AGREEMENT

NOW, THEREFORE, taking the foregoing into account, and in consideration of the mutual covenants and agreements set forth herein, the parties, intending to be legally bound, hereby agree as follows:

(vi) all rights arising under this Agreement and any contract other than any Station Contract;

(vii) all personnel records and other records that Seller is required by Law to retain in its possession and all records relating to Retained Obligations or Excluded Assets;

(viii) all claims of Seller with respect to any Tax refunds to the extent attributable to a taxable period ending on or prior to the Closing Date;

- (ix) all receivables owed to Seller by any of its affiliates;

 - (xiii) the assets listed on Schedule 1.2(b).
- (c) Seller shall retain all Excluded Assets and all Retained Obligations (as defined below).

1.3 **Assumption of Obligations.** On the Closing Date (defined below), Buyer shall assume or pay and perform (a) the obligations of Seller arising during, or attributable to, any period of time at or after the Effective Time under the Station Contracts and the FCC Licenses, (b) all obligations arising during, or attributable to, any period of time at or after the Effective Time and relating to the operation of the Stations' business, (c) all of the Stations' accounts payable for goods or services sold or provided to the Stations' business prior to the Effective Time, except as such accounts payable relate to income tax liabilities or the Excluded Assets, but including, without limitation, unpaid sales commissions related to the sale of advertisements broadcast on the Stations or in connection with the Stations' business prior to the Effective Time in respect of Accounts Receivable outstanding at the Effective Time and sales commissions related to the sale of advertisements to be broadcast on the Stations or in connection with the Stations' business at or after the Effective Time (the "Accounts Payable"), and (d) any other liabilities of Seller to the extent Buyer receives a credit therefor under Section 1.6 (collectively, the "Assumed Obligations"). Except for the Assumed Obligations, Buyer does not assume or agree to pay and perform, and will not be deemed by the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby to have assumed or have agreed to pay and perform, any other liabilities or obligations of Seller (such liabilities and obligations not assumed, the "Retained Obligations"). The Retained Obligations include, without limitation, (i) all liabilities and obligations for Taxes (A) for all taxable periods of Seller, any of their respective subsidiaries and any of their respective affiliates, in the case of Taxes relating to the Excluded Assets, (B) for all taxable periods (or portions thereof) ending on or prior to (or, to the extent attributable to the portion of such period ending on the Closing Date, including) the Closing Date, in the case of Taxes relating to the Station Assets and (C) under any Tax allocation, sharing or similar agreement (whether oral or written) to which Seller is a party, (ii) all liabilities and obligations arising under or with respect to the Seller Plans (defined below), and (iii) all liabilities or obligations relating to the Excluded Assets.

1.4 **Purchase Price; Closing Payment.**

(a) In consideration for the sale of the Station Assets to Buyer, Buyer shall assume the Assumed Obligations and pay to Seller Sixty Eight Million Five Hundred Thousand and No/100 Dollars (\$68,500,000.00) (the "Initial Amount"), as adjusted by the Final Net Working Capital Amount as such amount is determined pursuant to Section 1.6 (the "Purchase Price").

(b) At Closing, Buyer shall pay to Seller, by wire transfer of immediately available funds to an account designated by Seller, an amount equal to the Initial Amount, as adjusted by the Estimated Net Working Capital Amount as such amount is determined pursuant to Section 1.6, less the Indemnity Escrow (defined below) (the "Closing Payment").

1.5 Deposit; Indemnity Escrow.

(a) Within one (1) business day after the execution of this Agreement, Buyer and Seller shall cause to be executed and delivered an amended and restated escrow agreement in substantially the form attached hereto as **Exhibit B** (the "Escrow Agreement"), by and among Guarantor, Seller and U.S. Bank, National Association (the "Escrow Agent"), and Buyer shall be credited with having made a cash deposit with the Escrow Agent in immediately available funds in an amount equal to Three Million Four Hundred Twenty Five Thousand and No/100 Dollars (\$3,425,000), which is 5% of the Initial Amount (the "Deposit"), to be governed by the terms of this Agreement and the Escrow Agreement. Any failure by Buyer to enter into the Escrow Agreement and to make the Deposit within such one (1) business day period constitutes a material default as to which the Cure Period under Section 10.2 does not apply, entitling Seller to immediately terminate this Agreement. If this Agreement is terminated by Seller pursuant to Section 10.1(c), the Deposit and any interest accrued thereon shall be disbursed to Seller to an account designated by Seller. If this Agreement is terminated by Seller or Buyer pursuant to Section 10.1 for any other reason, then the Deposit and any interest accrued thereon shall be disbursed to Buyer to an account designated by Buyer.

(b) At Closing, the Deposit shall remain in escrow pursuant to the terms of the Escrow Agreement and automatically convert to secure the indemnification obligations of Seller hereunder. The Deposit plus any interest or earnings earned thereon after the Closing being the "Indemnity Escrow." The following shall apply to the Indemnity Escrow.

(i) If at any time prior to the Final Release Date (as defined below), Buyer makes a reasonable, good faith determination that there exists a claim against Seller for indemnification pursuant to Section 9.2(a) (an "Indemnity Escrow Claim"), then in addition to any notices or other procedures required under Article 9, Buyer shall give Seller written notice of such Indemnity Escrow Claim (a "Notice of Claim"), specifying in reasonable detail the nature of the Indemnity Escrow Claim and, to the extent known, a reasonable estimate of the dollar amount of the Damages, including the factual bases and documentation supporting the estimate (the "Damages Amount").

(ii) If Seller reasonably believes in good faith that (A) Buyer has not incurred or suffered the Damages Amount set forth in any Notice of Claim, (B) the Damages Amount set forth in any Notice of Claim is incorrect, (C) the Damages claimed in respect of any Damages Amount have been previously paid to Buyer in full, (D) the

Indemnity Escrow Claim is not covered by or not made in accordance with the provisions of Article 9, or (E) all or any portion of the claimed Damages Amount relates to an Indemnity Escrow Claim for which the dollar amount of Damages is not then liquidated and determinable, then, within twenty (20) calendar days after Seller's receipt of the applicable Notice of Claim (the "Objection Period"), Seller may give to Buyer a written notice setting forth the reasons for Seller's objection in reasonable detail (a "Notice of Objection"). The Notice of Objection must set forth a statement of whether or not any portion of the proposed Damages Amount is undisputed and, if undisputed, the undisputed amount thereof (such specified undisputed amount being hereinafter referred to as the "Undisputed Amount").

(iii) If Seller delivers a timely Notice of Objection with respect to any Notice of Claim, then within two (2) business days of delivering such Notice of Objection, Guarantor and Seller shall submit to the Escrow Agent a Joint Written Direction (as defined in the Escrow Agreement) instructing the Escrow Agent to distribute to Buyer the Undisputed Amount (if any).

(iv) If Seller does not deliver a Notice of Objection with respect to any Notice of Claim within the applicable Objection Period, then within two (2) business days of the end of the Objection Period, Guarantor and Seller shall submit to the Escrow Agent a Joint Written Direction (as defined in the Escrow Agreement) instructing the Escrow Agent to distribute to Buyer the Damages Amount specified in the Notice of Claim.

