1.2 Excluded Assets. There shall be excluded from the Station Assets and, to the extent in existence on the Closing Date, retained by Seller, the following assets (the "Excluded Assets"):

(a) Insurance. Subject to Sections 1.1(c), (n) and (o), all contracts of insurance and all insurance plans and the assets thereof, together with all rights and claims thereunder.

(d) Transaction Documents. All rights of Seller, or any successor to Seller, pursuant to any Transaction Document.

1.3 Liabilities.

(a) Permitted Encumbrances. At the Closing, after the application of the Cash Purchase Price as may be required to repay the Existing Station Indebtedness, the Station Assets

shall be sold, assigned, transferred and conveyed to Buyer free and clear of all Liens (including all Liens which secure the repayment of Existing Station Indebtedness), other than (i) Liens for current taxes in respect of the Station and the Station Assets and other amounts which are not then due and payable and which arise by operation of law, (ii) Liens on the Station Assets which are in existence on the date of this Agreement, which do not secure indebtedness for borrowed money and which are identified on Schedule 1.3(a), (iii) Liens on the Station's assets arising by operation of law after the date of this Agreement and not securing indebtedness for borrowed money, and (iv) Liens on the Station Assets which, in the aggregate, would not be expected to have a Material Adverse Effect ((i) through (iv), the "Permitted Liens").

(b) Assumption of Liabilities Generally. Pursuant to the terms and subject to the conditions of this Agreement, at the Closing Seller shall sell, convey, transfer and assign to Buyer, and Buyer shall assume from Seller, only the Assumed Liabilities. "Assumed Liabilities" means the following (and only the following), and only to the extent not excluded pursuant to Section 1.3(c):

(i) trade accounts payable of the Station Business for the purchase of goods and services, in each case only to the extent related to the Station Business and incurred in the ordinary course of business and consistent with Standard Practices; and

(ii) liabilities, obligations and commitments under the Assumed Contracts accruing with respect to the period commencing after the Closing Date or the Transfer Date (if consent to assignment thereof is required) (excluding, however, any liability or obligation arising from or relating to the performance or non-performance thereof on or prior to the Closing Date or the Transfer Date (if consent to assignment thereof is required)).

Notwithstanding anything herein to the contrary, in no event shall Buyer be deemed to have assumed any liability or obligation (including a liability or obligation which, but for this sentence, would be deemed to be an Assumed Liability) where the existence or nature of such liability or obligation constitutes or arises out of a breach or inaccuracy of any representation or warranty or the non-fulfillment or breach of any covenant, agreement or obligation of Seller hereunder.

(c) Excluded Liabilities. Buyer shall not be the successor to Seller, and Buyer expressly does not assume and shall not become liable to pay, perform or discharge, any obligation or liability whatsoever of Seller or relating to the Station Business or any of the Station Assets other than the Assumed Liabilities. All obligations, liabilities and commitments other than the Assumed Liabilities are referred to herein as the "Excluded Liabilities." Seller shall pay, perform and discharge when due, all of the Excluded Liabilities. Without limitation of the foregoing, the term "Excluded Liabilities" includes the following liabilities, whether accrued or fixed, absolute or contingent, known or unknown, determined or determinable, and, unless otherwise expressly provided herein, whenever arising:

(i) all liabilities and obligations relating to or arising out of the Excluded Assets;

(ii) all liabilities and obligations for Taxes arising out of, relating to or in respect of the Station Assets or the use thereof for any taxable periods (or any portion thereof) ending on or prior to the Closing Date or, except as expressly set forth in Section 7.7(a), arising from the transfer of the Station Business, the Station Assets or otherwise from the consummation of the transactions contemplated by this Agreement and the other agreements, certificates and documents delivered in connection herewith;

(iii) any Claims or Legal Action of any nature whatsoever (including claims, demands, liabilities or obligations in respect of environmental matters, occupational safety, workers' or workmen's compensation, grievance proceedings or actual or threatened litigation, suits, claims, demands or governmental proceedings) which arose or were incurred on or before the Closing Date, or which arise from or are based on events occurring or conditions existing on or before the Closing Date;

(iv) any liability or obligation arising under any Plan or compensation arrangement of Seller and any liability or obligation to present or former Equityholders;

(v) any liabilities or obligations of Seller or Parent under the Transaction Documents;

(vi) any obligations, liabilities or commitments under the Assumed Contracts to the extent such obligations, liabilities and commitments relate to the period prior to the Closing Date or the Transfer Date (if consent to assignment thereof is required);

(vii) any matter identified or referred to in Schedule 1.3(c);

(viii) any obligation of Seller under any agreement limiting its ability to compete in the Station Business, to the greatest extent possible under such agreement;

(ix) except as provided in Section 1.3(b)(i), any liability or obligation to third parties and claims from third parties to the extent based on circumstances existing on or prior to the Closing Date or the conduct of the Station Business to the extent that such conduct occurred on or before the Closing Date;

(x) any liability or obligation of Seller relating to any Existing Station Indebtedness;

(xi) except as otherwise provided in Section 1.3(b)(i), all other obligations and liabilities arising from the operation of the Station Business or the ownership of the Station Assets on or prior to the Closing Date; and

(xii) any liabilities or obligations of Seller not related exclusively to the Station Business or the Station Assets.

