NOW, THEREFORE, in consideration of the mutual covenants contained herein, Sellers and Buyers hereby agree as follows:

**ARTICLE 1**  
**ASSETS TO BE CONVEYED**

**1.1 Transfer of Assets** Subject to the terms and conditions set forth in this Agreement, (1) License Company hereby agrees to sell, assign, transfer, convey and deliver to Holding on the Closing Date, and Holding agrees to purchase, the FCC Licenses and the call letters, filings, and records relating to the FCC Licenses; and (2) Operating Company hereby agrees to sell, assign, transfer, convey and deliver to BIC on the Closing Date, and BIC agrees to purchase all assets (other than those described in (1) above) now or hereafter used or held for use (or ordered but not yet delivered) by Operating Company in connection with the operation of the Stations, and any websites related thereto, including the assets identified in paragraphs (a) through (h) below, together with any modifications thereto (pursuant to paragraphs (a), (b), and (c) below) between the date of this Agreement and the Closing Date, free and clear of all Liens, except as otherwise provided in this Agreement, but excluding the assets described in Section 1.2 (collectively, the "Assets").

(a) All licenses, permits, construction permits, and other authorizations issued by the FCC, the Federal Aviation Administration (the "FAA"), or any other federal, state or local governmental authority, currently in effect and used in the conduct of the business or operations of each of the Stations, together with renewals or modifications thereof and any additions thereto between the date hereof and the Closing Date, including the licenses, permits and authorizations issued to Marathon as listed on Schedule 1.1(a) attached hereto (the licenses, permits and authorizations issued by the FCC relating to the Stations are referred to as the "FCC Licenses," and the other licenses, permits and other authorizations issued by any other governmental authority relating to the Stations are collectively referred to herein as the "Non-FCC Licenses");

(b) All towers, transmitters, antennas, equipment, spare parts, furniture, fixtures, computer hardware, supplies, programming libraries, inventories, materials and supplies (including promotional, sales, marketing and format specific programming materials and supplies) and other tangible personal property located at the Stations' transmitters or studio sites and used in the operation of the Stations (and any and all warranty rights relating thereto), including the tangible personal property identified on Schedule 1.1(b), together with such modifications, replacements, improvements and additional items made or acquired collectively between the date hereof and the Closing Date in accordance with the terms and provisions of this Agreement (the "Personal Property");

Any contracts not identified as Assumed Contracts shall not be assumed hereunder unless Operating Company and BIC mutually agree to their assignment and assumption on or after the Closing, with BIC acknowledging that it will, as a general rule, consider in good faith the assumption of those contracts that are similar in nature to those expressly identified for assumption hereunder, are related to the normal operations of the Stations, and of which true and correct copies have been provided to Buyers;

## **ARTICLE 2**

### **PURCHASE PRICE**

**2.1 Purchase Price.** The purchase price for the Assets shall be Five Million Dollars (\$5,000,000) (the "Purchase Price").

**2.2 Payment of Purchase Price.** At the Closing, Buyers shall pay Sellers the Purchase Price, subject to the prorations set forth in Section 2.5. Such payment shall be by wire transfer of immediately available funds to an account at a bank or other financial institution pursuant to wire transfer instructions that Sellers shall deliver to Buyers at least five (5) days prior to the Closing Date.

**2.3 Allocation.** The Purchase Price shall be allocated for income tax purposes in a manner as mutually agreed between the Parties based upon an appraisal prepared by Bond & Pecaro, or such other appraiser mutually agreed to by the Parties. Such agreed allocations shall be used by the Parties in preparing all relevant tax returns, information reports and other tax documents and forms. The fees of the appraiser shall be split evenly between the Parties.

### **2.4 Prorations.**

(a) **Income and Expense Prorations.** All income and expenses arising from the conduct of the business and operations of the Stations shall be prorated between Buyers and Sellers as of 12:01 a.m. local time on the Closing Date in accordance with GAAP. Such prorations shall be based upon the principle that Sellers shall be entitled to all income earned and Sellers shall be responsible for all liabilities and obligations accruing in connection with each of the Stations' operations until the Closing Date, and Buyers shall be entitled to such income earned and be responsible for such liabilities and obligations accruing in connection with such operations thereafter. Such prorations shall include all ad valorem and other property taxes (but excluding taxes arising by reason of the transfer of the Assets as contemplated hereby, which shall be paid as set forth in Section 13.1 of this Agreement), deposits, utility expenses, liabilities and obligations under all Assumed Contracts, rents and similar prepaid and deferred items, and all other expenses attributable to the ownership and operations of the Stations; provided, however, that there shall be no adjustment for, and Sellers shall remain solely liable for, any contracts or agreements not included in the Assumed Contracts and any other obligation or liability not being assumed by Buyers in accordance with Section 1.3. All real estate taxes and personal property taxes shall be apportioned on the basis of the number of days that each Party occupied the Real Property or owned Personal Property during the relevant tax year. The aggregate net adjustment amount determined in accordance with this Section is referred to herein as the "Proration Amount."

2.4(a): (b) Specific Prorations. Without limiting the generality of the foregoing Section

(i) Sellers shall receive a credit for the unapplied portion, as of the Closing, of the security deposits made by Sellers or Marathon under the Assumed Contracts;

(ii) Buyers shall be given a credit equal to the amount of cash consideration that Sellers or Marathon have not paid prior to the Closing Date for programming acquired from third parties and run by the Stations prior to the Closing Date;

(iii) Any FCC annual regulatory fees relating to the Stations paid or payable by either Party shall be prorated, treating such payments as though they are paid in arrears;

(iv) If, in their sole discretion, Buyers elect to recognize each vacation day or portion thereof earned but not taken by Covered Employees before the Closing Date, Buyers shall receive a credit equal to the compensation equivalent thereof;

(v) Sales persons' commissions, chargebacks and allocated bonuses shall be prorated; and

(vi) There shall be no proration for sick leave.

(c) GAAP. To the extent not inconsistent with the express provisions of this Agreement, the allocations made pursuant to this Section 2.4 shall be made in accordance with GAAP.

(d) Proration Notice. Within ninety (90) days after the Closing Date, Buyers shall deliver to Sellers in writing and in reasonable detail a good faith determination of the Proration Amount determined as of the Closing Date (the "Proration Notice"). Sellers shall assist Buyers in making such determination, and Buyers shall provide Sellers and their representatives with reasonable access to the properties, books and records relating to the Stations for the purpose of determining the applicable Proration Amount. Sellers shall have the right to review the computations and workpapers used in connection with Buyers' preparation of the Proration Amount. If Sellers disagree with the Proration Amount determined by Buyers, Sellers shall so notify Buyers in writing (the "Proration Dispute Notice") within thirty (30) days after the date of receipt of Buyers' Proration Notice, specifying in detail any point of disagreement. After the receipt of any Proration Dispute Notice, Buyers and Sellers shall negotiate in good faith to resolve any disagreements regarding the applicable Proration Amount, including, if necessary, through informed discussions between their Presidents and/or CEOs as provided in Section 13.9(a). If agreement is reached within thirty (30) days after Buyers' receipt of the Proration Dispute Notice, then upon reaching such agreement, Sellers shall pay to Buyers or Buyers shall pay to Sellers, as the case may be, the Proration Amount in the manner provided in Section

2.4(e) below. If agreement is not reached within such 30-day period with respect to a disputed Proration Amount, then the dispute resolutions of Section 2.4(f) shall apply.

(e) Payment of Proration Amount. Each payment of the Proration Amount required under Section 2.4 shall be paid by wire transfer in immediately available funds to the account of the payee at a financial institution in the United States within five (5) business days of its final determination. Any payment not received by the Party entitled thereto within this period shall bear interest from such date until paid in full at a rate per annum equal to the prime rate in effect at the end of such period (as published in the Money Rates column of *The Wall Street Journal*) plus four percent (4%).

(f) Proration Dispute Resolution. If Sellers and Buyers do not, within the 30-day period specified in Section 2.4(d), reach an agreement on the Proration Amount, then the dispute will be resolved by an accounting firm mutually acceptable to both Parties or, in the absence of agreement, by a "big-four" accounting firm selected by lot after eliminating the principal outside accountants of Sellers and Buyers and their respective Affiliates. The written determination of any accounting firm so selected, and the Proration Amount (with such modifications therein, if any, as reflect such determination), shall be conclusive and binding upon the Parties. The fees and expenses of such accounting firm in acting under this Section shall be borne equally by Sellers and Buyers.

### **ARTICLE 3**

#### **CLOSING**

**3.1 Closing.** Subject to (i) the provisions of Section 11.1 and (ii) the satisfaction or, to the extent permissible by law, waiver (by the Party for whose benefit the closing condition is imposed) of the closing conditions set forth in Sections 8.1 and 8.2 hereof, the closing of the sale and purchase of the Assets (the "Closing") shall take place in the offices of BIC immediately following (and in no event more than ten (10) minutes after) the closing of Sellers' purchase of the Stations pursuant to the Marathon Agreements.

### **ARTICLE 4**

#### **REPRESENTATIONS AND WARRANTIES OF SELLER**

Each Seller, as to such Seller and the Assets, represents and warrants to Buyers that, subject to the specific terms herein and to the disclosures in the schedules referenced in this Article 4 (the "Schedule of Exceptions"), the following representations and warranties are true and correct as of the date of this Agreement and will be true and correct as of the Closing Date:

**4.1 Organization and Standing.** Each Seller is a Utah limited liability company duly formed, validly existing and in good standing under the laws of the State of Utah, is qualified to do business in all jurisdictions where failure to do so would have a material adverse effect on the business of Seller, and has all necessary power and authority to own, operate and lease the Assets and carry on the business of the Stations.