(v) On the date that is the earlier of (A) forty-five (45) days following completion of Guarantor's Audit (as defined below) and (B) twelve (12) months following the Closing Date (the "Initial Release Date"), Guarantor and Seller shall submit to the Escrow Agent a Joint Written Direction (as defined in the Escrow Agreement) specifying distribution to Seller of the lesser of One Million Seven Hundred Twelve Thousand Five Hundred Dollars (\$1,712,500) and the Unclaimed Escrow Amount (as defined below). On the date that is the earlier of (A) six (6) months after the Initial Release Date and (B) eighteen (18) months following the Closing Date (the "Final Release Date"), Guarantor and Seller shall submit to the Escrow Agent a Joint Written Direction (as defined in the Escrow Agreement) specifying distribution to Seller of the Unclaimed Escrow Amount. The "Unclaimed Escrow Amount" means, as of the date of determination, an amount equal to (i) any remaining amounts in the Indemnity Escrow, minus (ii) the good faith estimate of any outstanding and unpaid Indemnity Escrow Claims made by Buyer pursuant to any Notices of Claim. "Guarantor's Audit" means the audit that Guarantor will conduct of its operations, including the Stations' business for calendar year 2016.

(vi) Buyer acknowledges and agrees that to the extent Buyer is entitled to receive any payment in respect of any Damages, such payment shall be satisfied to the extent possible from the Indemnity Escrow in accordance with the terms of this Agreement and the Escrow Agreement before Buyer seeks recourse against Seller. For the avoidance of doubt, for purposes of determining whether the Cap has been met, all

sums paid from the Indemnity Escrow to Buyer shall be taken into account on a dollar-for-dollar basis.

(c) The Escrow Agent's fees and charges shall be borne equally by Buyer and Seller. The parties shall each instruct the Escrow Agent to disburse the Deposit and all interest thereon to the party entitled thereto in accordance with this Section 1.5 and shall not, by any act or omission, delay or prevent any such disbursement.

1.6 Net Working Capital Adjustment.

(a) The Purchase Price is subject to upward adjustment if and to the extent that the Net Working Capital at and as of the Effective Time exceeds Zero Dollars (\$0) ¹(the "Target Net Working Capital Amount"). The Purchase Price is subject to downward adjustment if and to the extent that the Net Working Capital at and as of the Effective Time is less than the Target Working Capital Amount. The "Effective Time" means 12:01 a.m., local time, on the Closing Date.

(b) "Net Working Capital" means the difference of (a) Current Assets minus (b) Current Liabilities. Net Working Capital shall be calculated after giving effect to the elimination of all intercompany accounts between Seller and its affiliates and shall be computed using the normal year end accounting cut-off procedures of Seller (regardless of when the Closing occurs during the year); provided, notwithstanding anything to the contrary set forth herein, such computation (i) shall be made as if the Closing and the transactions contemplated hereby had not occurred, and (ii) shall not in any case reflect the Closing or any effects of the transactions contemplated hereby or any actions or activity of, caused by or attributable to Buyer. "Current Assets" means the current assets of Seller and the Business included in the Station Assets, including (i) the Accounts Receivable (less a reserve for uncollectible amounts determined in accordance with GAAP) and (ii) prepaid expenses and deposits included in the Station Assets, but shall exclude cash and cash equivalents except to the extent any cash or cash equivalents are actually delivered to Buyer. "Current Liabilities" means the current liabilities of Seller and the Business, including Accounts Payable (including unpaid sales commission related to the sale of advertisements broadcast on the Stations or in connection with the Business prior to the Effective Time in respect of Accounts Receivable outstanding at the Effective Time) and other trade debt and accrued expenses incurred in the ordinary course of the Business, deferred revenue obligations, accrued payroll, and Accrued Vacation to the extent Buyer gives such Transferred Employees credit for the same. "Business" means the business and operations of the Stations and subject to the Assumed Obligations. Notwithstanding the foregoing, the Current Assets and Current Liabilities shall not include any Excluded Assets and related liabilities, including intercompany accounts receivable and intercompany accounts payable, or any current assets or current liabilities related to Programs Rights, except for payments under any Program Rights agreements related to periods that straddle the Effective Time. "Program Rights" means the rights of Seller to broadcast television programs or shows as part of a Station's programming, including all film and program barter agreements, sports rights agreements, news rights or service agreements and syndication agreements. Except as otherwise expressly provided in this

¹ Note to draft: Parties to discuss appropriate target number for the WAAY Purchase Agreement and the Florida Purchase Agreement.

Section 1.6, Current Assets and Current Liabilities shall be calculated in a manner consistent with accounting principles generally accepted in the United States, consistently applied ("GAAP").

(c) For the purposes of the calculation of Taxes (as defined below), the day before the Closing Date shall be treated as the last day of a taxable period, whether or not the taxable period in fact ends on such day. Real and personal property Taxes, if any, shall be prorated on a per diem basis. Sales and use Taxes shall be deemed to accrue as property is purchased, sold, used or transferred. All other Taxes shall accrue in accordance with GAAP.

(d) With respect to trade, barter or similar agreements for the sale of time in exchange for goods or services ("Barter"), if at Closing the Business has an aggregate negative or positive Barter balance (i.e., the amount by which the value of air time to be provided by the Business after the Effective Time exceeds, or conversely, is less than, the fair market value of corresponding goods and services), in which event such excess or deficiency, as the case may be, shall be treated either as prepaid time sales or a receivable of Seller, and included in the Current Assets or Current Liabilities, as applicable. In determining Barter balances, the value of air time shall be determined in accordance with GAAP, and the corresponding goods and services shall include those to be received by the Business after Closing plus those received by the Business before Closing to the extent conveyed to Buyer as a part of the Station Assets. Barter shall not include any agreements for Program Rights.

(e) No later than five (5) business days prior to the scheduled Closing Date, Seller shall provide Buyer with a statement (the "Estimated Net Working Capital Balance Sheet") setting forth a reasonably detailed computation of Seller's reasonable and good faith estimate of the Net Working Capital at and as of the Effective Time (the "Estimated Net Working Capital Amount"). If the Estimated Net Working Capital Amount exceeds the Target Net Working Capital Amount, then the Initial Amount shall be increased by the amount of the Estimated Net Working Capital Amount, and if the Estimated Net Working Capital Amount is less than the Target Net Working Capital Amount, then the Initial Amount shall be decreased by the amount of the Estimated Net Working Capital Amount. For a period of one hundred twenty (120) days after Closing, Seller and its auditors and Buyer and its auditors may review the Estimated Net Working Capital Balance Sheet and the related books and records of Seller, the Stations and the Business, and Buyer and Seller will in good faith seek to reach final agreement on the Net Working Capital at and as of the Effective Time (such final agreed upon amount being the "Final Net Working Capital Amount"). If agreement is reached within such 120-day period, then promptly thereafter Seller shall pay to Buyer, or Buyer shall pay to the Seller, as the case may be, an amount equal to the difference between (i) the Final Net Working Capital Amount and (ii) the Estimated Net Working Capital Amount. If agreement is not reached within such 120-day period, then the dispute resolutions of Section 1.6(f) shall apply.

