(c) Intellectual property and intangible property rights and interests issued to or owned by Seller and used or useful in the business and operations of the Station;

(d) Each contract and lease agreement listed on Schedule 1.1(d) hereto and any other contract entered into by Seller between the date of this Agreement and the Closing Date that Buyer agrees in writing to assume (the “**Contracts**”); and

(e) The tangible personal property used or held for use in the operation of the Station, including that listed on Schedule 1.1(e) hereto (the “**Tangible Personal Property**”), including all of Seller’s right, title and interest in and to all service agreements, maintenance agreements and express and implied warranties of third parties that are transferable and continue in effect following the Closing with respect to the Tangible Personal Property.

(f) All of Seller’s right, title and interest in and to the real property leased by Seller for use in the operation of the Station as described in Schedule 1.1(f) hereto (the “**Leased Real Property**”). The lease agreement covering the Leased Real Property listed on Schedule 1.1(f) and is considered Contracts hereunder.

Notwithstanding the foregoing, the following properties and assets of Seller shall be retained by Seller and shall not be included within the meaning of the term “Assets”: cash or cash equivalents; records of Seller relating to tax matters and corporate or limited liability company matters, as applicable; insurance policies and rights and claims thereunder; accounts receivable; and all claims, rights and interest in and to any refunds for federal, state or local income or other taxes or fees of any nature whatsoever for periods prior to the Closing Date.

1.2 Purchase Price. The purchase price for the Assets shall be Four Hundred Twenty Thousand Dollars (\$420,000.00) payable in cash (the “**Purchase Price**”).

1.3 Deposit. Concurrently with the execution of this Agreement, Buyer shall deliver to Escrow Agent a deposit in the amount of Ten Thousand Dollars (\$10,000.00) by federal wire transfer of immediately available funds pursuant to wire instructions provided by Seller (the "Initial Deposit") to be held pursuant to the terms of the Escrow Agreement, attached as Exhibit A. At Closing, pursuant to joint written instructions from Seller and Buyer, Escrow Agent shall deliver the Deposit to Seller and shall be credited as a partial payment of the Purchase Price. In the event Buyer shall fail or refuse to perform its obligations to close hereunder or Buyer is otherwise in material breach of its obligations hereunder, Seller

All revenue and all expenses relating to the Station, including rent, business and license fees, utility charges, real and personal property taxes and assessments levied against the Assets, annual regulatory fees imposed by the FCC, and similar prepaid and deferred items, shall be prorated between Buyer and Seller in accordance with Generally Accepted Accounting Principles and the principle that Seller shall be entitled to all revenue and shall be responsible for all expenses, costs, and obligations allocable to the period prior to the Closing Date and Buyer shall be entitled to all revenue and shall be responsible for all expenses, costs, and obligations allocable to the period on and after the Closing Date. Seller and Buyer shall cooperate and use commercially reasonable efforts to agree upon such prorations as soon as practicable prior to the Closing Date. Any adjustment to the Purchase Price pursuant to this Section 1.5 will, insofar as feasible, be determined and paid on the Closing Date, with final settlement and payment by the appropriate party no later than sixty (60) days following the Closing Date.

1.6 Assignment and Assumption. As of the Closing Date, Seller shall assign and Buyer shall assume and undertake to pay, discharge, and perform all obligations and liabilities of Seller with respect to the Assets insofar as they relate to the time on and after the Closing Date. Without limiting the generality of the foregoing, Seller shall assign and Buyer shall assume and perform all obligations on and after the Closing Date under the Contracts assumed by Buyer. Buyer shall not assume any other obligations or liabilities of Seller.

SECTION 2. REPRESENTATIONS AND WARRANTIES OF SELLER

Seller represents and warrants to Buyer as follows:

2.1 Organization, Standing and Authority. Seller is a limited liability company duly organized and validly existing under the laws of the State of Florida. Subject to the provisions of Section 4.1 below, this Agreement constitutes the legal, valid, and binding obligation of Seller, enforceable against Seller in accordance with its terms, except as the enforceability of this Agreement may be affected by bankruptcy, insolvency, or similar laws affecting creditors' rights generally and by judicial discretion in the enforcement of equitable remedies.