**4.2 Authorization and Binding Obligation.** Each Seller has all necessary power and authority to enter into and perform its obligations under this Agreement and the documents contemplated hereby and to consummate the transactions contemplated hereby and thereby. The execution and delivery of this Agreement and the documents contemplated hereby by each Seller and the consummation by each Seller of the transactions contemplated hereby and thereby have been duly authorized by all necessary action on the part of each Seller. This Agreement has been duly executed and delivered by each Seller and is enforceable in accordance with its terms, except as may be limited by applicable bankruptcy, insolvency or similar laws affecting creditors' rights generally or the availability of equitable remedies.

**4.3 Absence of Conflicting Agreements or Required Consents.** The execution, delivery and performance of this Agreement and the documents contemplated hereby (with or without the giving of notice, the lapse of time, or both) by each Seller: (a) do not and will not violate any provisions of the organizational documents of each Seller; (b) do not and will not conflict with, result in a material breach of, constitute a material default under, or violate any applicable law, judgment, order, ordinance, injunction, decree, rule, regulation or ruling of any court or governmental authority; (c) do not and will not, either alone or with the giving of notice or the passage of time, or both, conflict with, constitute grounds for termination of, result in a material breach of, constitute a material default under, or accelerate or permit the acceleration of any performance required by the terms of, any material agreement, lease, instrument, license or permit to which each Seller is a party or by which each Seller is bound; and (d) will not create any claim, liability, mortgage, Lien, pledge, condition, charge, or encumbrance upon any of the Assets.

**4.4 Litigation.** Except as disclosed on Schedule 4.4, there are no claims, actions, counterclaims, suits, litigation, labor disputes, arbitrations, or other legal, administrative or tax proceedings or investigations, nor any orders, decrees or judgments, pending, or, to the Knowledge of Sellers, threatened, against or relating to Sellers (or basis thereof known to Sellers) with respect to the ownership of the respective operations of the Stations or otherwise relating to the Assets or the business or operations of each of the Stations.

**4.5 Station and Other Licenses.** Schedule 1.1(a) contains a true and complete list of the FCC Licenses and the Non-FCC Licenses necessary for and used in connection with the operation of the Stations, and there are no other licenses, permits or other authorizations required for the lawful operation of the Stations in the manner now operated. License Company has made available to Buyers true and complete copies of the FCC Licenses (including any amendments and other modifications thereto). Marathon is the authorized legal holder of the FCC Licenses of the Stations. The FCC Licenses are in good standing and in full force and effect. To the Knowledge of Sellers, the Stations and the facilities of the Stations are being operated in all respects in accordance with their respective FCC Licenses and all FCC rules and policies, and will, as of the Closing Date, be operated in accordance with the FCC Licenses and all FCC rules and policies.

(a) Except as set forth in Schedule 4.5(b) and except for proceedings affecting the radio broadcasting industry generally, there are no applications, petitions, complaints,

investigations, notices of violations (NOVs), notice of apparent liabilities (NALs), forfeitures, proceedings or other actions pending or, to the Knowledge of Sellers, threatened from or before the FCC relating to the Stations or the FCC Licenses, nor, to the Knowledge of Sellers, is there any reasonable basis for such a complaint, investigation, NOV, NAL or other action. Should any such filing be made or action initiated, or if Sellers become aware of any reasonable basis for such a filing or action, Sellers shall promptly notify Buyers thereof. The Stations' transmission towers and equipment have been and are operated and maintained by Marathon in compliance with the Communications Act of 1934, as amended (the "Communications Act") and the rules and regulations of the FCC and the FAA, and the towers have been and are properly registered with the FCC and approved by the FAA as necessary.

(b) Marathon is qualified to hold the FCC Licenses of the Stations.

(c) In addition to the FCC Licenses, Marathon possesses (and License Company will possess at the Closing) and will transfer to BIC (to the extent transferable) all Non-FCC Licenses. The Non-FCC Licenses include all required governmental or official approvals, permits or authorizations, the failure to possess which would have a material adverse effect on the business, financial condition or results of operations of the Stations. Such Non-FCC Licenses are in full force and effect, Marathon (to the Knowledge of Sellers) is in compliance (and License Company will be in compliance at the Closing) with the respective requirements thereof, and no proceeding is pending or threatened to revoke or amend any of them. Schedule 1.1(a) contains a complete list of the Stations' Non-FCC Licenses.

#### **4.6 Title to and Condition of Real and Personal Property.**

(a) The Assets constitute all of the assets and rights associated with, and necessary to operate and conduct, the Stations as operated and conducted by Marathon currently and by Sellers on the Closing Date. All risk of loss to the Assets shall remain with Operating Agreement until the Closing. Except as disclosed on Schedule 4.6(a), on the Closing Date, Operating Agreement will have and will deliver to BIC good and marketable title to the Personal Property free and clear of all Liens. Except as disclosed on Schedule 4.6(a), Operating Agreement will have at Closing a valid leasehold interest in and to the Real Property which is indicated on Schedule 1.1(h), in each case free and clear of all Liens.

(b) The Personal Property to be acquired hereunder by BIC is (i) in a good state of operating condition and repair, ordinary and reasonable wear and tear excepted; (ii) maintained in accordance with a regular preventative maintenance program consistent with industry standards; (iii) adequate for the normal operation of the Stations; and (iv) in material compliance with the published rules and regulations of the FCC and all other applicable federal, state and local statutes, ordinances, rules and regulations.

(c) Both the Personal Property and the Real Property are available for immediate use in the operation of the Stations. Except as disclosed on Schedule 4.6(c), neither Sellers nor, to Sellers' Knowledge, Marathon has received written notice of any violation of law, municipal or county ordinances or other legal requirements with respect to the Real Property or with

respect to the use, occupancy or construction thereof. Except as disclosed in Schedule 4.6(c), neither Sellers nor, to Sellers' Knowledge, Marathon has received any written notice of any pending or threatened termination or impairment of access to the Real Property or discontinuation of necessary sewer, water, electrical, gas, telephone or other utilities or services.

(d) Neither Sellers nor, to Sellers' Knowledge, Marathon has received any written notice (i) that either the whole or any portion of the Real Property is to be condemned, requisitioned or otherwise taken by any public authority, (ii) of violation of restrictive covenants, deed restrictions or governmental requirements on the Real Property which have not been remedied, (iii) of any violation of any zoning or similar land use law or restriction, or of any proceedings which would cause the change, redefinition or other modification of the zoning classification, or (iv) of any proceedings to widen or realign any street or highway adjacent to the Real Property.

**4.7 Contracts; Marathon Agreements.** To the Knowledge of Sellers, the Contracts and the Marathon Agreements are in full force and effect and are legally valid, binding and enforceable by Marathon or Sellers, as the case may be, in accordance with their terms, except as limited by laws affecting creditor's rights or equitable principles generally. To the Knowledge of Sellers, neither Sellers, Marathon nor the other party thereto is in any material respect in default under the Contracts or the Marathon Agreements. Neither Sellers, Marathon, nor the other parties to the Contracts have waived any performance thereof that is not explicit in the amended language of the contract itself. The Marathon Agreements reflect the current agreement between Operating Agreement and Marathon and no amendments or other modifications have been made by such parties that have not been disclosed in writing to Buyers. Operating Agreement has provided Buyers with copies of all of the Marathon Agreements and any amendments, modifications or additional agreements relating thereto.

**4.8 Compliance with Laws.** Sellers and, to the Knowledge of Sellers, Marathon have complied in all material respects with, and are not in any material respect in violation of, any federal, state or local laws, statutes, rules, regulations or orders relating to the ownership and operation of the Stations.

**4.9 Material Consents.** Except for the FCC Consent provided in Section 6.1, the consent required under the HSR Filing provided in Section 6.2, and the consents set forth on Schedule 4.9, no consent, approval, permit, or authorization of, or declaration to, or filing with any governmental or regulatory authority or any other third party is required (a) to consummate the transactions contemplated hereby, (b) to permit Sellers to assign or transfer the Assets to Buyers, or (c) to permit the assumption by Buyers of the Assumed Contracts.

**4.10 Taxes.** Sellers and, to Sellers' Knowledge, Marathon have (i) duly filed all federal, state, county and local tax returns and reports required to be filed by them, including payroll, property, withholding, social security, sales and use taxes, to the extent that such taxes relate to the Assets or the Stations, and such tax returns and reports are true, correct and complete in all material respects; (ii) either paid in full all such taxes that have become due as reflected on any return or report and any interest and penalties with respect thereto or fully

accrued on their books or has established adequate reserves for all taxes payable but not yet due; and (iii) made required cash deposits with appropriate governmental authorities representing estimated payments of taxes, including employee withholding tax obligations. No extension or waiver of any statute of limitations or time within which to file any return has been granted to or requested by Sellers or, to Sellers' Knowledge, by Marathon with respect to any such tax. No unsatisfied deficiency, delinquency or default for any such tax, assessment or governmental charge has been assessed (or, to the Knowledge of any Sellers, claimed or proposed) against Sellers or, to Sellers' Knowledge, against Marathon, nor has Sellers or, to Sellers' Knowledge, Marathon received notice of any such deficiency, delinquency or default.

**4.11 Reports.** All reports and statements that License Company or, to Sellers' Knowledge, Marathon are required to file with the FCC in respect of the Stations have been filed, and, to Sellers' Knowledge, all reporting requirements of the FCC have been complied with in all respects.