1.4 Non-Assignable Rights. If any property or right included in the Station Assets is not assignable or transferable either by virtue of the provisions thereof or under applicable Legal Requirements without the consent of one or more third Persons (each, a "Non-Assignable Right"), Seller shall use its reasonable best efforts, at Seller's sole cost and expense, to obtain

such consents. If any such consent in respect of a Non-Assignable Right cannot be obtained prior to the Closing Date and the Closing shall occur, (i) this Agreement and the related instruments of transfer shall not constitute an assignment or transfer thereof, but (A) Seller shall use its reasonable best efforts to obtain such consent as soon as possible after the Closing Date and (B) Buyer shall cooperate, to the extent commercially reasonable, with Seller in Seller's efforts to obtain such consents; and (ii) at Buyer's election, (A) the Non-Assignable Right shall be an Excluded Asset and Buyer shall have no obligation pursuant to Section 1.3(b) or otherwise with respect to any such Non-Assignable Right or any liability with respect thereto or (B) Seller shall use its reasonable best efforts to obtain for Buyer substantially all of the practical benefit and burden of such property or rights, including by (1) entering into appropriate and reasonable alternative arrangements on terms mutually agreeable to Buyer and Seller and (2) subject to the consent and control of Buyer, enforcement, at the cost and for the account of Buyer, of any and all rights of Seller against the other party thereto arising out of the breach or cancellation thereof by such other party or otherwise.

ARTICLE 2.

CLOSING

2.1 Purchase Price

(a) Payment. In consideration of the transfer and delivery of the Station Assets to Buyer at the Closing, (i) Buyer will pay to Seller an amount which is equal to the Cash Purchase Price less the Deposit, and (ii) Buyer will assume the Assumed Liabilities. The Cash Purchase Price less the Deposit shall be paid by Buyer to Seller on the Closing Date by wire transfer of immediately available funds to such bank account(s) as Seller may designate in writing on or prior to the Closing Date. Buyer shall pay the Deposit to Seller contemporaneously with the execution of this Agreement.

(b) Allocation of Cash Purchase Price after Sale. (i) Buyer and Seller will allocate the Cash Purchase Price among the Station Assets in accordance with a report of such allocation prepared in good faith by Buyer based upon the valuation report of an independent appraiser retained by Buyer and in accordance with all applicable provisions of the Internal Revenue Code of 1986, as in effect from time to time (the "Code"). Buyer will submit such reports of Buyer and such independent appraiser (the "Purchase Price Allocation") to Seller prior to the Closing of the Sale.

(ii) The Purchase Price Allocation shall thereafter not be adjusted and shall be binding on Buyer and Seller. Buyer and Seller agree to file (at such times and in such manner as may be required by applicable Legal Requirements) all relevant Tax Returns (including, without limitation, Forms 8594, Asset Acquisition Statements, and all income and other Tax Returns) on the basis of such allocations, unless there has been a final "determination," as defined in Section 1313(a) of the Code, in which the allocation is modified. Buyer and Seller shall cooperate in the preparation of such Tax Returns. Neither Buyer nor Seller shall take a position inconsistent therewith upon examination of any Tax Return, in any refund claim, or in any litigation or investigation, without the prior written consent of the other party, except as required by applicable Legal Requirements. In the event that a party hereto receives notice that the Purchase

Price Allocation is disputed by any Governmental Authority, such party shall promptly notify the other parties hereto in writing of such notice and resolution of the dispute.

2.2 The Closing. Pursuant to the terms and subject to the conditions hereof, the closing of the Sale, and the assumption of the Assumed Liabilities (the "Assumption"), and the consummation of all related transactions effected contemporaneously therewith pursuant to this Agreement (the "Closing"), shall be held after the satisfaction or waiver in writing of each of the conditions set forth in Article 8 and Article 9, and at the time and location and on the date specified by Buyer in writing to Seller delivered not less than fifteen (15) business days prior to such date, or at such other place and/or at such other time and day as Seller and Buyer may agree in writing.

2.3 Deliveries at Closing. All actions at the Closing shall be deemed to occur simultaneously, and no document or payment to be delivered or made at the Closing shall be deemed to be delivered or made until all such documents and payments are delivered or made to the reasonable satisfaction of Buyer, Seller and their respective counsel.

(a) Deliveries by Seller. At the Closing, Seller shall deliver to Buyer such instruments of conveyance and other customary documentation as shall in form and substance be reasonably satisfactory to Buyer and its counsel in order to effect the Sale, including, without limitation, the following:

(i) one or more bills of sale or other instruments (including assignments of FCC Authorizations, call letters, service marks, leases and other contracts) conveying the Station Assets;

(ii) evidence of the release of all Liens that are necessary in order to transfer the Station Assets in the manner contemplated by Section 1.3(a);

(iii) a copy of the resolutions or proceedings of Seller's board of managers authorizing Seller's consummation of the Sale certified by a duly authorized officer of Seller and further certifying that such resolutions remain in full force and effect, and have not been amended, rescinded or modified, except to the extent attached thereto;

(iv) a certificate as to the existence and/or good standing of Seller issued by the Secretary of State of each of Delaware and Virginia, in each case dated on or after the fifth Business Day prior to the Closing Date, certifying as to the good standing and/or qualification of each such Person in such jurisdiction;

(v) a receipt for the Cash Purchase Price (including the Deposit);

(vi) all Material Consents;

(vii) a certificate of a duly authorized officer of Seller, dated as of the Closing Date, certifying that (A) all of the conditions set forth in Article 8 have been fulfilled or waived; (B) the articles of organization and limited liability agreement of Seller, attached to the certificate, are true and complete, have been in full force and effect in the form attached since the

date of the adoption of the resolutions referred to in Section 2.3(a)(iii) and no amendment to such organizational documents has occurred since the date of the last amendment annexed thereto;

(viii) a termination agreement terminating the Option Agreement dated as of January 8, 2007; and

(ix) such other documents as Buyer may reasonably request.