(f) If the parties do not reach an agreement on the Final Net Working Capital Amount within the 120-day period specified in Section 1.6(e), then Seller and Buyer shall select an independent accounting firm of recognized national standing as the parties hereto may agree (the "Arbitrating Firm") to resolve the disputed items. Buyer and Seller shall each inform the Arbitrating Firm in writing as to their respective positions with respect to the Net Working Capital, and each shall make available to the Arbitrating Firm any books and records and work

papers relevant to the preparation of the Arbitrating Firm's computation of the Net Working Capital. The Arbitrating Firm shall be instructed to complete its analysis within thirty (30) days from the date of its engagement and, upon completion, to inform the parties in writing of its own determination of the Final Net Working Capital Amount, the basis for its determination and whether its determination is within the Mid-Range (defined below) or if not, whether it is closer to Buyer's or Seller's written determination of the Final Net Working Capital Amount. Any determination by the Arbitrating Firm in accordance with this Section 1.6(f) shall be final and binding on the parties. Within five (5) calendar days after the Arbitrating Firm delivers to the parties its written determination of the Final Net Working Capital Amount, Seller shall pay to Buyer, or Buyer shall pay to Seller, as the case may be, an amount equal to the difference between (i) the Final Net Working Capital Amount as determined by the Arbitrating Firm and (ii) the Estimated Net Working Capital Amount.

(g) If the Arbitrating Firm's determination of the Final Net Working Capital Amount is within the Mid-Range, then Seller and Buyer shall each pay one-half of the fees and disbursements of the Arbitrating Firm in connection with its analysis. If not, then (i) if the Arbitrating Firm determines that the written position of Buyer concerning the Final Net Working Capital Amount is closer to its own determination, then Seller shall pay the fees and disbursements of the Arbitrating Firm in connection with its analysis, or (ii) if the Arbitrating Firm determines that the written position of Seller concerning the Final Net Working Capital Amount is closer to its own determination, then Buyer shall pay the fees and disbursements of the Arbitrating Firm in connection with its analysis. As used herein, the term "Mid-Range" means a range that (A) equals twenty percent (20%) of the absolute difference between the written positions of Buyer and Seller as to the Final Net Working Capital Amount and (B) has a midpoint equal to the average of such written positions of Buyer and Seller.

(h) Concurrently with the payment of any amount required to be paid under this Section 1.6, the payor shall pay the payee interest on such amount for the period from the due date for the payment until the date paid at a rate equal to the prime rate (as reported by *The Wall Street Journal*, Eastern Edition or, if not reported thereby, by another authoritative source) as in effect from time to time. All payments to be made under this Section 1.6 shall be paid by wire transfer in immediately available funds to the account of the payee at a financial institution in the United States.

1.7 Allocation.

(a) Within one hundred- twenty (120) days after Closing (or as soon as reasonably practical thereafter following the final resolution of the Purchase Price adjustment pursuant to Section 1.6), Buyer and Seller will allocate the Purchase Price in accordance with the respective fair market value of Station Assets being purchased and sold in accordance with the parameters set forth on Schedule 1.7(a), subject to any Purchase Price adjustment pursuant to Section 1.6 and consistent with the requirements of Section 1060 of the Internal Revenue Code of 1986, as amended, and the treasury regulations promulgated thereunder (the "Code"), based upon an appraisal by Bond & Pecaro (whose fees shall be paid one-half by Seller and one-half by Buyer). Buyer and Seller shall file their federal tax returns and other tax returns reflecting the allocation made pursuant to this Section.

(b) The Parties shall (a) be bound by such allocation for all purposes, and (b) make consistent use of the agreed upon allocation for all Tax purposes and in any Tax Returns filed with the Internal Revenue Service in respect thereof, including IRS Form 8594. Unless otherwise required by Law, no party shall take any position (including a position on a financial statement or a Tax Return or in an audit of a Tax Return) that is inconsistent with the allocation set forth in the Form 8594.

1.8 **Closing.** The consummation of the sale and purchase of the Station Assets provided for in this Agreement (the "Closing") shall take place by exchange of documents via email, or as Seller and Buyer may otherwise agree, on the tenth (10th) business day after the date on which the FCC's approval of the FCC Applications (the "FCC Consent") becomes a Final Order and any condition contained in the FCC consent or otherwise imposed by the FCC delaying or prohibiting consummation of the assignment of the FCC Licenses for reasons related to the FCC Broadcast Incentive Auction shall have been satisfied or waived. For purposes of this Agreement, "Final Order" means an FCC order (a) which has not been vacated, reversed, stayed, set aside, annulled or suspended, (b) with respect to which no appeal, request for stay, or petition for rehearing, reconsideration or review by any person or entity, or by the FCC on its own motion, is pending, and (c) as to which the time for filing any such appeal, request, petition, or similar pleading or the time for reconsideration or review by the FCC on its own motion under the rules of the FCC has expired (or if any such appeal, request, petition or similar pleading has been filed, the FCC's order has been upheld and no additional review or reconsideration has been sought and the time for seeking such review or reconsideration has expired). Buyer and Seller may mutually agree on a different date for the Closing, subject to the satisfaction or waiver of the conditions set forth in Articles 6 and 7 below. The date on which the Closing is to occur is referred to herein as the "Closing Date."

1.9 **Governmental Consents.**

(a) Within ten (10) business days of the date of this Agreement, Buyer and Seller shall file applications with the FCC requesting FCC consent to the assignment or transfer of control of the FCC Licenses to Buyer, as appropriate (collectively, the "FCC Applications"). Buyer and Seller shall diligently prosecute the FCC Applications and otherwise use their commercially reasonable efforts to obtain the FCC Consent pursuant to a Final Order as soon as possible.

(b) In the event of any inquiry to Seller from the Department of Justice or any other governmental agencies related to any of the transactions contemplated under this Agreement, Guarantor and/or Buyer shall reimburse Seller for all legal costs and expenses incurred by Seller resulting from or related to the inquiry.

(c) To the extent permitted by applicable Law, Buyer and Seller shall notify each other of all documents filed with or received from the FCC or any other governmental agency with respect to this Agreement or the transactions contemplated hereby. Buyer and Seller shall furnish each other with such information and assistance as the other may reasonably request in connection with their preparation of any governmental filing hereunder. The FCC Consent is referred to herein as the "Governmental Consents."

1.10 **Bulk-Sales Laws.** Buyer hereby waives compliance by Seller with the requirements and provisions of any "bulk-transfer" laws of any jurisdiction that may otherwise be applicable with respect to the sale of any or all of the Station Assets to Buyer; provided, however, Seller agrees (a) to pay and discharge when due or to contest or litigate all claims of creditors which are asserted against Buyer or the Station Assets by reason of such noncompliance, (b) to indemnify, defend and hold harmless Buyer from and against any and all such claims in the manner provided in Article 9 and (c) to take promptly all necessary action to remove any Lien which is placed on the Station Assets by reason of such noncompliance.

ARTICLE 2 SELLER REPRESENTATIONS AND WARRANTIES

Seller makes the following representations and warranties to Buyer. As used in this Agreement, "to the knowledge of Seller" means to the actual knowledge of those persons listed on Schedule 2.

2.1 **Organization.** Each Seller is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and is qualified to do business in each jurisdiction in which the Station Assets it owns and operates are located. Each Seller has the requisite power and authority to execute, deliver and perform this Agreement. Each Seller has the requisite power and authority to execute, deliver and perform all of the other agreements and instruments to be executed and delivered by it pursuant hereto (collectively with this Agreement, the "Seller Ancillary Agreements") and to consummate the transactions contemplated hereby.