**4.12 Trademarks and Similar Rights.** To the Knowledge of Sellers, the use of the Intellectual Property in connection with the conduct or operation of the Stations has not infringed and is not infringing upon the rights of any third party in or to such Intellectual Property or the asserted proprietary rights of others, and no notices have been received by Sellers (or, to Sellers' Knowledge, Marathon) that the use of the Intellectual Property in connection with the conduct or operation of the Stations infringes upon the patent, trademark or copyright rights of a third party in the United States in or to the Intellectual Property or the proprietary rights of others, except as disclosed on Schedule 4.12. Sellers make no representation as to whether or not the Intellectual Property disclosed on Schedule 1.1(e) is in current use by the Stations. Except for the limited warranty regarding infringement set forth in this paragraph, Sellers makes no representations or warranties as to any right, claim or interest of Sellers or Marathon as against any third party in or to the Intellectual Property. Without limiting the generality of the foregoing limitation of warranties, Sellers makes no representations or warranties as to the strength, validity, enforceability, or registrability of any Intellectual Property.

**4.13 Financial Statements of the Stations.** Sellers have previously delivered to Buyers the unaudited balance sheets and income statements for each of the Stations as of and for the year ended December 31, 2001, and the unaudited balance sheets and income statements of each of the Stations as of and for the nine (9) months ended September 30, 2002 (the "Financial Statements"). The Financial Statements fairly present the financial position of the Stations as of the respective dates of the balance sheets included and the results of their operations for the respective periods indicated.

**4.14 Absence of Changes in Sellers' Business Operations.** With reference to the Assets and the operations of the Stations by Sellers and Marathon, including Operating Company's rights relating to the Stations pursuant to the Time Brokerage Agreement, from September 30, 2002 to the date hereof and except as disclosed on Schedule 4.14, there has not been any (subject to Sellers' Knowledge as to Marathon):

(b) Material adverse change in the financial condition, liabilities, assets, business or prospects of any of the Stations;

(c) Destruction, damage, or loss of any Asset (insured or uninsured) that materially and adversely affects the financial condition, business, or prospects of any of the Stations;

(d) Material change in accounting methods, practices or conventions (including any change in depreciation or amortization policies or rates) by Sellers or Marathon with respect to the operation of the Stations;

(e) Sale or transfer of any material Asset, except in the ordinary course of business;

(f) Amendment, termination or modification of any contract, agreement, or License related to the operation of the Stations except in the ordinary course of business;

(h) Labor troubles or claim of wrongful discharge or other unlawful labor practice or action.

**4.15 Personnel.** Schedule 4.15 sets forth a current list of employees of Sellers, Marathon and their respective Affiliates whose duties are related primarily to the business and operations of the Stations, including their hire dates, salary, current standing, and any accrued vacation, sick leave and severance benefits. Sellers have provided Buyers with copies of all employment or other personal service or compensation agreements that they have with such personnel. Neither Sellers nor Marathon is a party to or subject to any collective bargaining agreements with respect to the operations of the Stations. To the Knowledge of Sellers, there is no representation or organizing effort pending or threatened against or involving or affecting it, as the case may be, with respect to employees employed by Sellers or Marathon. There is no pending or, to the Knowledge of Sellers, threatened labor dispute, strike, or work stoppage affecting Sellers or Marathon.

**4.16 Employee Benefits.**

(a) Compliance with Employee Benefit Plans. Each Employee Benefit Plan that Sellers maintain, to which Sellers contribute or have any obligation to contribute, or with respect to which Sellers have any existing or potential liability or exposure (and each related trust, insurance contract, or fund), including, to Sellers' Knowledge, those of Marathon for which Sellers may have liability or exposure, has been maintained, funded and administered in

accordance with the terms of such Employee Benefit Plan and complies in form and in operation in all material respects with the applicable requirements of ERISA, the Code and other applicable laws, including COBRA.

(b) Plan Liability. Neither Sellers nor any ERISA Affiliate (nor, to Sellers' Knowledge, Marathon or any ERISA Affiliate of Marathon) has incurred, or will at Closing incur, any liability on account of a "partial withdrawal" or a "complete withdrawal" (within the meaning of ERISA §§4205 and 4203, respectively) from any Multiemployer Plan, no such Liability has been asserted, and there are no events or circumstances which could result in any such partial or complete withdrawal; and neither Sellers nor any ERISA Affiliate (nor, to Sellers' Knowledge, Marathon) is bound by any contract or agreement or has any obligation or liability described in ERISA §4204. No event has occurred in connection with any Employee Benefits Plan which has resulted, or will or may result, in any fine, penalty, assessment or other liability for which Sellers, any ERISA Affiliate or a transferee of the assets of Sellers (or, to Sellers' Knowledge, Marathon) may be responsible, whether by reason of operation of law or by contract.

**4.17 Environmental Matters.** In respect of the Real Property:

(a) Neither Sellers nor, to Sellers' Knowledge, Marathon has received any written notice, or has Knowledge of any notices received by any current or prior owners of the Real Property, from any governmental authority that Sellers or Marathon (or the current or prior owners) are in violation or alleged violation of any judgment, decree, order, law, license, rule or regulation pertaining to environmental matters, including those arising under the Resource Conservation and Recovery Act, the Comprehensive Environmental Response, Compensation and Liability Act of 1980 as amended ("CERCLA"), the Superfund Amendments and Reauthorization Act of 1986, the Federal Water Pollution Control Act, the Solid Waste Disposal Act, as amended, the Federal Clean Air Act, the Toxic Substances Control Act, or any state or local statute, regulation, ordinance, order or decree relating to the environment (hereinafter "Environmental Laws");

(b) Neither Sellers nor, to Sellers' Knowledge, Marathon has received written notice, or has Knowledge of any notices received by current or prior owners of the Real Property, from any third party, including any federal, state or local governmental authority, that any hazardous waste, as defined by 42 U.S.C. §6903(5), any hazardous substance, as defined by 42 U.S.C. §9601(33), or any toxic substance, oil or hazardous material, asbestos containing material or other hazardous chemical or hazardous substance regulated by any Environmental Laws ("Hazardous Substances") which Sellers or Marathon (or current or prior owner) has generated, transported or disposed of has been found at any site at which a federal, state or local agency or other third party has conducted or has ordered that Sellers or Marathon (or any current or prior owner) conduct a remedial investigation, removal or other response action pursuant to any Environmental Law;

(c) No portion of any of the Real Property has been used by Sellers or, to Sellers' Knowledge, Marathon for the handling, manufacturing, processing, storage or disposal of

Hazardous Substances in material violation of applicable Environmental Laws, and Sellers have no Knowledge of any such use of any portion of the Real Property by current or prior owners; and

(d) To the Knowledge of Sellers, there have been no releases (i.e., any past or present releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, disposing or dumping) or threatened releases of Hazardous Substances on, upon, into or from any of the Real Property in material violation of applicable Environmental Laws.

**4.18 Broker's Fees.** As of the date of this Agreement through the Closing Date, other than a payment owed by Sellers to Star Media Group, neither Sellers nor any person or entity acting on Sellers' behalf has agreed to pay a commission, finder's fee or similar payment in connection with this Agreement or any matter related hereto to any person or entity, and no person or entity is entitled to any such payment from Sellers in connection with the transactions contemplated by this Agreement. Sellers shall indemnify and hold harmless Buyers for any payment due to Star Media Group or any other broker pursuant to the transaction contemplated by this Agreement.

**4.19 Affiliate Relationships.** Except as disclosed on Schedule 4.19, no Affiliates of Sellers or, to Sellers' Knowledge, of Marathon have been involved in any business arrangement or relationship with Sellers or Marathon, respectively, relating to the Stations within the past twelve (12) months, and no Affiliates of Sellers or, to Sellers' Knowledge, of Marathon own any asset, tangible or intangible, which is used in the business of any of the Stations.

**4.20 Disclosure.** No representation or warranty in this Article 4, and no statement contained elsewhere in this Agreement or in any schedule, exhibit, certificate or other document or agreement furnished or to be furnished to Buyers pursuant hereto, contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact or any fact necessary to make the statements contained herein or therein not misleading.

## **ARTICLE 5** **REPRESENTATIONS AND WARRANTIES OF BUYERS**

Each Buyer, each as to itself, represents and warrants severally (but not jointly) to Sellers that the following representations and warranties are true and correct as of the date of this Agreement and will be true and correct as of the Closing Date:

**5.1 Organization and Standing.** Buyer is a corporation duly formed, validly existing and in good standing under the laws of the State of Utah. As of the Closing Date, Buyer or its assignees will be qualified to do business in all jurisdictions where the failure to so qualify would have a material adverse effect on its business.

**5.2 Authorization and Binding Obligation.** Buyer has all necessary power and authority to enter into and perform its obligations under this Agreement and to consummate the transactions contemplated hereby. This Agreement and all other documents required hereby have been duly executed and delivered by Buyer and constitute valid and binding obligations

enforceable against Buyer in accordance with their terms, except as may be limited by applicable bankruptcy, insolvency or similar laws affecting creditors' rights generally or the availability of equitable remedies.

**5.3 Absence of Conflicting Agreements or Required Consents.** Except for the FCC Consent, the FCC Consent required in the Salt Lake Purchase Agreement, the FCC Consent required in the Western Purchase Agreement, the consent required under the HSR Filing, and the consents disclosed by Sellers on Schedule 4.9, the execution, delivery and performance of this Agreement by Buyer: (a) does not and will not violate any provision of such Buyer's organizational documents; (b) does not and will not require the consent of any third party or governmental authority; (c) does not and will not violate any law, judgment, order, injunction, decree, rule, regulation or ruling of any governmental authority; and (d) does not and will not, either alone or with the giving of notice or the passage of time or both, conflict with, constitute grounds for termination or acceleration of, or result in a breach of the terms, conditions or provisions of, or constitute a default under, any agreement, lease, instrument, license or permit to which such Buyer is now subject.

**5.4 Absence of Litigation.** There is no claim, litigation, arbitration or proceeding pending or, to the Knowledge of Buyer, threatened, before or by any court, governmental authority or arbitrator relating to Buyer, that seeks to enjoin or prohibit, or that might materially hinder or impair such Buyer's performance of its obligations under this Agreement.