Subject to obtaining the consent described in Section 4.1 and the consent of the FCC to assign the FCC Authorizations from Seller to Buyer (or an affiliate or subsidiary of Buyer owned and controlled by Harvey Budd and designated by Buyer) (the "**FCC Consent**"), and subject to obtaining the consent of parties to the Contracts where required under such Contracts, the execution, delivery and the performance of this Agreement and the documents contemplated hereby (with or without the giving of notice, the lapse of time, or both): (i) will not conflict with, result in a breach of, or constitute a default under, any law, judgment, order, ordinance, injunction, decree, rule, regulation, or ruling of any court or governmental instrumentality with jurisdiction over Seller; (ii) will not conflict with, constitute grounds for termination of, result in a breach of, constitute a default under, or accelerate or permit the acceleration of any performance required by the terms of, any agreement, instrument, license, or permit to which Seller is a party or by which Seller may be bound; and (iii) will not create any claim, liability, mortgage, lien, pledge, condition, charge, or encumbrance of any nature whatsoever upon the Assets.

The FCC Authorizations listed in Schedule 1.1(a) have been validly issued and are in full force and effect, and Seller is the authorized legal holder thereof. There are no other material permits, licenses or authorizations that have been issued by any governmental agency relating to the Station. The FCC Authorizations comprises all of the authorizations required by the FCC for the operation of the Station as it is currently operated. Except as specified in the following sentence, the FCC Authorizations are not subject to any restriction or condition that would limit Buyer's ability to operate the Station as authorized on the face of the FCC Authorizations. There is not pending or, to Seller's knowledge, threatened any action by the FCC to revoke, cancel, rescind, modify or refuse to renew in the ordinary course the FCC Authorizations.

2.5 Consents. 2.7 Tangible Personal Property. Except as otherwise described in Schedule 1.1(e), Seller has good title to each item of Tangible Personal Property, and none of the Tangible Personal Property is subject to any security interest, mortgage, pledge, conditional sales agreement, or other lien or encumbrance, except for liens set forth on Schedule 1.1(e) hereto. The Tangible Personal Property is all of the tangible personal property necessary to operate the Station's analog facility. All items of Tangible Personal Property are in good operating condition.

Seller has good and valid leasehold interests in all such properties held by Seller under lease. The Leased Real Property constitutes all of the real property used or held for use in the operation of the Station. Seller is not in breach of or in default under, nor has any event occurred which (with or without the giving of notice or the passage of time or both) would constitute a default by Seller under such lease. To the knowledge of Seller, none of the lessors under any of such leases is in breach thereof or in default thereunder. Seller has full right and power to occupy or possess, as the case may be, all the property covered by each such lease.

2.10 Environmental Matters.

(a) Seller has received no written notice of any investigation or inquiry by any governmental entity under any Applicable Environmental Laws (as defined below) relating to the ownership or operation of the Assets or the Station and (i) Seller has not disposed of any hazardous material (as defined below) on any of the Assets, and (ii) no condition exists on any of the Assets which would subject Seller or the Assets to any remedial obligations under any Applicable Environmental Laws.

(b) For purposes of this Agreement, "Applicable Environmental Laws" means any and all Applicable Laws pertaining to health, safety, or the environment in effect in any and all jurisdictions in which the Assets are located or in which Seller has conducted operations of the Station, including, without limitation, the Clean Air Act, as amended, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, the Rivers and Harbors Act of 1899, as amended, the Federal Water Pollution Control Act, as amended, the Occupational Safety and Health Act of 1970, as amended, the Resource Conservation and Recovery Act of 1976, as amended, the Safe Drinking Water Act, as amended, the Toxic Substances Control Act, as amended, the Superfund Amendments and Reauthorization Act of 1986, as amended, the Hazardous Materials Transportation Act, as amended, and other environmental conservation or protection laws. Seller knows of no matter which has not been disclosed to Buyer pursuant to this Agreement which has or, so far as Seller can now reasonably foresee, will have a material adverse effect on the Assets or the Station.

