In re: Low Power Television Application of:
Maranatha Church of Laredo Incorporated
Channel 17, Laredo, TX
File number: BNPDTL-20090825CBO
Facility Id No.: 182825

Dear Applicant:

This refers to your above-captioned application for a construction permit authorization in the low power television service.

Because your proposed transmitter site is in close proximity to the Mexican border, coordination with the Government of Mexico was mandatory as prescribed by the Mexican USA Television Agreement. As a result of this coordination, the Mexican Department of Communications has informed the Commission that it would object to the grant of your proposed facility, because it would cause interference to channel 17(analog), Nueva Rosita, Coah., and channel 17(DTV), Nuevo Laredo, Tamps.

You are required to electronically amend your application to resolve these specified problems within **(30)** days of the date of this letter. If not so amended electronically, your application will be **CONSIDERED INCOMPLETE AND SUBSEQUENTLY DISMISSED.**

Sincerely

Hossein Hashemzadeh
Deputy Chief
