May 27, 2008

To Whom It May Concern:

This is to certify that Johnny J. Williams, a North Carolina Professional Land Surveyor, PLS, L-3170 visited the WJKA radio tower NAD 83 latitude and longitude of 34 38 52.8 / 77 37 27.2 located at 2096 Haws Run Road, Jacksonville, NC, and verified that the antenna was oriented to an azimuth of 131 degrees from a True Meridian as determined by grid observations and application of corrected angle.

Sincerely,

Johnny J. Williams, P.L.S.
