

AFFIDAVIT

I, John R. Powley, under penalty of perjury and pursuant to Section 1.16 of the Federal Communications Commission's rules, 47 C.F.R. § 1.16, do hereby declare that:

1. I filed applications with the Commission during a past FCC filing window for new Low Power Television station permits, including proposals for Channel 11 at Denison, TX (File No. BNPTVL-20000820AAA) and for Channel 11 at Paris, TX (File No. BNPTVL-20000820AAA) in mutually exclusive group MX088.
2. I have not entered into any agreement or understanding, written or oral, with any other party with respect to the Application or Proposal, other than agreeing to accept interference between my two application proposals described in paragraph 1 in an amendment being filed for each of the two application proposals, and the Application was not filed for the purpose of reaching or carrying out a settlement.
3. I have not received nor will receive any money or other consideration for agreeing to accept interference between my two application proposals.
4. Approval of the engineering amendments would serve the public interest by resolving the mutual exclusivity between the Auction application proposals in mutually exclusive group MX088, speeding the introduction of additional new television services for the communities of Paris, TX and Denison, TX.

I declare, under penalty of perjury, that the foregoing is true and correct to the best of my knowledge and belief. Executed this 16th day of April, 2007.

John R. Powley
