FROM THE OLD BOARD OF PENSACOLA CHRISTIAN COLLEGE
TO THE NEW BOARD OF PENSACOLA CHRISTIAN COLLEGE
– STATEMENT OF GOALS –**

PENSACOLA CHRISTIAN COLLEGE, INC. (“*PCC*”) is the licensee of Radio Stations WPCS(NCE-FM), Pensacola, Florida (FCC Facility ID No. 52230) and KPCS(FM), Princeton, Minnesota (FCC Facility ID No. 93446). **PCC** is an institution of higher learning with headquarters located in Pensacola, Florida, as well as a 501(c)(3) non-profit, educational organization with a religious mission.

New Board is Result of Progression of Time. The transfer of control precipitating this application is the result of the selection of several new directors and the term-ending or retirement for other directors. The changes in the Board of Directors (i) have occurred over time, in the ordinary course of affairs, for **PCC** and (ii) are such that the majority of the new board will consist of persons who previously have not been passed upon by the Commission. Hence, the reason for this application.

No Consideration is Involved. No consideration at all has been promised or paid in connection with this transfer of control of **PENSACOLA CHRISTIAN COLLEGE, INC.** **PCC** will remain in control of WPCS(NCE-FM) and KPCS(NCE-FM).

Voting Authority. Each member of the Board of Directors has one (1) vote, but absolutely no equity in the licensee company. Accordingly, in consideration of the fact that there are six (6) voting Directors, each Director will exercise a voting interest of approximately 16.667% of the total votes to be cast. Each of the individuals listed below are members of the governing board and the voting percentage attributed to each Director will vary according to the total number of Directors ultimately charged with overseeing the business and operations of **PCC**.

PENSACOLA CHRISTIAN COLLEGE’S GOALS

PCC’s educational goal is to cultivate and teach personal initiative, hard work, patriotism, love of God and country, and the principals that have made America a great nation.

WPCS and KPCS (collectively, the “*Stations*”) enhance **PCC’s** ability to serve the educational and spiritual needs of listeners residing within the Pensacola, Florida, and Princeton, Minnesota, service areas. The Stations bring **PCC’s** expertise to populations that otherwise might be deprived of valuable educational and spiritual services.

The aim of the Stations is to fulfill the mandate of non-commercial educational stations through the integration, both organizationally and spiritually, of a vital educational outreach program developed by **PCC**. In its licensee capacity, WPCS (and soon KPCS) broadcasts information, community affairs, discussion, cultural, spiritual and

consumer educational programming, as well as entertainment programming of interest to the communities in general, and to a spiritual-seeking audience, in particular. **PCC** provides a variety of music, information, inspirational and moral programs that teach a greater comprehension of Christian heritage and the teachings of the Bible, as well as subjects of relevance to contemporary life and human interaction. **PCC** believes that societal problems have a profound impact upon communities as a whole. Accordingly, many programs and services provided by **PCC** are primarily aimed to support the educational and spiritual needs of the population in the service area of the **PCC**-operated Stations. The Stations aspire to provide their audience with information that is useful for the education of all listeners, and aim to aid their listeners in developing coping and other skills to help navigate the trials and tribulations of American life, thereby enabling the Stations' listeners to become active, vital and inspirational elements of society. Thus, listeners dealing with life's issues – employment, financial security, personal achievement, familial interactions and nurturing, child raising, aging parents, health care and quality of life issue – are able to find help and information via the programs carried (or to be carried) on the Stations.