2.2 **Authorization.** The execution, delivery and performance of this Agreement and the Seller Ancillary Agreements by each Seller has been duly authorized and approved by all necessary action of each Seller and do not require any further authorization or consent of Seller. This Agreement is, and each Seller Ancillary Agreement when made by Seller and the other parties thereto will be, a legal, valid and binding agreement of Seller enforceable in accordance with its terms, except in each case as such enforceability may be limited by bankruptcy, moratorium, insolvency, reorganization or other similar laws affecting or limiting the enforcement of creditors' rights generally and except as such enforceability is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

2.3 **No Conflicts.** Except as set forth on Schedule 2.3 and except for the Governmental Consents, the Required Consents and any other third party consents as may be required to assign the Station Contracts, the execution, delivery and performance by Seller of this Agreement and the Seller Ancillary Agreements and the consummation by Seller of any of the transactions contemplated hereby or thereby do not (a) conflict with any organizational documents of Seller, (b) conflict with, result in a breach of, or give rise to a right of termination or acceleration or constitute a default under any Station Contracts, in each case, to the extent such conflict, breach, right of termination or acceleration, or default would reasonably be expected to have a Material Adverse Effect (as such term is defined in Section 2.17), (c) conflict in any material respect with any Law, judgment, order, or decree to which Seller is subject, or (d) require the consent or approval of, or a filing by Seller with, any governmental or regulatory

authority, or require the consent of any third party pursuant to any contract, to the extent the lack of such consent or approval, or the failure to make such filing, would reasonably be expected to have a Material Adverse Effect.

2.4 **Intentionally Left Blank.**

2.5 **FCC Licenses.** Except as set forth on Schedule 1.2(a)(i):

(a) The holders of the FCC Licenses are described on Schedule 1.2(a)(i). Seller has delivered true and complete copies of the FCC Licenses to Buyer. The FCC Licenses are in full force and effect and have not been revoked, suspended, canceled, rescinded or terminated and have not expired.

(b) Except as set forth in Schedule 2.5(b), (i) there is not pending any action by or before the FCC to revoke, suspend, cancel, rescind or materially adversely modify any of the FCC Licenses (other than proceedings to amend FCC rules of general applicability); (ii) there is not issued or outstanding, by or before the FCC, any order to show cause, notice of violation, notice of apparent liability, or order of forfeiture against the Stations or Seller with respect to the Stations that could result in any such action; and (iii) the Stations are operating in compliance in all material respects with the FCC Licenses, the Communications Act of 1934, as amended (the "Communications Act"), and the rules, regulations and written and announced policies of the FCC.

(c) Except as set forth in Schedule 2.5(c), (i) the towers and other structures of Seller used in the ownership and operation of the Stations are obstruction marked and lighted to the extent required by, and in accordance with, the rules and regulations of the Federal Aviation Administration (the "FAA"), the FCC and other federal, state and local authorities and (ii) appropriate notifications to the FAA and registrations with the FCC have been filed for such towers and other structures where required.

(d) Schedule 2.5(d) contains a list of all material permits which are required for the operation of the business of the Stations as presently conducted, other than the FCC Licenses ("Seller Permits"). Seller currently has all Seller Permits. Seller is not in default or violation, and no event has occurred which, with notice or the lapse of time or both, would constitute a default or violation, in any material respect of any term, condition or provision of any Seller Permit and, to the knowledge of Seller, there are no facts or circumstances which could form the basis for any such default or violation. None of the Seller Permits will be materially impaired by the consummation of the transactions contemplated by this Agreement.

2.6 **Taxes.**

(a) Seller has filed (or been included in) all material foreign, federal, state, county and local income, excise, property, sales, use, franchise and other tax returns and reports which are required to have been filed by it under applicable Law, and has paid all taxes shown thereon as due and payable, except, in each case, any taxes or assessments being contested in good faith. (a) for a period of one (1) year from the date hereof, Buyer shall not, without the prior written consent of Seller, solicit for employment, induce or attempt to induce to leave Seller's or an affiliate of Seller's employ, or hire, any employees of Seller or its affiliates, including without limitation the Station Employees prior to the Closing (other than (i) general solicitations not directed solely to any such employees and (ii) any employment or hiring that results from such general solicitation);

(b) for a period of one (1) year from the date hereof, Seller shall not, without the prior written consent of Buyer, solicit for employment, induce, or attempt to induce, to leave Buyer's or an affiliate of Buyer's employ, or hire, any employees of Buyer or its affiliates, including without limitation the Station Employees following the Closing (other than (i) general solicitations not directed solely to any such employees, (ii) any employment or hiring that results from such general solicitation, or (iii)) employees or employment positions listed on Schedule 5.7(b)).

5.8 **Accounting Services.** During the first ninety (90) business days after Closing, Buyer shall provide to Seller at no additional cost the services of the Stations' business offices, together with reasonable access to related systems and records, for the purposes of closing the books of the Stations' business for the period prior to Closing and of facilitating the distribution of any compensation to the Station Employees, all in accordance with the procedures and practices applied by the business offices for periods prior to Closing. Buyer and Seller shall use mutual efforts to maximize data security of all systems and records.

5.9 **Tax, Accounting and Other Matters.**

(a) Buyer and Seller agree to furnish or cause to be furnished to each other, upon request, as promptly as practicable, information (including without limitation access to books and records) as is reasonably necessary for the filing of tax returns relating to the Station Assets, for the preparation of any audit, for the prosecution or defense of any claim relating to any proposed adjustment with respect to Taxes, for year-end accounting requirements and preparation of any reports or documents to be filed with any regulatory agency, or for any other reasonable purpose. Buyer and Seller shall execute and deliver such powers of attorney and other documents as are necessary to carry out the intent of this Section 5.9.

(b) At Buyer's request, Seller shall notify all of the taxing authorities for the applicable jurisdictions of the transactions contemplated by this Agreement in the form and manner required by such taxing authorities, if the failure to make such notifications or receive any available tax clearance certificate (such clearance, "Tax Clearance" and such certificate, a "Tax Clearance Certificate") could subject the Buyer to any Taxes of Seller. If, with respect to any application for Tax Clearance made pursuant to this Section 5.9(b), any governmental entity asserts that Seller is liable for any Tax, Seller shall promptly pay any and all such amounts and shall provide evidence to the Buyer that such liabilities have been paid in full or otherwise satisfied.

5.10 Employment.

(a) Buyer shall employ on the Closing Date each Station Employee who is employed immediately prior to the Closing Date and who is employed pursuant to an employment agreement or personal services contract. Not less than ten (10) days before, but effective on the Closing Date, (i) Buyer shall offer employment to each Station Employee of Seller who is employed by Seller immediately prior to the Closing Date and who (A) is not on authorized leave of absence, sick leave, short or long term disability leave, military leave or layoff with recall rights ("Active Employees"), or (B) is on authorized leave of absence, sick leave, short or long term disability leave, military leave or layoff with recall rights who returns to active employment immediately following such absence ("Inactive Employees"). For purposes hereof, Station Employees who accept Buyer's offer of employment or who are employed pursuant to an employment agreement or personal services contract are hereinafter referred to collectively as the "Transferred Employees," and the "Employment Commencement Date" as referred to herein shall mean: (i) as to those Transferred Employees who are Active Employees, the Closing Date, and (ii) as to those Transferred Employees who are Inactive Employees, the date on which the Transferred Employee begins employment with Buyer. Buyer shall employ all Transferred Employees at a monetary compensation (consisting of base salary, commission rate and normal bonus opportunity) and on terms and conditions that are at least as favorable as those provided by Seller immediately prior to the Employment Commencement Date. Buyer shall ensure the Transferred Employees receive credit for all periods of employment and/or service with Seller (including service with predecessor employer, where such credit was provided by Seller) for all purposes, including eligibility, vesting and benefit accrual.

