**Assignee's Previously Qualified Noncommercial Educational Program**

Athabascan Fiddlers Association, Inc. ("AFA"), the proposed assignee of noncommercial educational radio stations KNNA-FM and KRLL-FM, has previously been granted broadcast applications by the Federal Communications Commission that found it qualified as a noncommercial educational (NCE) entity with a qualifying educational program. Upon assignment, AFA will use KNNA-FM and KRLL-FM to advance an educational program similar to that the FCC has found qualifying in connection with its other NCE-licensed radio stations.

As detailed in Exhibit 16 to this application, AFA is the existing licensee of noncommercial educational FM radio stations KRFF, Fairbanks, Alaska and KTKF, Tok, Alaska. The mission of the AFA stations is to share, perpetuate, and preserve Athabascan culture, tradition, and values through preservation, documentation and education. The stations also offer an outlet to expand upon AFA's current reach, establishing a sustainable, culturally-focused, public radio presence in Alaska's Interior and in support of the Interior's indigenous people. Utilizing the airwaves, AFA broadcasts music and information, connecting people from all across Alaska's vast Interior region to share, perpetuate and preserve Athabascan culture and traditions.

AFA certifies that it is a non-profit entity, that its governing documents permit its advancement of an educational program, and that there is no provision in any of those documents that would restrict it from advancing an educational program or complying with any FCC rule, policy, or provision of the Communications Act of 1934, as amended.

As the existing licensee and operator of multiple NCE radio stations, AFA has demonstrated its commitment to, and capability of, providing educational radio broadcast programming, and plans to maintain such service with KNNA-FM and KRLL-FM. AFA plans to operate KNNA-FM and KRLL-FM in connection with its existing stations, and to continue to provide noncommercial cultural and informational programming to address issues of concern and interest to residents in its listening areas.

Attached is a completed Section II of the FCC's NCE Form 340.
