new replacement contract relates.

(b) To the extent that any Station Contract to be transferred to Buyer may not be assigned without the consent of any third party, and such consent is not obtained prior to the Closing, this Agreement and any assignment executed pursuant to this Agreement shall not constitute an assignment of such Station Contract; provided, however, with respect to each such Station Contract, Sellers and Buyer shall cooperate to the extent feasible in effecting a lawful and commercially reasonable arrangement under which Buyer shall receive the benefits under the Station Contract from and after the Closing, and, to the extent of the benefits received, Buyer shall pay and perform Sellers’ obligations arising under the Station Contract from and after the Closing in accordance with its terms. Sellers and Buyer shall continue to use commercially reasonable efforts after the Closing Date to obtain all such consents that were not obtained prior to the Closing, and will assign or cause to be assigned to Buyer any applicable Station Contract once all consents necessary for such assignment are obtained.

5.8 Employee Matters. With respect to employee matters, the parties have made the agreements and covenants as set forth on Exhibit A to this Agreement, which is an integral part of this Agreement (the “Employee Matters”).

5.9 No Shop.

(a) Sellers shall not, and shall not permit any of the Companies, or any of their respective Affiliates, directors, officers, employees, representatives or agents (collectively, the “Representatives”) to, directly or indirectly, (i) discuss, negotiate, undertake, initiate, authorize, recommend, propose or enter into, either as the proposed surviving, merged, acquiring or acquired corporation, any transaction involving a merger, consolidation, business combination, purchase or disposition of any material amount of the business, operations, properties, or assets relating to the Stations or any capital stock of a Seller or a Company other than the transactions contemplated by this Agreement (an “Acquisition Transaction”), (ii) facilitate, solicit or initiate discussions, negotiations or submissions of proposals or offers in respect of an Acquisition Transaction, (iii) furnish or cause to be furnished, to any Person, any information concerning the business, operations, properties or assets of any Seller or the Companies in connection with an Acquisition Transaction, or (iv) otherwise cooperate in any way with, or assist or participate in, or facilitate, any effort or attempt by any other Person to do or seek any of the foregoing.

(b) Sellers shall (and shall cause their Affiliates and Representatives to) immediately cease and cause to be terminated any existing discussions or negotiations with any Persons (other than Buyer) conducted heretofore with respect to any Acquisition Transaction.

5.10 Closing. Subject to the terms and conditions of this Agreement, including any limitations on the parties’ obligations hereunder, Buyer and Sellers shall each use commercially reasonable efforts to satisfy as soon as practicable all conditions required hereby to be satisfied by it in order to expedite the consummation of the transactions contemplated hereby.

5.11 Governmental Consents.

(a) Within three (3) business days of the date of this Agreement, Buyer and Sellers shall, and Sellers shall cause the Station Licensees to, file applications with the FCC (collectively, the “FCC Application”) requesting FCC consent to the assignment or the transfer of control of the FCC Licenses to Buyer, as appropriate. In the case of the applications to transfer control of the main and auxiliary licenses of WVTM, Buyer will request a temporary waiver to provide six (6) months, from the Closing Date, to file an application with the FCC to dispose of such station as would be necessary for Buyer to come into compliance with the television duopoly Rule, 47 C.F.R. §73.3555(b) in the Birmingham, Alabama television market. The request for the waiver to commonly own two television stations in the Birmingham, Alabama television market (such six-month waiver, the “Birmingham Waiver”; and such six-month period, the “Birmingham Waiver Period”) shall include an express commitment and undertaking on the part of Buyer to (i) aggressively market one of the two Birmingham stations (e.g., WVTM or the station assigned to Birmingham, Alabama in which Buyer has an attributable interest) during the

Birmingham Waiver Period; (ii) operate the two Birmingham stations as separate and competing entities during the Birmingham Waiver Period; and (iii) file during the Birmingham Waiver Period an application with the FCC to dispose of one of the two Birmingham stations as necessary for Buyer to come into full compliance with 47 C.F.R. §73.3555(b) (the “Birmingham Waiver Conditions”). The FCC consent to the assignment or the transfer of control of the FCC Licenses to Buyer and the granting of the Birmingham Waiver is referred to herein as the “FCC Consent”. Buyer and Sellers shall (and Sellers shall cause each Station Licensee to) diligently prosecute the FCC Application and otherwise use their commercially reasonable efforts to obtain the FCC Consent as soon as practicable. Buyer and Sellers shall each pay one-half of any required FCC filing fees in connection with the FCC Application.

(b) As soon as reasonably practicable after the date of this Agreement, Buyer and Sellers shall make any required filings pursuant to the HSR Act with respect to the transactions contemplated hereby (including a request for early termination of the waiting period thereunder), and shall thereafter promptly respond to all requests received for additional information or documentation. If requested by the applicable Governmental Authority upon review of the filings made pursuant to the HSR Act, Buyer shall expressly agree to accept the Birmingham Waiver Conditions and to any request by the Governmental Authority to divest, or to enter into a consent decree requiring Buyer to divest, after the expiration of the Birmingham Waiver Period, one of the two Birmingham stations (ie., WVTM or the station assigned to Birmingham, Alabama in which Buyer has an attributable interest), on terms that are usual and customary for consent decrees with the Governmental Authority. Expiration or termination of any applicable waiting period under the HSR Act is referred to herein as “HSR Clearance”.