(b) Deliveries by Buyer. At the Closing, Buyer shall deliver to Seller the Cash Purchase Price as provided in Section 2.1 and such instruments of assumption and other customary documentation as shall in form and substance be reasonably satisfactory to Seller and its counsel in order to effect the Sale and the Assumption, including, without limitation, the following:

(i) a certificate of a duly authorized officer of Buyer, dated as of the Closing Date, certifying that Buyer's articles of incorporation and bylaws (or other organizational documents), attached to the certificate, are true and complete, have been in full force and effect in the form attached since the date of the adoption of the resolutions referred to in Section 2.3(b)(ii) and no amendment to such organizational documents has occurred since the date of the last amendment annexed thereto;

(ii) a copy of the resolutions or proceedings of Buyer authorizing the consummation of the Sale and the Assumption, certified by a duly authorized officer of Buyer and further certifying that such resolutions remain in full force and effect, and have not been amended, rescinded or modified, except to the extent attached thereto;

(iii) a certificate issued by the Secretary of State of the state under the laws of which Buyer is incorporated, organized or formed, dated on or after the fifth Business Day prior to the Closing Date, certifying as to the organization of Buyer in such jurisdiction; and

(iv) such other documents as Seller may reasonably request.

ARTICLE 3.

REPRESENTATIONS AND WARRANTIES OF SELLER

Seller represents and warrants to Buyer as set forth in this Article 3; *provide, however*, that each representation and warranty of Seller contained in this Article 3 excludes all actions or omissions of Buyer and its officers, employees, and agents and Persons acting on behalf of or at the direction of Buyer, its officers, employees or agents (all such Persons, collectively, "Excluded Persons"), and further excludes all things caused by or in any way resulting from or related to any act or omission of an Excluded Person; and *provided further* that references in this Agreement, including references made in this Article 3, to things known, done or received by

Seller shall not include things known, done or received by an Excluded Person unless actually known, done or received by Seller.

3.1 Organization; Power. Seller is a limited liability company duly organized, validly existing, and in good standing under the laws of the State of Delaware and is duly qualified to do business and is in good standing as a foreign entity under the laws of the State of Virginia. Seller has the requisite power and authority to own, lease and use the Station Assets.

3.2 Company Action. Seller has the requisite power and authority to execute, deliver and perform this Agreement and the agreements and documents contemplated hereby. All actions necessary to be taken by or on the part of Seller in connection with the execution, delivery and performance of this Agreement, the agreements and documents contemplated hereby and the consummation of the transactions contemplated hereby and presently necessary to make the same effective have been (or will be as of the date executed and delivered) duly and validly taken. This Agreement has been, and the agreements and documents contemplated hereby have been or will be as of the date executed and delivered, duly and validly authorized, executed, and delivered by Seller and constitute, or will constitute when executed and delivered, a legal, valid and binding agreement, enforceable against Seller in accordance with and subject to its terms.

3.3 No Defaults. On the Closing Date (after giving effect to all Consents which have been obtained), neither the execution and delivery by Seller of this Agreement and the agreements and documents contemplated hereby, nor the consummation by Seller of the transactions contemplated hereby, will, or, with the giving of notice or the passage of time or both, would (a) constitute a material violation of or would conflict in any material respect with or result in any material breach of or any material default under, any of the terms, conditions, or provisions of any Legal Requirement to which Seller is subject or any of Seller's assets are bound, or of Seller's articles of organization or limited liability company agreement, or (b) result in a violation or breach of, or constitute (with or without due notice or lapse of time or both) a default under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of any Lien on any of the Station Assets (other than Permitted Liens) pursuant to, any note, bond, mortgage, indenture, Contract, license, permit, franchise or other instrument or obligation to which Seller is a party or by which Seller or any of the Station Assets are bound.

3.4 Consents. No consent, waiver, license, approval, authorization, order or permit or registration or filing with, or notification to, any Governmental Authority or other third party is necessary for the execution, delivery or performance of this Agreement or the agreements and documents contemplated hereby by Seller except (i) the Required FCC Consent; (ii) filings with respect to sales and other transfer taxes; (iii) such filings, registrations, notifications, permits, authorizations, consents or approvals that result solely from the specific legal or regulatory status of Seller or as a result of any other facts that specifically relate to the business or activities in which Seller is engaged; and (iv) the consent of or notice to each party identified on Schedule 3.4.

3.5 Litigation. Except as set forth on Schedule 3.5, and except for any Legal Actions that affect the broadcasting industry generally, through and including the Closing Date, there are

no Claims or Legal Actions pending or, to Seller's Knowledge, threatened, against or affecting the Station, the Station Assets, the FCC Authorizations, the Station Business or the consummation of the transactions contemplated hereby; excluding, however, such Claims or Legal Actions the result of which, if adversely determined against Seller, is not reasonably likely to have a Material Adverse Effect.

3.6 Taxes. Through the Closing Date, Seller has or will have timely filed or caused to be filed, as the case may be, all Tax Returns with respect to the Station Assets or the Station Business that are required to have been filed by it and all such Tax Returns have been and will be true and complete in all material respects. Seller will have paid all Taxes due as of the Closing Date, whether or not shown on any Tax Return. On the Closing Date, except with respect to Taxes not due and payable as of such date, none of the Station Assets will be subject to any Lien arising in connection with the failure or alleged failure to pay any Tax. The charges, accruals and reserves for Taxes of Seller for any pre-Closing Tax period (including any Tax period for which no Tax Return will have been filed) reflected on the books of Seller (excluding any provision for deferred Taxes) as disclosed to Buyer prior to the Closing, will be adequate to cover such Taxes. On the Closing Date, Seller will have no liability for the Taxes of any Person (other than Seller) under Treas. Reg. §1.1502-6 (or any similar provision of state, local or foreign Legal Requirement) as a transferee or successor by contract or otherwise.

3.7 Tangible Personal Property. Schedule 3.7 lists all material items of Tangible Personal Property used or held for use in connection with the Station Business as of the Effective Date. On the Closing Date, the Tangible Personal Property will be in good operating condition and repair (subject to normal wear and tear), and will be available for immediate use in the conduct of the business or operation of the Station. As of the Closing Date, all items of Tangible Personal Property will have been maintained in a manner consistent in all material respects with Standard Practices. On the Closing Date, the levels of inventory and spare parts held by Seller for the operation of the Station will be sufficient to permit the continued maintenance and operation of the Station in accordance with Standard Practices.