**5.5 FCC Qualifications.** Holding is qualified under the Communications Act of 1934, as amended, and the rules and regulations of the FCC to be an assignee and licensee of radio station licenses authorized by the FCC.

**5.6 Financial Qualifications.** Buyer is financially qualified to consummate the transactions contemplated by this Agreement and Holding is financially qualified to certify to its financial qualifications on FCC Form 314.

**5.7 Sellers' Representations and Warranties.** Buyer has not relied on or been induced to enter into this Agreement by any statement, representation or warranty other than those expressly set forth in Article 4 of this Agreement.

**5.8 Broker's Fees.** Neither Buyer nor any person or entity acting on its behalf has agreed to pay a commission, finder's fee or similar payment in connection with this Agreement or any matter related hereto to any person or entity, and no person or entity is entitled to any such payment from such Buyer in connection with the transactions contemplated by this Agreement.

## **ARTICLE 6** **GOVERNMENTAL CONSENTS**

### **6.1 FCC Application.**

(a) The assignments of the FCC Licenses as contemplated by this Agreement are subject to the prior consent and approval of the FCC. Prior to the Closing, neither Holding nor

BIC shall directly or indirectly control, supervise, direct, or attempt to control, supervise, or direct, the operations of the applicable Stations, and all such operations, including complete control and supervision of all of the applicable Stations' programs, employees, and policies, shall be the sole responsibility of Sellers and Marathon until the Closing.

(b) No later than forty-five (45) days after the date of this Agreement, Buyers and Sellers, with the cooperation of Marathon, which cooperation Sellers shall obtain, shall prepare and jointly file an amendment to the current application with the FCC filed by Sellers and Marathon pursuant to the Marathon Agreements that seeks the assignment to Holding of the FCC Licenses (the "FCC Application"), and shall use reasonable efforts to cause the FCC to accept such amended FCC application as soon as practicable. Sellers and Buyers shall thereafter prosecute the amended FCC application in good faith and with all reasonable diligence and otherwise use their best efforts to obtain the FCC Consent as expeditiously as practicable; provided, however, that neither Sellers nor Buyers shall have any obligation to satisfy any complainant or the FCC by taking any steps which would have an adverse effect upon Sellers or Buyers or upon any Affiliate, but neither the expense nor inconvenience to a Party of defending against a complainant or an inquiry by the FCC shall be considered a material adverse effect on such Party. If any FCC Consent imposes any condition on any Party hereto, such Party shall use its reasonable best efforts to comply with such condition; provided, however, that no Party shall be required to comply with any condition that would have a material adverse effect upon it or any Affiliate. If rehearing, reconsideration or judicial review is sought by a third party or by the FCC on its own motion with respect to the FCC Consent, Buyers and Sellers shall vigorously oppose such efforts for rehearing, reconsideration or judicial review; provided, however, that nothing herein shall be construed to limit either Party's right to terminate this Agreement pursuant to Article 11 (Termination Rights).

(c) Each Party shall pay for its own FCC filing or grant fees with respect to the amendment of the current FCC application and the assignment of the FCC Licenses to Holding. Each Party shall bear its own costs and expenses (including the legal fees and disbursements of its counsel) in connection with the preparation of the portion of the amended FCC application to be prepared by it and in connection with the processing and defense of the amended application.

(d) The Parties represent in the application that, as a condition to the consummation of the transactions contemplated hereunder, the Closing shall be so ordered that (i) the assignment of the FCC Licenses from Marathon to License Company shall not be consummated, and License Company shall not acquire or accept control of the FCC Licenses from Marathon, until and unless the FCC Licenses are immediately assigned to Holding instantaneously, but in any event not more than ten (10) minutes following their assignment from Marathon to License Company, and (ii) in the event that the assignment of the FCC Licenses from License Company to Holding is not consummated within ten (10) minutes following assignment of the FCC Licenses from Marathon to License Company, control of the FCC Licenses shall remain with Marathon. The Parties agree that the imposition by the FCC of such a condition upon the FCC Consent shall not be deemed a condition with a material adverse effect upon either Party within the meaning of Section 6.1(c) hereof and compliance with such condition shall be a condition to the obligations of each Party to the consummation of this

Agreement. Upon request of the FCC, each Party shall use its reasonable efforts to furnish to the FCC any additional information requested to provide assurance to the FCC that the assignment of the FCC Licenses from Marathon to License Company and from License Company to Holding constitutes a pass-through transaction occurring essentially instantaneously in compliance with the policy of the FCC permitting an essentially instantaneous pass-through of a broadcast license from an assignor to an assignee through a third-party intermediary pursuant to a single assignment application.

**6.2 Hart-Scott-Rodino Filing, Other Filings and Governmental Consents.** Promptly following the submission of an application for the assignment of the FCC Licenses with the FCC, the Parties shall prepare and file with the appropriate governmental authorities any other requests for approval or waiver that are required from such governmental authorities in connection with the transactions contemplated hereby, including a filing ("HSR Filing") under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (the "HSR Act"), and shall diligently and expeditiously prosecute, and shall cooperate fully with each other in the prosecution of, such requests for approval or waiver and all proceedings necessary to secure such approvals and waivers. Each Party shall bear its own costs and expenses in connection with the preparation of any filings, documents or requests to be prepared by it in order to obtain such governmental consents, approvals or waivers and in connection with any prosecution or defense by it of such filings, documents or requests, provided, however, that Buyers and Sellers agree to share equally the cost of the filing fee for the HSR Filing.

## **ARTICLE 7** **COVENANTS**

### **7.1 Conduct of Business.**

(a) Affirmative Covenants. Between the date of this Agreement and the Closing Date, except as expressly prohibited by this Agreement or with the prior written consent of Buyers, which consent shall not be unreasonably withheld, Sellers shall (and shall cause Marathon to):

(i) Cause the Stations to be operated and the business thereof to be conducted in the ordinary course of business and in substantially the same manner in which the Stations are being operated and their business conducted on the date hereof and consistently with those practices, policies, customs and usages which were in effect from time to time prior to the date hereof and which remain in effect as of the date hereof. Without limiting the generality of the foregoing, Sellers shall: (1) incur promotional expenses substantially consistent with past history and current practices, (2) make capital expenditures prior to the Closing Date that are necessary to repair and replace assets, including technical equipment, that are damaged (beyond reasonable wear and tear) or destroyed, (3) use commercially reasonable efforts to preserve the Stations' present business operations, inventory levels, organization and goodwill and their relationships with their audiences, customers, employees, advertisers, suppliers and other

contractors (including independent contractors providing on-air or production services) and to maintain formats and programming consistent with past practice, and (4) continue the Stations' usual and customary policies with respect to extending credit, writing sales orders and the collection of accounts receivable, and the maintenance of facilities and equipment;

(ii) Promptly notify Buyers in writing if Sellers have Knowledge prior to the Closing of, and exercise its best efforts to remedy (or cause Marathon to remedy): (1) any representations or warranties contained in Article 4 hereof or in the Marathon Agreements that are no longer true and correct, (2) the occurrence of any event that would require any changes or amendments to the schedules and exhibits attached to this Agreement or the Marathon Agreements, (3) the occurrence of any other event that violates any covenants, conditions or agreements to be complied with or satisfied by Sellers under this Agreement or the Marathon Agreements, or (4) the occurrence of any material adverse changes in the business, operations or prospects of the Stations, including any event or condition that, with notice or lapse of time, would constitute an event of material default or breach under any Assumed Contract;

(iii) Use best efforts to promptly propose to Buyers supplements or amendments to the Schedule of Exceptions with respect to any matter arising after the date of this Agreement that would have been required to be set forth or described in the Schedule of Exceptions or which is necessary to correct any information in the Schedule of Exceptions or in any representation or warranty; provided, that if Buyers fail to object within ten (10) days after Buyers' receipt of such proposed modification, Buyers shall be deemed to have waived their right to object to such proposed modification. If Buyers make a timely objection pursuant to this paragraph, any such proposed modification will not be permitted, except as thereafter agreed to by the Parties after good faith discussion, including informed discussions between their Presidents and/or CEOs as provided in Section 13.9(a). If the Parties continue to disagree on any such proposed modification, then the modification will not be permitted and Buyers may, in their discretion and subject to Sections 8.1 and 8.2, proceed to Closing and seek indemnification pursuant to Article 10 hereof. As a condition to Buyers' acceptance of any proposed modification to the Schedule of Exceptions, Buyers may require that the resolution of the issue raised by such modification be added as a condition to the Closing under this Agreement;

(iv) Furnish to Buyers the following financial statements for each Station:

(A) As soon as practicable, and in any event within thirty (30) days after the end of each fiscal year of the Stations, an unaudited Balance Sheet as of the end of such fiscal year and an unaudited Income Statement,

setting forth in each case in comparative form the figures from the Stations' previous fiscal year, all prepared in accordance with GAAP;

(B) As soon as practicable, and in any event within thirty (30) days after the end of each fiscal quarter of the Stations, quarterly unaudited financial statements of the Stations, including an unaudited Balance Sheet and an unaudited Income Statement;

(C) As soon as practicable, and in any case within fifteen (15) days after the end of each calendar month (except the last month of the Station's fiscal year), monthly unaudited financial statements for the Stations, including an unaudited Balance Sheet and an unaudited Income Statement; and

(D) As soon as practicable, and in any event no later than thirty (30) days after the close of each fiscal year of the Stations, an annual, operating plan and budget, prepared on a monthly basis, for the next immediate fiscal year, and any amendments thereto.

