Multicultural Radio Broadcasting Licensee, LLC  
Special Temporary Authorization

Dear Counsel:

This is in reference to the request filed April 8, 2008, on behalf of Multicultural Radio Broadcasting Licensee, LLC ("MRB"). MRB requests, *inter alia*, Special Temporary Authority ("STA") to permit continued operation of both Expanded Band AM Station WWRU and commonly owned, associated lower band AM Station WJDM, beyond the fifth anniversary of the initial licensing of Station WWRU.<sup>1</sup> In support of the request, MRB states that the public interest would be served by allowing continued operation of both stations.

In order to provide for continued service to the public, we will grant STA for continued operation of Station WWRU beyond the expiration of the five-year term.<sup>2</sup>

Accordingly, the request for STA IS HEREBY GRANTED. Station WWRU may continue to operate with its currently licensed facilities, notwithstanding Special Operating Condition #3 of License BL-20030206ADU. We extend the Section 73.3555 Note 10 authority for joint ownership to permit continued operation of Stations WJDM and WWRU.

This authority expires on **October 24, 2008**.

Sincerely,

Peter H. Doyle, Chief  
Audio Division