3.8 Compliance with Laws. The business and operations of the Station are, and as of the Closing Date will have been, conducted in all material respects in compliance with all applicable Legal Requirements, except for violations that individually or in the aggregate could not reasonably be expected to have a Material Adverse Effect.

3.9 Regulatory Matters.

(a) Seller is, and at all times from and after the Effective Date to and including the Closing Date will be, legally, financially and otherwise qualified under the Communications Act to perform its obligations hereunder, to be the licensee of, and to own and operate the Station. Seller has no Knowledge of any facts or circumstances relating to the FCC qualifications of Parent or Seller that (i) could reasonably be expected to prevent the FCC from granting either (A) the assignment application contemplated hereby or (B) the FCC Applications or (ii) which would otherwise disqualify Seller as the licensee, owner or operator of the Station.

(b) Schedule 3.9(b) accurately and completely lists all FCC Authorizations, all material pending applications filed with the FCC by Seller with respect to the Station and all

material Authorizations related to or required in connection with the use of any Tangible Personal Property or Acquired Real Property. True and complete copies of the FCC Authorizations and material pending applications filed with the FCC by Seller with respect to the Station are attached to Schedule 3.9(b).

(c) No application, action or proceeding is pending for the renewal of any FCC Authorization as to which any petition to deny or objection has been filed and, to Seller's Knowledge, there is neither now or on the Closing Date before the FCC any material investigation, proceeding, notice of violation, or order of forfeiture relating to the Station that, if adversely determined, could reasonably be expected to have a Material Adverse Effect. There is not now pending and, to Seller's Knowledge, there is not threatened, any action by or before the FCC to revoke, suspend, cancel, rescind or modify in any material respect any of the FCC Authorizations that, if adversely determined, could reasonably be expected to have a Material Adverse Effect (other than proceedings to amend the Communications Act or proceedings of general applicability to the radio or television industries).

(d) Through the Closing Date, the Station has been and will be owned and operated by Seller, in material compliance with (i) the terms of the licenses or other authorizations issued by the FCC to Seller with respect to the Station, and (ii) the Communications Act. Since the Acquisition Date Seller has filed all material applications, reports, and other disclosures required by the FCC to be made in respect to the Station and has or will have timely paid all FCC regulatory fees in respect thereof, except where the failure to do so could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. No licenses, authorizations, permits or other rights or Authorizations other than the FCC Authorizations are required to own and operate the Station in substantially the same manner as it is being operated as of the date hereof and as of the Closing Date. To Seller's Knowledge, the FCC Authorizations are as of the date hereof, and on the Closing Date will be, in full force and effect; and are not, and on the Closing Date will not be, subject to any condition except conditions applicable to broadcast television licenses or radio licenses generally, as applicable, or as otherwise disclosed on the face of the FCC Authorizations. Seller has no reason to believe that the FCC will not renew any FCC Authorizations in the ordinary course.

(e) Schedule 3.9(e) identifies each cable system within the Station's designated market area for which Seller has made a valid election of must carry. Except as set forth on Schedule 3.9(e), no cable system has advised Seller of any signal quality or copyright indemnity or other obstacle to cable carriage of the Station's signal, and no cable system has declined or threatened to decline such carriage or failed to respond to a request for carriage or sought any form of relief from carriage from the FCC.

3.10 Insurance. Through the Closing Date, (a) Seller has maintained in full force and effect all such policies of casualty, liability, theft, fidelity and other forms of insurance in such forms and amounts as are reasonably necessary to protect against material Losses to the Station Assets, and in no event less than that which has customarily been maintained by the Station, (b) each such policy will be valid and binding and (c) all such insurance policies will be in the name of Seller and all premiums with respect to such policies will be timely paid in full.

3.11 Title to and Condition of Real Property. (a) Through the Closing Date, Seller has had good, valid and marketable fee simple title, insurable at standard rates, to all fee estates (including the improvements thereon) included in the Acquired Real Property, and as to the long-term leasehold interests, good, valid and marketable leasehold title, insurable at standard rates, to all long-term leasehold estates included in the Acquired Real Property, free and clear of all Liens, except for Permitted Liens.

(b) Schedule 3.11 contains a complete and accurate description in all material respects of all the Acquired Real Property and Seller's interests as of the Purchase Agreement and, thereafter, as of the Closing. The Acquired Real Property listed on Schedule 3.11 comprises all real property interests used in connection with the Station Business as now conducted. With respect to each leasehold or subleasehold interest included in the Acquired Real Property being conveyed under this Agreement, except as otherwise disclosed on Schedule 3.11, Seller will have, through the Closing Date, enforceable rights to nondisturbance and quiet enjoyment. Through the Closing Date, Seller has had full legal and practical access to the Acquired Real Property. Since the Acquisition Date through and including the Closing Date, all towers, guy anchors, buildings and other improvements included in the Station Assets have been located entirely on the Acquired Real Property listed on Schedule 3.11. Seller has delivered to Buyer true and complete copies of all deeds and leases pertaining to the Acquired Real Property. All Acquired Real Property (including the improvements thereon) (a) is in good condition and repair consistent with its present use (ordinary wear and tear excepted); (b) will be through the Closing Date, available for immediate use in the conduct of the Station Business; and (c) complies in all material respects with all applicable building and zoning codes and regulations and land-use laws of any Governmental Authority having jurisdiction, excluding, however, any noncompliance the result of which could not reasonably be expected to have a Material Adverse Effect. The Acquired Real Property is accessible by a public right of way or is otherwise reasonably accessible for purposes of conducting the use of such Acquired Real Property.

