Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Ausmus:

This letter concerns the request you filed on June 28, 2018, on behalf of Desert Broadcasting, Inc. (DBI), for extension of Special Temporary Authority (STA) to permit FM Low Power Radio Station KBWR to remain silent.

Commission records reflect that DBI stated that Station KBWR-LP went silent on May 25, 2018, for technical reasons. The previous STA was granted on June 22, 2018, and expired on December 19, 2018. DBI requests extension of its STA for continuing technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

DBI's request is granted. Accordingly, Special Temporary Authority is granted to permit Station KBWR-LP to remain silent until May 25, 2019. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station KBWR-LP will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., May 26, 2019.**¹

DBI is required to notify the Commission when broadcast operations resume. If DBI does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. We note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.³

Sincerely,

Lisa Scanlan
Deputy Chief, Audio Division
Media Bureau