(c) Buyer and Sellers shall notify each other of and make available to each other all documents filed with or received from any Governmental Authority with respect to this Agreement or the transactions contemplated hereby and permit the other party to review in advance any proposed communication by such party. Neither Sellers nor Buyer shall agree to participate in any meeting with any Governmental Authority in respect of any such filings, investigation or other inquiry unless it consults with the other party in advance and, to the extent permitted by such Governmental Authority, gives the other party the opportunity to attend and participate at such meeting. Buyer and Sellers shall furnish each other with such information and assistance as the other may reasonably request in connection with their preparation of any governmental filing hereunder.

(d) Sellers and Buyer agree to cooperate and use their respective commercially reasonable efforts to obtain the FCC Consent, the HSR Clearance and any other governmental consents and approvals that may be required in connection with the transactions contemplated by this Agreement. Sellers and Buyer will cooperate with the reasonable requests of the other party in promptly seeking to obtain all such authorizations, consents, orders and approvals. For purposes of this Section 5.11, “commercially reasonable efforts” shall not require either party or its Affiliates to, except as expressly provided in this Section 5.11 and Section 5.12, (i) divest, sell or hold separate any material assets, businesses or properties or enter into any material consent decree or assume any other material obligations with respect to the ongoing operations of such party and/or its Affiliates, (ii) commence or participate in any litigation, (iii) satisfy

any condition imposed by any third party or Governmental Authority that such party reasonably believes is likely to adversely affect, in any material respect, such party's condition (financial or otherwise), assets, liabilities, results of operations or business, (iv) offer or grant any accommodation (financial or otherwise) to any third party or Governmental Authority that such party reasonably believes is likely to adversely affect, in any material respect, such party's condition (financial or otherwise), assets, liabilities, results of operations or business or (v) compensate any third party (other than payment of customary filing fees).

(e) If the conditions set forth in Articles 6 and 7 have been satisfied, but not all of the FCC Consents for the assignment of the Non-Broadcast FCC Licenses have been obtained, then Buyer and Sellers shall consummate the Closing, excluding such Non-Broadcast FCC Licenses and any related assets prohibited from being transferred to Buyer pursuant to applicable Legal Requirements, as determined in the reasonable discretion of Sellers. Buyer and Sellers shall enter into a reasonable facilities sharing agreement, consistent with applicable Legal Requirements, to permit Buyer, at no cost to Buyer, to communicate over the facilities covered by such Non-Broadcast FCC Licenses until the FCC Consents for the assignment of such Non-Broadcast FCC Licenses are obtained and such Non-Broadcast FCC Licenses have been assigned. Within ten (10) Business Days of obtaining the FCC Consent for the assignment of such Non-Broadcast FCC Licenses, Sellers shall assign and transfer such Non-Broadcast FCC Licenses to Buyer.

5.12 Renewal. If the main station FCC Licenses issued under Part 73 of the FCC Rules are due to expire prior to the Closing and if not previously filed, then Sellers shall timely file FCC renewal applications with respect to the pertinent Station or Stations. Sellers shall prosecute all such license renewal applications diligently and otherwise use its commercially reasonable efforts to obtain FCC grants of the renewals as soon as practicable. In order to avoid disruption or delay in the processing of the FCC Application, Buyer and Sellers agree, as part of the FCC Application, to request that the FCC apply its policy permitting license transfers in transactions involving multiple markets to proceed, notwithstanding the pendency of one or more license renewal applications. Buyer and Sellers agrees to make such representations and undertakings as are necessary or appropriate to invoke such policy, including (without limitation) undertakings by Buyer to assume, effective as of the Closing, the position of applicant with respect to any pending license renewal applications, and to assume, effective as of the Closing, the risks relating to such applications, provided, however, that if the FCC declines to apply such policy as requested by Buyer and Sellers and instead grants the FCC Application subject to the condition that it grant one or more renewal applications prior to consummation, then the term "FCC Consent" as used herein shall mean FCC consent to the FCC Application and satisfaction of such renewal condition; provided further that this Section 5.12 shall in no way impair or affect Buyer's rights under this Agreement with respect to any matters arising in connection with the renewals that arose or relate to any period prior to the Closing, including Buyer's closing conditions set forth in Article 7 and Buyer's indemnification rights set forth in Article 8.

5.13 Letters of Credit; Other Obligations. At or prior to the Closing, Buyer shall arrange for substitute letters of credit, performance bonds, Buyer guarantees in lieu of letters of credit or performance bonds and other similar obligations to replace (a) all Sellers' LCs and Company LCs outstanding as of the date of this Agreement and (b) all Sellers' LCs and

Company LCs entered into in the ordinary course of business consistent with past practice on or after the date of this Agreement and prior to the Closing.

5.14 Termination of Rights to the Seller Name and Seller Marks. Buyer acknowledges and agrees that, except as permitted by the Ancillary Agreements or a duly authorized representative of Sellers in writing, following the Closing Date, Buyer and its Affiliates shall cease and discontinue all uses of the Trade Names, either alone or in combination with other words, and all marks, trade dress, logos, monograms, domain names and other source identifiers similar to any of the foregoing or embodying any of the foregoing alone or in combination with other words; provided, however, that Buyer may use such marks, trade dress, logos, monograms, domain names, other source identifiers and the Trade Names as permitted by law except as may be qualified by any Ancillary Agreement.

5.15 Insurance. From and after the Closing Date, each Station and each Company shall cease to be insured by GE's or any of its Affiliates' insurance policies or by any of their self-insured programs.