3.12 Contracts. Schedule 3.12 sets forth an accurate and complete list of all material contracts, agreements and understandings in effect as of the date of the Effective Date that relate to the Station Assets or the Station Business and have an annual value of over \$200,000. Seller has delivered to Buyer accurate and complete copies of such contracts, agreements and understandings, including all amendments thereto and assignments thereof. To Seller's Knowledge, there exists no material default under such contracts, agreements and understandings by any party thereto or any event which, after notice or lapse of time, or both, would constitute such a material default. On the Closing Date, all Assumed Contracts will be in full force and effect, constituting valid and binding obligations of the parties thereto enforceable in accordance with their respective terms.

3.13 Environmental Matters.

(a) Seller has been, and through the Closing Date Seller will be, in compliance with all Environmental Legal Requirements in connection with the operation of the Station and the conduct of the Station Business, except for any noncompliance which could not reasonably be expected to have a Material Adverse Effect, and, as of the Closing, except as disclosed to Buyer in writing prior thereto, Seller will have not received any written notice of a charge, complaint, action, suit, proceeding, hearing, investigation, claim, demand, or notice having been filed or

commenced against Seller in connection with its operation of the Station alleging any failure to comply with any Environmental Legal Requirement.

(b) There is not now and through the Closing Date, Seller will have no, liability relating to the operation of the Station that could reasonably be expected to have a Material Adverse Effect under any Environmental Legal Requirements.

ARTICLE 10.

INDEMNIFICATION

10.1 Indemnification by Seller. Seller shall indemnify and hold harmless Buyer and its Affiliates, and the directors, officers, employees and other agents and representatives of Buyer and its Affiliates from and against any and all liabilities, judgments, claims, settlements, losses, damages, fees, Liens, Taxes, penalties, obligations and expenses (including reasonable attorney's fees and expenses and costs and expenses of investigation) (collectively, "Losses") incurred or suffered, directly or indirectly, by any such Person arising from, by reason of or in connection with:

(a) any breach or inaccuracy of any representation or warranty of Seller contained in this Agreement or any certificate, instrument or other document delivered by Seller hereunder or in connection with the consummation of the transactions contemplated hereby;

(b) the non-fulfillment or breach of any covenant, obligation or agreement made by Seller in this Agreement;

(c) any Claim or Legal Action by any third party arising from the business, ownership or operations by Seller or Parent of such Person's assets prior to the Closing Date, except to the extent arising from obligations or liabilities that have been assumed by Buyer pursuant to this Agreement;

(d) any failure by Seller to pay, perform or discharge any Excluded Liability or any other liability, obligation or commitment of Seller or the Station Business (other than an Assumed Liability));

(e) the failure of Seller to comply with any Legal Requirements relating to bulk sales or Tax applicable to the transactions contemplated by this Agreement;

(f) any failure by Seller to pay any finders' or brokers' fees due and payable by it as a result of this Agreement or the transactions contemplated hereby;

(g) any matter identified or referred to in Schedule 1.3(c); and

(h) any and all actions, suits, proceedings, claims, demands, assessments, judgments, costs and expenses, including reasonable attorneys', accountants' and experts' fees and expenses, incident to any of the foregoing or incurred in investigating or in enforcing the foregoing.

10.2 Deductible and Cap. Notwithstanding the foregoing or anything else herein to the contrary, after Closing, (i) Seller shall have no liability to Buyer under Section 10.1 until Buyer's aggregate Losses exceed 3% of the Cash Purchase Price (the "Deductible"), in which case, Seller shall be required to pay to Buyer the amount of all such Losses in excess of the Deductible, (ii) the maximum liability of Seller for Buyer's Losses shall be an amount equal to 50% of the Cash Purchase Price (the "Cap").

10.3 Indemnification by Buyer. Buyer shall indemnify and hold harmless Seller and its respective Affiliates, and the directors, officers, employees and other agents and representatives of Seller and its respective Affiliates from and against any and all Losses incurred or suffered, directly or indirectly, by any such Person arising from, by reason of or in connection with:

(a) any breach or inaccuracy of any representation or warranty of Buyer contained in this Agreement or any certificate, instrument or other document delivered by Buyer hereunder or in connection with the consummation of the transactions contemplated hereby;

(b) the non-fulfillment or breach of any covenant, obligation or agreement made by Buyer in this Agreement; and

(c) any Assumed Liability.

10.4 Notice of Claims. If a Person entitled to indemnification pursuant to this Article 10 (an "Indemnified Party") believes that it has suffered or incurred any Loss, it shall notify the party obligated to indemnify it pursuant to this Article 10 (the "Indemnifying Party") promptly in writing, and in any event within the applicable time period specified in Section 10.7, describing such Loss, with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such Loss shall have occurred. If any Legal Action is instituted by a third party with respect to which an Indemnified Party intends to claim any liability or expense as a Loss under this Section, such Indemnified Party shall promptly notify the Indemnifying Party of such Legal Action, but the failure to so notify the Indemnifying Party shall not relieve such Indemnifying Party of its obligations under this Section, except to the extent such failure to notify materially prejudices such Indemnifying Party's ability to defend against such claim for indemnification.

10.5 Claims Between the Parties. With respect to claims for indemnification solely between the Indemnified Party and the Indemnifying Party, following receipt of notice from the Indemnified Party of such claim, the Indemnifying Party shall have thirty (30) days to make such investigation of the claim as the Indemnifying Party deems necessary or desirable. For the purposes of such investigation, the Indemnified Party agrees to make available to the Indemnifying Party and/or its authorized representatives the information relied upon by the Indemnified Party to substantiate the claim. If the Indemnified Party and the Indemnifying Party agree at or prior to the expiration of the thirty (30) day period (or any mutually agreed upon extension thereof) to the validity and amount of such claim, the Indemnifying Party shall immediately pay to the Indemnified Party the full amount of the claim. If the Indemnified Party and the Indemnifying Party do not agree within the thirty (30)-day period (or any mutually agreed upon extension thereof), the Indemnified Party may seek appropriate remedy at law or

equity or under the provisions of this Agreement, as applicable, subject to the provisions of Section 11.15.

