

**Exhibit E-9**

With regard to technical parameters, the facility has been constructed in accordance with the terms of the construction permit. One minor change has taken place, however. The original construction permit specified KCVW(FM) at Kingman, Kansas as the primary station. The primary station has, however, been changed to KKCV(FM) at Rozel, Kansas. Information pertaining to this change of the primary station is contained in exhibit E-10.