SECTION 3. REPRESENTATIONS AND WARRANTIES OF BUYER

3.2 Authorization and Binding Obligation. The execution, delivery, and performance of this Agreement by Buyer has been duly authorized by all necessary actions on the part of Buyer. This Agreement constitutes the legal, valid, and binding obligation of Buyer, enforceable against Buyer in accordance with its terms, except as the enforceability of this Agreement may

There are no suits, arbitrations, administrative charges or other legal proceedings, claims or governmental investigations pending against, or, to Buyer's knowledge, threatened against, Buyer relating to or affecting this Agreement or the transactions contemplated hereby, nor, to Buyer's knowledge, is there any basis for any such suit, arbitration, administrative charge, or other legal proceeding, claim or governmental investigation.

SECTION 4. COVENANTS PRIOR TO CLOSING

From the date hereof until the Closing:

4.1 Bankruptcy Proceeding. Harry J. Pappas ("HJP"), the Sole Managing Member and majority equity holder of Seller is a Debtor in Possession in a Chapter 11 Bankruptcy Proceeding pending in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") pursuant to Chapter 11 of the United States Bankruptcy Code. HJP's Chapter 11 case is being administered under Case No. 08-10949 (PJW) ("Bankruptcy Proceeding"). Promptly following the execution of this Agreement (and so as to be scheduled for a hearing on November 20, 2008 or such other date as established by the Bankruptcy Court), HJP shall file a motion (the "Sale Motion") requesting the entry of an order from the Bankruptcy Court approving the sale of the Station to Buyer subject to higher and better offers (each a "Higher and Better Offer") and authorizing HJP on behalf of Seller to enter into this Agreement or an agreement for a Higher and Better Offer (the "Sale Order"). Following the filing of the Sale Motion, HJP shall use reasonable efforts to obtain approval of the Sale Order. The Sale Order shall be in form and substance reasonably satisfactory to Buyer. In the event that Buyer submits the highest and best offer, the Sale Order shall: (i) approve the sale of the Station to

Buyer on the terms and conditions set forth in this Agreement and authorize Seller to take any actions necessary to consummate the Sale; (ii) include a specific finding that Buyer is a good faith purchaser of the Station entitled to the protections of 11 U.S.C. § 363(m);; and (iii) be a final and non-appealable order on or before April 15, 2009. Buyer has the right to proceed to closing prior to the Sale Order becoming a final and non-appealable order. HJP shall present evidence at any hearing on the Sale Motion regarding Seller's marketing efforts, the arms' length of the transaction, and the fairness and reasonableness of the Purchase Price. Pending resolution of the Sale Motion, neither Seller nor HJP shall undertake any further efforts to market the Station; provided, however, that nothing herein shall preclude HJP or the Seller from responding to inquiries from potential bidders in respect of the Station.

4.2 Tower Site Lease. Both Seller and Buyer agree to use their best efforts to obtain the agreement of the Lessor (Pinnacle Tower Inc.) to the termination of the tower lease referenced in Schedule 1.1(d) and dated February 22, 2001(the "Pinnacle Lease") as of or on the Closing Date. In the event that the parties should fail to obtain such termination, from Pinnacle Tower Inc., then Seller and Buyer agree that they shall each be responsible for one half of the expenses under the lease for the period from the Closing Date to the termination of the lease.