10.6 Defense of Third-Party Claims. So long as the Indemnifying Party shall affirm in writing its obligation to indemnify the Indemnified Party for any Losses incurred by such parties with respect to such third-party Claims, the Indemnifying Party shall have the right to conduct and control, through counsel of its own choosing reasonably acceptable to the Indemnified Party, any third-party Claim or Legal Action, but the Indemnified Party may, at its election, participate in the defense thereof at its sole cost and expense; provided, however, that, if the Indemnifying Party shall fail to defend any such Claim or Legal Action (including the assertion of any reasonable defense conveyed to the Indemnifying Party by the Indemnified Party or its counsel), or if in the Indemnified Party's reasonable judgment a conflict of interest exists between such Indemnified Party and the Indemnifying Party in respect of a defense or counterclaim with respect to such third-party Claim or Legal Action, such Indemnified Party shall be entitled to select counsel of its own choosing, reasonably satisfactory to the Indemnifying Party, and the Indemnifying Party shall be obligated to pay the reasonable fees and expenses of such counsel, and (so long as it gives the Indemnifying Party at least fifteen (15) days notice of the terms of the proposed settlement thereof and permits the Indemnifying Party to then undertake the defense thereof) settle such Claim or Legal Action and recover the amount of such settlement or of any judgment and the reasonable costs and expenses of such defense. The Indemnifying Party shall not compromise or settle any Claim or Legal Action without the prior written consent of the Indemnified Party, which consent shall not be unreasonably withheld, delayed or conditioned.

10.7 Termination of Indemnification. (a) Notwithstanding any investigation made by or on behalf of Seller or Buyer prior to, on or after the Closing Date, the representations and warranties contained in this Agreement (including the Schedules hereto) and in any document, instrument or certificate executed and delivered in connection herewith shall survive the consummation of the transactions contemplated hereby and terminate on the third (3rd) anniversary of the Closing Date, except that the representations and warranties:

- (i) set forth in Section 3.6 shall survive until the expiration of the applicable statute of limitation;
- (ii) set forth in Section 3.13 shall survive the Closing and shall terminate on the seventh (7th) anniversary of the Closing Date;
- (iii) set forth in Sections 3.11(a), 3.16(a)(i) and 3.18 shall survive forever; and
- (iv) which are based upon fraud or misrepresentation by Seller shall survive forever.

The covenants of the parties hereto shall survive indefinitely, unless otherwise expressly provided herein.

(b) Any right of indemnification or reimbursement pursuant to this Article 10 with respect to a claimed breach, inaccuracy or non-fulfillment of any representation, warranty, covenant, agreement or obligation shall expire on the date of termination of the representation, warranty, covenant, agreement or obligation claimed to be breached as set forth in Section

10.7(a) (the “Expiration Date”), unless on or prior to the Expiration Date, the Indemnifying Party has received written notice from the Indemnified Party of such breach, inaccuracy or non-fulfillment from the Indemnified Party, in which case the Indemnified Party may continue to pursue its right of indemnification or reimbursement hereunder beyond the Expiration Date of the applicable representation, warranty, covenant, agreement or obligation.

10.8 Exceptions to Limitations on Indemnification. Nothing contained in this Agreement shall relieve or limit the liability of any party or any officer or director of such party from any liability arising out of or resulting from common law fraud or intentional misrepresentation in connection with the transactions contemplated by this Agreement or in connection with the delivery of any of the documents referred to herein. Notwithstanding anything to the contrary contained herein, each party shall have a right to indemnification for any Loss incurred as the result of any common law fraud or intentional misrepresentation by any other party or any officer or director of such other party without regard to any survival period or any other period or provision of limitation.

ARTICLE 11.

TERMINATION/MISCELLANEOUS

11.1 Termination of Agreement Prior to the Closing Date. (a) This Agreement may be terminated at any time on or prior to the Closing as follows:

(i) By Seller. By Seller, by delivery of written notice (a “Termination Notice”) to Buyer along with the return of the Deposit (A) at any time after the date on which the Required FCC Consent has been denied by Final Order or (B) if the Required FCC Consent has not been obtained by December 31, 2018.

(ii) By Buyer. By Buyer, by delivery of Termination Notice to Seller (A) at any time after the date on which the Required FCC Consent has been denied by Final Order or (B) the Required FCC Consent has not been obtained by December 31, 2018.

(b) Except for the return of the Deposit pursuant to subsection (i) hereof, neither Buyer nor Seller shall have any liability to either of the other for costs, expenses, damages (consequential or otherwise), loss of anticipated profits, or otherwise as a result of a termination pursuant to this Section 11.1. This Section 11.1 shall survive the termination of this Agreement.

(c) Termination of this Agreement for any reason shall be without prejudice to any rights which shall have accrued to the benefit of a party prior to such termination.

11.2 Remedies. In the event of a breach of any of Seller’s obligations under this Agreement, Buyer, in addition to being entitled to exercise all rights provided herein or granted by law, including recovery of the Deposit and damages, will be entitled to specific performance of its rights under this Agreement. The parties hereto agree that monetary damages would not be adequate compensation for any loss incurred by reason of a breach of any such obligations of Seller or Parent.

11.3 Expenses. Except as otherwise expressly provided in this Agreement, each of Seller and Buyer shall bear all of its expenses incurred in connection with the transactions contemplated by this Agreement, including, without limitation, accounting and legal fees incurred in connection herewith.