(b) Buyer shall assume all liabilities for unpaid, accrued vacation and personal days of Transferred Employees existing immediately prior to the Employment Commencement Date ("Accrued Vacation"). Buyer shall permit Transferred Employees to use their Accrued Vacation for a period ending on December 31 of the calendar year in which the Closing occurs, and Buyer shall pay any Transferred Employee to the extent that such Transferred Employee has any unused Accrued Vacation at the end of such period.

(c) Seller agrees to use reasonable efforts to facilitate the transition of the Transferred Employees to employment with Buyer as of the Closing Date. Such reasonable efforts shall include affording Buyer reasonable opportunities prior to the Closing Date to review employment records (other than medical and individual performance or evaluation records), as permitted by Law, of the Station Employees, to discuss terms and conditions of employment with Buyer as of the Closing Date and to distribute to the Station Employees forms and documents relating to employment with Buyer.

(d) Except as prohibited by Law, after the Closing, Seller shall deliver to Buyer originals or copies of all personnel files and records (including medical records, if any, but excluding benefit plan records) related to the Transferred Employees, and Seller shall have reasonable continuing access to such files and records thereafter.

(e) Buyer agrees that Seller may put into place, at Seller's expense, an appreciation bonus plan, arrangement, or agreement and use such additional separate sale incentive letter agreements designed to encourage retention, as Seller deems necessary, for one

or more Station Employees, whether individually or for a specific group of employees and whether or not such Station Employee may become a Transferred Employee.

(f) Buyer shall not take any action on or after the Closing Date that would cause any termination of employment of any employees by Seller that occurs before the Closing to constitute a "plant closing" or "mass layoff" under the Worker Adjustment and Retraining Act of 1988, as amended (the "WARN ACT") or any similar state or local Law, or to create any liability to Seller for any employment terminations under applicable Law. Assumption of Obligations by Buyer pursuant to Section 1.3 shall include all liabilities with respect to any amounts (including any severance, fines or penalties) payable under or pursuant to the WARN ACT or any similar state or local Law with respect to any Employees who do not become Transferred Employees as a result of Buyer's failure to extend offers of employment or continued employment as required by Section 5.10 or in connection with events that occur from and after the Closing, and Buyer shall reimburse Seller for any such amounts.

5.11 Employee Plans.

(a) Seller shall be responsible for: (i) claims and payments for medical and dental benefits, disability benefits, life insurance benefits and workers compensation benefits that are incurred prior to the Employment Commencement Date; and (ii) all liability related to group health plan continuation coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended ("COBRA") with respect to any "qualified beneficiary" (as such term is defined under COBRA) under the applicable Seller Plan who has a "qualifying event" (as such term is defined under COBRA) prior to the Employment Commencement Date, including any "qualifying event" occurring as a result of the transactions contemplated herein, in each case with respect to any Station Employees and their spouses and/or dependents. Buyer shall be solely responsible for: (i) claims and payments for medical and dental benefits, disability benefits, life insurance benefits and workers compensation benefits that are incurred from and after the Employment Commencement Date; and (ii) all liability relating to COBRA continuation coverage with respect to any "qualified beneficiary" (as such term is defined under COBRA) who has a "qualifying event" (as such term is defined under COBRA) occurring from and after the Employment Commencement Date, in each case only with respect to any Transferred Employees and their spouses and/or dependents. For purposes of the foregoing, a medical/dental claim shall be considered incurred when the medical services are rendered or medical supplies are provided, and not when the condition arose. A life insurance or worker's compensation claim shall be considered incurred prior to a particular date if the injury or condition giving rise to the claim occurs prior to such date. A disability claim shall be deemed to be incurred when the employee is declared disabled under the terms of the applicable disability plan. Transferred Employees and their spouses and/or dependents shall be given credit under Buyer's "employee welfare benefit plans" (as defined under Section 3(1) of ERISA) for deductibles and out-of-pocket expenses incurred while employed by Seller in the relevant calendar year.

(b) Subject to the requirements of Buyer's employee benefit plan administrator, (i) Buyer shall cause all Transferred Employees and their spouses and/or dependents, as applicable, to be eligible to participate in any of its "employee welfare benefit plans" (as defined in Section 3(1) of ERISA), any "employee pension benefit plans" (as defined in Section 3(2) of ERISA), and any of its "defined contribution plans" (as defined in Section

414(i) of the Code) to the same extent Buyer's similarly-situated employees are generally eligible to participate in such plans, (ii) all Transferred Employees and their spouses and dependents shall be eligible for coverage or participation under such employee benefit plans described in subsection (b)(i) immediately after the Employment Commencement Date (and shall not be excluded from coverage under any employee welfare benefit plan that is a group health plan on account of any pre-existing condition, as long as such condition is covered under Buyer's group health plan), (iii) for purposes of any length of service requirements, waiting periods, vesting periods or differential benefits based on length of service in any such employee benefit plans described in subsection (b)(i) (including any severance plans or policies) for which Transferred Employees may be eligible after Closing, Buyer shall ensure, to the extent permitted by applicable Law (including ERISA and the Code), that service with Seller and its affiliates shall be deemed to have been service with Buyer, (iv) Buyer shall cause its defined contribution plans to accept rollover contributions from the Transferred Employees of any account balances distributed to them by the Seller's defined contribution plan or any defined contribution plan of Seller's affiliates, and (v) Buyer shall allow the balance of any Transferred Employee's outstanding plan loan(s) to be transferred to the account of such Transferred Employee under Buyer's defined contribution plans. Such transfer and rollovers shall comply with applicable Law (including the terms of Buyer's defined contribution plan), and each party shall make all filings and take any actions required of such party by applicable Law in connection therewith. Subject to Buyer's obligation to accept the rollovers and transfers described herein, Seller shall be responsible for any action necessary to terminate or partially terminate its defined contribution plan and pay all costs associated with such termination or partial termination.

5.12 **Severance Benefit Agreements.** Seller has entered into a severance benefit agreement with each of Seller's employees, and for the respective amounts, as are set forth on Schedule 5.12, with such agreements to contain substantially the same terms and conditions as contained in the form of severance benefit agreement attached as **Exhibit 5.12** to this Agreement. At the Closing, Buyer shall assume the severance benefit agreements with each of Seller's employees, and for the respective amounts, set forth on Schedule 5.12.