5.16 Environmental Matters.

(a) Buyer acknowledges that its sole and exclusive remedy against Sellers for any Liabilities, Damages, Actions or Claims relating to or resulting from any Environmental Law or Hazardous Material, or any other environmental, health or safety matter, including natural resources, that relate in any way to this Agreement or the transactions contemplated hereby, is pursuant to this Agreement and the WJAR Lease Agreement. In furtherance of, and without limiting, the foregoing, Buyer hereby waives, on its behalf and on behalf of its parents, subsidiaries, divisions and affiliates, their predecessors, successors and assigns, to the fullest extent permitted under applicable law, any claim or remedy against Sellers now or hereafter available under any applicable Environmental Law, including the Comprehensive Environmental Response, Compensation and Liability Act or any similar federal or state law, or, in connection with any Environmental Law or Hazardous Material, or any other environmental, health or safety matter, including natural resources, any other law, statute, treaty, directive, decision, judgment, award, regulation, decree, rule, code of practice, guidance, order, direction, consent, authorization, permit or similar requirement, approval or standard, or in equity, whether or not such Environmental Law, such other law, statute, treaty, directive, decision, judgment, award, regulation, decree, rule, code of practice, guidance, order, direction, consent, authorization, permit or similar requirement, approval or standard, or such equitable remedy, is in existence or in effect prior to or on the date hereof or comes into existence or effect at any time in the future; provided that this waiver shall only relate to matters relating to this Agreement and the transactions contemplated hereby. After the date of this Agreement, Buyer may elect, at its own expense, to order a Phase I environmental site assessment and/or an air quality assessment of any Real Property to be performed by ESM, LC (the "Environmental Firm"). If the Environmental Firm reasonably determines as a result of those assessments that further investigation or testing is necessary, Buyer may cause to be performed, at its expense, Phase II environmental site assessments at the Real Property as soon as reasonably practicable by the Environmental Firm. Following their completion, Buyer will promptly deliver copies of such Phase I and Phase II environmental site assessment reports to Sellers. Sellers will comply with any reasonable request for information made by Buyer or the Environmental

Firm in connection with any such investigation and shall afford Buyer and the Environmental Firm access to all areas of the Owned Real Property, at reasonable times and in a reasonable manner in connection with any such investigation. In the event that as a result of Phase II environmental assessments, the Environmental Firm reasonably determines that remedial action is required by Environmental Law, Buyer shall promptly notify Sellers and provide Sellers with copies of the relevant report.

(b) With respect to the Owned Real Property located in Cranston, Rhode Island and Rehoboth, Massachusetts, Buyer further acknowledges and agrees that the conveyance of such Owned Real Property pursuant to the special warranty deed shall be subject to the following restrictive covenants (collectively, "Restrictions"), which Restrictions shall be perpetual, shall run with the Owned Real Property, and shall be binding upon Buyer, its representatives, employees, contractors, tenants, licensees, invitees, successors and/or assigns, including without limitation any future or successor owner of the Owned Real Property (collectively, the "Current Owner"):

(i) Limited Use. The Owned Real Property and any buildings and other improvements to be erected thereon shall be used solely for commercial, industrial, warehouse and retail and wholesale sales only and for no other purpose whatsoever, notwithstanding that other uses may be permitted by the applicable zoning or other ordinances now or in the future affecting the Owned Real Property. Further, notwithstanding any of the foregoing and even though such may constitute a "commercial" or other permitted use, in no event shall the Owned Real Property be used for any residential purposes, nursing home, or school.

(ii) Groundwater Use Restriction. No part of the groundwater under the Owned Real Property shall be used for any use or purpose whatsoever, including without limitation industrial, commercial, residential, drinking, or irrigation purposes.

(iii) Remedies for Violation of the Restrictions. If the Current Owner breaches or violates either of these Restrictions, then NBCU or its designee shall have the right to obtain injunctive relief to ensure compliance by the Current Owner with these Restrictions and to pursue all other remedies which may be available to NBCU or its designee at law and in equity, including, but not limited to specific performance and/or any action for money damages. In addition, the Current Owner shall be liable for all attorneys' fees, consultant fees and all other reasonable costs and expenses incurred by NBCU or its designee in enforcing these Restrictions.

(iv) These Restrictions are for the benefit of NBCU and its successors and may be waived by NBCU and its successors; provided that "successors" shall not include Buyer or its successors or assigns.

(c) Transfer of title to the Seller Owned Real Property located in Cranston, RI shall be pursuant to the terms of Section 8.11.

5.17 Title Commitments; Surveys; Lien Searches. Buyer may order, at Buyer's sole cost and expense, title commitments, surveys and lien searches on each parcel of Owned Real Property and lien searches on the other assets and properties included in the Assets. Sellers agree to cooperate with Buyer in obtaining such items, including providing access to Buyer and its representatives as provided in Section 5.2.

5.18 Grant of Stations' Materials License. Buyer hereby grants to Sellers and NBCU, and their Affiliates, licensees, and assigns, the worldwide non-exclusive, royalty-free, perpetual right and license (but Sellers and NBCU, and their Affiliates, licensees, and assigns do not have the obligation) to:

(a) copy, transmit, distribute, perform, exhibit and otherwise exploit in all media and by all means now known or hereafter devised any Stations' Materials embodied in any and all works created by or for Sellers or NBCU, including but not limited to television productions or promotions, and the Stations' Materials which, as of the date of this Agreement, is contained in any library or archive owned or controlled by Sellers or NBCU; and

(b) create derivative works from any Stations' Materials (i) embodied in any work that was created by or for Sellers or NBCU, or (ii) that are, as of the date of this Agreement, contained in any library or archive owned or controlled by Sellers or NBCU, and to copy, transmit, distribute, perform, exhibit and otherwise exploit those derivative works in all media and by all means now known or hereafter devised.

