

**TECHNICAL STATEMENT  
RADIO MULTIPLE OWNERSHIP ANALYSIS**

This statement and the attached figures were prepared on behalf of a licensee subsidiary of Clear Channel Communications, Inc. ("CCC"). CCC proposes to modify the facilities of WCGX(FM) Dublin, Ohio by change of the station's antenna location. A multiple ownership analysis was prepared considering the following radio stations under present or proposed common ownership, time brokerage or joint sales:<sup>1</sup>

**TABLE 1: PROPOSED COMMONLY OWNED, BROKERED OR JOINTLY-SOLD STATIONS STUDIED AND ASSOCIATED  
ARBITRON METRO INFORMATION**

Calls	Fac ID	Band	Community	Geographic Arbitron Market	Declared Arbitron Market
WBWR	64716	FM	Hilliard	Columbus, OH	Columbus, OH
WCGX	40170	FM	Dublin	Columbus, OH	Columbus, OH
WCOL-FM	25037	FM	Columbus	Columbus, OH	Columbus, OH
WNCI	47741	FM	Columbus	Columbus, OH	Columbus, OH
WODC	52042	FM	Ashville	Columbus, OH	Columbus, OH
WTVN	11269	AM	Columbus	Columbus, OH	Columbus, OH
WYTS	25038	AM	Columbus	Columbus, OH	Columbus, OH

Since certain of these stations have overlapping principal community contours (5 mV/m for AM stations, 3.16 mV/m for FM stations), or are located in, or home to, the same Arbitron Metro market, an ownership study has been prepared in accordance with the Federal Communications Commission's local radio ownership rule.<sup>2</sup>

CCC does not have an attributable interest in any other station with a principal community contour that overlaps or intersects the principal community contour of WCGX(FM), as proposed, which is not located in an Arbitron market, or regardless of contour overlap, which is located in the same Arbitron Metro<sup>3</sup> as WCGX(FM). The community of license of WCGX(FM) is, and will continue to be, located in the Columbus, OH Arbitron Metro. WCGX(FM) is reported by BIA as being "Home" to the Columbus, OH Metro.

**Arbitron Market Study**

WCGX(FM) is reported by BIA as being "Home" to the Columbus, OH Metro. This proposal is in compliance with the local radio ownership rules for that Arbitron Metro, as evidenced by Table 2 below:

---

<sup>1</sup> None of the following stations are attributable by virtue of a time brokerage agreement or joint sales agreement.

<sup>2</sup> See 47 C.F.R. § 73.3555(a).

<sup>3</sup> A station is considered to be "located in an Arbitron Metro" if the station's community of license is located within the boundaries of that Metro, or, the station is listed as "Home" to that Metro by BIA.

### **Conclusions**

In the Arbitron Metro market studied herein, there are at least 45 radio stations, including the subject commonly-owned 2-AM / 5-FM stations, which are home to the Columbus, OH Metro. This proposal does not affect the existing number of commonly-owned stations in the subject Arbitron Metro.

Based on the above, it is concluded that the proposed modification complies with Section 73.3555(a) of the FCC Rules.

Respectfully submitted,

Troy G. Langham  
FCC Engineering Supervisor
