

### **Multiple Ownership Exhibit**

This application is for auxiliary purposes (FS) only. This proposed auxiliary is for operation only in the following contingencies: maintenance work at the licensed main facility, and emergency backup of the licensed main facility. It fully complies with 47C.F.R. 73.1675 (a) ii; the one Milivolt contour of the proposed auxiliary facility does not exceed that of the licensed main facility. Please see the Engineering Exhibit enclosed with this application. The proposed auxiliary facility has no effect on multiple ownership or compliance with 47C.F.R. 73.3555.
