

This application seeks Commission consent to the *pro forma* assignment of KZNO-LP (FID 63149), Big Bear Lake, CA, from Bear Valley Broadcasting, LLC (BVB) to Venture Technologies Group, LLC (VTG). BVB is a wholly-owned subsidiary of VTG. Because this transaction seeks to assign the station license from a wholly-owned subsidiary to its parent, it qualifies as a *pro forma* assignment. There is no written agreement between the parties.