5.13 **Multi-Station Contracts.** Schedule 5.13 contains a list as of the date hereof of Station Contracts which apply to the Stations and to WAAY-TV or under which WAAY-TV, or Huntsville Broadcast Corporation or WAAY TV License, LLC, in each case as owner of the assets of WAAY-TV, has any rights or obligations (each such contract or agreement, a "Multi-Station Contract"). The rights and obligations under the Multi-Station Contracts that are assigned to and assumed by Buyer (and included in the Station Assets or Assumed Obligations, as the case may be) shall include only those rights and obligations under such Multi-Station Contracts that are applicable to the Stations. The rights of WAAY-TV with respect to such contract or agreement and the obligations of WAAY-TV to such contract or agreement shall not be assigned to and assumed by Buyer (and shall be Excluded Assets and Retained Liabilities, as applicable as set forth in Section 1.2(b)(iii)). For purposes of determining the scope of the rights and obligations under the Multi-Station Contracts, the rights and obligations under each Multi-Station Contract shall be equitably allocated among (1) the Stations, on the one hand and (2) WAAY-TV on the other hand, in accordance with the following equitable allocation principals:

- (a) any allocation set forth in the Multi-Station Contract shall control;

(b) if there is no allocation in the Multi-Station Contract as described in clause (a) hereof, then any reasonable allocation previously made by the Seller or Calkins Media Incorporated in the ordinary course of business shall control;

(c) if there is no reasonable allocation as described in clause (b) hereof, then the reasonable allocation (to be determined by mutual good faith agreement of the Seller and Buyer) shall control, subject to the terms of the applicable Multi-Station Contract.

Subject to any applicable third-party consents, such allocation and assignment with respect to any Multi-Station Contract shall be effectuated, at the election of the Seller, by termination of such Multi-Station Contract in its entirety with respect to the Station and the simultaneous execution of new contracts by the appropriate parties with respect to the Station or by an assignment to and assumption by Buyer of the related rights and obligations under such Multi-Station Contract. The parties shall use commercially reasonable efforts to obtain any such new contracts or assignments to, and assumptions by, Buyer in accordance with this Section 5.13; provided, that, completion of documentation of any such allocation under this Section 5.13 is not a condition to Closing.

5.14 **Alabama Purchase Agreement.** Simultaneously with the execution of this Agreement, Seller is executing the WAAY Purchase Agreement with the buyer listed therein. Seller hereby covenants and agrees it will comply with its covenants and obligations set forth therein and will not consent to any amendment to the WAAY Purchase Agreement without the prior written consent of Buyer, such consent not to be unreasonably withheld, conditioned or delayed.

Seller may update Schedules 2.15 (Litigation) and 2.17 (Absence of Certain Developments) at any time prior to the Closing Date; provided that Buyer shall not be obligated to consummate the Closing hereunder if any such update discloses facts or circumstances which have had or could reasonably be expected to have a Material Adverse Effect.

(b) The covenants and agreements to be complied with and performed by Seller at or prior to Closing shall have been complied with or performed in all material respects.

Such Title Policies shall not be subject to or contain any conditions, requirements or exceptions, except for Permitted Real Property Encumbrances.

ARTICLE 9 SURVIVAL; INDEMNIFICATION

9.1 **Survival.**

(a) Except as set forth in Section 9.1(b), the representations and warranties in this Agreement shall survive Closing until the Final Release Date whereupon they shall expire and be of no further force or effect, except that if within such period the indemnified party gives the indemnifying party written notice of a claim for breach thereof describing in reasonable detail the nature and basis of such claim (to the extent practicable), then such representation and warranty shall survive until the resolution of such claim. The covenants in this Agreement shall survive Closing until performed; provided that the covenants of the parties to be complied with at or prior to the Closing shall survive only until the Final Release Date whereupon they shall expire and be of no further force or effect, except that if within such period the indemnified party gives the indemnifying party written notice of a claim for breach thereof describing in reasonable detail the nature and basis of such claim (to the extent practicable), then such covenant shall survive until the resolution of such claim.

(b) The representations, warranties and obligations in Section 2.6 (Taxes) and in Section 5.9 (Tax, Accounting and Other Matters) shall survive the Closing until ninety (90) days following the expiration of the applicable statute of limitations with respect to the particular matter that is the subject matter thereof, except that if within such period the indemnified party gives the indemnifying party written notice of a claim for breach thereof describing in reasonable detail the nature and basis of such claim (to the extent practicable), then such representations and warranties shall survive until the resolution of such claim. The representations and warranties contained in Section 2.10 (Environmental) and Section 5.4(c) (Risk of Loss; Repacking Financial Risk) shall survive Closing for a period of forty-eight (48) months from the Closing Date, except that if within such period the indemnified party gives the indemnifying party written notice of a claim for breach thereof describing in reasonable detail the nature and basis of such claim (to the extent practicable), then such representation and warranty shall survive until the resolution of

such claim. The representations and warranties contained in Sections 2.1 (Organization) and 2.2 (Authorization) shall survive the Closing indefinitely.

9.2 Indemnification.

(a) Subject to Sections 9.1 and 9.2(b), from and after Closing, Seller shall defend, indemnify and hold harmless Buyer from and against any and all losses, costs, damages, liabilities and expenses, including without limitation reasonable attorneys' fees and expenses ("Damages"), incurred by Buyer arising out of or resulting from:

(i) any breach by Seller of its representations and warranties made under this Agreement; or

(ii) any default by Seller of any covenant or agreement made under this Agreement; or

(iii) the Retained Obligations; or

(iv) the operation of the Stations' business before the Effective Time, except for the Assumed Obligations; or

(v) any Transfer Taxes for which Seller is liable pursuant to Section 11.1.

(b) Notwithstanding the foregoing or anything else herein to the contrary, after Closing, (i) Seller shall have no liability to Buyer under Section 9.2(a)(i) until Buyer's aggregate Damages exceed the applicable Deductible, in which case, Seller shall be required to pay to Buyer the amount of all such Damages in excess of the Deductible, (ii) with respect to Damages arising out of or resulting from Section 9.2(a)(i) (except as otherwise provided in Section 9.2(b)(iii) below), the maximum liability of Seller shall be an amount equal to the applicable Cap and (iii) with respect to Damages arising out of or resulting from Section 9.2(a)(i) for any breach of representations and warranties under Section 2.1 (Organization), Section 2.2 (Authorization), Section 2.6 (Taxes), Section 5.4(c) (Risk of Loss; Repacking Financial Risk), Section 5.9 (Tax, Accounting and Other Matters) and, solely as such representations relate to title, Sections 2.7 (Personal Property), 2.8 (Real Property) and 2.11 (Intangible Property), the maximum liability of Seller shall be an amount equal to the Purchase Price. The definitions of Deductible and Cap shall be governed by the terms of that certain Tri-Party Agreement attached hereto as **Exhibit** _____ and executed simultaneously herewith.

(c) From and after Closing, Buyer shall defend, indemnify and hold harmless Seller from and against any and all Damages incurred by Seller arising out of or resulting from:

(i) any breach by Buyer of its representations and warranties made under this Agreement; or

(ii) any default by Buyer of any covenant or agreement made under this Agreement; or

- (iii) the Assumed Obligations; or
- (iv) the operation of the Stations' business after the Effective Time, except for the Retained Obligations; or

(v) any Transfer Taxes for which Buyer is liable pursuant to Section 11.1.

(d) For purposes of determining the failure of any representations or warranties to be true and correct and calculating Damages hereunder any materiality or knowledge qualifications in the representations and warranties shall be disregarded.

9.3 **Procedures.**

(a) The indemnified party shall give prompt written notice to the indemnifying party of any demand, suit, claim or assertion of liability by third parties that is subject to indemnification hereunder (a "Claim"), but a failure to give such notice or delaying such notice shall not affect the indemnified party's rights or the indemnifying party's obligations except to the extent the indemnifying party's ability to remedy, contest, defend or settle with respect to such Claim is thereby prejudiced and provided that such notice is given within the time period described in Section 9.1.