Notwithstanding anything to the contrary in this Agreement, Buyer may, upon providing written notice, terminate the license granted to Sellers and NBCU under this Section 5.18 with respect to any item of Stations' Materials if Buyer, using its good faith business judgment, decides that such license may result in material liability to Buyer. Notwithstanding any such termination with respect to a particular item, the license set forth in this Section 5.18(b) shall remain in full force and effect with respect to all other items. Sellers and NBCU will be solely responsible for obtaining all necessary third party licenses and releases (including, but not limited to, right of publicity releases) to use the Stations' Materials. In addition, Sellers and NBCU acknowledge that Buyer makes no representations or warranties regarding the use of the Stations' Materials and therefore provides Sellers and NBCU with no indemnity with respect to their use of the Stations' Materials.

5.19 Updating of Information. Between the date of this Agreement and the Closing Date, Sellers will deliver to Buyer a copy of each Station Contract that is entered into by any Seller or Company between the date hereof and the Closing if such Station Contract would have been a Material Station Contract had it been in effect on the date hereof.

5.20 Transition Services Agreement. The parties shall negotiate in good faith to agree within thirty (30) days from the date hereof on a definitive version of the Transition Services Agreement to be entered into at the Closing. Such definitive agreement shall contain terms consistent with the terms set forth in the "Transition Services Term Sheet" set forth on Schedule 5.20 (which includes terms contemplated to be included in the Transition Services Agreement) and such additional terms as the parties may mutually agree. If the parties do not agree on a

definitive Transition Services Agreement prior to the Closing, the terms set forth in the Transitions Services Term Sheet shall be binding on the parties (including NBCU).

(c) From and after the Closing, Buyer shall defend, indemnify and hold harmless Sellers and their Affiliates and their respective officers, directors, employees, agents, successors and assigns (and each reference to Sellers as the indemnified party shall include the foregoing) from and against any and all Damages incurred by Sellers arising out of or resulting from:

8.3 Procedures. Subject to Section 8.10 below,

(a) The indemnified party shall give prompt written notice to the indemnifying party of any demand, suit, claim or assertion of liability by third parties that is subject to indemnification hereunder (a “Claim”), but a failure to give such notice or delaying such notice shall not affect the indemnified party’s rights or the indemnifying party’s obligations except to the extent the indemnifying party’s ability to remedy, contest, defend or settle with respect to such Claim is thereby materially prejudiced and provided that such notice is given within the time period described in Section 8.1.

(b) The indemnifying party shall have the right to undertake the defense or opposition to such Claim with counsel selected by it. In the event that the indemnifying party does not undertake such defense or opposition in a timely manner, the indemnified party may undertake the defense, opposition, compromise or settlement of such Claim with counsel selected by it at the indemnifying party’s cost (subject to the right of the indemnifying party to assume defense of or opposition to such Claim at any time prior to settlement, compromise or final determination thereof). It is the intent of the parties that Sellers will continue to undertake the defense or opposition to the Actions against the Sellers with respect to the Stations or against the Companies that are pending as of the Closing, including the matters described in Section 3.13 of the Seller Disclosure Schedule.

(c) Anything herein to the contrary notwithstanding:

(i) the indemnified party shall have the right, at its own cost and expense, to participate in the defense, opposition, compromise or settlement of the Claim, except for Claims addressed under Section 8.10;

(ii) the indemnifying party shall not, without the indemnified party’s written consent, settle or compromise any Claim or consent to entry of any judgment which does not include the giving by the claimant to the indemnified party of a release from all liability in respect of such Claim; and

8.4 Tax Treatment of Indemnity Payments. Sellers and Buyer agree to treat any indemnity payment made pursuant to this Article 8 as an adjustment to the Purchase Price for federal, state, local and foreign income tax purposes.

8.5 Indemnification Payments. The indemnified party shall seek full recovery under all insurance policies covering any Damages to the same extent as it would if such Damages

were not subject to indemnification hereunder; provided, that the indemnified party shall not be required to seek such insurance proceeds prior to proceeding for indemnity under this Article 8. In the event that an insurance or other recovery is made by any party with respect to any Damages for which any such Person has been indemnified hereunder and has received funds in the amount of the Damages, then a refund equal to the aggregate amount of the recovery shall be made promptly to the indemnifying party.

8.6 Exclusive Remedy. Sellers and Buyer acknowledge and agree that, following the Closing, the indemnification provisions of Section 8.2 (as supplemented by Section 10.14) shall be the sole and exclusive remedy of Buyer for any breach of the representations or warranties in this Agreement and the WJAR Lease Agreement and for any failure to perform or comply with any covenants or agreements under this Agreement and the WJAR Lease Agreement that, by their terms, were to have been performed or complied with prior to the Closing; provided, however, that the foregoing shall not apply to the Hub Services Agreement, the Transition Services Agreement, the Arthouse Services Agreement, the WeatherPlus Affiliation Agreement, the News Channel Participation Agreement and the NBC Affiliation Agreement.

8.7 Mitigation. Each of the parties agrees to take all reasonable steps to mitigate its respective Damages upon and after becoming aware of any event or condition which would reasonably be expected to give rise to any Damages that are indemnifiable hereunder.

8.8 Tax Matters. Notwithstanding anything to the contrary contained in this Agreement, except for Section 8.2(b)(iii), the rights and obligations of the parties with respect to indemnification for any and all Tax matters shall be solely governed by the TMA and shall not be subject to the provisions of this Article 8.

8.9 No Right of Contribution. Following the Closing, Sellers shall have no right of contribution against any Company for any indemnification payment to be made by Sellers hereunder or otherwise, and each Seller hereby waives any and all rights of contribution that it may have against any Company.