4.3 Restrictions on Certain Actions. Seller shall not cause or permit, by any act or failure to act, the FCC Authorizations to expire or to be revoked, suspended, or modified, or take any action that could cause the FCC or any other governmental authority to institute proceedings for the suspension, revocation, or adverse modification of the FCC Authorizations. Seller shall not waive any material right relating to the Assets or the Station. Except in the ordinary course of business, Seller shall not mortgage or pledge any of the Assets or create or suffer to exist any encumbrance thereon; sell, lease, transfer or otherwise dispose of, directly or indirectly, any of the Assets other than items that are replaced prior to the Closing Date with items of comparable or superior value and utility in the operation of the Station; amend, modify or change any existing material lease, contract, permit or agreement relating to the Station or the Assets, other than in the Ordinary Course of Business consistent with past practice and except as specifically provided for herein or as may be required by order or regulation of the FCC; or acquire or enter into any new agreement or contract which will bind the Station beyond the Closing except as specifically provided for herein.

4.4 Notifications. Seller shall promptly notify Buyer in writing of any unusual or material developments with respect to the Assets or the Station, and of any material change in any of the information contained in Seller's representations and warranties contained in Section 2 of this Agreement. Buyer shall promptly notify Seller in writing of any material change in any of the information contained in Buyer's representations and warranties contained in Section 3 of this Agreement.

4.5 No Inconsistent Action. Neither Seller nor Buyer shall take any action that is inconsistent with their respective obligations under this Agreement or that could hinder or delay the consummation of the transactions contemplated by this Agreement.

4.6 Access. Subject to Section 10.10 of this Agreement, Buyer shall have the right, itself or through its representatives, during normal business hours and after reasonable written notice to Seller, to inspect the Assets and Seller's records relating to the Station, including,

without limitation, applications and reports to the FCC, and Seller shall furnish Buyer with such information respecting the Assets as Buyer may, from time to time, reasonably request.

SECTION 5. FCC CONSENT

5.1 The assignment of the FCC Authorizations pursuant to this Agreement shall be subject to the prior consent and approval of the FCC. Seller and Buyer shall promptly prepare an application for assignment of the FCC Authorizations from Seller to Buyer (or an affiliate or subsidiary of Buyer) (the “**Assignment Application**”) and shall file the Assignment Application with the FCC within five (5) business days of the execution of this Agreement. The parties shall prosecute the Assignment Application with all reasonable diligence and otherwise use their reasonable commercial efforts to obtain a grant of the application as expeditiously as practicable; provided, however, that no party shall be required to participate in a trial-type hearing or a judicial appeal in pursuit of a grant. Each party shall bear its own costs in connection with the preparation, filing, and prosecution of the Assignment Application, except that Buyer and Seller shall each pay one-half of the filing fees associated with the Assignment Application.

SECTION 6. CONDITIONS TO OBLIGATIONS OF BUYER AND SELLER AT CLOSING

6.1 Conditions to Obligations of Buyer. All obligations of Buyer at the Closing are subject at Buyer’s option to the fulfillment by Seller prior to or on the Closing Date of each of the following conditions:

Upon Buyer sending such written notice, Buyer shall immediately be entitled to the return of the Deposit.

(d) FCC Consent. The FCC Consent shall have been granted and shall have become a Final Order, and Seller shall have complied with any conditions imposed on it by the FCC Consent. “Final Order” means an action by the FCC that has not been reversed, stayed, enjoined, set aside, annulled, or suspended, and with respect to which no requests are pending for administrative or judicial review, reconsideration, appeal, or stay, and the time for filing any such requests and the time for the FCC to set aside the action on its own motion have expired.

(e) Governmental Authorizations. Seller shall be the holder of the FCC Authorizations for the Station, and there shall not have been any modification of the FCC

Authorizations that could have a material adverse effect on the operation of the Station as authorized in the FCC Authorizations. No proceeding shall be pending the effect of which could be to revoke, cancel, fail to renew, suspend, or modify adversely the FCC Authorizations.

(f) Consents. All Consents designated as “material” on Schedule 1.1(d) (the “**Material Consents**”) shall have been obtained and delivered to Buyer.