(b) The indemnifying party shall have the right to undertake the defense or opposition to such Claim with counsel selected by it (such counsel to be reasonably acceptable to the indemnified party). In the event that the indemnifying party does not undertake such defense or opposition in a timely manner (to be no less than thirty (30) days unless earlier action is required), the indemnified party may undertake the defense, opposition, compromise or settlement of such Claim with counsel selected by it at the indemnifying party's cost (subject to the right of the indemnifying party to assume defense of or opposition to such Claim at any time prior to settlement, compromise or final determination thereof, but only to the extent that such assumption does not adversely affect the defense of or opposition to such Claim).

(c) Anything herein to the contrary notwithstanding:

(i) the indemnified party shall have the right, at its own cost and expense, to participate in the defense, opposition, compromise or settlement of the Claim;

(ii) the indemnifying party shall not, without the indemnified party's written consent, settle or compromise any Claim or consent to entry of any judgment which does not include the giving by the claimant to the indemnified party of a release from all liability in respect of such Claim; and

(iii) in the event that the indemnifying party undertakes defense of or opposition to any Claim, the indemnified party, by counsel or other representative of its own choosing and at its sole cost and expense, shall have the right to consult with the indemnifying party and its counsel concerning such Claim and the indemnifying party and the indemnified party and their respective counsel shall cooperate in good faith with respect to such Claim.

(d) Notwithstanding anything herein to the contrary, Buyer shall have no right to any indemnification under this Article 9 (i) for any matter to the extent such matter was reflected in the calculation of the Adjustment Amount or (ii) resulting from or relating to any inaccuracy in or breach of any representation or warranty in this Agreement if Buyer had knowledge of such breach before the Closing Date, regardless of whether such knowledge was obtained through Buyer's own investigation or through disclosure by Seller, its affiliates or another person, and regardless of whether such knowledge was obtained before or after the execution and delivery of this Agreement.

(e) Seller and Buyer agree to treat any indemnity payment made pursuant to this Article 9 as an adjustment to the Purchase Price for all income Tax purposes.

9.4 **Exclusive Remedy.** From and after the Closing, the right to indemnification and other rights under this Article 9 shall constitute Buyer's (and its affiliates) and Seller's (and its affiliates) sole and exclusive remedies with respect to any and all claims arising under or relating to this Agreement, any agreement or document executed and delivered pursuant to this Agreement, or the transactions contemplated by this Agreement other than any claim for fraud, claims under Section 1.7 and any claims under Section 1.5 or the terms of the Escrow Agreement.

9.5 **Limitations on Liability.** Notwithstanding anything in this Agreement to the contrary, neither party shall have any liability to the other party under any circumstances for any special, indirect, consequential, punitive, or exemplary damages, or lost profits, diminution in value, or any damages based on any type of multiple.

ARTICLE 10 TERMINATION AND REMEDIES

10.1 **Termination.** Subject to Section 10.3, this Agreement may be terminated prior to Closing as follows:

- (a) by mutual written consent of Buyer and Seller;
- (b) by written notice of Buyer to Seller if Seller breaches its representations or warranties or defaults in the performance of its covenants contained in this Agreement or the WAAY Purchase Agreement such that the conditions set forth in Section 7.1 would not be satisfied on the Closing Date and such breach or default has not been cured within the Cure Period (defined below) or waived by Buyer;
- (c) by written notice of Seller to Buyer if Buyer breaches its representations or warranties or defaults in the performance of its covenants contained in this Agreement such that the conditions set forth in Section 6.1 would not be satisfied on the Closing Date and such breach or default not cured within the Cure Period or waived by Seller;
- (d) by Seller or Buyer, at such party's option, at any time after receipt of definitive notice from the FCC that the FCC Applications with respect to the Stations have been denied and such denial has become a Final Order;

(e) by either Buyer or Seller, upon written notice to the other, if there shall be in effect a final, non-appealable order of a court or government administrative agency of competent jurisdiction prohibiting the consummation of the transactions contemplated hereby;

(f) by written notice of Buyer to Seller if Seller delivers a Phase II Denial Notice pursuant to Section 5.5, provided such termination notice is delivered within ten (10) days of delivery of the Phase II Denial Notice;

(g) by written notice of Buyer to Seller if Seller does not hold all of the main station digital television station licenses listed on Schedule 1.2(a)(i) or Schedule 1.2(d);

(h) by written notice of Seller to Buyer within 10 days after the termination of the WAAY Purchase Agreement; provided, however, failure to so notify Buyer of a termination of that Agreement within such 10 day period shall be deemed a waiver of such condition set forth in Section 6.4; or

(i) by written notice of Seller to Buyer or Buyer to Seller if Closing does not occur by September 30, 2017 (the "Outside Date").

10.2 Cure Period. Each party shall give the other party prompt written notice upon learning of any non-monetary breach or default by the other party under this Agreement. The term "Cure Period" as used herein means a period commencing on the date Buyer or Seller receives from the other written notice of breach or default hereunder and continuing until the earlier of (a) thirty (30) calendar days thereafter or (b) five (5) business days after the scheduled Closing Date; provided, however, that if the non-monetary breach or default cannot reasonably be cured within such period but can be cured before the date five (5) business days after the scheduled Closing Date, and if diligent efforts to cure promptly commence, then the Cure Period shall continue as long as such diligent efforts to cure continue, but not beyond the date five (5) business days after the scheduled Closing Date.

10.3 Effect of Termination. Neither party may terminate under Section 10.1 if it is then in material default under this Agreement and Seller may not terminate under Section 10.1 if it is then in material default under the WAAY Purchase Agreement. Subject to Section 1.5 and Section 10.4, if this Agreement is terminated as permitted by Section 10.1, such termination shall be without liability of any party hereto (or any stockholder, director, officer, employee, agent, consultant or representative of such party) to any other party to this Agreement; provided, however, the termination of this Agreement shall not relieve any party of any liability for willful breach or default under this Agreement prior to the date of termination. Notwithstanding anything contained herein to the contrary, Sections 5.1 (Confidentiality), and ARTICLE 11 shall survive any termination of this Agreement.

10.4 Termination Fee. In the event (i) Buyer terminates this Agreement pursuant to Section 10.1(g) or (ii) Seller terminates this Agreement pursuant to Section 10.1(h) where Seller is obligated to pay the termination fee set forth in Section 10.4 of the WAAY Purchase Agreement as a result of a termination of such agreement pursuant to Section 10.1(g) thereof, then in either such case, Seller shall pay Buyer Eight Million Three Hundred Fifty Thousand and No/100 Dollars (\$8,350,000.00).

ARTICLE 11
MISCELLANEOUS

11.1 **Expenses.** Except as provided in the agreement listed on Schedule 11.1, each party shall be solely responsible for all costs and expenses incurred by it in connection with the negotiation, preparation and performance of and compliance with the terms of this Agreement. All governmental fees and charges applicable to any requests for Governmental Consents shall be paid one-half by Buyer and one-half by Seller, except as provided in the immediately preceding sentence. In addition, Buyer and Seller shall each pay one-half of all Transfer Taxes arising out of, in connection with or attributable to the transfer of the Station Assets under this Agreement. Each party is separately responsible for any commission, brokerage fee, advisory fee or other similar payment that arises as a result of any agreement or action of it or any party acting on its behalf in connection with this Agreement or the transactions contemplated hereby

11.2 **Further Assurances.** After Closing, each party shall from time to time, at the request of and without further cost or expense to the other, execute and deliver such other instruments of conveyance and assumption and take such other actions as may reasonably be requested in order to more effectively consummate the transactions contemplated hereby.