8.10 Additional Provisions Regarding Environmental Laws. Notwithstanding the other provisions of Section 8.3, where, in case of conflict, this Section 8.10 shall control as to Buyer's indemnification claims for Liability from Environmental Laws, including but not limited to Section 8.2(a)(ix): (a) Buyer shall promptly notify, in writing, Sellers upon receipt by Buyer or any of its Affiliates of any oral or written Action or Claim that is subject to indemnification under Section 8.2(a) relating in any way to Liabilities from an Environmental Law, provided that a failure to give such notice or delaying such notice shall not affect Buyer's rights or Sellers' obligations except to the extent the Sellers' ability to remedy, contest, defend or settle with respect to such Action or Claim is thereby materially prejudiced; (b) Sellers shall have the sole right to undertake the defense or opposition to such Claim or Action with counsel selected by it, provided that Sellers shall keep Buyer reasonably informed as to the status of the foregoing and the anticipated nature and timing of any environmental work; and (c) Buyer shall not interfere with, impede or hinder in any way, and shall have no control regarding, Sellers' management and settlement of any such Claim or Action or the subject matter of any such Claim or Action; provided that Sellers shall conduct the opposition to, or defense, management or settlement of, any such Action or Claim so as not to, and may not enter into any settlement or consent to any

order that would, materially interfere with or affect the operation of WJAR as WJAR is operated as of the Closing Date.

8.11 Environmental Provisions Regarding Cranston, Rhode Island.

(a) With respect to the Real Property located at 23 Kenney Drive, Cranston, RI 02920 (the "Cranston Real Property"), at the Closing (or the Group A Closing, if applicable) Sellers shall retain fee simple title to the land and shall convey title to the improvements, installations and fixtures as otherwise provided in this Agreement. To the extent required by the Rhode Island Department of Environmental Management (or such other Governmental Authority if such other authority is the lead agency with respect to the Cranston Real Property, but hereafter collectively called "RIDEM") or CEP, Sellers shall conduct remediation of the soil and groundwater to address issues identified in the 2006 Cranston Phase II report and any other issues subsequently identified or discovered in connection with the remediation (the "Cranston Environmental Issues"). Upon receipt of a written notice from RIDEM that no further action is required in connection with the Cranston Environmental Issues (the "Cranston Notice"), Sellers shall transfer for the consideration of \$1.00 (one dollar) fee simple title to the land, to Buyer, pursuant and subject to the terms of this Agreement.

(b) Buyer shall cooperate, and shall refrain from in any way interfering, with any investigation, remediation or monitoring or work performed by Sellers in connection with the Cranston Environmental Issues, or any oversight of such work by RIDEM, including providing access to RIDEM and, upon reasonable notice, providing access to Sellers to the land, improvements, installations, equipment or facilities as may be necessary or convenient in connection with the investigation, remediation or monitoring work. Such access shall include access to drill wells, take soil and groundwater samples, and install and operate any remediation or monitoring equipment on or from any location in or on the Cranston Real Property, including on or from inside any improvement or facility. Sellers shall conduct any investigation, remediation or monitoring work so as not to materially interfere with or affect the operation of WJAR as WJAR is operated as of the Closing Date. Sellers shall keep Buyer reasonably informed as to the anticipated nature of Sellers' environmental work. In connection with the Cranston Environmental Issues, Buyer shall not object to, and shall cooperate with the implementation of, any risk based remedy, or engineering or institutional control, at Sellers' sole cost, so long as such remedy or control does not materially interfere with or affect the operation of WJAR as WJAR is operated as of the Closing Date. For the avoidance of doubt, all Damages arising in connection with the Cranston Environmental Issues, including any work performed by or on behalf of the Sellers, shall be the sole responsibility of the Sellers and Buyer shall be indemnified therefor under this Agreement, subject to the limitations set forth in this Agreement. At Sellers' sole cost, Buyer shall use commercially reasonable efforts to enforce its rights as the landlord pursuant to the third party leases with subtenants of the Cranston Real Property to the extent necessary to ensure such access, it being understood that Buyer can only enforce such rights as it has under the applicable leases and that Buyer shall not be liable to Sellers for any acts or omissions of subtenants that affect Sellers' access, except to the extent arising from breaches of this Agreement or the WJAR Lease Agreement or breaches by Buyer under the third party leases.

(c) On the Closing Date, Outlet (as landlord) and Buyer (as tenant) shall execute a ground lease agreement with respect to the land included in the Cranston Real Property (the “WJAR Lease Agreement”) in substantially the form of Schedule 8.11(c). The WJAR Lease Agreement shall include provisions consistent with the following provisions:

(i) The tenant shall pay annual base rent of \$1.00 (one dollar), exclusive of operating expenses or other charges customarily billed to tenants.

(ii) Upon receipt of the Cranston Notice, the landlord shall sell, and the tenant shall purchase, the land, for the consideration of \$1.00 (one dollar). At Sellers’ option, the tenant may be required to upkeep post-sale any ongoing remediation maintenance or measures, at Sellers’ sole cost, or alternatively to provide Sellers a site access agreement to do so, so long as such maintenance or measures do not materially interfere with or affect the operation of WJAR as WJAR is operated as of the Closing Date.

(iii) The tenant may assign the lease (and all of the tenant’s associated rights including its indemnity rights hereunder) to a subsequent purchaser of Station WJAR without any additional consent of Sellers or NBCU or GE, provided that the subsequent purchaser agrees to be bound by the WJAR Lease Agreement for the period from and after such assignment and provided that the assigning party shall thereby be released under the lease with respect to the period from and after such assignment. Following such lease assignment, Sellers’ indemnification obligations shall continue for the benefit of Buyer and its assignee.

