Dear Licensee:

This is with respect to the letter dated March 12, 2013, from the Video Division to the above-named Licensee, regarding WFWC-CA's apparent failure to comply with the Station's online public file requirements. We can confirm that the Station is now in compliance with the online public file requirements addressed in our March 12 letter. As a result, the inquiry is now closed. Thank you again for your attention to this matter, and please contact Peter Saharko by email at peter.saharko@fcc.gov or by telephone at 202-418-1856 should you have additional questions.

Sincerely,

Hossein Hashemzadeh, Deputy Chief
