In re: Withers Family Texas Holdings, LP
KSIX(AM), Corpus Christi, TX
Facility Identification No: 13964
BMP-20060612AAO

Dear Mr. Withers:

This letter is in reference to the above-captioned minor change application filed by Withers Family Texas Holdings, LP (Withers) to modify the construction permit BP-20050613AEP by specifying a new site, co-locating with KEYS, decreasing power, and increasing tower height, and our September 20, 2006 letter requesting an amendment within thirty days.

A preliminary review of the application reveals Withers filed an October 17, 2006 request for an additional sixty days to amend, yet our records indicate an amendment was not filed and the proposed overall tower height of 86.3 meters has not been registered (tower registration number 1053363 still shows 84.7 meters). Correction of registration may be done online at <http://wireless.fcc.gov/antenna/>.

Further action on the subject application will be withheld for a period of thirty days from the date of this letter to provide an opportunity to file a curative electronic amendment. Failure to amend or respond within this time period will result in the dismissal of the application pursuant to 47 C.F.R. § 73.3568(a).

Sincerely,

Son Nguyen
