<sup>1</sup> The Class A common stock of CMI, which includes voting rights, is publicly-traded and is held by, among others, various investment companies, insurance companies, or other institutional investors. To CMI's knowledge, all of these institutional investors hold less than 20% of CMI's Class A common stock, and none of them has any influence, either directly or indirectly, over the management or operation of CMI or its subsidiaries. All of the Class C common stock of CMI, which is not publicly traded, is held by Mr. Lewis W. Dickey, Jr. Each share of Class C common stock has ten (10) votes.

<sup>2</sup> Unless otherwise indicated in this exhibit, this column sets forth information with respect to equity holdings only and does not include debt. The amount of CMI's outstanding debt constantly fluctuates. No party providing debt financing to CMI (or any party under common control with a debt provider) holds an attributable interest in CMI or any party under common control with CMI. Consequently, providing information as to debt holdings would have no bearing on the identification of parties with attributable interests in CMI. To the extent such information relating to debt were included, it would merely reduce the percentages of certain parties in this column in the total enterprise value of CMI.

#### Involuntary Pro Forma Transfer of Control

On November 29, 2017, CMI, the ultimate parent entity of Radio License Holdings LLC, and certain of its direct and indirect wholly-owned subsidiaries (collectively, the “Debtors”), filed a series of voluntary petitions for bankruptcy with the United States Bankruptcy Court for the Southern District of New York (“Bankruptcy Court”) seeking relief under the provisions of Chapter 11 of the United States Bankruptcy Code to effectuate a restructuring of the debt obligations of the Debtors. As a result, each of the Debtors is now operating as a debtor-in-possession under the Bankruptcy Court’s oversight.<sup>4</sup> The Debtors anticipate that they will continue business operations in the ordinary course throughout the Chapter 11 process.

On December 1, 2017, an involuntary *pro forma* application was filed on FCC Form 316 (File No. BTC-20171201BGU) requesting Commission consent to transfer control of Radio License Holdings LLC from Cumulus Media Inc. to Cumulus Media Inc, Debtor-in-Possession. That application was granted by the Commission on December 21, 2017. The involuntary transaction was consummated on December 29, 2017. The proposed transfer of control has not resulted in a substantial change in control of any CMI license subsidiary. The ownership structure of CMI, its officers and directors, as well as those of each of its license subsidiaries has remained unchanged. However, the control of CMI, as it operates as a debtor-in-possession, is now subject to the jurisdiction of the Bankruptcy Court which is overseeing the voluntary reorganization.
