I, Alan G. Miller, Licensed Land Surveyor by the State of California hereby state that on July 23, 2002, a compass survey was made under my direction to determine the antenna azimuth of the directional FM antenna for KZSC, on the campus of the University of California at Santa Cruz, California to be installed at a true azimuth of 170°.

A handwritten signature in black ink, appearing to read 'Alan G. Miller'. The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