11.4 Assignments; Exercise in Part. This Agreement shall not be assigned by Seller without the prior written consent of Buyer; provided that after the Closing, Seller may assign its rights pursuant to this Agreement to any other Person in connection with the dissolution, liquidation or winding up or administration of its affairs; and further provided that, whether or not any requisite consent of Buyer has been obtained, this Agreement will be binding upon all respective successors of Seller, whether by operation of law or otherwise (except that this proviso shall not apply to any transfer or disposal pursuant to a Pledge Agreement). Any attempt by Seller to assign this Agreement without first obtaining the consent of Buyer shall be void. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. This Agreement may be assigned in whole or in part by Buyer without the prior written consent of Seller to any Person (provided that no such assignment shall relieve Buyer of any of its obligations or liabilities hereunder), and Buyer will inform Seller and Parent of any such assignment. Any assignee of Buyer will be deemed to be "Buyer" for purposes of this Agreement as to the rights assigned to such assignee.

11.5 Further Assurances. From time to time prior to, at, and after the Closing Date, each party hereto will execute all such instruments and take all such actions as another party hereto shall reasonably request in connection with carrying out and effectuating the intent and purpose hereof, and all transactions and things contemplated by this Agreement, including, without limitation, the execution and delivery of any and all confirmatory and other instruments, in addition to those to be delivered on the Closing Date, as the case may be, and any and all actions which may reasonably be necessary to complete the transactions contemplated hereby.

11.6 Notices. All notices, demands, and other communications which may or are required to be given hereunder or with respect hereto shall be in writing, shall be delivered personally or sent by nationally recognized overnight delivery service, charges prepaid, or by registered or certified mail, return-receipt requested, and shall be deemed to have been given or made when personally delivered, the next business day after delivery to such overnight delivery service, three (3) days after deposited in the mail, first class postage prepaid, as the case may be, addressed as follows:

11.8 Law Governing. THIS AGREEMENT SHALL BE GOVERNED BY, CONSTRUED, AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REFERENCES TO ITS PRINCIPLES OF CONFLICT OF LAWS, EXCEPT TO THE EXTENT THAT THE FEDERAL LAW OF THE UNITED STATES GOVERNS THE TRANSACTIONS CONTEMPLATED HEREBY.

11.9 Waiver of Provisions. The terms, covenants, representations, warranties, and conditions of this Agreement may be waived only by a written instrument executed by the Person waiving compliance. The failure of Buyer or Seller at any time or times to require performance of any provision of this Agreement shall in no manner affect the right at a later date to enforce the same. No waiver by Buyer or Seller of any condition or the breach of any provision, term, covenant, representation, or warranty contained in this Agreement, whether by conduct or otherwise, in any one or more instances, shall be deemed to be or construed as a further or continuing waiver of any such condition or of the breach of any other provision, term, covenant, representation, or warranty of this Agreement.

11.10 Counterparts. This Agreement may be executed in two (2) or more counterparts, and all counterparts so executed shall constitute one (1) agreement binding on all of the parties hereto, notwithstanding that all the parties hereto are not signatory to the same counterpart. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

11.11 Entire Agreement/Amendments. This Agreement (including the Exhibits and Schedules attached hereto and expressly contemplated hereby) constitutes the entire agreement among the parties hereto pertaining to the subject matter hereof and supersedes any and all prior and contemporaneous agreements, understandings, negotiations, and discussions, whether oral or written, between them relating to the subject matter hereof. No amendment or waiver of any provision of this Agreement shall be binding unless executed in writing by the party to be bound thereby. The parties intend that this Agreement be in full compliance with all published rules, policies and orders of the FCC. If the FCC orders that the parties change any term of this Agreement, then the parties will attempt to do so, consistent with said FCC order and the overall intent of this Agreement.

11.12 Access to Books and Records. (a) Buyer shall preserve for not less than three (3) years after the Closing Date all books and records included in the Station Assets. After such three (3)-year period, Buyer will not destroy any books or records relating to the conduct of the Station Business prior to the Closing unless Buyer first offers to transfer such books and records

to Parent, and if Buyer is requested to do so, Buyer will transfer such books or records to Parent (at Parent's sole cost and expense).

(b) After the Closing, neither Seller nor Parent will destroy any books or records relating to the conduct of the Station Business prior to the Closing Date that were not otherwise encompassed within the Station Assets unless Parent first offers to transfer such books and records to Buyer, and if Parent is requested to do so, Parent transfer such books or records to Buyer.

(c) At the request of any other party to this Agreement, Buyer, Seller and Parent will permit each other (including such other party's officers, employees, accountants, and counsel) any access, upon reasonable prior written notice during normal business hours, to all of its property, accounts, books, contracts, records, accounts payable and receivable, records of employees, FCC logs and other information concerning the affairs or operation of the Station as such other party to this Agreement may reasonably request for any reasonable purpose, and to make extracts or copies from the foregoing at the requesting party's expense.

11.13 Public Announcements. Prior to the Closing, no party to this Agreement shall, except by mutual agreement with all other parties to this Agreement (including agreement as to content, text and method or distribution or release), make any press release or other public announcement or disclosure concerning the transactions contemplated by this Agreement, except as may be required by any Legal Requirement (including, without limitation, filings and reports required to be made with or pursuant to the rules of the Securities and Exchange Commission); provided that, prior to making any such announcement or disclosure required by any Legal Requirement, to the extent practicable, the disclosing Person gives each other party to this Agreement prior written notice of the context, text and content of, the method of distribution or release of, and all other material facts concerning, such disclosure. After the Closing, Seller will not, except with Buyer's prior written consent (including agreement as to content, text and method or distribution or release), make any press release or other public announcement or disclosure concerning the transactions contemplated by this Agreement, except as may be required by any Legal Requirement (including, without limitation, filings and reports required to be made with or pursuant to the rules of the Securities and Exchange Commission); provided that, prior to making any such announcement or disclosure required by any Legal Requirement, to the extent practicable, Seller gives Buyer prior written notice of the context, text and content of, the method of distribution or release of, and all other material facts concerning, such disclosure. For the avoidance of doubt, after the Closing, Buyer shall have the right to issue any press release or otherwise make any public statement with respect to the transactions contemplated hereby without the consent of Seller.

