The above facilities temporarily ceased operations on or about July 19, 2010. OCT is requesting STA for these stations to remain silent because they are associated with digital facilities that have recently commenced operations. Due to the financial impracticality of operating the analog stations in tandem with the digital facilities, OCT requests authority for these stations to remain silent for up to 6 months.

No filing fee is required for this filing according to Footnote 3 of the Commission's Application Fee Filing Guide for Media Bureau publication.

I am authorized to certify on behalf of OCT that neither OCT nor any party to the instant request for STA is subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. Section 862.

Please contact the undersigned should you have any questions concerning this matter.

Respectfully submitted,