ARTICLE 9 TERMINATION AND REMEDIES

9.1 Termination. Subject to Section 9.3, this Agreement may be terminated prior to the Closing as follows:

- (a) by mutual written consent of Buyer and Sellers;
- (b) by written notice of Buyer to Sellers if Sellers breach their representations or warranties or default in the performance of their covenants contained in this Agreement and any closing condition in Article 7 would not be satisfied as a result of such breach or default and such breach or default is not cured within the Cure Period;
- (c) by written notice of Sellers to Buyer if Buyer breaches its representations or warranties or defaults in the performance of its covenants contained in this Agreement and any closing condition in Article 6 would not be satisfied as a result of such breach or default and such breach or default is not cured within the Cure Period; provided, however, that the Cure Period shall not apply to Buyer’s obligations to pay the Closing Payment at the Closing if all other conditions to the Closing have been satisfied;
- (d) by written notice of Sellers to Buyer or Buyer to Sellers if (i) any Governmental Consent shall not have been granted and all appeals of such determination

shall have been taken and are unsuccessful or (ii) any court of competent jurisdiction in the United States shall have issued an order, judgment or decree (other than a temporary restraining order) restraining, enjoining or otherwise prohibiting the transactions contemplated hereby and such order, judgment or decree shall have become final and nonappealable; provided that the right to terminate this Agreement under this Section 9.1(d) shall not be available unless the party seeking to so terminate this Agreement has used all commercially reasonable efforts and complied with its obligations under Section 5.11 of this Agreement to obtain such Governmental Consent and to oppose any such order, judgment or decree or to have such order, judgment or decree vacated or made inapplicable to the transactions contemplated by this Agreement; or

(e) by written notice of Sellers to Buyer or Buyer to Sellers if the Closing does not occur within ten (10) months following the date hereof (the “Upset Date”) (as extended to take into account any applicable Cure Period, but no longer than five (5) business days); provided that either Sellers or Buyer may elect to extend the Upset Date by up to two (2) months if the Group A Closing occurs and the WVTM Closing has not occurred as of the Upset Date by reason of the FCC Consent with respect to the WVTM Partial Application not having been granted; provided that the right to terminate this Agreement under this Section 9.1(e) shall not be available to a party if the failure of the Closing to have occurred was primarily due to the failure of such party to perform any of its obligations under this Agreement.

9.2 Cure Period. Each party shall give the other party prompt written notice upon learning of any breach or default by the other party under this Agreement or any other event that would lead to a condition to the Closing not being satisfied. The term “Cure Period” as used herein means a period commencing on the date Buyer or Sellers receive from the other written notice of breach or default hereunder and continuing until the earlier of (a) twenty (20) calendar days thereafter and (b) five (5) business days after the scheduled Closing Date; provided, however, that if the breach or default is non-monetary and cannot reasonably be cured within such 20 calendar day period but can be cured before the date five (5) business days after the scheduled Closing Date, and if diligent efforts to cure promptly commence, then the Cure Period shall continue as long as such diligent efforts to cure continue, but not beyond the date five (5) business days after the scheduled Closing Date.

9.3 Survival. Neither party may terminate under Section 9.1(b), Section 9.1(c) or Section 9.1(e) if it is then in material default under this Agreement. The termination of this Agreement shall not relieve any party of any liability for breach or default under this Agreement prior to the date of termination or preclude either party from pursuing all legal and equitable remedies for breach of contract or otherwise. Notwithstanding anything contained herein to the contrary, Section 5.3 (Confidentiality) and Section 10.1 (Expenses) shall survive any termination of this Agreement.

9.4 Specific Performance. Sellers and Buyer acknowledge and agree that each of them would be irreparably damaged if the provisions of this Agreement are not performed in accordance with their specific terms and that any breach of this Agreement could not be adequately compensated in all cases by monetary damages alone. In the event of failure or threatened failure by either party to comply with the terms of this Agreement, the other party shall be entitled to an injunction restraining such failure or threatened failure and, subject to

obtaining any necessary FCC consent, to enforcement of this Agreement by a decree of specific performance requiring compliance with this Agreement, without posting any bond or other undertaking.

ARTICLE 10 MISCELLANEOUS

10.1 Expenses. Except as otherwise provided in this Section 10.1 or in the TMA, each party shall be solely responsible for all costs and expenses incurred by it in connection with the negotiation, preparation and performance of and compliance with the terms of this Agreement. All governmental fees and charges applicable to any requests for Governmental Consents shall be shared equally by Buyer, on the one hand, and Sellers, on the other hand. All governmental fees and charges applicable to the consummation of the transactions contemplated by this Agreement shall be shared equally by Buyer, on the one hand, and Sellers, on the other hand; provided that all sales, use, transfer, documentary and purchase taxes and fees, filing fees, and recordation fees shall be allocated as set forth in the TMA. Each party is responsible for any commission, brokerage fee, advisory fee or other similar payment that arises as a result of any agreement or action of it or any party acting on its behalf in connection with this Agreement or the transactions contemplated hereby.

10.2 Further Assurances. After the Closing, each party shall from time to time, at the request of and without further cost or expense to the other, execute and deliver such other instruments of conveyance and assumption and take such other actions as may reasonably be requested in order to more effectively consummate the transactions contemplated hereby.

