

## **EXHIBIT 15**

Calvary Chapel of Twin Falls, Inc.

August 2003

**Clarkston/Asotin, WA**

New-T

Calvary Chapel of Twin Falls, Inc. ("CCTF") is operating Licensed FM Translator K207DO, Lewiston, ID BLFT-20010703ABH in Lewiston, at present rebroadcasting KAWZ, Twin Falls, via satellite. K207DO will eventually have to cease operations when BNPED-19991004AAJ, Clarkston, WA, Facility ID 106475 is granted and begins operations on channel 207. This full power application, Licensee CSN International and the rebroadcast station with whom CCTF is specifying in this New-T application, was accepted for filing 2/13/2003 and can be granted at any time by the Commission as it was removed from an MX group and is not pursuant to a settlement agreement. BNPED-19991004AAJ, Clarkston, WA, Facility ID 106475 will have original local programming. CSN International and CCTF are affiliated, but different Licensees and this New-T application will operate with an off-air signal from BPED-19991004AAJ.

CCTF has applied for FM Translator (BNPFT- 20030724ACH, Facility ID 143013) New-T Clarkston, WA on channel 256 to serve the Clarkston, WA area and rebroadcast K207DO ( a rebroadcast of KAWZ, Twin Falls) until such a time that BNPED-19991004AAJ, Clarkston, WA is granted and constructed, at which time it can continue operations by rebroadcasting BNPFT- 20030722ACX, New-T, Potlatch, ID – a rebroadcast of Primary Station KAWZ, Twin Falls.

CCTF has applied for FM Translator (BNPFT- 20030724ACP, Facility ID 143019) New-T Clarkston, WA on channel 228 which was amended to serve the Lewiston, ID area and will rebroadcast K217DR, Grangeville a satellite rebroadcast of KEFX, Twin Falls and not the same signal as KAWZ, Twin Falls.

CCTF has applied for three New-T FM Translator applications during this file window and is presently operating K207DO, which will eventually need to cease operations when NEW FM BNPED-19991004AAJ is granted and constructed. CCTF has demonstrated that all three New-T FM Translator applications, it is applying for in this file window, will serve somewhat the same areas but will not rebroadcast the same signal. Because this application is being submitted, CCTF will submit this exhibit for the other 2 applications, now Accepted for Filing, to show that this New-T application is also being filed.
