Dear Ms. Goldman:

This letter concerns the request you filed on June 6, 2018, on behalf of Shaw University (SU), for Special Temporary Authority (STA) to permit FM Translator Station W272DD to remain silent.

SU's request states that Station W272DD went silent on January 1, 2018, for financial reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.¹

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.⁴

Finally, Section 73.1740(a)(4) of the Commission's Rules permits licensees to temporarily discontinue operations for good cause, and for a period not to exceed 30 days without further authority.⁵ This rule requires that the licensee notify the Commission by letter not later than the 10th day of limited or discontinued operations, and requires a licensee to seek Commission authorization for any period of limited or discontinued operations exceeding 30 days. SU failed to submit a timely request for an STA to