11.14 Definitional Provisions; Interpretation.

(a) Terms Defined in Appendix. Each capitalized term which is used and not otherwise defined in this Agreement or any Schedule to this Agreement has the meaning which is specified for such term in the Appendix which is attached to this Agreement.

(b) Gender and Number. Words used in this Agreement, regardless of the gender and number specifically used, will be deemed and construed to include any other gender, masculine, feminine or neuter, and any other number, singular or plural, as the context requires.

(c) Other Rules of Interpretation. Except as otherwise expressly provided in this Agreement or as the context otherwise requires, the following rules of interpretation apply to this Agreement: (i) “or” and “any” are not exclusive and the words “include” and “including,” and variations thereof, shall not be deemed to be terms of limitation, but rather shall be deemed to be followed by the words “without limitation”; (ii) a reference to any agreement or other contract includes permitted supplements and amendments; (iii) a reference to a Legal Requirement includes any amendment or modification to such Legal Requirement and any rules or regulations issued thereunder; (iv) a reference to a Person includes its successors and permitted assigns; (v) whenever the terms of this Agreement restrict Seller from taking a particular action without the consent or approval of Buyer, the granting, conditioning, delaying or withholding of such consent or approval by Buyer shall be at Buyer’s sole and absolute discretion; (vi) a reference in this Agreement to an Article, Section, Exhibit or Schedule is to the referenced Article, Section, Exhibit or Schedule of this Agreement; and (vii) the obligations of Seller hereunder are joint and several. The parties hereto agree that they have been represented by counsel during the negotiation and execution of this Agreement and, therefore, waive the application of any Legal Requirement or rule of construction providing that ambiguities in an agreement or other document will be construed against the party drafting such agreement or document. Items disclosed on any one Schedule hereto shall be deemed to be disclosed solely for such Schedule unless specifically noted otherwise thereon.

11.15 Arbitration.

(a) Generally. Subject to Sections 2.1(c)(ii) and 7.6, Buyer and Seller agree that the arbitration procedures described in this Section 11.15 will be the sole and exclusive method of resolving and remedying any claim for indemnification or other remedy arising under this Agreement (collectively, “Disputes”); provided that nothing in this Section 11.15 will prohibit a party from instituting litigation to enforce any Final Arbitration Award. Buyer and Seller agree that, except as otherwise provided in the Commercial Arbitration Rules of the American Arbitration Association as in effect from time to time (the “AAA Rules”), the arbitration procedures described in this Section 11.15 and any Final Arbitration Award will be governed by, and will be enforceable pursuant to, applicable Legal Requirements. No Person will be entitled to claim or recover punitive damages in any such proceeding, other than for punitive damages paid by or assessed against the Indemnified Party in respect of claims by third parties.

(b) Notice of Arbitration. If Buyer or Seller asserts that there exists a Dispute, then such Person will give the other party involved in such Dispute a written notice setting forth the nature of the asserted Dispute. If the Persons giving and receiving such notice (the “Disputing Parties”) do not resolve any such asserted Dispute prior to the tenth Business Day after such notice is given, then either Disputing Party may commence arbitration pursuant to this Section 11.15 by giving the other Disputing Party a written notice to that effect (an “Arbitration Notice”), setting forth any matters which are required to be set forth therein in accordance with the AAA Rules.

(c) Selection of Arbitrator. The Disputing Parties will attempt to select a single arbitrator by mutual agreement. If no such arbitrator is selected prior to the twentieth Business Day after the related Arbitration Notice is given, then an arbitrator which is experienced in matters of the type which are the subject matter of the Dispute will be selected in accordance with the AAA Rules.

(d) Conduct of Arbitration. The arbitration will be conducted under the AAA Rules, as modified by any written agreement between the Disputing Parties. The arbitrator will conduct the arbitration in a manner so that the final result, determination, finding, judgment or award determined by the arbitrator (the "Final Arbitration Award") is made or rendered as soon as practicable, and the parties will use reasonable efforts to cause a Final Arbitration Award to occur not later than the sixtieth day after the arbitrator is selected. Any Final Arbitration Award will be final and binding upon the Disputing Parties, and there will be no appeal from or reexamination of any Final Arbitration Award, except in the case of fraud, perjury or evident partiality or misconduct by the arbitrator prejudicing the rights of a Disputing Party or to correct manifest clerical errors.

(e) Enforcement. Buyer and Seller agree that a Final Arbitration Award may be enforced in any state or federal court having jurisdiction over the subject matter of the related Dispute.

(f) Expenses. A prevailing party in any arbitration proceeding in connection with this Agreement shall be entitled to recover from the non-prevailing party its reasonable attorneys' fees and disbursements in addition to any damages or other remedies awarded to such prevailing party, and the non-prevailing party also will be required to pay all other costs and expenses associated with the arbitration; provided that if an arbitrator is unable to determine that a party is a prevailing party in any such arbitration proceeding, then such costs and expenses will be equitably allocated by such arbitrator upon the basis of the outcome of such arbitration proceeding, and if such arbitrator is unable to allocate such costs and expenses in such a manner, then the costs and expenses of such arbitration will be paid in equal amounts by the Disputing parties, and each Disputing Party will pay the out-of-pocket expenses incurred by it. As part of any Final Arbitration Award, the arbitrator may designate the prevailing party for purposes of this Section 11.15. Except as provided in the preceding sentences, each party to this Agreement will bear its own costs and expenses (including legal fees and disbursements) in connection with any such proceeding or submission.

11.16 Benefits of Agreement. All of the terms and provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Except for the provisions of Article 10, this Agreement is for the sole benefit of the parties hereto and not for the benefit of any third party.

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed by their duly authorized officers, all as of the day and year first above written.