11.3 **Assignment.** No party may assign this Agreement without the prior written consent of the other party hereto. The terms of this Agreement shall bind and inure to the benefit of the parties' respective successors and any permitted assigns, and no assignment shall relieve any party of any obligation or liability under this Agreement.

11.5 **Entire Agreement.** This Agreement, inclusive of the Schedules and Exhibits hereto and the Tri-Party Agreement, constitutes the entire agreement and understanding among the parties hereto with respect to the subject matter hereof, and supersedes all prior agreements and understandings with respect to the subject matter hereof, except for the agreements listed on Schedule 11.5, which shall remain in full force and effect. No party makes any representation or warranty with respect to the transactions contemplated by this Agreement except as expressly set forth in this Agreement. Without limiting the generality of the foregoing, Seller makes no representation or warranty to Buyer with respect to any projections, budgets or other estimates of the Stations' business revenues, expenses or results of operations, or, except as expressly set forth in Article 2, any other financial or other information made available to Buyer with respect to the Stations' business.

11.6 **No Other Representations and Warranties.** Except for the representations and warranties contained in Article 2 (including the related portions of the Schedules attached hereto), Seller has not made any other express or implied representation or warranty, either written or oral. **EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES EXPRESSLY SET FORTH IN ARTICLE 2 (INCLUDING THE RELATED PORTIONS**

OF THE SCHEDULES ATTACHED HERETO), SELLER HEREBY EXPRESSLY DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES OF ANY KIND OR NATURE WHATSOEVER AND ALL WARRANTIES OF TITLE, POSSESSION, QUIET ENJOYMENT, MERCHANTABILITY, QUALITY, FITNESS FOR A PARTICULAR PURPOSE, OR THE LIKE. To the extent Seller becomes aware of any untruth of any representation or warranty of Seller expressly set forth in Article 2 prior to the Closing, Seller shall notify Buyer of such untruth.

11.7 **Severability**. If any court or governmental authority holds any provision in this Agreement invalid, illegal or unenforceable under any applicable Law, then, so long as no party is deprived of the benefits of this Agreement in any material respect, this Agreement shall be construed with the invalid, illegal or unenforceable provision deleted and the validity, legality and enforceability of the remaining provisions contained herein shall not be affected or impaired thereby.

11.8 **No Beneficiaries**. Nothing in this Agreement expressed or implied is intended or shall be construed to give any rights to any person or entity other than the parties hereto and their successors and permitted assigns..

11.9 **Governing Law**. The construction and performance of this Agreement shall be governed by the laws of the State of Delaware without giving effect to the choice of law provisions thereof. The exclusive forum for the resolution of any disputes arising hereunder shall be the state courts located in Wilmington, Delaware, and each party irrevocably waives the reference of an inconvenient forum to the maintenance of any such action or proceeding.

11.10 **Waiver of Compliance; Consents**. The rights and remedies of the parties are cumulative and not alternative and may be exercised concurrently or separately. No failure or delay by any party in exercising any right, power, or privilege under this Agreement shall operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege shall preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. To the maximum extent permitted by applicable Law, (a) no claim or right arising out of this Agreement can be discharged by one party, in whole or in part, by a waiver or renunciation of the claim or right unless it is in writing and signed by the other party; (b) no waiver that may be given by a party shall be applicable except in the specific instance for which it is given; and (c) no notice to or demand on one party shall be deemed to be a waiver of any obligation of such party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement. Any consent required or permitted by this Agreement is binding only if in writing.

11.11 **Neutral Construction**. Buyer and Seller agree that this Agreement was negotiated at arms-length and that the final terms hereof are the product of the parties' negotiations. This Agreement shall be deemed to have been jointly and equally drafted by Buyer and Seller, and the provisions hereof should not be construed against a party on the grounds that the party drafted or was more responsible for drafting the provision.

11.12 **Cooperation.** After Closing, Buyer shall cooperate with Seller in the investigation, defense or prosecution of any action which is pending or threatened against Seller or its affiliates with respect to the Stations' business, whether or not any party has notified the other of a claim for indemnity with respect to such matter. Without limiting the generality of the foregoing, Buyer shall make available employees to give depositions or testimony and shall furnish all documentary or other evidence that Seller may reasonably request. Seller shall reimburse Buyer for all reasonable and necessary out-of-pocket expenses incurred in connection with the performance of its obligations under this Section 11.12.

11.13 **Not Binding Until Executed.** Neither this Agreement, nor any of the terms and provisions hereof, shall be binding upon or enforceable against any party hereto unless and until this Agreement is executed by the parties hereto.

11.14 **Counterparts.** This Agreement may be executed in separate counterparts, each of which will be deemed an original and all of which together will constitute one and the same agreement.

11.15 **WAIVER OF JURY TRIAL.** EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY, INCLUDING ANY COUNTERCLAIM MADE IN ANY SUCH ACTION OR PROCEEDING, AND AGREE THAT ANY SUCH ACTION OR PROCEEDING SHALL BE DECIDED SOLELY BY A JUDGE. Buyer and Seller hereby acknowledge that they have each been represented by counsel in the negotiation, execution and delivery of this Agreement and that their lawyers have fully explained the meaning of the Agreement.

11.16 **Guaranty.** Guarantor, for itself and its successors and assigns, hereby absolutely, unconditionally and irrevocably guarantees, as a principal obligor, and not merely as a surety, the due and punctual payment, performance and observance by Buyer of the obligations of Buyer under this Agreement, including the payment and indemnification obligations of Buyer hereunder (referred to collectively as the "Obligations"), and all costs and expenses incurred by Seller in enforcing the Obligations, whether or not suit is instituted. Guarantor hereby further agrees to be bound by Sections 11.7, 11.9, 11.10, 11.11, 11.14, 11.15 and 11.17 of this Agreement. This Section 11.16 shall be a continuing guaranty of the Obligations. Nothing except the full performance and indefeasible payments in full, in cash, of the Obligations shall release Guarantor from this guaranty. To the fullest extent permitted by applicable Law, the obligations of Guarantor hereunder shall not be affected by (a) the failure of a party to assert any claim or demand or to enforce any right or remedy against Buyer pursuant to the provisions of this Agreement or otherwise or (b) any change in the existence (corporate or otherwise) of Buyer or Guarantor or any insolvency, bankruptcy, reorganization or similar proceeding affecting any of them or their assets. Guarantor acknowledges that it will receive direct and indirect benefits from the execution and delivery of this Agreement and the transactions contemplated hereby and that the guaranty and waivers set forth in this Section 11.16 are knowingly made in contemplation of such benefits. Guarantor hereby represents and warrants to Seller as follows: (i) the execution, delivery, and performance of this Agreement by Guarantor have been duly authorized by all necessary organizational action on the part of Guarantor; and (ii) this

Agreement has been duly executed and delivered by Guarantor and constitutes the legal, valid, and binding obligation of Guarantor, enforceable against Guarantor in accordance with its terms. Guarantor further represents that it is contractually bound to deliver the Guarantor's Audit to its principal lender no later than March 30, 2017 and agrees to comply with and perform the covenants in Section 1.5.