(v) Comply in all material respects with all laws applicable to the use of the Assets and operate and maintain the Stations and their operations in conformity with the FCC Licenses, the Communications Act, and the rules and regulations of the FCC;

(vi) Maintain the Assets in customary repair, maintenance and condition;

(vii) Use reasonable efforts to obtain the consent of any governmental authority and of any third party necessary for the assignment to BIC, without any material adverse change, of the Contracts;

(viii) Timely make or provide all payments, services or other consideration due for the Contracts so that all payments required to be made as of the Closing Date will have been paid, except for any amounts being contested by Sellers or Marathon in good faith;

(ix) Maintain in full force and effect the FCC Licenses and the Non-FCC Licenses relating to the Stations and the Assets and take any action necessary before the FCC, including the preparation and prosecution of applications for renewal of the FCC Licenses, if necessary, to preserve such licenses in full force and effect without material adverse change;

(x) Maintain reasonable insurance on the Assets;

(xi) To the extent Sellers or Marathon may do so without penalty, terminate, or send notice of termination of, such of the Contracts as BIC may request;

(xii) Use best efforts to complete all of Sellers' obligations under time sales and/or Barter Agreements prior to the Closing, and to take ownership and title and to transfer to BIC hereunder, free and clear of Liens, any and all of the Personal Property used by Sellers pursuant to Financing Leases; and

To the extent that Sellers are unable to fulfill the covenants set forth in this Article 7 on behalf of Marathon during the period prior to Closing, Sellers shall use best efforts to cause Marathon to fulfill the covenants in this Article 7.

(b) Negative Covenants. Between the date of this Agreement and the Closing Date, except as expressly permitted by this Agreement or with the prior written consent of Buyers, which consent shall not be unreasonably withheld, Sellers shall not (and shall not suffer or permit Marathon to):

(i) Terminate, modify or amend any Contract except as contemplated in Section 7.1(a)(xi) and except in the ordinary course of business consistent with past practice;

(ii) Create any Lien on any of the Assets;

(iii) Sell, assign, lease or otherwise transfer or dispose of any of the material Assets now owned or hereafter acquired, except for assets consumed or disposed of in the ordinary course of business and which are replaced by Sellers or Marathon in the ordinary course of business with assets of equivalent or better functionality and value;

(iv) Modify or amend any of the FCC Licenses without Buyers' prior written consent, which consent may be withheld in Buyers' sole and absolute discretion provided that the considerations in withholding the consent relate to the subject FCC License and the proposed modification thereto and consequences thereof;

(v) Enter into, amend, renew or extend any employment or talent contracts related to any relevant Station except on terms comparable to those of such Station now in existence and otherwise in the ordinary course of business consistent with past practices;

(vi) Increase in any manner the compensation (including severance pay or plans) or benefits of any employees, independent contractors, consultants or commission agents of any Station, except in the ordinary course of business consistent with past practice or as required by an employment or consulting

agreement or in connection with and commensurate with a change in responsibility;

(vii) Enter into any agreement relating to any Station (other than agreements that will be terminated prior to the Closing) with any Affiliate of Sellers or of Marathon; and

(viii) Except as required by law, voluntarily enter into or amend any collective bargaining agreement applicable to any employees of any Station or otherwise voluntarily recognize any union as the bargaining representative of any such employees; or enter into or amend any collective bargaining agreement applicable to any employees of any Station to provide that it shall be binding upon any "successor" employer of such employees.

**7.2 Access.** Between the date hereof and the Closing Date and during regular business hours (so long as it would not unreasonably interfere with the operations of Sellers or Marathon), Sellers will afford (and use reasonable efforts to cause Marathon to afford) Buyers, their counsel, accountants, environmental consultants, appraisers and other advisers and representatives to review and inspect the Stations and the Assets, to inspect and copy all Contracts, the Marathon Agreements, financial, business and employee records, environmental and engineering studies and reports, and any other documents and contracts relating to the business and operation of the Stations, and to have access to Sellers' and Marathon's employees and customers of the Stations. Without limiting the generality of the foregoing, if requested by Buyers, Sellers will provide Buyers (or will cause Marathon to provide Buyers) and their representatives (including an independent accounting firm selected by Buyers) sufficient access to the books and records of the Stations to conduct a full, GAAP-based audit of the Stations' operations and the Financial Statements, and will cause appropriate personnel of Sellers or Marathon to assist Buyers and their representatives, at no cost to Buyers, in any review and audit conducted by Buyers.

**7.3 No Inconsistent Action.** Between the date of this Agreement and the Closing, each Party shall use its reasonable best efforts to cause the fulfillment at the earliest practicable date of all of the conditions to the obligations of the other Party to consummate the sale and purchase and shall take no actions which are inconsistent with its obligations under this Agreement or the Marathon Agreements, or that would materially hinder or delay the consummation of the transactions contemplated by this Agreement or the Marathon Agreements. In particular, neither Party shall take any action (nor shall Sellers suffer or permit Marathon to take any action) that would jeopardize the FCC Licenses, result in its disqualification to hold the FCC Licenses, or in any way delay grant of the FCC Application or consummation of the transactions contemplated by this Agreement, and Buyers shall take no action which would impair their financial or other qualifications to consummate this transaction in accordance with its terms. Should either Party become aware of any such fact or circumstance, such Party shall promptly inform the other.

**7.4 Confidentiality.** Each Buyer and Sellers shall each keep confidential all information obtained by it with respect to the other Parties in connection with this Agreement, except where such information is known through other lawful sources or where its disclosure is required in

accordance with applicable law, including requirements of the FCC pursuant to the FCC Applications. If the transactions contemplated hereby are not consummated for any reason, Buyers and Sellers shall return to each other, without retaining a copy thereof in any medium whatsoever, any schedules, documents or other written information, including all financial information, obtained from the other in connection with this Agreement and the transactions contemplated hereby. Except as is required for the consummation of the transaction contemplated by this Agreement, including the filing of the FCC Application, during the period from the date hereof through the Closing Date, both Buyers and Sellers shall also keep confidential the fact that the Parties have entered into this Agreement and all other matters relating to this transaction. Notwithstanding the foregoing, Buyers shall be permitted to disclose the terms of this Agreement and information obtained by Buyers from Sellers to any proposed Assignee/Buyer who agrees in writing to be bound by the provisions of this Section 7.4.

**7.5 Further Assurances.** Sellers and Buyers shall cooperate and take such actions, and execute such other documents, at the Closing or subsequently, as may be reasonably requested by the other in order to carry out the provisions and purposes of this Agreement, including, for example, promptly advising each other of all communications relevant to the transactions contemplated by this Agreement received from the FCC after the date of this Agreement and furnishing each other with copies of all such written communications.

#### **7.6 Employees; COBRA; WARN**

(a) Employment. BIC may, but is not obligated to, employ any or all employees of Sellers or Marathon involved in the operations and management of the Stations in positions and on terms substantially similar to their present employment. To the extent BIC employs such employees of Sellers or Marathon within one (1) month following the Closing Date ("Covered Employees"), BIC shall pay to any Covered Employee that BIC terminates within one (1) year after the Closing Date severance in accordance with the policy of Sellers, a copy of which has been provided to Buyers for their review. Sellers agrees that it will not modify or amend such policy prior to the Closing. To the extent the employees are not offered employment with BIC and are terminated by Sellers, Sellers shall pay to any such employee severance in accordance with the applicable policy of Sellers.

(b) Employee Benefits Generally. BIC shall provide all Covered Employees the employee benefits currently provided to BIC's employees, as set forth in BIC's employee handbook, a copy of which has been provided Sellers for their review. BIC shall recognize each of the Covered Employee's service with Sellers for purposes of eligibility and vesting under all BIC Employee Benefit Plans (except BIC's long-term disability plan) at or after the Closing, but not for purposes of benefit accrual, except as BIC may otherwise determine in its discretion.

(c) Medical Benefits. As of the date of hire, BIC shall provide all Covered Employees (and their dependents) with medical benefit coverage under plan(s) maintained or established by BIC. To the extent permitted under BIC's medical benefit plans, BIC shall, with respect to Covered Employees of Sellers, cause such plan(s) to waive any pre-existing conditions, exclusions and waiting periods (except to the extent that such exclusions would have

been applied or waiting periods were not satisfied under Sellers' medical plan). BIC shall be responsible for satisfying its obligations under Section 601 *et seq.* of ERISA and Section 4980B of the Code to provide continuation coverage ("COBRA") to any Covered Employee in accordance with law. To the extent required by COBRA, Sellers shall provide COBRA coverage to any employees (and their dependents) of Sellers not employed by BIC on the Closing Date. Sellers shall also continue to offer the employee medical benefits coverage that they have historically provided their employees for a period of at least eighteen (18) months following the Closing so that they may fulfill their COBRA obligations to any employees terminated by Sellers on or about the Closing.

(d) WARN. Sellers agree to assume responsibility for providing all notices required by the U.S. Worker Adjustment and Retraining Notification Act of 1988, as amended (the "WARN Act"), or any similar state law or regulation, to assume liability for any alleged failure to give such notice, and to indemnify and hold harmless Buyers for any and all liabilities asserted under the WARN Act or similar state law or regulation because of a "plant closing" or "mass lay off" occurring on or prior to the Closing Date, including in connection with the consummation of the transactions contemplated herein.

**7.7 Cooperation Relative to Accounts Receivable.** Following the Closing Date, BIC shall (i) assist Sellers in the collection of the Accounts Receivable for a period of 120 days, and (ii) endorse (without recourse) and deliver to Sellers, on or before the 30<sup>th</sup>, 60<sup>th</sup>, 90<sup>th</sup>, and 120<sup>th</sup> days following the Closing Date (each, a "Turnover Date"), any checks or other instruments payable to Buyers that are received on the Accounts Receivables. In addition, BIC hereby agrees and acknowledges (a) that the Accounts Receivable are solely the property of Sellers, (b) that all payments received by BIC or BIC's lender on account of the Accounts Receivable shall be held in trust for the benefit of Sellers, (c) that payments received from customers of BIC that owe payments to BIC and also owe payments to Sellers shall be applied first and to the full extent to Accounts Receivable (unless otherwise specified by the payor), and (d) that all such payments shall be delivered to Sellers, together with any necessary endorsements (without recourse) thereon, on each Turnover Date. To the extent that Sellers have not received payment on any Accounts Receivable as of the 120<sup>th</sup> day following the Closing Date, BIC shall have no further obligation or right to collect the Accounts Receivable, unless otherwise agreed upon by Sellers and BIC, and BIC shall promptly return any and all documentation related to the Accounts Receivable to Sellers.

