Re: Waiver of Interference  
Displacement Application of KNAV-LP  
Facility Id No. 47898

Dear Ms. Dortch:

Mako Communications LLC is the Licensee of Low Power Television Station K61CV (facility Id. No. 52928). K61CV has modification application BPTTL-20030318AHK pending before the Commission. Navarro College, the Licensee of KNAV-LP, Corsicana, Texas, has filed a displacement application for their facility. This displacement application is predicted to cause interference to the facility proposed in K61CV's pending application.

Mako Communications, LLC hereby agrees to accept any predicted or actual interference that may be caused by KNAV-LP's proposed displacement application to the facility proposed by Mako Communications in its pending application bearing file No. BPTTL-20030318AHK.

Sincerely,