10.3 Assignment. No party may assign this Agreement without the prior written consent of the other parties hereto. Notwithstanding the foregoing: Buyer may, without the consent of Sellers or NBCU: (i) assign all or a portion of Buyer's rights and obligations under this Agreement to any direct or indirect wholly-owned Subsidiary of Buyer; (ii) collaterally assign its indemnification rights under this Agreement to its lenders; (iii) assign to any subsequent purchaser of the Companies (whether by merger or sale of stock) its indemnification rights under Section 8.2(a)(ix) and its rights under Section 10.14 as they relate to such rights; (iv) assign to any subsequent purchaser of WJAR, its business operations, properties and assets (whether by merger, sale of stock, sale of assets or otherwise) its indemnification rights with respect to environmental matters under this Agreement, the WJAR Lease Agreement and its rights under Section 10.14 as they relate to such rights; and (v) assign all or a portion of Buyer's rights under this Agreement to a qualified intermediary (a "Qualified Intermediary") (as defined in Treasury regulation section 1.1031(k)-1(g)(4)) so long as such assignment would not materially delay or hinder the consummation of the Closing; provided that in the event of any assignment described in clauses (i)-(v), Buyer shall remain liable for all of its obligations hereunder. If Buyer elects to assign any of its rights under this Agreement to a Qualified Intermediary, Sellers will cooperate with Buyer as may be reasonably necessary in connection with such assignment in order to qualify the acquisition of the Purchased Assets as part of a like-kind exchange within the meaning of Section 1031 of the Code, which cooperation shall include, without limitation, the acceptance and written acknowledgment by Sellers of notice of the assignment of Buyer's rights under this Agreement, so long as (i) such cooperation is at Buyer's expense, (ii) Sellers are not required to hold title to any property involved in the like-kind exchange, (iii) Buyer shall indemnify Sellers for any damages attributable to Sellers'

cooperation, and (iv) such cooperation would not have any adverse effect on Sellers (including adverse tax consequences). Following any such assignment under this Section 10.3, Sellers' indemnification obligations hereunder shall continue for the benefit of Buyer and its assignee. The terms of this Agreement shall bind and inure to the benefit of the parties' respective successors and any permitted assigns, and no assignment shall relieve any party of any obligation or liability under this Agreement.

10.4 Notices. 10.5 Amendments. No amendment or waiver of compliance with any provision hereof or consent pursuant to this Agreement shall be effective unless evidenced by an instrument in writing signed by the party against whom enforcement of such amendment, waiver or consent is sought.

10.6 Entire Agreement. This Agreement (including the Schedules and Exhibits hereto), the TMA and the Employee Matters exhibit constitute the entire agreement and understanding among the parties hereto with respect to the subject matter hereof, and supersedes all prior agreements and understandings with respect to the subject matter hereof, except the NDA, which shall remain in full force and effect. No party makes any representation or warranty with respect to the transactions contemplated by this Agreement except as expressly set forth in this Agreement and in any certificate contemplated to be delivered under Section 6.1(c) or Section 7.1(c). Without limiting the generality of the foregoing, Sellers make no representation or warranty to Buyer with respect to any projections, budgets or other estimates of the Companies' or the Stations' revenues, expenses or results of operations, or except as expressly set forth in Article 3 any other financial or other information made available to Buyer with respect to the Companies and the Stations, including without limitation the Confidential Information Memorandum dated January 2006.

10.7 Severability. If any court or Governmental Authority holds any provision in this Agreement invalid, illegal or unenforceable under any applicable law, then, so long as no party is deprived of the benefits of this Agreement in any material respect, this Agreement shall be construed with the invalid, illegal or unenforceable provision deleted and the validity, legality and enforceability of the remaining provisions contained herein shall not be affected or impaired thereby. Upon a determination that a party would be so deprived, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner so that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible

10.8 No Beneficiaries. Nothing in this Agreement expressed or implied is intended or shall be construed to give any rights to any Person or entity other than the parties hereto and their successors and permitted assigns.

10.9 Dispute Resolution.

(a) Except with respect to any request for equitable relief (including interim relief) by Sellers or Buyer on or prior to the Closing Date or with respect to Sellers' and Buyer's rights under Section 9.4, any dispute, controversy or claim arising out of or relating to the transactions contemplated by this Agreement and any Ancillary

Agreement, or the validity, interpretation, breach or termination of any such agreement, including claims seeking redress or asserting rights under any law (a “Dispute”), shall be resolved in accordance with the procedures set forth in this Section 10.9 and Section 10.10. Until completion of such procedures, no party may take any action to force a resolution of a Dispute by any judicial or similar process, except to the limited extent necessary to (i) avoid expiration of a claim that might eventually be permitted by this Agreement or (ii) obtain interim relief, including injunctive relief, to preserve the status quo or prevent irreparable harm.

(b) Any party seeking resolution of a Dispute shall first submit the Dispute for resolution by mediation to JAMS. Mediation will continue for at least 60 days unless the mediator chooses to withdraw sooner. The foregoing provisions of this Section 10.9(b) may be enforced by a court of competent jurisdiction, and the party seeking enforcement shall be entitled to an award of all costs, fees and expenses to be paid by the party against whom enforcement is ordered.

(c) All communications among the parties or their representatives in connection with the attempted resolution of any Dispute shall be deemed to have been delivered in furtherance of a Dispute settlement and shall be exempt from discovery and production and shall not be admissible in evidence (whether as an admission or otherwise) in any proceeding for the resolution of the Dispute.

(d) Notwithstanding anything to the contrary contained in this Agreement, this Section 10.9 shall not apply with respect to Taxes.