#### **7.8 Transition Efforts.**

(a) General Duty. Beginning at the Closing, Sellers shall use their reasonable best efforts to accomplish (and shall cause Marathon to accomplish) a timely, smooth, uninterrupted and organized transfer of the Assets, the operations of the Stations, and the customers and contractual relationships so as to avoid any lapse of operations.

(b) Abandonment of Real Property. Sellers agree to remove all of Sellers' and Marathon's operations, personnel and Excluded Assets from, and abandon to BIC's exclusive use and occupation, the Real Property on or before the Closing. Any damage or modification to

such real property resulting from the removal of Sellers' or Marathon's Excluded Assets or otherwise from Sellers' or Marathon's departure, including the removal of signage, shall be repaired at Sellers' sole expense (and the payment of such expenses shall not be subject to the limitations in Section 10.4 below).

(c) Transition Employees. Sellers agrees that it will use reasonable efforts to continue the employment for a minimum of sixty (60) days following the Closing of one or more employees of the Stations that BIC does not intend to hire as Covered Employees but from whom BIC desires to receive assistance; provided, however, that BIC shall reimburse Sellers for its incremental out-of-pocket costs associated with assistance provided to BIC by such persons during the transition period.

(d) Shared Assets. Schedule 7.8(d) is a list of Assets acquired by Buyers hereunder that Sellers represent are necessary for Sellers' continued operation of its retained radio stations and are not otherwise divisible (the "Shared Assets"). If, within forty-five (45) days from the date hereof, Sellers determine that certain additional items of the Personal Property listed in Schedule 1.1(b) are necessary for Sellers' continued operation of its retained radio stations, Sellers may propose to BIC that such items be added to Schedule 7.8(d) and BIC may, in its sole discretion, approve or disapprove of such addition. BIC agrees to cooperate in good faith with Sellers to provide Sellers transitional license, lease, or similar non-ownership rights to such Shared Assets pursuant to one or more transition service agreements. Such agreements shall have a term of no more than one (1) year (unless otherwise agreed to by the Parties and set forth in Schedule 7.8(d)) and provide for Sellers' payment to BIC of reasonable fair market value consideration. With respect to Contracts that are included on Schedule 7.8(d) as Shared Assets, BIC agrees to assist with the transfer of the underlying relationships to Sellers or the development of similar contractual relationships between such third parties and Sellers so that Sellers may continue, if they so desire, to enjoy the benefits of such Shared Assets.

## **7.9 Employee Solicitation.**

(a) Sellers' Employee Non-Solicitation and Grant of Rights to Buyers. Sellers covenant and agree with Buyers that neither Sellers nor its Affiliates will, without the prior written consent of BIC, directly or indirectly, during the period commencing on the date hereof and expiring on the first anniversary of the Closing Date, interfere with or attempt to interfere with any employees who may, as provided herein at BIC's option, become Covered Employees, or induce or attempt to induce such employees to leave the employ of BIC or any of its Affiliates, or violate the terms of their relationship with any of them. Sellers hereby grant to Buyers the specific first right (vis-a-vis Sellers, its Affiliates and any third party to whom it may sell radio stations) to negotiate exclusively with those employees who may become Covered Employees during the period commencing on the date hereof and expiring one (1) month after the Closing.

(b) Buyers' Employee Non-Solicitation. Each Buyer covenants and agrees with Sellers that neither it nor its Affiliates will, without the prior written consent of Sellers, directly or indirectly, during the period commencing on the date hereof and continuing until the first

anniversary of the Closing Date, induce or attempt to induce any such employee of Sellers to leave the employ of Sellers or any of their Affiliates, other than employees that Buyers consider for employment as Covered Employees, or violate the terms of their relationship with any of them.

**7.10 Exclusivity.** At any time prior to the termination of this Agreement, Sellers will not (and Sellers will not cause or permit any of its Affiliates to) (i) solicit, initiate, or encourage the submission of any proposal or offer from any Person relating to the acquisition of any capital stock or other voting securities of Sellers, or any substantial portion of the assets of any of the Stations (including any acquisition structured as a merger, consolidation, or share exchange); (ii) participate in any discussions or negotiations regarding, furnish any information with respect to, assist or participate in, or facilitate in any other manner any effort or attempt by any Person to do or seek any of the foregoing; or (iii) assign the Marathon Agreements to any other Person. Sellers will notify Buyers immediately if any Person makes any proposal, offer, inquiry, or contact with respect to any of the foregoing.

**7.11 Press Releases.** Sellers and Buyers agree that, from the date hereof through the Closing Date, or, in the event this Agreement is terminated, for a period of one year following termination, no public release or announcement concerning the transactions contemplated hereby shall be issued by either Party without the prior consent of the other Party, except as such release or announcement may be required by any law or the rules or regulations of the United States or any state therein, in which case the Party required to make the release or announcement shall allow the other Party reasonable time to comment on such release or announcement in advance of such issuance.

**7.12 FCC Authorizations.** From the date hereof until the Closing, Sellers shall cause Marathon to be the holder of all of the FCC Licenses relating to and necessary to the operation of the Stations, and shall not cause or suffer there to be any modification of any FCC License relating to the Stations that could have an adverse effect on the conduct of the business and operations of the Stations.

**7.13 Consents; Assignments of Agreements; Lease Extensions.** Sellers shall use commercially reasonable efforts (but Sellers shall not be required to make any payment except in connection with the FCC Consent, the HSR Filing, and the release of Liens by Sellers' senior lender) to obtain all necessary consents and approvals required under Section 4.9. If, with respect to any lease, commitment or agreement to be assigned to either of Buyers, a required consent to the assignment is not obtained, Sellers shall use commercially reasonable efforts to keep it in effect and give the applicable Buyer the benefit of it to the same extent as if it had been assigned, and the applicable Buyer shall perform Sellers' or Marathon's obligations under the agreement relating to the benefit obtained by such Buyer. With respect to the real estate leases assignable hereunder that terminate or are terminable by the lessors thereunder within one (1) year from the date of the Closing, Sellers and Buyers agree to work together, subject to Buyers' ultimate discretion, to contact such lessors prior to any public disclosure of this Agreement and the transaction contemplated herein and use commercially reasonable efforts to execute extensions of the leases in excess of such one-year period. Sellers also agrees to use its best

efforts, including express inquiries with business managers of the Stations, to identify for and provide copies to BIC of those Assumed Contracts to be assumed by BIC under clauses (ii) and (iii) of Section 1.1(c). Nothing in this Agreement shall be construed as an attempt to assign any agreement or other instrument that is by its terms non-assignable without the consent of the other party. This paragraph shall not diminish or replace the condition that Buyers receive the consents required under Section 8.1(d).

**7.14 Estoppel Certificates.** Sellers shall use commercially reasonable efforts to obtain estoppel certificates in favor of BIC with respect to each of the leases covering the Real Property related to the Stations, dated no more than twenty (20) days prior to the Closing Date, from the other party to such lease, in form and substance satisfactory to BIC (the "Estoppel Certificates"). This paragraph shall not diminish or replace the condition that Buyers receive the Estoppel Certificates required under Section 8.1(d).

**7.15 UCC and Fixture Search.** Sellers shall conduct a search for Lien and fixture filings (at the State and County in which the Personal Property is located and at the state of formation of Sellers and Marathon) pursuant to the Uniform Commercial Code for any Liens with regard to the Personal Property identified on Schedule 1.1(b) hereof and fixtures relating to the Stations (the "UCC Search"). Sellers shall obtain and deliver to Buyers the results of the UCC Search on such Personal Property, dated no more than twenty (20) days prior to the Closing Date. On or before the Closing Date, Sellers shall also provide Buyers reasonable evidence of the release of any Liens identified in the UCC Search (the "Lien Releases").

## **ARTICLE 8** **CONDITIONS PRECEDENT**

**8.1 To Buyers' Obligations Regarding Closing.** The obligations of Buyers hereunder to complete the Closing are, at their option, subject to satisfaction or waiver by Buyers (except for Sections 8.1(c) and (e) below, which may not be waived), at or prior to the Closing Date, of each of the following conditions:

**(a) Representations, Warranties and Covenants.**

(c) Marathon Acquisition; FCC Consent. Sellers shall have acquired the Stations in accordance with the terms of the Marathon Agreements. The FCC Consent relating to the purchase of the Stations shall have been obtained, without the imposition of any condition materially adverse to Buyers except those that are customary in the assignment of FCC licenses generally or the condition described in Section 6.1(d). Sellers and Marathon shall have complied, or with respect to the condition described in Section 6.1(d), shall stand ready to comply, with any conditions imposed on them by such FCC Consent, and such FCC Consent shall have become a Final Order.

(d) Other Consents, Estoppel Certificates, NDA's and Release of Liens. Consents for the assignment of those Contracts listed on Schedule 8.1(d), Non-Disturbance and Attornment Agreements for those real property leases listed on Schedule 8.1(d), and Estoppel Certificates for all real property leases relating to the Stations shall have been obtained, and the Liens identified as items (1) through (3) on Schedule 4.6(a) shall have been released.

(e) HSR Approval. All applicable waiting periods (and any extensions thereof) under the HSR Act shall have expired or otherwise been terminated.

(f) Deliveries. Sellers shall have made all deliveries required under Section 9.1.

