

Compliance with Local Radio Ownership Rule

As shown on the attached contour analysis map, there will be at least eight (8) radio stations in the local radio market that includes the proposed Channel 281C1 facility for KZZD(FM), Fallon, Nevada (FIN 165338):

KHWG(AM), Fallon, Nevada (FIN 135862);

KVLV(AM), Fallon, Nevada (FIN 36243);

KRNG(FM), Fallon, Nevada (FIN 60327);

KVLV-FM, Fallon, Nevada (FIN 36244);

KLRH(FM), Sparks, Nevada (FIN 124888);

KZZD(FM), Channel 281C1, Fallon, Nevada (FIN 165338) ("Fallon CP");

KEHD(FM), Fernley, Nevada (FIN 166018); and

KZHD(FM), Lovelock, Nevada (FIN 164200).

Shamrock Communications, Inc. ("Shamrock") is the permittee of the Fallon CP. Shamrock is also the licensee of KEHD(FM) and KZHD(FM). While there are many other radio stations that can be included in the local radio market that includes the proposed Channel 281C1 facility for the Fallon CP, it is clear that Shamrock will comply with the FCC's local radio ownership rule since Shamrock will only have cognizable interests in only three (3) FM stations in this local radio market. 47 C.F.R. 73.3555(a)(1).
