

# **DECLARATION CONCERNING INSTALLATION OF KRDO-FM – DIRECTIONAL ANTENNA SYSTEM**

I, Victor A. Michael, Jr., a Technical Consultant for KRDO-FM Security, Colorado, Facility ID 50402, having personally observed the assembly, installation and orientation of the new directional antenna system, do hereby certify that all of the instructions of the manufacturer, Propagation Systems, Inc, were completely followed. The antenna was also installed according the parameters as specified in Construction Permit BPH-20050824ADL, as modified by BMPH-20070604ACS.

I am familiar with Federal Communication Commission rules and the standards of good engineering practice, and certify that the installation is in compliance with such rules and regulations. I am the holder of FCC General Radiotelephone Operator License, PG-3-13278.

During installation and during subsequent operation of the FM facilities, I certify the no one was exposed to excess levels of RF energy. The tower has restricted access and appropriate warning signs are posted.

All the facts contained herein are true of my own knowledge except where stated to be on information or belief, and as to those facts, I believe them to be true.