6.2 Conditions to Obligations of Seller. All obligations of Seller at the Closing are subject at Seller’s option to the fulfillment by Buyer prior to or on the Closing Date of each of the following conditions:

(a) Representations and Warranties. All representations and warranties of Buyer contained in this Agreement shall be true and complete in all material respects at and as of the Closing Date as though made at and as of that time.

(b) Covenants and Conditions. Buyer shall have performed and complied in all material respects with all covenants, agreements, and conditions required by this Agreement to be performed or complied with by Buyer prior to or on the Closing Date.

(c) Deliveries. Buyer shall stand ready to deliver to Seller on the Closing Date the Purchase Price, as adjusted, and appropriate assumption agreements pursuant to which Buyer shall assume and undertake to perform Seller’s obligations under the Assets as they relate to the time on or after the Closing Date.

(d) FCC Consent. The FCC Consent shall have been granted and shall have become a Final Order, and Buyer shall have complied with any conditions imposed on it by the FCC Consent.

(e) No Proceedings. There shall be no suit, action, claim, investigation, inquiry or proceeding instituted or threatened or an order, decree or judgment of any court, arbitrator, agency or governmental authority rendered which (i) questions the validity or legality of any transaction contemplated hereby, or (ii) seeks to enjoin any transaction contemplated hereby.

SECTION 7. CLOSING

Subject to the satisfaction or waiver of the conditions of Closing set forth in Sections 6.1 and 6.2, the Closing shall take place at 10:00 a.m. on a date, to be set by Buyer on at least five (5) business days' written notice to Seller, that is (i) not earlier than the fifth business day after the FCC Consent becomes a Final Order, and (ii) not later than April 15, 2009. The Closing shall be held by mail and facsimile if reasonably feasible, or otherwise at the offices of Seller's counsel in Arlington, Virginia.

SECTION 8. TERMINATION

8.1 Termination by Seller. This Agreement may be terminated by Seller and the purchase and sale of the Assets abandoned, if Seller is not then in material default, upon written notice to Buyer, upon the occurrence of any of the following:

(a) Conditions. If either the Initial Deposit or the Additional Deposit are not fully funded on the date provided for herein; or if, on the date that would otherwise be the Closing Date, Seller shall have notified Buyer in writing that one or more of the conditions precedent to the obligations of Seller set forth in this Agreement have not been satisfied by Buyer or waived in writing by Seller, and such conditions shall not have been satisfied by Buyer within twenty (20) days following such notice.

(b) Judgments. If there shall be in effect on the date that would otherwise be the Closing Date any judgment, decree, or order, not caused by Seller that would prevent or make unlawful the Closing.

(c) Upset Date. If the Closing shall not occurred by March 31, 2009.

(d) Breach. If Buyer has failed to cure any material breach of any of its representations, warranties or covenants under this Agreement within thirty (30) days after Buyer has received written notice of such breach from Seller.

8.2 Termination by Buyer. This Agreement may be terminated by Buyer and the purchase and sale of the Assets abandoned, if Buyer is not then in material default, upon written notice to Seller, upon the occurrence of any of the following:

(a) Conditions. If, on the date that would otherwise be the Closing Date, Buyer shall have notified Seller in writing that one or more of the conditions precedent to the obligations of Buyer set forth in this Agreement have not been satisfied by Seller or waived in writing by Buyer, and such conditions shall not have been satisfied by Seller within twenty (20) days following such notice.

(b) Judgments. If there shall be in effect on the date that would otherwise be the Closing Date any judgment, decree, or order, not caused by Buyer, that would prevent or make unlawful the Closing.

(c) Upset Date. If the Closing shall not have occurred by March 31, 2009.

(d) Breach. If Seller has failed to cure any material breach of any of its representations, warranties or covenants under this Agreement within thirty (30) days after Seller has received written notice of such breach from Buyer.