10.10 Governing Law; Submission to Jurisdiction; Waivers. This Agreement and each Ancillary Agreement shall be governed by, and construed in accordance with, the laws of the State of New York without giving effect to the conflict of laws principles of such state other than Section 5-1401 of the General Obligations Law of the State of New York. Sellers and Buyer agree that if any Dispute is not resolved by mediation undertaken pursuant to Section 10.9, such Dispute shall be resolved exclusively in the United States District Court for the Southern District of New York and the appellate courts having jurisdiction of appeals in such courts. In that context, and without limiting the generality of the foregoing, each of Sellers and Buyer by this Agreement irrevocably and unconditionally:

(a) submits for itself and its property in any Action relating to this Agreement and the Ancillary Agreements, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the United States District Court for the Southern District of New York, and appellate courts having jurisdiction of appeals from such federal Court, and agrees that all claims in respect of any such Action shall be heard and determined to the extent permitted by law, in such federal court;

(b) consents that any such Action may and shall be brought in such court and waives any objection that it may now or hereafter have to the venue or jurisdiction of any such Action in any such court or that such Action was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) waives all right to trial by jury in any Action (whether based on contract, tort or otherwise) arising out of or relating to this Agreement or any of the Ancillary Agreements, or its performance under or the enforcement of this Agreement or the Ancillary Agreements;

(d) agrees that service of process in any such Action may be effected by mailing a copy of such process by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such party at its address as provided in Section 10.4; and

(e) agrees that nothing in this Agreement or any Ancillary Agreement shall affect the right to effect service of process in any other manner permitted by the laws of the State of New York.

10.11 Neutral Construction. Buyer and Sellers agree that this Agreement was negotiated at arm's length and that the final terms hereof are the product of the parties' negotiations. This Agreement shall be deemed to have been jointly and equally drafted by Buyer and Sellers, and the provisions hereof should not be construed against a party on the grounds that the party drafted or was more responsible for drafting the provision. Where the context or construction requires, all words applied in the plural shall be deemed to have been used in the singular, and vice versa; the masculine shall include the feminine and neuter, and vice versa; and the present tense shall include the past and future tense, and vice versa. The Article, Section and paragraph headings of this Agreement are for convenience of reference only and do not form a part of this Agreement and do not in any way modify, interpret or construe the intentions of the parties. As used herein, unless the context otherwise requires: references to "Article" or "Section" are to an article or section hereof; "include," "includes" and "including" are deemed to be followed by "without limitation" whether or not they are in fact followed by such words or words of like import; "hereof," "herein," "hereunder" and comparable terms refer to the entirety of this Agreement and not to any particular article, section or other subdivision hereof or attachment hereto; except where a particular date is specified, references to an agreement or other instrument or law, statute or regulation are referred to as amended and supplemented from time to time (and, in the case of a statute or regulation, to any successor provision) and all regulations, rulings and interpretations promulgated pursuant thereto. References to any party hereto or any other agreement or document shall include such party's successors and permitted assigns.

10.12 Cooperation. After the Closing, Buyer shall cooperate with Sellers in the investigation, defense or prosecution of any action which is pending or threatened against Sellers or its Affiliates with respect to the Companies or the Stations, whether or not any party has notified the other of a claim for indemnity with respect to such matter. Without limiting the generality of the foregoing, but provided that such requests shall not unreasonably interfere with the business or operations of Buyer or any of its Affiliates Buyer shall make available its employees to give depositions or testimony and shall furnish all documentary or other evidence that Sellers may reasonably request. Sellers shall reimburse Buyer for all reasonable and necessary out-of-pocket expenses incurred in connection with the performance of its obligations under this Section 10.12.

10.13 Counterparts. This Agreement may be executed in separate counterparts, each of which will be deemed an original and all of which together will constitute one and the same agreement.

10.14 Parent Undertaking and Guaranty.

(a) NBCU, for the benefit of Buyer, in consideration of the promises, covenants and agreements of Buyer under this Agreement, hereby (i) agrees to cause the Sellers, collectively, and each Seller, individually, to take all actions as are necessary for each of them to perform its obligations under this Agreement and the Ancillary Agreements and (ii) unconditionally guarantees the full and prompt payment by Sellers of any and all payments required to be made by Sellers to Buyer in connection with this Agreement, including pursuant to Article 8 of this Agreement, pursuant to the Employee Matters exhibit and pursuant to the TMA. This guarantee is an absolute and continuing guarantee. NBCU waives any and all defenses and discharges it may have or otherwise be entitled to as a guarantor or surety hereunder and further waives presentment for payment or performance, notice of nonpayment or nonperformance, demand and protest. NBCU expressly agrees that Buyer may proceed directly against NBCU under this Section 10.14 concurrently with proceeding against the Sellers and is not required to exhaust remedies against Sellers before proceeding against NBCU.

(b) NBCU represents and warrants to Buyer that it has the requisite power and authority to execute and deliver this Agreement, to perform its obligations hereunder, and to consummate the transactions contemplated hereby. The execution and delivery by NBCU of this Agreement, the performance by NBCU of its obligations hereunder, and the consummation by NBCU of the transactions contemplated hereby, have been duly authorized and approved by all necessary action of NBCU and do not require any further authorization or consent. This Agreement has been duly executed and delivered by NBCU and, assuming the due authorization, execution and delivery of this Agreement by Sellers and Buyer, this Agreement constitutes a legal, valid and binding agreement of NBCU, enforceable against NBCU in accordance with its terms, except in each case as such enforceability may be limited by bankruptcy, moratorium, insolvency, reorganization or other similar laws affecting or limiting the enforcement of creditors' rights generally and except as such enforceability is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

(c) NBCU hereby consents to the assignment or transfer of control to Buyer of the Station Contracts included in the Assets that are in the name of NBCU or another Affiliate of Sellers.

(d) It is understood and agreed that for purposes of giving effect to this Section 10.14, all other relevant provisions of this Agreement and the Ancillary Agreements shall also be given effect (including Article 1 and the other provisions of Article 10 of this Agreement).
