BURLINGTON, MASS 01803

11 MAR 1981

Mr. Howard M. Ginsberg
Chief Engineer
Radio Station WCVR
State Highway 66 and Fish Hill Road
Randolph, Vermont 05060

Dear Mr. Ginsberg:

We have conducted an aeronautical study based on your request to eliminate the lighting requirements on Radio Station WCVR antenna.

Your request to eliminate lighting is hereby approved.

The Federal Communications Commission will be notified of our determination. A copy of this letter.

Sincerely,

William F. Miner
Airspace Specialist