8.3 Rights on Termination. If this Agreement is terminated pursuant to Section 8.1 or 8.2 and neither party is in material breach of any provision of this Agreement, the parties hereto shall not have any further liability to each other with respect to the purchase and sale of the Assets. If this Agreement is terminated by Seller pursuant to Section 8.1(d), the parties hereto shall not have any further liability to each other with respect to the purchase and sale of the Assets, except as provided in Section 1.3 hereof. If this Agreement is terminated by Buyer due to the failure of the Bankruptcy Court to grant the Sale Order authorizing the sale of the Station to Buyer; the failure of the Sale Order to become a final, non-appealable order; or the issuance of a final, non-appealable Sale Order authorizing an unrelated third party to purchase the Station, then this Agreement shall terminate and Buyer shall be entitled to a return of the Deposit. If this Agreement is terminated by Buyer as a result of Seller's material breach of this Agreement, Buyer shall have all rights and remedies available at law or equity.

SECTION 9. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; INDEMNIFICATION; CERTAIN REMEDIES.

9.1 Representations and Warranties. All representations and warranties contained in this Agreement shall be deemed continuing representations and warranties and shall survive the Closing for a period of nine (9) months. Any investigations by or on behalf of any party hereto shall not constitute a waiver as to enforcement of any representation, warranty, or covenant contained in this Agreement. No notice or information delivered by either party shall affect the other party's right to rely on any representation or warranty made by such party or relieve such party of any obligations under this Agreement as the result of a breach of any of its representations and warranties.

9.2 Indemnification by Seller. Seller hereby agrees to indemnify and hold Buyer harmless against and with respect to, and shall reimburse Buyer for any and all losses, liabilities, or damages (including reasonable legal fees and expenses) resulting from any untrue representation, breach of warranty, or nonfulfillment of any covenant by Seller contained in this Agreement; or in any certificate, schedule, document, or instrument delivered to Buyer under this Agreement; or from claims arising from the operation of the Stations prior to the Closing.

9.3 Indemnification by Buyer. Buyer hereby agrees to indemnify and hold Seller harmless against and with respect to, and shall reimburse Seller for any and all losses, liabilities, or damages (including reasonable legal fees and expenses) resulting from any untrue representation, breach of warranty, or nonfulfillment of any covenant by Buyer contained in this Agreement; or in any certificate, schedule, document, or instrument delivered to Seller under this Agreement; or from claims arising from the operation of any of the Stations after Closing.

9.4 Limits on Indemnification. No indemnification shall be required to be made by either party hereto until the aggregate amount of all indemnification claims against such indemnifying party exceeds Twenty-Five Thousand Dollars (\$25,000.00). Notwithstanding anything to the contrary contained herein, in no event shall Seller's obligations for

indemnification under this Agreement exceed in the aggregate Forty Dollars (\$40,000.00) and Buyer hereby waives and releases any recourse against Seller for indemnification above Forty Thousand Dollars (\$40,000.00). The indemnification provisions in this Section 9 sets forth the exclusive remedies of the parties hereto following the Closing for a breach of a representation, warranty or covenant under this Agreement or any other claims relating to this Agreement.

9.5 Defense. With respect to claims made under Sections 9.2 or 9.3, the indemnified party must notify the indemnifying party of any third party claim promptly after learning of such claim and in time to permit the indemnifying party to assert a timely defense. An indemnifying party may not settle a third party claim without the consent of the indemnified party unless the settlement includes a complete release of the indemnified party from liability to the claimant.

9.6 Specific Performance. The parties recognize that, if Seller breaches this Agreement and refuse to perform under the provisions of this Agreement, monetary damages alone would not be adequate to compensate Buyer for its injury. Buyer shall therefore be entitled to obtain specific performance of the terms of this Agreement. If any action is brought by Buyer to enforce this Agreement, Seller shall waive the defense that there is an adequate remedy at law.

SECTION 10. MISCELLANEOUS.