(g) Closing of Related Transactions. Immediately prior to or concurrent with the Closing, (i) Buyers and Sellers' Affiliates shall have completed the FM Closing under that certain Asset Purchase Agreement, of even date herewith, between Buyers and Sellers' Affiliates, Simmons Media Group, LLC, Simmons SLC, LLC and Simmons SLC, LS, LLC (the "Salt Lake Purchase Agreement"); and (ii) Buyers and Sellers shall have completed the Closing under that certain Asset Purchase Agreement, of even date herewith, between Buyers and Sellers, relating to nine radio stations located in Southern Utah and Idaho (the "Western Purchase Agreement").

**8.2 To Sellers' Obligations.** The obligations of Sellers hereunder to complete the Closing are, at its option, subject to satisfaction or waiver by Sellers (except for Sections 8.2(b) and (c) below, which may not be waived), at or prior to the Closing Date, of each of the following conditions as they apply to the Closing:

(a) Representations, Warranties and Covenants.

(i) All representations and warranties made by Buyers in this Agreement applicable to the Closing shall be true and correct in all material respects (except as otherwise expressly permitted by this Agreement) on and as of the Closing Date as if made on and as of that date.

(ii) All of the terms, covenants and conditions to be complied with or performed by Buyers under this Agreement on or prior to the Closing Date shall have been complied with or performed by Buyers in all material respects.

(b) FCC Consent. The FCC Consent shall have been obtained, without the imposition of any condition materially adverse to Sellers except those that are customary in the assignment of FCC licenses generally. Holding and Marathon shall have complied with any conditions imposed on them by the FCC Consent.

(c) HSR Approval. All applicable waiting periods (and any extensions thereof) under the HSR Act shall have expired or otherwise been terminated.

(d) No Injunction. No order of any court or administrative agency shall be in effect which restrains or prohibits the transactions contemplated by this Agreement in accordance with its terms.

(e) Deliveries. Buyers shall have made all the deliveries required under Section 9.2 and shall have paid the applicable Purchase Price as provided in Section 2.2.

(f) Closing of Related Transactions. Immediately prior to or concurrent with the Closing, Buyers and Sellers' Affiliates shall have completed the FM Closing under the Salt Lake Purchase Agreement and Buyers and Sellers shall have completed the Closing under the Western Purchase Agreement.

## **ARTICLE 10**

### **INDEMNIFICATION, SURVIVAL**

**10.1 Sellers' Indemnities.** From and after the Closing, Sellers shall indemnify, defend, and hold harmless each of Buyers and its Affiliates, and their respective members, managers, partners, shareholders, directors, officers, employees, and representatives, and the

successors and assigns of any of them, and any person claiming by or through any of them, from and against, and reimburse them for, all claims, damages, liabilities, losses, costs and expenses, including interest, penalties, court costs and reasonable attorneys' fees and expenses, resulting from:

(a) The ownership or operation of the Stations and/or the Assets prior to the Closing, including any liabilities arising under the FCC Licenses or the Contracts which relate to events occurring prior to the Closing;

(b) Any liabilities of Sellers not assumed by Buyers under this Agreement, including any liabilities arising at any time under any contract or agreement not included in the Assumed Contracts;

(c) Any untrue representation, breach of warranty or non-fulfillment of any covenant by Sellers contained in this Agreement or in any certificate, document or instrument delivered by Sellers to Buyers under this Agreement; provided, however, that for purposes of determining the occurrence of a breach of any representation or warranty of Sellers in connection with any claim made for indemnification under this Section 10.1, as well as for determining the amount of any claims arising therefrom, the "Knowledge," "material," "material adverse effect" and "material adverse change" qualifiers shall be disregarded;

(d) Any failure of Sellers to comply with any "bulk sales" laws applicable to the transactions contemplated hereby; or

(e) Any actions, suits, proceedings, claims, demands, assessments, judgments, costs and expenses, including reasonable legal fees and expenses, incident to any of the foregoing or incurred in investigating or attempting to avoid the same or to oppose the imposition thereof, or in enforcing this indemnity.

**10.2 Buyers' Indemnities.** From and after the Closing, each Buyer shall indemnify, defend and hold harmless Sellers and its Affiliates, and their respective members, managers, partners, directors, officers, employees, and representatives, and the successors and assigns of any of them, and any person claiming by or through any of them, from and against, and reimburse them for, all claims, damages, liabilities, losses, costs and expenses, including interest, penalties, court costs and reasonable attorneys' fees and expenses, resulting from:

(a) Any untrue representation, breach of warranty or non-fulfillment of any covenant of such Buyer contained in this Agreement or in any certificate, document or instrument delivered by such Buyer to Sellers under this Agreement; provided, however, that for purposes of determining the occurrence of a breach of any representation or warranty of any Buyer in connection with any claim made for indemnification under this Section 10.2, the "Knowledge," "material," "material adverse effect" and "material adverse change" qualifiers shall be disregarded;

(b) The ownership or operation of the Stations and/or the Assets following the Closing, including any liabilities arising under the FCC Licenses or the Assumed Contracts

which relate to events occurring following the Closing, but excluding any Contracts that are not Assumed Contracts;

(c) Any actions, suits, proceedings, claims, demands, assessments, judgments, costs and expenses, including reasonable legal fees and expenses, incident to any of the foregoing or incurred in investigating or attempting to avoid the same or to oppose the imposition thereof, or in enforcing this indemnity; or

(d) Any liability or obligations assumed by such Buyer under this Agreement.

**10.3 Procedure for Indemnification.** The procedure for indemnification shall be as follows:

(a) The Party seeking indemnification under this Article 10 (the "Claimant") shall give notice to the Party from whom indemnification is sought (the "Indemnitor") of any claim, reasonably specifying (i) the factual basis for the claim; and (ii) the amount of the claim if then known. If the claim relates to an action, suit or proceeding filed by a third party against Claimant, notice shall be given by Claimant within fifteen (15) days after written notice of the action, suit or proceeding was given to Claimant. In all other circumstances, notice shall be given by Claimant within sixty (60) days after Claimant becomes aware of the facts giving rise to the claim. Notwithstanding the foregoing, Claimant's failure to give Indemnitor timely notice shall not preclude Claimant from seeking indemnification from Indemnitor if Claimant's failure has not materially prejudiced Indemnitor's ability to defend the claim or litigation.

(b) The Claimant shall make available to Indemnitor and/or its authorized representatives the information relied upon by the Claimant to substantiate the claim for indemnity.

(c) With respect to any claim by a third party as to which the Claimant is entitled to indemnification hereunder, the Indemnitor shall, without prejudice to its rights to contest the obligation to indemnify, defend against the claim with counsel reasonably acceptable to Claimant, and the Claimant shall cooperate fully with the Indemnitor, subject to reimbursement for reasonable expenses incurred by the Claimant as the result of a request by the Indemnitor. The Claimant shall have the right to participate in the defense of the claim at its own expense. If the Indemnitor does not assume control of the defense of any third party claim, Claimant may, but shall have no obligation to, defend or settle such claim or litigation in such a manner as it deems appropriate, and in such event Indemnitor shall be bound by the results obtained by the Claimant with respect to the claim (by default or otherwise) and shall promptly reimburse Claimant for the amount of all expenses (including the amount of any judgment rendered), legal or otherwise, incurred in connection with such claim or litigation. The Indemnitor shall be subrogated to all rights of the Claimant against any third party with respect to any claim for which indemnity was paid.

**10.4 Limitations.** Neither Party shall be required to indemnify the other Party under this Article 10 unless (i) written notice of a claim under this Article 10 was received by the Party within the pertinent survival period specified in Section 10.5; and (ii) the aggregate amount of

claims against the Party from the other Party to which the other Party (as a Claimant) is entitled to be indemnified under this Agreement exceeds \$11,500, after which the Claimant shall be entitled to recover, and the Indemnitor shall be obligated for, all losses, costs, liabilities, damages and expenses for Claimant, including the first \$11,500 of such losses. In calculating the amount of losses to Buyers or Sellers under Section 10.1 and Section 10.2: (a) such losses shall be reduced by any recovery from any third party (including insurance proceeds) as a result of the facts or circumstances giving rise to the losses, (b) no amount shall be included in such losses except for the Party's actual out-of-pocket costs and expenses, (c) no Proration Amounts shall be included in such losses; (d) such losses shall not include losses resulting from claims made by third parties under Sections 10.1(a), (b) or (e); and (e) such losses shall not include losses resulting from Sellers' breach of Sections 4.10, 4.16, 4.17 and 7.6.

**10.5 Survival of Representations, Warranties and Covenants.** The representations, warranties, covenants, indemnities and other agreements contained in this Agreement or in any certificate, document or instrument delivered pursuant to this Agreement are and will be deemed and construed to be continuing representations, warranties, covenants, indemnities and agreements and shall survive the Closing regardless of any investigation, inquiry or Knowledge on the part of any Party, and the Closing shall not be deemed a waiver by any Party thereof; provided, however, that the period of survival (the "Survival Period") shall, (i) with respect to the representations, warranties and covenant in Sections 4.10, 4.16, 4.17 and 7.6, end at the expiration of the statute of limitations applicable to claims made thereunder (as determined under the laws of the State of Utah or applicable federal law), (ii) with respect to any other representation, warranty and covenant, end two (2) years after the Closing Date, and (iii) continue indefinitely (subject to applicable statute of limitations) with respect to claims made by third parties under Sections 10.1(a) and (b). In the event timely notice of a claim is received prior to the end of the applicable Survival Period, the right to indemnification shall survive the Survival Period until such claim is finally resolved and any obligations thereto are fully satisfied.

