

Exhibit 1
AMENDMENT LIST

AMENDMENT to the Application for FM Broadcast Station License for
WBAR (fm) 94.7 MHz ch. 243
Lake Luzerne, NY
Capital Media Corporation
BMPH 20071106ACS
C.S. Fitch, P.E.
9 June 2008

The instant amendment is filed following the direct instructions of the FCC FM Branch, Audio Division, Media Bureau to align our pending application for license (BLH-20070420ABM) with our current (as modified) construction permit (BMPH 20071106ACS) now completed.

The proper system constants for this installation are listed in the engineering section. The affidavits of the engineer and surveyor for this new directional antenna system that the system has been installed as proposed have been supplied in exhibit 9.
