Surveyor's Certification

To whom it may concern:

On April 15, 2010, Lake Roeder Hillard & Associates performed a field survey at 1060 Edwards Road, Brecknock Township, Lancaster County, Pennsylvania for Four Rivers Community Broadcasting Corporation, Station WYTL, Wyomissing, PA. The survey was performed to align the WYTL FM Antenna, being Propagation Systems Inc. Model PSIFML.1B-DA.

This letter certifies that the orientation of the antenna is 287 degrees from True North.