## **ARTICLE 11** **TERMINATION RIGHTS**

### **11.1 Termination.**

(a) In addition to other available remedies, this Agreement may be terminated by either Buyers or Sellers, if the Party seeking to terminate is not in material default or breach of this Agreement, upon written notice to the other if:

(i) the other Party is in material breach of this Agreement and such breach has been neither cured within thirty (30) days after written notice of such breach nor waived by the Party giving such termination notice;

(ii) a court of competent jurisdiction or governmental, regulatory or administrative agency or commission shall have issued an order, decree or ruling or taken any other action permanently restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement and such order, decree, ruling or other action shall have become final and non-appealable; or

(iii) the Closing has not occurred by July 31, 2004 (the "Upset Date").

(b) This Agreement may be terminated by mutual written consent of Buyers and Sellers.

(c) This Agreement may be terminated immediately upon Buyers written notice to Sellers in the event that the U.S. Department of Justice, the U.S. Federal Trade Commission, or any other governmental agency, requires the disclosure of any financial information relating to Buyers' Affiliates as a condition to regulatory approval required as a condition to Closing. Buyers agree to use reasonable efforts to persuade any such government agency that any such required Affiliate information should not be required for approval prior to exercising this right of termination.

(d) If either Party believes the other to be in breach or default of this Agreement, the non-defaulting Party shall, prior to exercising its right to terminate under Section 11.1(a) (i), provide the defaulting Party with notice specifying in reasonable detail the nature of such breach or default. Except for a failure to pay the Purchase Price, the defaulting Party shall have thirty (30) days from receipt of such notice to cure such default; provided that, if the breach or default is due to no fault of the defaulting Party and is not capable of cure within such thirty (30) day period, the cure period shall be extended as long as the defaulting Party is diligently and in good faith attempting to effect a cure. Nothing in this Section 11.1(d) shall be interpreted to extend the Upset Date.

**11.2 Effect of Termination.** The following sections shall survive the termination of this Agreement pursuant to Sections 11.1(a) or (c): 7.4 (Confidentiality), 7.11 (Press Releases), 11.2 (Effect of Termination), 12.1 (Remedies Generally), 13.1 (Transfer Taxes and Expenses), 13.3 (Entire Agreement; Schedules; Amendment; Waiver), 13.4 (Headings), 13.5 (Computation of Time), 13.6 (Governing Law), 13.7 (Attorneys' Fees), 13.9 (Dispute Resolution), 13.10 (Court Trial), 13.11 (Notices), 13.12 (Counterparts), and 14.1 (Defined Terms).

## **ARTICLE 12**

### **REMEDIES UPON DEFAULT**

**12.1 Remedies Generally.** The Parties acknowledge that the Assets and the transactions contemplated hereby are unique, that a failure by Sellers or Buyers to complete such transactions will cause irreparable injury to the other, and that actual damages for any such failure may be difficult to ascertain and may be inadequate. Consequently, Sellers and Buyers agree that each shall be entitled, in the event of a default by the other, to specific performance of any of the provisions of this Agreement in addition to any other legal or equitable remedies to which the non-defaulting Party may otherwise be entitled.

## **ARTICLE 13**

### **OTHER PROVISIONS**

**13.1 Transfer Taxes and Expenses.** All recordation, transfer, and documentary fees (but not including sales taxes, if any) imposed on this transaction shall be paid one-half by

Buyers and one-half by Sellers. Sales taxes, if any, imposed in connection with the transactions contemplated by this Agreement shall be paid one-half by Buyers and one-half by Sellers. Sellers shall pay the premium for the title insurance referred to in Section 8.1(g). Except as otherwise provided in this Agreement, each Party shall be solely responsible for and shall pay all other costs and expenses (including attorney and accounting fees) incurred by it in connection with the negotiation, preparation and performance of and compliance with the terms of this Agreement.

**13.2 Benefit and Assignment.** This Agreement shall be binding upon and shall inure to the benefit of the Parties hereto and their respective successors and assigns. Neither Buyers nor Sellers may assign its rights under this Agreement without the prior written consent of the other; provided, however, Buyers may freely assign this Agreement or rights to certain of the Assets, including the FCC Licenses, to each other, to one or more Affiliates of Buyers or to one or more qualified Assignee/Buyers. Except as expressly provided in this Agreement, this Agreement is not intended to, nor shall it, create any rights in any other person, including any employees of Sellers.

**13.3 Entire Agreement; Schedules; Amendment; Waiver.** This Agreement and the exhibits and schedules hereto and thereto embody the entire agreement and understanding of the Parties hereto and supersede any and all prior agreements, arrangements and understandings relating to the matters provided for herein. Any matter that is disclosed in a schedule hereto shall be deemed to have been included in other pertinent schedules, notwithstanding the omission of an appropriate cross-reference. No amendment, waiver of compliance with any provision or condition hereof or consent pursuant to this Agreement shall be effective unless evidenced by an instrument in writing signed by the Party against whom enforcement of any waiver, amendment or consent is sought. No failure or delay on the part of Buyers or Sellers in exercising any right or power under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power.

**13.4 Headings.** The headings set forth in this Agreement are for convenience only and shall not control or affect the meaning or construction of the provisions of this Agreement.

**13.5 Computation of Time.** If after making computations of time provided for in this Agreement, a time for action or notice falls on Saturday, Sunday or a federal holiday, then such time shall be extended to the next business day.

**13.6 Governing Law.** The construction and performance of this Agreement shall be governed by the laws of the State of Utah without regard to any choice or conflicts of law provision or rule (whether of the State of Utah or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Utah.

**13.7 Attorneys' Fees.** In the event of any dispute between the Parties to this Agreement, Sellers or Buyers, as the case may be, shall reimburse the prevailing Party for its

reasonable attorneys' fees and other costs incurred in enforcing its rights or exercising its remedies under this Agreement. Such right of reimbursement shall be in addition to any other right or remedy that the prevailing Party may have under this Agreement.

**13.8 Severability.** If any term or provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be held invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each such term and provision of this Agreement shall be valid and be enforced to the fullest extent permitted by law.

**13.9 Dispute Resolution.**

(a) CEO Discussions. In the event that the Parties or their assigns have a dispute, controversy or claim relating to this Agreement, any agreements or activities described herein, or this Section 13.9 (the "Dispute"), the parties will first attempt in good faith to resolve the Dispute promptly by informed discussions conducted through a meeting or series of meetings that include the Presidents and/or CEOs of each Party. Such negotiation meetings will be conducted in person whenever possible, but may be conducted by telephone.

(b) Arbitration. Any Dispute not resolved under Section 13.9(a) above and not governed by Section 2.4(f) of this Agreement, shall be resolved under the Commercial Arbitration Rules of the American Arbitration Association (the "Administrator"). In this regard:

(i) Such Dispute shall, at the request of either Party, be resolved by binding arbitration in accordance with the applicable arbitration rules of the Administrator. The provisions of this arbitration clause shall survive any termination, amendment or expiration of this Agreement. If any provision of this arbitration clause should be determined to be unenforceable, all other provisions of this arbitration clause shall remain in full force and effect.

(ii) The arbitration proceedings shall be conducted in Salt Lake City, Utah at a place to be determined by the Administrator. The Administrator and the arbitrator(s) shall have the authority to the extent practicable to take any action to require the arbitration proceeding to be completed and the arbitrator(s)' award issued within one hundred fifty (150) days of the filing of the Dispute with the Administrator.

(iii) A panel of three (3) arbitrators shall be selected in accordance with the rules of the Administrator from panels maintained by the Administrator. The Dispute shall be decided by a majority vote of the three (3) arbitrators, at least two (2) of whom must have expertise in the subject matter of the Dispute and at least one (1) of whom must be a practicing attorney. Each Party shall bear its own fees and expenses with respect to the arbitration and any proceeding related thereto, and the Parties shall share equally the fees and expenses of the American Arbitration Association and the arbitrators. The arbitrators shall award to the

prevailing Party recovery of all costs and fees (including attorneys' fees and costs, arbitration administration fees and costs, and arbitrators' fees). The arbitrators, either during the pendency of the arbitration proceeding or as part of the arbitration award, also may grant provisional or ancillary remedies, including an award of injunctive relief, foreclosure, sequestration, attachment, replevin, garnishment, or the appointment of a receiver.

(iv) Judgment upon an arbitration award may be entered in any court having jurisdiction, subject to the following limitation: the arbitration award is binding upon the Parties only if the amount does not exceed Five Million Dollars (\$5,000,000); if the award exceeds that limit, either Party may demand the right to a court trial. Such a demand must be filed with the Administrator within thirty (30) days following the date of the arbitration award; if such a demand is not made within that time period, the amount of the arbitration award shall be binding. The computation of the total amount of an arbitration award shall include amounts awarded for attorneys' fees and costs, arbitration administration fees and costs, and arbitrator(s)' fees.

Notwithstanding the applicability of any other law to this Agreement or this arbitration clause, the Federal Arbitration Act, 9 U.S.C. Section 1 *et seq.*, shall apply to the construction and interpretation of this arbitration clause.

**13.10 Court Trial.** In the event a right to court trial is filed with the Administrator under Section 13.9(b)(iv), such litigation shall be brought exclusively in the state or federal courts situated in Salt Lake County, Utah. Each of the Parties waives any defense of lack of jurisdiction or inconvenient forum to the maintenance of action or proceeding so brought in the courts in Salt Lake County, Utah, and waives any bond, surety or other security that might be required of any other Party with respect thereto. Any Party may make service on any other Party by sending or delivering a copy of the process to the Party to be serviced at the address and in the manner provided for in the giving of notices in Section 13.11. EACH PARTY WAIVES ITS RIGHT TO A JURY TRIAL IN ANY LITIGATION RELATIVE TO THIS AGREEMENT OR THE WARRANTIES, REPRESENTATIONS OR COVENANTS RELATED TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY.

**13.11 Notices.** Any notice, demand or request required or permitted to be given under this Agreement shall be in writing and shall be addressed to the following addresses or to such other address as any Party may request:
